Dear Parents

A reminder that Parent/Teacher interviews will be held next Tuesday from 3.40 pm (except 6D which will be held on Wednesday). Reports will be sent home at the end of the week.

Thank you to all the children (and parents) who have stated that they will be attending the Anzac Day March. A note will be sent home shortly with further details.

Each year more and more opportunities are presented to the students. With increased success in sport this term (CIS Swimming, HICES Netball and Football to name a few) we are experiencing clashes of dates which is becoming more frequent.

To this end we have formulated a policy regarding representation. Should an Inter-House Carnival (Swimming, Cross Country, Athletics) clash with a higher representative fixture which is a school pathway (HICES, CIS, State, National) the student will have the opportunity to trial at a time deemed by the sportsperson in charge.

This only applies to a clash of school representative honours and not to outside interests.

This has arisen this year with our Cross Country Carnival clashing with CIS Football (we have 2 representatives). These students will be time-trialled over the same course at the Secondary Carnival this week.

Finally thank you to all the parents who have volunteered their talents for our Special Interests. We will give the students their choices later this week.

Enjoy your week.

Regards

Rob McLean
Head of the Preparatory School

Senior School Staff Professional Development Day - Friday 10 June

I am writing to advise parents that Friday, 10 June, will be a Senior School Staff Professional Development Day. As a result there will be no scheduled class or other activities for students from Years 7 – 12 ONLY on this day.

Parents will be aware that in the past most of our boarding students travel home on the Friday before the Queen’s Birthday weekend. The impact of this is that many classes are severely depleted in terms of numbers. While staff do their best to continue teaching the academic programme it is unfair on the Boarding Students to miss a full day in the classroom because of their need to travel home on scheduled buses that we have no control over.

Should any parents face difficulties with this decision please make contact with the school to discuss further. The staff will have a full professional development day which will ultimately be of assistance to the students and improve the overall offering of the school.
