Dear Parents

A very exciting term lies ahead whether it is in the classroom, in the performance theatre or on the sporting fields. This week sees the commencement of our Special Interest Programme. A big thank you to the parents and Senior School staff who have offered to run and/or assist each week.

We have a multitude of activities this year including knitting, sewing, circus games, magic tricks, crafts from yesteryear, vegetable growing, eBay selling and robotics. There are 25 different groups all aiming to teach the students a skill they may not already possess.

Our Scientia Mathematics Enrichment Programme will continue for another few weeks, as each group has their long term challenges to undertake. Meanwhile our focus for this term is Science and the children involved will be notified next week. Mr Pritchard will again be co-ordinating the programme with the purpose of developing investigative skills.

Each year the Preparatory and Secondary School partake in the Anzac Day March. Our Year 5 and 6 students are involved and will receive further information regarding this special event. If there are students from other years who wish to march to honour a family member they will need to leave their name with Cathy Watkins in the Prep office by Thursday morning so planning can be finalised.

On the sporting field the boys from Years 5 and 6 who travelled to Armidale for the annual Rugby Carnival are to be commended for their football skills and the manner in which they conducted themselves over the weekend. They were a pleasure to take away and provided all their fans (mums and dads!) some great moments to treasure. Well done boys!

Also thanks are extended to Mr Jock Steele-Park, Mr Tim May and Mr Mark Pritchard for their outstanding work over the weekend and to all the parents who actively supported and encouraged the boys.

We have made a change to our hat policy. Hats will be compulsory all year round. Boys are to wear their blue bucket hat and the girls their straw hap. This maintains consistency throughout the year. Girls will be able to leave their hat at school in an area organised by their teacher. Girls are to wear their tam-o-shanters to school. We look forward to your continued support on this matter.

Enjoy your week.

Regards

Rob McLean
Head of the Preparatory School

**ART FAIR 2010**

Planning has commenced for the 2010 Art Fair – however we really need your help. **The dates we have set down for this year are the 30, 31 July and 1 August.**

We have now just 2 months to plan this event. This year the event will have a ‘new look’ with the inclusion of garden sculpture, glass sculpture, ceramics and many new artists being approached.

We really need your assistance to work with us over the next 2 months to make this event a huge success.

If you have wanted to be more involved in our school community – this is an opportunity to ‘not get involved in meetings’ – but rather involved in a practical way. (PLUS your involvement is time limited- only 2 months).

**We plan to meet on Wednesday the 28 April at 7.30 in the Anderson Centre.**

If you can’t make this meeting but would like to be involved and volunteer ‘for a job’ - please let me know through the school office (63920300)

Thank you for considering this – Richard Cheney, P&F president 2010.

**Rugby in Armidale**

What a superb weekend! Entertaining running rugby, 70 m solo tries, great pop passes, devastating tackling, rugged rucking and marvellous mauling saw KWS reach the division 3 Grand Final.

On Saturday we started our day with a convincing win over The Armidale School 23-0. As the game went on the boys’ confidence grew which resulted in some outstanding play.

Our next game was against the eventual winners Emanuel Anglican School from Ballina. In a bruising encounter we went down 6-0. The next game against Toowoomba Prep went from end to end with a 12-12 score line illustrating the closeness. We won this game on count back.

The Saturday afternoon game against St Pats from Strathfield was another tough game in the forwards with KWS going down 6-0.

The final game against Bishop Druitt College from Coffs Harbour saw some enterprising play with 2 classic tries scored from great support play. The boys ran out winners 11-6.

On Sunday we awoke to the news we’d qualified in 2nd place to confront the strong Ballina team. Despite putting our best foot forward the boys were over-run six tries to nil.

This was our best result over the years and the boys deserve the highest praise for their football, their behaviour, and their positive approach.

To Mr Steele-Park, the ultimate motivator, Mr May and Mt Pritchard the marvellous managers a big thank you for making the trip such a fantastic experience for the boys. Finally thank you to all the parents for making the trek to Armidale and again...
being the most supportive, encouraging and social group at the carnival. Mr McLean
