KWS P & F
ART FAIR
Planning has commenced for the 2010 Art Fair – however we really need your help.
The dates we have set down for this year are the 30th, 31st July and 1st August.
We have now just 2 months to plan this event.
This year the event will have a ‘new look’ with the inclusion of garden sculpture, glass sculpture, ceramics and many new artists being approached.
We really need your assistance to work with us over the next 2 months to make this event a huge success.
If you have wanted to be more involved in our school community – this is an opportunity to ‘not get involved in meetings’ – but rather involved in a practical way.
(PLUS your involvement is time limited- only 2 months).
We plan to meet on Wednesday the 28th April at 7.30 in the Anderson Centre.
If you can’t make this meeting but would like to be involved and volunteer ‘for a job’ - please let me know through the school office (63920300)
Thank you for considering this – Richard Cheney, P&F president 2010

Welcome to “Boarders’ Bitz”, a column designed to keep parents abreast of developments in Boarding.

- Welcome back to all our boarding families, for what will no doubt be a very busy Term 2. I trust that you have all enjoyed a happy and restful break.
- During the term break we farewelled Mr Edward Wells from the staff of Wolaroi House and I am now pleased to welcome former KWS boarding student, Mr Henry Suttor, who has now joined the staff of Wolaroi House.
- As part of the Senior School Staff Day on Monday, all senior academic staff members were involved in tours of our boarding houses. The staff were shown around the sites by the Heads of the various Boarding Houses. It was a great opportunity for the staff to familiarise themselves with the boarding facilities at KWS, and to gain a greater knowledge of how the two boarding sites are operated.
- I am sure that you are aware that we commemorate ANZAC Day this weekend and that there will be a public holiday on Monday 26 April. We encourage you to consider bringing your children home for the long weekend, but please be mindful that most boarders may have sporting commitments that must be fulfilled before they depart for the weekend. Netball, Hockey and Football players will all begin Town competition matches this weekend, and Rugby players will have internal trials as well. Please also consider that students may be involved in the ANZAC Day march on Sunday, marching as a cadet, band member or as a member of the School community. Please note that any Boarding Students who remains in the boarding house for the weekend will be attending the ANZAC Day march in full school uniform.
- Please remember that Influenza Vaccinations will take place at the Health Care Centre on the mornings of Sunday 2 May for boys, and Sunday 9 May for girls. You will need to return the signed consent form to School before those dates to ensure that your child is vaccinated. Only the original signed copy is acceptable. If you are planning to have your child vaccinated, please note the scheduled vaccination dates, and take them into account when you are organising any weekend leave. Once the consent form is signed and returned, your child will be charged the fee for the vaccine even if they are not available to receive the vaccine.
- Please remember, a Special Leave Form must be completed and submitted to your House Leader before boarders can get leave for social events. Parents need to read the form thoroughly, contact the hosts, and note that the form must be submitted to House Leaders even if academic leave is granted by Mrs West.
- Any academic leave can only be granted in writing by the Head of Senior School, Mrs Bev West. Please forward your requests as early as possible by fax on 6392 0410, or email to Mrs West’s assistant, Mrs Jill Laurie at jlaure@kws.nsw.edu.au. It would be appreciated if you could also include an email address on any faxes for return confirmation.

A member of the KWS school family is wondering if anyone in the Orange district has a house on some land to rent for a young professional couple returning to the Orange district for work. No children, but 2 horses and a couple of working dogs will be accompanying them. A lockup shed or workshop is also needed for small farm equipment.
If anyone could help us out please contact Judy Carroll in the Health Care Centre on phone 63920376 or 63628163.
