Dear Parents

Thank you to all the parents for your support of a number of events last week. With Parent Information nights for K-6 and Pre-Prep being well attended, the swimming carnival was a success because of everyone pitching in and assisting. Whether you were timekeeping, judging, working in the canteen or over the previous fortnight helping our K-2 children your support was greatly appreciated.

This week the Fair is on. The Prep School’s bottle stall is always popular due to the enthusiasm of the children in bringing in lots of interesting bottles. A reminder that these can be brought to the Prep School to Mrs Jean Condon in the After School Care room from 8.30 – 9.00 am each morning. Thank you for supporting this and to Mrs Condon in co-ordinating the receiving, ticketing and tallying. A reminder that any help on the Saturday would be great, even for an hour. Please contact Cathy Watkins (63920316) who will allot you a time. It’s easy and an opportunity to meet others.

At last week’s information evening I referred to refraining from sending emails directly to staff, the correct procedure is to email Cathy and she will forward them onto the appropriate person. This is to ensure that any urgent messages are attended to and also teachers cannot reply to every request during the day due to their commitment to their class. Thank you for your support in this matter.

Enjoy your week and I hope to see you at the Fair on Saturday.

Regards

Rob McLean
Head of the Preparatory School

Rob McLean

Congratulations to Mr Hordynsky who was award ‘Best Moment in Theatre’ at last weekends CAT awards in Canberra. A *chanter* is a lead-up instrument to bagpipes, and similar to a recorder. (Much quieter than bagpipes!). Commencing next Monday, the School’s Bagpipe tutor, Mr Adam Wishart, will begin chanter lessons at lunchtime on Mondays in Room 50. These lessons will be free of charge and are intended to be an introduction to students who may subsequently take bagpipe lessons. Mr Wishart will give a short demonstration of the bagpipes and chanter at Monday’s assembly. Please see Mr Moxey, phone 6392 0341 or wmoxey@kws.nsw.edu.au, if you have any queries.

Many thanks to all those parents who assisted in the recent K-2 Swim School. It was a huge success and wonderful to see all K-2 children feeling confident enough to enter our Prep Interhouse Swimming Carnival last Friday as a result. If you still have your swim programme info, would you please return it to Carolyn Key as soon as possible. Thanks.

Lost
Kelsea Bellamy has lost a Prep School Uniform. If found please return to Kelsea or take to the Prep office

ABSENT STUDENTS

- When a student is absent for any reason, parents need to make contact with Cathy Watkins at the Prep Office by phoning (63920316) or emailing cwatkins@kws.nsw.edu.au. Preferably before 10.00 am
- After the rolls are delivered to the office contact will be made with parents about any unexplained absences. This is to ensure that our students are safe and as a duty of care.
- If your child arrives late to school – the child must be signed in. The sign in/out book is on the bench in the office.
- If your child needs to leave during the school day they also must be signed out and signed back in when they return to school.
Wow! What a fantastic day was had by all last Friday at the KWS Prep Swimming Carnival. After two afternoons of action-packed trials it all came to a head on Friday as the students competed eagerly and to the best of their ability in all events. I was very impressed with all aspects of student participation in the day. The day began with a very enthusiastic and thunderous March Past. Gordon started their day well and took out the march in a hotly contested affair that included everything from horns and drums to dancers and gymnasts. It was simply outstanding!

One of the greatest things about the day was the way students got involved being in the pool or on the sidelines. Some students didn’t stop cheering from the stands all day. Whether you were a strong swimmer or a swimmer on the improve it was great to see so many students having a go at the 50m events. Such a day isn’t possible without the help of so many people. Before we look at some of the finer details of the day it’s important that we recognise the contribution of many helpers on the day. Thank you to all the parents who helped out with judging and time-keeping. Thank you to Steve and John who were a huge help with the computer times both at the carnival and trials. Thank you to Brendan Curran and the grounds team for all the behind the scenes setting up and pulling down. Thank you to the Canteen and all who helped serve there throughout the day. Finally thank you to all the staff who worked without a break for most of the day to ensure that the carnival ran smoothly.

Summer Sport: NO SPORT THIS SATURDAY DUE TO P&F Fair

All Junior Cricket matches however will continue as usual. A reminder that Summer Sport is compulsory and that unexplained absences cause problems with team numbers. Unfortunately our Year 4/5 Inter-House Competition was badly affected by unexplained absences on the weekend resulting in one less team than normal. If your child can’t attend Saturday Sport they simply need to bring in a note or email early in the week. If they fall ill on Saturday morning then a note needs to handed in on Monday. We cannot have students simply not turning up as it has an adverse effect on all teams.

### Interhouse Summer Sport Competition

**Sport:** T-Ball
- The high scorers of the week were:
  - Brown: Juliet Sharpe
  - Douglas: Henry Welsh
  - Gordon: Zac Condon
  - McLachlan: -

**Star Player of the week:** Henry Welsh (Douglas House)

**Highest scoring team:** Douglas Mid

**Season’s highest scoring team:** (tied) Gordon Dark, Douglas Light, Douglas Mid, Douglas Dark

**Winning Team of the T-Ball Competition:** Gordon Dark

**Team of the Week:**

This week, the team of the week award went to Gordon Dark in the Year 4/5 Inter-House Competition (T Ball). Gordon Dark worked well as a team and beat a team with many more players, but that didn’t stop them. The team was made up of Zac Condon, Sosaia Faiva, Charlotte May, Hannah Engelhardt and Sam Aylward. Congratulations Gordon Dark.

Don’t forget that if your child is nominated as a captain of a match they will need to write a report to be read out at the Monday assembly and emailed to Cathy Watkins cwatkins@kws.nsw.edu.au in the office. If your child is unable to email the report it can be given to me at the Monday assembly.

### OUTSTANDING ACHIEVEMENT IN SPORT:

Recently in the Little Athletics Representative Championship season Jack Pengilly achieved 4 personal bests and 4 first places at the zone championships. He received 4 gold medals for his effort but because he is in under 7’s he doesn’t progress. Good on you Jack! Congratulations also to Jemima McCalman who came 1st in 1500m and 2nd in 800m at the Regional Championships held in Finley last weekend. Kelsey Gray was also impressive at the championships and finished 1st in the 400m and 3rd in the 800m. Both girls will now go on to State Championships to be held in March. Well done girls and good luck!

In the Orange Cycle and Triathlon Club Samantha Syme, Emerson Miller, Alice Litchfield, Eva Bloomfield, Dylan Swain, Charlie Steele-Park, Ollie Steele-Park, Jesse Swain and Mitchell Strike all completed some outstanding performances on the weekend. All of these students completed the 3 events in Under 13 minutes. A tremendous achievement!

### PE PROGRAMME

This week our Kinder classes have continued a two week unit on Gymnastics and Dance. This has seen our Kinders involved in Static, Locomotor and Springing and Landing Activities. Our Year 1 and 2 classes continued a two week unit on Locomotor, Rolling and Ball Game skills. Students explored different ways of running, walking, skipping and jumping as well as rolling and retrieving a ball. They participated in rolling games like skittles, tunnel ball and rolling relays and certainly had a lot of fun. Stage 2 also began a 2 week unit on Gymnastics. This involved Static, Locomotor, Handstand progression, Springing and Mounting. In Stage 3 our Year 5 and 6 classes have been learning some of the kicking, passing and catching skills associated with Aussie Footy. Many students have picked up the skills quickly and can now play the game quite well.

### SPORT REPORTS FOR LAST WEEK

**Cricket**

U10: One Thursday afternoon the Pontings played cricket against the SJS team. We batted first and bowled well. I thought that Ollie did very well taking some great catches too.

Fletcher Rose

U12: It was a sunny and warm Saturday. Lees played Orange City Haydens. We bowled first, great bowling by Charlie Greer, Louis Lockwood, Drew Weber and Nick Pasquali. Hugh Britton nearly got a hat trick. Lees got them out for 64 on the 22nd over. Great batting by Louis on 31, Nat on 12. We won the total 112 to 64 – thank you Mr Roohan. Nick Pasquali

**Year 6 Basketball:**

**The Demons:** Yes, it was Saturday; yes, it was sunny and yes, it was going to be a tough game of Basketball to start the season. The Tic-Tacs and the Demons gathered on court, ready to get going. Well, some of us were ready, whilst...
others were still yawning from the 8.30 start. Mrs D tossed up the ball and the game began. The first goals were scored and the first injuries taken care of. It seemed like no time at all that the half time whistle blew. Myra was showing a level of aggression, most of us had not glimpsed before! Lots of people scored baskets and even I got a couple, but it was end to end stuff and very close right up to the last minute. The final score was 12-10 to the Demons. Lochie and Myra were our two star players, though everyone played well. We can’t wait until next week. Thanks for umpiring Mrs D. Becca Crisp

4/5 T-Ball:
Gordon Dark: On Saturday Gordon Dark played T-Ball against Gordon Light. Gordon Light batted first. We had a good game and in the end we won. This was the final T-Ball game and next Saturday we are playing cricket. Well done to everyone and thank you to the teachers. Charlotte May
McLachlan: On the weekend McLachlan finally played their first Saturday game of T-ball for the year. After all the rain we were all very excited about playing a game at last. But when we were low on players we had to jumble the teams up. Some great batting by Stephen put pressure on the fielding side. We all had a great match and we are excited about starting cricket next week. Thank you to all the inter-house teachers for helping us improve our t-ball skills. Charlotte Anderson
Douglas Light: On Saturday 20th February my Douglas Light team had two great games of T-ball against McLachlan Dark and Douglas Dark. We played extremely well as a team and won both games. Congratulations to Tanner and Indi who took great catches. Saskia Smith

Year 3 Athletics: Year 3 will have a great Athletics Carnival this year because we are learning lots of techniques in sport. On Saturday, we practised our Turbo Jav skills, with help from Mr May & Miss Holmes. We all sped down the 100m track, with everyone improving their times. The relays at the Carnival will be very exciting because we have practised so hard. Olivia Mirrington

The Fair is this SATURDAY!!!

This Saturday (27th) is the 2010 KWS P&F Fair, I would like to firstly thank Sally Wilson and Melanie Pratton for their tireless work over the past 2 terms to make the 2010 Fair one which we already know will be great fun and very successful. I hope that you will also congratulate them on the day.

Parents have often wondered - what are we raising the money for exactly? As in past years, each faculty has generated items on a ‘Wish List’ for the P&F and the table below outlines how money raised at the 2010 Fair will be spent.

The KWS Canteen Survey.

Did you know that the survey results from the 2009, term 4 surveys are now available on the KWS website (P&F page)?

There was a wonderful response from years 7-12 (day students) and you can see a 2 page report per year group. If you wish to add any further comments - please contact me through the school office on 63920300.

The P and F, along with canteen staff and students will be working through all of the comments and suggestions for change and I will keep you updated on our progress.
