Leave for Boarders
Parents of boarders are informed that there is no such thing as “Harvest Leave”. There seems to be a lot of misinformation being circulated amongst boarding students along these lines. Parents are making considerable financial sacrifices to have their children educated at Kinross Wolaroi and we do our very best to provide that quality education. We can’t do this, however, if the students are not in class. This is especially true of students in Year 10 who are preparing for their School Certificate, and Year 11, where HSC courses have just begun and where there are assessable tasks coming up in the next couple of weeks in many subjects. I am very sympathetic to the need for extra hands at harvest time, but we also have an obligation to provide the best possible learning opportunities for your sons and daughters. Each request for leave will be considered on its merits but parents must not assume that it will automatically be granted.

Student Diaries
Tutors have been asked to make a special focus on the use of student diaries this term. Students should be writing in each and every subject for the week at the beginning of each week. This enables them, and their Tutors, parents and Boarding House leaders to be aware of exactly what homework and other assignments are being done. The diary is a great organisational tool and I encourage parents to be checking it regularly, at least twice a week, so that they know what work is set. The diary can also be used to communicate information to your child’s Tutor or Head Tutor, or any of his/her teachers. I seek your support in this matter.

Excursions and Permission Notes
The school’s duty of care and management of risk responsibilities are very significant. Because of this, I wish to inform parents of the following procedures associated with excursions, camps and trips undertaken by students in the care of teachers:

- A student for whom a permission note has not been received will not go on the excursion.
- Two days prior to the excursion both the student(s) and their parents will be notified of the lack of signed note so that they have one day to get it in.
- Students “left behind” will be supervised by other staff in the faculty (students will sit at the back of other classes, for example) and the front office and I will be notified of who those students are.
- In order for students to benefit from excursions, which are designed to enrich the experiences and learning of your children (and which in some cases are mandated by the Board of Studies) it is essential that parents fulfil their responsibilities and sign and return permission notes promptly. Your support with this is greatly appreciated.

New Staff

Emma Jackson-Le Couteur joins the English and History Faculties for Term 4 as a replacement for Brent Emmons. Emma has a BA (Hons) and a Bachelor of Laws from Sydney University. Emma is an experienced educator having taught all levels of English to the HSC for many years in both the UK and Australia. She is experienced in coaching debating teams and gifted and talented students.

Adelie Badman has accepted the French position and will begin teaching with us on Monday 1 November. Adelie can teach French, Spanish and Italian to senior year levels. She has taught both Primary and Secondary classes, as well as adults. Adelie has a Bachelor of Arts from Sydney University, with Majors in French and Spanish. She has taught at various schools including SCECGS Redlands and Canberra College.

It is my pleasure to welcome Emma and Adelie to the KWS staff.

I would like to advise the school community that Li Cunxin will be this year’s guest speaker at the KWS Annual Speech Day on Saturday, December 10. Li is well known for his autobiography “Mao’s Last Dancer” which was first published in 2003 and immediately hit the top of Australia’s Best Sellers list.

In addition, Li is widely recognised as a motivational and inspirational speaker. I am sure Li’s unique real life story will be of enormous interest to the KWS community.

RYDA Driver Awareness Day

On Wednesday 27 October Year 11 students went to a driver awareness day organised by the combined Rotary clubs of Orange. Six staff accompanied the students and we were all impressed by both the content of the presentations and the involvement of our students. Six different sessions were run, some of them “lecture” type sessions, some interactive and some “hands-on”.

One of the most impressive, from the students’ point of view, was riding in a police car while it did braking demonstrations. It was a great way for students to experience, in safe and controlled conditions, the real implications of alertness when driving and just how far it takes for a car to come a complete stop. Other sessions involved driving skills, hazards and risks, and a very powerful session from a road accident survivor, now confined to a wheelchair. I wish to thank the students for their behaviour and engagement on the day, accompanying staff and parents who allowed their children to attend.

Rotary clubs are to be commended for this excellent initiative.

Learning Matters

Essay Writing Course Update and new workshop invitation
Last Thursday, I went along to PLC to conduct an essay writing workshop and the girls were quite engaged and hopefully the experience enables them to express themselves more clearly and effectively.
I will also be holding another workshop for the benefit of the boy boarders and any day students who missed out last term.
The workshop is for Years 7 to 10 and will be held on Tuesday 15th November in Performance Theatre from 5pm to 7:30pm.
This 2 and half hour session will include 3 workshops and will attract a charge of $10 for Booklet and supper. If you are interested please book your place with Sally Rattray-Wood prior to 12th November.

Mandarin Language Course
Last week, we commenced the popular Mandarin Language course. Two classes started up with a beginners group on Monday and an advance group on Wednesdays.
So far, the initial feedback has been great with many students enjoying the experience of learning and speaking Chinese. If any students are still interested, it is not too late. Please come and see me or turn up with a completed application form (from the front office) this week in Room 1, 5pm to 6:30pm.

Special Examination Provisions for the School Certificate tests and Higher School Certificate examinations
Special Examination Provisions are practical arrangements that make it possible for students with disabilities to attempt the HSC and School Certificate.
The provisions granted are solely determined by how the students exam performance is affected. Provisions may include large print papers, use of a reader and writer, extra time or rest breaks.

Applying for Special Examination Provisions
Special Examination Provisions Application forms and information guides are available to parents from the Board of Studies Website Schools Online <https://bosho.boardofstudies.nsw.edu.au/links/schoolsonline.html> for students who intend to sit for the School Certificate tests or Higher School Certificate examinations in 2011.
Students and parents who wish to apply for special examination provisions should see Mr Yooie Choi who, with the help of the Learning Support Department, will help process the application form.
In doing so, he will need to:
1. Indicate the provisions for which the student is applying. In doing this, it is important to refer to the application form, which gives examples of the provisions that the Board considers most appropriate for a particular special examination need.
2. Indicate how the special examination need affects the student’s work in the classroom and in examination situations.
3. Supply evidence of the student’s special examination need. A guide to the various types of evidence required is provided in the application form.
It is important that the school return the completed application form to the Board of Studies by the due date.
The due date is the last day of Term 1, 2011, except for applications based on chronic fatigue syndrome, post-viral syndrome, Ross River fever or glandular fever, which should be submitted in July of the examination year, with teacher comments and medical documentation also dated July.
If all the necessary information is not provided, some requested provisions may be declined due to insufficient evidence.

How does the process work?
Once the Board of Studies has received the application, a letter acknowledging receipt is sent to the school. The application is processed at the Office of the Board of Studies.
The Board of Studies has a Special Provisions Panel; these specialists include medical practitioners, educational psychologists and consultants for the visually or hearing impaired. The basis of the application and evidence presented will determine which specialist will review the file.
When a final decision has been made, written notification of the approved and/or declined provisions is sent to the principal, and to the student through the principal.

Appeal procedures
Should a student wish to appeal the decision to decline a provision, the appeal must be submitted through the school within 14 days of receiving the special examination provisions decision letter. The appeal must state the reason why the decision is considered unacceptable, making reference to the evidence supplied in the original application.
The appeal must include new supportive evidence, such as a further medical report, which clearly states why the student needs the provision, or additional reading, writing or spelling test results.
The Board of Studies will conduct an independent review and a decision will be made within twenty-one (21) days.
The outcome of the appeal will be advised to the school and to the student.

A note to parents
If you are concerned about whether special examination provisions apply for your child, you should contact Mr Choi who will liaise with the Learning Support Department.
The application form must be submitted by your child’s school as it requires specific information regarding the difficulties your child may experience in a classroom or examination situation. This does not mean, however, that you should not be involved in the application process.
Best wishes,
Yooie Choi - Director of Learning

BOARDERS’ BITZ

Welcome to “Boarders’ Bitz”, a column designed to keep parents abreast of developments in Boarding.

- We have a very busy weekend approaching, beginning with Open Day on Saturday 6 November. I realise that many families will be busy with harvesting, but I look forward to seeing many of you at School as there will be plenty of activities to be part of.
- Following the Cadet Parade on Open Day, the Boarders Parents Executive will be meeting for the Annual General Meeting at 3.30pm – 4.30pm in the Staff Common Room. Please come along and be part of this vital boarding parent group.
- Our new Year 7 2011 boarders will have their first taste of boarding at KWS on Saturday night when they participate in a Sleepover in Trathen and Stuart Douglas Houses. We look forward to welcoming them to KWS. Thank you to Mr Holmes and Mrs Orrock and their staff for their organisation of this important event.
- Congratulations to the following students who will take on important boarding student leadership roles during the coming year. We wish them well for their final year at Kinross Wolaroi School.

HELP REQUIRED
Music Matters

This Saturday our musicians will again do the School proud as they perform at Open Day. The Orchestra will perform in the Derek Pigot Auditorium at the conclusion of Mr Kennelly’s address from 9.30am, the Stage Band will entertain at lunchtime in the courtyard, and the Marching Band will play at the Cadet Parade on the oval.

In the Music Centre between 10.00am and 2.00pm Mrs Worrall and Mr Howes and a number of students will present various aspects of the academic music programme, including “hands on” involvement for parents and visitors. This will include demonstrations of the magnificent new Music Computer Laboratory. The Friends of Music will have a stand in the Courtyard, under the trees, near the Boarders Dining room, where information about music at the School and membership of the Friends will be available.

Our Music Festival is rapidly approaching and will be again a fantastic showcase of the dynamic achievements of our music students. Please join us for this wonderful evening on Friday 12th November from 7.00pm. Tickets are available through Ticketek 6393 8111

Our YouTube clip of the week features Norwegian tubist Oystein Baadsvik playing his own work ‘Fnugg’. This same piece was played at this week’s Senior School assembly by our tuba tutor Mr Oliver Harris and received tremendous applause. See what you think!

Have a musical week!

OPEN DAY 2010

Open Day is our opportunity to showcase outstanding facilities, spacious grounds and the fantastic work of all our students. All areas of the school are open with displays, events and performances to view. Meet current members of the KWS community, and take a tour guided by our student leaders.

Open Day Timetable:

» 8:30am: Parents of Year 7 2010 Early Morning tea - Join us for an early coffee and a chat with many of the KWS staff and 2011 student leaders
» 9:40am: Principal Mr Kennelly gives a welcoming address - Brian Kennelly gives an address in the Derek Pigot Auditorium outlining his visions for the school over the next five years
» 9:50am: Music - A stunning musical performance by our own students from the main stage
» 10am: Fashion Parade - One of the most popular events of the day, enjoy yourself as both male and female students model creations from the textiles classes from Years 9 to 12
» 10:15am: Morning Tea - Not to be missed! Our Food Technology and Hospitality students demonstrate their skills with freshly prepared, sensational culinary delights
» 10:30am: Open Day tours commence - leaving from outside the main office all day
» 11am: English ‘Performance Poetry’ in Room 81 - Our students will show you why they love their English lessons
» 11:30am and 12:30pm: Special Science shows in the labs - These demonstrations will leave Mythbusters in their dust!
» Served from 12 noon: Lunch in the main dining room - Adults $12, Children $8
» 2:15pm: Cadet and Music Parade - The KWS Cadet Corps, Marching Band, Pipes and Drums all perform a breathtaking ceremony on the main oval.

Static Features of the day:

» Archives Display in the library – celebrating 125 years of the history of our school
» Art ‘Scientia’ displays in the Prep School – the students involved in the Scientia programme have always delivered, and this display is simply amazing
» Parent Groups – The KWS Rugby Club, Friends of Music, Boat Club, P & F and Football Club will all be on hand in and around Rooms 1, 2, and 3, ready for a chat about their areas of passion.

Basketball

1st Boys Basketball Report
On Monday night KWS1st played the Eagles, who are one of the top teams in the A Reserve Men’s competition. It took a while for us to get our heads into the game and at the end of the first quarter the score was 16 to 5 Eagles way. We narrowed the gap to a 5 point difference in the second and third quarters due to good layups and ball handling by Dylan Prince and Alex Robertson. As the game progressed, poor passes from the KWS side resulted in the Eagles increasing the point gap. The final score was 39 to 50 Eagles way. If it wasn’t for numerous mistakes and sloppy passes made by the KWS side we could have come away with a win. Better luck next week.

Girls 1sts basketball
On Monday 1st November, the 1sts played their most impressive game this season. At first we were a little shy as the James Sheahan team was more experienced, but it didn’t take long for us to come out of our shell and play to our potential. Sarah Burns had a great game full of fast breaks and lay-ups - making her the top scorer for the night on 16 points. Lexi McCann and Pip Johnson both had quick hands and awesome passes, resulting in basket after basket for the KWS side. Amy Kennedy had good positioning throughout the game. She got multiple rebounds and made some sneaky shots from under the ring. As Captain of Basketball for 2010/2011, Mikaela Cato led her team with determined effort and fantastic sportsmanship. She also made lay-ups look sooo easy! By half time, we had a convincing lead and were surprisingly still full of energy – evidence that fitness training pays off! In the last quarter, we played half-court defence to let the opposition could get the ball over the half way line. Meagan Hunt and Nikki Colliins did a good job of bringing the ball down the court with their powerful yet controlled ball bouncing skills.

2nds Girls v Spinners  Won 29 – 7
Enthusiasm and good anticipation were the building blocks which ensured our success in this game. Arabella and Annabel produced pleasing starts for their first competitive game. Lucy was quick to hone her shooting skills and Katie used good court sense to provide stubborn defence. Nataya and Isabella were good at executing turnovers and setting up shooting opportunities. The level of sportspersonship was extremely high. Well done.

WAS Girls Touch Football

Round One- Saturday 23rd October. Kinross v The Scots School Bathurst
Round one of the WAS girls touch football saw the girls, in both the junior and senior teams, highly excited about playing their first game of touch. The senior team showed great determination in the first half to utilise all the skills they had learnt in training. With commitment and enthusiasm we managed to score first and then defend well. Unfortunately by the second half our lead was gone with the ability and speed of the girls in the Scots team overwhelming us. The final score was 5 v 1 Scots way. The junior side were fast in attack and moved the ball quickly to the wing allowing for all 3 tries to be scored to Scotts 1. Well done to all the girls.

Round Two- Saturday 30th October. Kinross v All Saints College.
Unfortunately both the junior and senior teams lost on the weekend. The senior team’s narrow defeat was disappointing as their fast pace and good ball handling skills had really tested the All Saints defence. The girls worked very well as a team. Kellie O’Connor is commended on her reading of the game while Kate Wilson and Ellie Fisher worked well together in attack.
Nikki D,Aquino and Taylor Green were outstanding for the junior team. Anna Towers and Livi Hamblin were solid in defence. With more game practice the girls’ skills will only improve.
**Cricket News**

**KWS IST XI v Orange City**
On Friday night the **KWS IST XI** played Orange City in a forty over game under lights at Wade Park. The young team were clearly the underdogs but clearly relish the opportunity of playing under lights at Wade Park. Orange City are the team to beat in 2010 so the boys had quite a challenge. City won the toss and elected to bat. They got off to a great start being 1-78 off 14 overs before Angus Polhill arrested the onslaught by taking the second wicket. This slowed things down and the team grew in confidence. The team then took their chances with Lewis Freeth 3-37 and Tom Harbison 4-22 destroying the City middle order. City were dismissed for 124 in the 35 over.

The wicket was playing well and opener Kane Gardner took to the City attack dispatching Jackson Coote and Andrew Rutledge over the fence with 2 massive sixes in his innings of 39. Kane built a good partnership with Jacob Suttor who was playing his last game for the school. Jacob was 43 not out when KWS passed the City total in the 31st over. Jason Date and Cameron Kerslake played good innings in supporting Jacob. The captaincy of Jason Date was instrumental in a great win.

**Thanks to all the supporters who helped the boys get home.**

**KWS IST XI v CYMS DAY 2.**
KWS IST XI fresh from a great win over Orange City on Friday evening in the limited 40 over game resumed at 6-78. With the return of key players the team needed to put on at least another 50 runs to give the bowlers a chance of dismissing CYMS. This was not to be and Kinross were all out for 87. The bowlers responded however and built pressure on CYMS from the start of their innings with Lewis Freeth rattling the stumps in the first over. At the other Angus Polhill opened with his off spin. He immediately had the opposition in trouble and had another two CYMs batsmen caught. At this point CYMS were 3-7. The move on to 5-32 in the 20 over after Angus and Jason Date took the next two wickets. The KWS boys were in the ascendancy at this point but a couple of chances went down and close decisions went the other way. The CYMs batting settled and they passed the total at 5 down. This was another great display of bowling from the team who were well led Angus Polhill who claimed 3 wickets in his 15 over spell. With some better batting the boys are confident they can turn the tables on CYMS in the next match up.

**Dale MacIntosh Shield**

**Last Tuesday Mr Kerridge's 7-8 team scored an impressive win over Canobolas high school in the interschool match. Woody McClymont, Charles Litchfield and Angus Gilmore all posted not out scores of 30 in the teams score of 120 off 20 overs. The KWS boys then dismissed CHS cheaply to record a great first up win. This week they take on Orange High School.**

**KWS Ifflands v Orange City OPEN JUNIORS**
Orange City won the toss and sent KWS Iffland's in to bat first on a good flat wicket. KWS Iffland's got off to a good start losing the first wicket at 21 and the second at 33. At 6/99 they lost the last 4 wickets for 18 runs to be all out for 117 runs. The best with the bat were J Grimmett 12, J Marchinton 21 and W Colless 29.

When Orange City went into bat they lost their first wicket at 14. With some very good bowling and fielding they were restricted to only 39 runs of 10 overs. KWS Iffland’s continued to field well and keep the runs down. Orange City could only get 102 of their 20 overs. The best bowlers for KWS Iffland's were J Marchinton 2/8 and W Colless 2/18. This was a solid win that resulted from a good team effort.

**Kinross Masons v Cavaliers**
Kinross Masons played Cavaliers at Kinross lower field on Saturday in a 20/20 fixture. Cavaliers won the toss and decided to bat. The Masons medium pass bowlers Tom Rolfe, Jack Yeomans and Damian Hill tried hard however bowled an inconsistent line and length with a very slippery ball and footing. Two bowlers to make best use of the conditions were Stan Alston (3 for 7) who bowled tidy off spin and Will Proudford who bowled accurate medium pacers and finished with 2 for 16. Gus Griffiths (2-22) bowled some good leg spin and was well supported by Nick Lukins who took three good stumpings. Cavaliers were all out in the 18th over for 91. Kinross Masons had a shaky start to their innings and were 2 for 11 after four overs however Stan Alston and Jack Yeomans steadied the innings with a good 40 run partnership before Alston was out for 18. Nick Price entertained the large crowd with a slightly agricultural looking but very effective 9 runs and Gus Griffiths scored a brisk 16. Jack Yeomans topped the scoring for the second week in a row with a very tidy 25. The Masons were 6 for 82 with three overs remaining however lost three quick wickets and finished 9 for 88 after their 20 overs narrowly losing the match. Overall the Masons played well however the bowlers must bowl to the field set and take time to consider the batsmen’s strengths and weaknesses.
KWS 15s v Cavaliers
The KWS 15s played some good cricket despite going down to Cavaliers on Saturday.
KWS batted first and made 120 for 4 from their 28 overs. There were some good innings played by Charles Litchfield (25) and Andrew Johnson (29) but unfortunately they could not go on to make the really big scores they looked likely to get at one stage. Peter Crisp (19 not out) and Shaun Labuschagne (21) also chipped in with some handy efforts that were notable for their good running and the occasional bit of improvisation - a Dermot Reeve like reverse paddle in the closing overs from Shaun Labuschagne stands out in particular.
The Cavaliers reply was dominated by a powerful 83 not out from Matthew Corben. His innings featured some fine strokeplay as he drove and pulled his team to a 7 wicket win with 4 overs to spare.
The KWS groundfielding and catching held up well under the onslaught but there is little doubt that we have to think about a few things before next week regarding our batting and bowling performances.

Thanks to Mr McClymont and Mr Crisp for their assistance and to all other parents and supporters for turning up to watch the boys in action.

KWS U14 84 for 8 v SJS 78 all out
KWS left it until the last over of the day to score the winning runs but Andrew Gilmore would say he had it all under control. Angus took the crease when the KWS innings was looking wobbly at 5 down for 46 runs. He then set the last ten overs to secure the win. Cameron Williams helped him with a very useful 13 runs. Sam Nicholls captained and played well throughout the morning. After cleaning up the tailenders of SJS he scored 22 runs. Several other KWS players deserve credit for great catches; Pasquali, Bellamy and Williams all took vital wickets through their safe hands.
It was a fine team effort on Saturday.
