Avoid the Uniform Rush!
I am mindful that next term students will be back in their summer uniform. It is evident that most students have grown significantly over the past two terms, despite the cold and at times miserable weather. I suggest that students start to try on their summer uniform and make plans to ensure that their uniform fits well. A number of the boys are in need of new pants and shirts - that can be easily tucked in and have their top button comfortably done-up. The girls need to ensure that their hem lengths are mid knee. Students who have an ill-fitting uniform will be required to purchase the appropriate uniform from either the clothing pool or uniform shop.

Are you living with a teenager?
I would like to draw your attention to two events aimed at empowering parents to cope with the challenges and acknowledge the rewards of living with teenagers. Maggie Hamilton (well-known author – see additional details in the bulletin) will participate in a discussion forum with parents at the next P & F meeting on 14 September, at 7pm in the KWS Performance Theatre. Professor David Bennett (Head of the NSW Centre for the advancement of Adolescent Health, Westmead Children’s Hospital) will discuss Adolescent development and behaviour: What’s normal and when to worry? On Thursday September 1, 5.30-6.30pm, School of Research Health, Research Office, 88 Dalton Street, ORANGE.

“I am Gabriel. I stand in the presence of God…”
Luke 1:19

Talking with a colleague this week, he commented about a sermon I delivered to the school: ‘You had me all the way until you mentioned something about angels.’ In the bible the existence of angels is simply a given. They appear throughout the New and Old Testaments, and believers are explicitly warned not to venerate angels (Colossians 2:18-19). Arguably, the best known of angels is Archangel Gabriel.

In our faith tradition, Gabriel is one of three archangels mentioned in the bible. The other two are Raphael and Michael. Jews include Uriel to be a fourth arch angel. Gabriel announced to Zachariah the pending birth of John the Baptist, and appeared to Mary to tell her that she would bear a son, Jesus. And it is believed to be Gabriel who comforted Jesus during his agony in the Garden of Gethsemane.

Interestingly Gabriel’s name means “man of God”. In Jewish tradition, Gabriel appears as a man who speaks to the prophet Daniel giving him understanding regarding his visions; “When you began to plead with God, he answered you. He loves you, and so I have come to tell you the answer.” (Dan 9:25).

In Islam, Gabriel (or Jibra’il) is believed to be the angel who revealed the Qur’an to the Prophet Muhammad. Similarly to Christians, Muslims also believe that Gabriel informed Mary of the future birth of Jesus; “O Mary! Allah giveth thee glad tidings of a Word from Him: his name will be Christ Jesus. The son of Mary, held in honour in this world and hereafter and of (the company of) those nearest to Allah” (Surra 3:42).

To finish this little expose on Gabriel with a captivating note, within the Jewish legends of birthing, Gabriel is accredited with selecting souls from heaven to be born in the world. He spends time with the child as he/she develops telling him/her what needs to be known about earth and then silences the child before birth by pressing his finger onto the child’s lip, thus producing the cleft below the person’s nose.

FAIR CO ORDINATOR NEEDED FOR 2012
Kinross Wolaroi School P&F Fair 2012
POSITION HAS NOT BEEN FILLED

This position has not been filled, and it’s time to start planning for next year’s fair.

It is a real team effort of the P&F, with the co-ordinators role being central to its success. Our loyal store-holders run their own stalls; Richard Cheney is in charge of all DPA activities. This role is to ensure the day continues to be a fun event on the KWS calendar. It is not only a great way to get to know the school, teachers and other parents, it’s also very rewarding.

For any questions or information, please contact:
Richard Cheney - Richard.Cheney@gwahs.health.nsw.gov.au
Melanie Pratten - mimpratten@bigpond.com
Year 10 Subject Selections for 2012.
An information letter was distributed to Year 10 students on Friday 26 August regarding the addition of a Chemistry class to line 3 of the subject lines. A roll was taken during the distribution, but if you did not receive one of these, please see Mr Mirrington to pick up a copy.

Year 10 Formal
Those students interested in joining the Year 10 Formal Committee, to organise the 2011 Year 10 Formal, are asked to meet with Mr Miller and Mrs Ridge in room 8 in the Memorial Block this coming Friday, September 2\(^{nd}\), at Recess. Please be prompt.

Experience Day #2
September 9\(^{th}\)
Kinross Wolaroi will hold the second ‘Experience Day’ of the year on Friday September 9\(^{th}\). If you know of a family who are not enrolled at the school, but may be interested in attending Experience Day, please contact The Director of Development, Mr Paul Tierney on 6392 0305, or via email ptierney@kws.nsw.edu.au. Limited places exist for families to attend this day.

From the Art Department!
Congratulations to Karli Maloney in Year 10. Karli has been award 1\(^{st}\) place in two categories as well as a second place in the recent Condobolin Annual Show for her drawing and paintings. This is a testament to Karli’s skill and commitment to Visual Arts, we encourage all of our art students to keep entering local art prizes and wish Karli all the best in her future artistic endeavours.

Orange Eisteddfod Results
The following are the rest of the individual Speech and Drama Eisteddfod results:
Genevieve Sergeant: 1st prepared speech (open), 1st Impromptu speech (open) and HC Reading (open).
Isabella Osborn: 1st Australian Verse (open) and 2nd Humorous (open). Thank you again to Mrs Callaughan for your wonderful Speech and Drama teaching for these students.

Orange Eisteddfod
The Koristers and the Chamber Choir both performed beautifully at the Orange Civic Theatre on Saturday 27 August. The Koristers achieved Highly Commended in the Open Sacred Choral section against 2 “barbershop” style adult groups. Chamber Choir won their Open Sacred Choral Section and achieved Highly Commended in the Championship. India Dixon sang a delightful solo in the Championship, so beautiful that some of the audience members erupted in to applause despite the fact that Chamber Choir continued singing! Thank you to Mr Moxey for all your hard work with both choirs and to Mrs Moxey for your assistance on the evening.
Congratulations to Mrs McRae and all her Prep Choirs who achieved excellent results at the eisteddfod! Year 5/6 Choir achieved 1st place and both the Year 3/4 and K-2 Choirs achieved 2nd place in their sections. Well done Prep singers!
More Orange Eisteddfod and AMEB results for individuals will be included in coming weeks once the instrumental music teachers give me their comprehensive lists of student achievement.

HSC Recitals – 5 and 6 September
The Year 12 Music 1 and Music 2 students have now run their programme in the HSC Trial Exams and are looking forward to presenting their work in the recital evenings. The 5th is predominantly instrumental and the 6th is predominantly vocal so please come along and support our Year 12s. Both evenings begin at 5:30pm in Room 68 and the Friends of Music are providing supper in the interval. HSC Students are reminded to bring a plate on their performance evening.

Camerata Concert – 9 September, 6:30pm, DPA Chapel
Hopefully you will have seen the Camerata flyers and posters around the school. We will hear musical theatre pieces, and everything else from Baroque to 20th Century Music. Rachel Kwa will provide the finale for the evening with her HSC Music Extension ensemble piece: Movement 2 from Shostakovich’s 8th String Quartet. She will be playing with Lorraine Moxey (violin), Anne Stevens (viola) and Elizabeth Hawryluk (cello). Don’t forget the Friends of Music scones at interval! It will be a great night.

Have a lovely week.

Welcome to “Boarders’ Bitz”, a column designed to keep parents abreast of developments in Boarding.

Boarder reports will be sent home next week. I would encourage all boarders and their parents to have a candid discussion about both the report and the student self-evaluation.

The report is designed to enlighten boarding parents as to their child’s progress in the context of the residential environment, together with their academic self-evaluation.

The upcoming school holidays may also be a good time for students to reassess their academic and co-curricular goals and these are always best done in writing.

Goals must of course be achievable as well as measurable and should include a timeframe.

Students should be encouraged to see their school work in the context of the bigger picture which may include creating educational and employment opportunities in the future.

Bookings for boarding students who would like to travel to and from home at the end of term 3 using the Countrylink School service have closed. No further bookings can now be taken. If you have any enquiries about the Countrylink service, please contact Sally Rattray-Wood at School on 6392 0325 for further information.

Dates for your Diary:-
Saturday 3 September – Rugby Club Annual Presentation Dinner – Bookings have now closed.
Saturday 10 September – Weymouth House Dinner & Wolaroi House Dinner
Friday 16 September – Trathen House Dinner

Alistair Miller
Director of Boarding

The Cadets Training Calendar for Term 3 is available on our website. Please go to http://www.kws.nsw.edu.au/cadet_unit

The cadet store now has in stock the hydration packs including 2 litre bladders for sale.
These packs are in the DCPU pattern and will sell for $30.

Well known writer to speak at next P & F Meeting
We are delighted to welcome writer, teacher and publisher, Maggie Hamilton to KWS on 14 September for an afternoon of workshops with Year 8 boys and girls.

Maggie will also participate in a discussion forum with parents at the next P & F meeting on 14 September, at 7pm in the KWS Performance Theatre.

We strongly encourage you to attend this forum which we are sure you will find most interesting and beneficial. Friends of KWS parents are also welcome to attend the forum.

Maggie gives regular talks, lectures and workshops throughout Australia and New Zealand. She is a keen observer of social trends and is particularly interested in the challenges that our boys and girls are currently experiencing and the possible solutions to these issues.

Maggie’s many books include “What’s Happening to our Boys” and “What’s Happening to our Girls”. Maggie puts the lives of our children under the microscope, uncovering the issues they struggle with, and how best they can be supported.
ROWING TRAINING
THE LAST 4 WEEKS OF TERM 3
Now that most of the winter sport is over and there is an increased demand in the Rowing Program, we need to organise a program to accommodate all interested rowers for the purpose of improving skills and fitness. This will enable us to win medals from the first regattas we enter at the start of the season. In order to cater for the increased demand, rowing on Sunday mornings will now change to 3 sessions, with the first session commencing at 7.00 am.

The new bus timetable will be:

<table>
<thead>
<tr>
<th>Session</th>
<th>PLC</th>
<th>Time</th>
<th>Wolaroi</th>
<th>Time</th>
</tr>
</thead>
<tbody>
<tr>
<td>1</td>
<td>PLC</td>
<td>6.45 am</td>
<td>Wolaroi</td>
<td>7.00 am</td>
</tr>
<tr>
<td>2</td>
<td>PLC</td>
<td>7.45 am</td>
<td>Wolaroi</td>
<td>8.00 am</td>
</tr>
<tr>
<td>3</td>
<td>PLC</td>
<td>8.45 am</td>
<td>Wolaroi</td>
<td>9.00 am</td>
</tr>
</tbody>
</table>

By running 3 sessions, we will be able to accommodate all rowers that are not of beginner standard in small boats leading up to the Rowing Camps, when the students will move into the bigger boats.

In relation to Gym work, sessions will be held on Monday, Tuesday, Wednesday and Thursday for the next 4 weeks. The program that will be undertaken by all students will be the Pyramid Program. The continuing students are aware that this program only takes 15 minutes to complete and therefore it is not a big time commitment. Senior boys will be on the machines at 3.45 pm SHARP on Mondays and Wednesdays, with senior girls following at 4.05 pm.

All other students can attend a rowing machine program on Tuesdays and Thursdays at 3.45 pm and 4.05 pm. These sessions will be available for any rowers, with the first ones there gaining access to the machines.

The new Rowing Coach Mr Williams arrives this Thursday and he will be working with Mrs Dihel and Mr Kosarac to supervise these sessions during the week. Punctuality is essential if you wish to have use of a boat or a machine in order to approve your ability. Attending the session on the machines and rowing on Sundays will give all students a better chance at the trials and the Rowing Camp in a couple of weeks’ time.

J. Donnelly - Director of Rowing

Football
KWS 15s v Waratahs lost 0-9
Despite the overwhelming score-line the team played with a conviction and a resilience not seen for many weeks. They spent a considerable portion of their time in their opponent’s half and had sustained periods of time in possession. The team was much more interested in working the ball around, with players moving into space to receive passes. They also communicated quite fluently rather than relying on guess-work. Quick counter attacks from Waratah’s speedy forwards opened up holes in our defensive line and the goals naturally came.

All of the team played with enthusiasm and they should be proud of the way they stuck to their task. Jayden and David played courageously, carrying injuries into the game. Thanks to Lachlan and Will who played for our team as if they had played with us all season. Evie, Peter, Eleanor, Josh, Liam and James played assertively and dealt well with the physical aspects of the game. Thanks to the parents who came to most games and provided support and encouragement even when the team was struggling to stay in the match.

Football Presentation Night September 2
The Football Presentation evening will start for students from 3.45 in the gym with an indoor tournament. Wear your favourite team’s supporter top and whatever you like. (Please bring sandshoes) The tournament will go through to 5.30 and there will be a BBQ for the parents and students. Once this is complete there will be presentations in the Performance Theatre for the students and parents from 6-7.
Netball
Match of the Round
KWS 2nd's v Newstead Nyx  57-8
This was a game we had to win, and win by a large amount, for any chance of making the semi-finals. It was obvious by the end of the first quarter that our team was very focused on winning. The passing was good, our defence was tight and the shooting just got better and better each quarter. By the end of the game with a score of 57 we knew that we had done everything we possibly could to make the semi’s. Alanna Condon and Liz Whiteley played with great determination and have steadily improved throughout the season. Brooke Hamilton was barely missing her shots in goal by the end of the game. A good and satisfying win for the girls. This week we must focus on believing in our own abilities as the only thing stopping us from a grand final spot is if we stop believing that we have the ability and skills to be there.

Senior Competition
KWS 1sts v OHS LS Westoil  Lost
KWS 3rds v OHS LS Westoil  Won 37-9 (in half a game) v Newstead Phoenix
It was essentially a dead rubber this week. A win would make us equal fourth but fifth on percentages. A win by about 80 goals would have made it interesting.
This was a tough ask considering our maximum score this season was 42 goals (which we achieved four times!). Nevertheless, the girls soon settled into a rhythm where they were (seemingly) effortlessly scoring plenty of goals and turning over the opposition ball just as easily. 5 minutes or so into the third quarter we were leading 37-9 and heading towards a 70 goal haul, when one of the opposition sustained an injury and they forfeited the rest of the match. Jessica Simpson seemed to enjoy her time at Centre while Jordan Brodie was very much at home in her favourite position of Goal Attack (although she has played Centre for most of the season). These two provided plenty of quality ball to Rachel Gentles (10 goals at 67%), Arabella Jorgensen-Hull (9 goals at 82%) and Karli Marshall (18 goals at 69%). Annabelle Carter and Charlotte Murdoch defended brilliantly, with enough turnovers to start a small bakery. Altogether it was a great display to finish the year. The season saw us with 8 wins from 14 games, and 3 very close losses against the 4th placed teams, so those who were present had to play for their whole game and did admirably. Bronte Currie and Kelsey Dean got the game going by throwing a number of goals in the first quarter and this was very encouraging. Kathryn Moriarty and Jakita Bagnall-Riley would not let their opponents out of their sight and stuck to them like glue. Piper Thatcher and Danika Reiss put in a great effort and intercepted a number of balls. Despite their efforts, the game was not ours this week. As this was our last game of the season, I wish to thank all team members for their dedication, co-operation and sportsmanship throughout the season.

KWS Hawkes v CYMS Fusion
The Hawkes played their final game last weekend, and dug deep to produce another victory. We played a fellow Kinross team, which led to a more relaxed and friendly on-court spirit, but neither team was prepared to concede any ground on the strength of friendship! Thanks again to Sophie Hardie who contributed with her usual whole-court flair, taking on the Centre position. The team all played with enthusiasm, and for the first three quarters each team went goal for goal, finding themselves fairly evenly matched. Ali Martin and Lauren Cope again demonstrated accuracy in goal shooting, and Mel Pickford was strong in attack and defence, and in generally being there whenever anyone needed to get out of trouble. Hattie Hain and Jo Elliot were imposing defenders, while Emily Simpson and Tassa Bennet tried a variety of positions to offer energetic relief where required. By the end of the game the Hawkes had claimed the advantage, but it was a close finish. Thanks to Mrs Ward and the McMahons for being great training partners during the season, and to Mrs Brideoake for her amazing organisational skills. A big thank you also to all the parents who supported us throughout the season, with scoring, applying Band-Aids and vociferous cheering – it is so wonderful to have you there.

KWS Coxs v OHS Quick 9  Lost 12 / 52
Again, we played a better side on the day with a significant height advantage. Because of the height advantage, it was difficult for us to get rebounds and it was even more difficult for us to get aerial passes into the circle. Nevertheless, the girls played well and their best 2 quarters were the last 2 quarters, which shows that we kept putting the effort in right up to the end. Congratulations to Sasha Hall, Sara Naylor, Ali Gown, Jacqui Morgan, Kaylie Yule and a special big “Thank you” to Sophia Cassimatis and Erin Smith for their whole-hearted help during the match. Thanks to all the girls for an enjoyable season!

KWS Sauvages v RH JD Kitchens  Lost
The Girls were all fired up for the game. Lily Wozniak played a great centre rushing all around the court and intercepting a few balls. Olivia Kerr put heart and soul into defending as goal defence as did Courtney Mills as wing defence. Milly Aitken scored a number of clever long distance goals as shooter. Unfortunately, despite their efforts they were not destined to win this week. This was the last game of the season for the Sauvages. We ended up in 5th position – a very pleasing result. The team played well all season, improving with each game. Claudia Youngman, Jaquie Hayes, Georgie Pritchard and Courtney Mills provided consistent attack; Milly Aitken and Liz Dunlop improved dramatically in their shooting skills; and Olivia Kerr, Alison Henderson-Matuschka and Lily Wozniak were superb in their defence. Well done girls!

**Junior Competition**

**KWS 13As v CYMS Delete Lost 22 / 23**
The team got off to a great start with Molly Hansen and Emily Shields on fire with their goals. Georgia Booth, Cassie Naylor and Emma Anderson intercepted many balls. Rebecca Crisp and Canada Gavin did well with limited ball down their end. The second quarter went all CYMS way with the ball rarely making it into our circle. A 100% shooting effort from Molly Plant and Milla Niven in the Third quarter saw us steady the ship. The second half of the game was very even with CYMS maintaining their half time lead to come out on top by 1 goal.

**KWS 13 Mitchell v OAGS 13s Lost 12 / 16**
The girls approached this match with great anticipation as it was the final round of the regular season. It proved to be a very exciting game as the KWS Mitchell were in the lead at first quarter time by two goals, then down at half time to drawing nine all at three quarter time. Unfortunately, it ended up as the final match for the whole season with OAGS running away with the match in the final quarter. Each player played with enthusiasm and determination. Our defence, Rhoslyn Carney and Meaghan Vials, was excellent putting pressure on the opposition’s shooters. Sophie Broadley, Siokapesi Faiva, Maree-Lauren Vasouraz and Madeline Strudwick created some effective attacking opportunities and defended well in the centre third. Our shooters, Zoe Watt and Anna Price, continued their excellent work in the circle. While it was disappointing to miss out on the finals, the girls have a lot to be proud as the season proved to be a successful and enjoyable one in many other ways. Well done girls!

**KWS 14 Marshalls v OHS QTs**
This was the girls’ last chance to get into the finals. Although playing a higher placed team they knew it was going to be tough. The girls were confident of a win going into the first quarter. They took a commanding 4-0 nil lead in the first 5 minutes and were simply superb. They maintained the lead with strong passes, fast breaks and accurate shooting well into the third quarter. It was almost as if they were scared to win, whilst the determination of the opposition translated into some physical aggression and intimidation tactics. With their confidence getting the better of them they slowly lost control of the game. Inaccurate passes and slow breaks let to the opposition catch up and lowered their lead. The girls were still determined to keep going even though the pressure was getting to them. By the last quarter the girls were struggling to keep up with their opponents, who were gradually gaining a lead. In the final minutes the opposition pulled ahead, winning by one goal. It was a hard felt battle which showed the dedication, commitment and extreme hard work of an amazing team of extremely talented netballers. Well done Marshall’s – you had an amazing season!

**KWS 14 Dunns Bye**

**KWS 14As v KWS 15As Won**
**KWS 15As v KWS 14As Lost**
The girls have had a tough season but were able to end with a beautiful game of netball. Sadly we were unable to come away with a win but the girls have shown that they have all developed their skills and knowledge of the game. They all played really well moving the ball down the court as a team. Well done to all of the girls who have continued to work hard despite the disappointing results.

**KWS 15 Pearsons v OHS Quicksteps Lost**
The girls can be proud of the way they conducted themselves in a very frustrating game. They tried hard to get their rhythm going but the confusion surrounding the control of the game had them dazed in what could be called a very disjointed match. The defence worked tirelessly, coming away with many turnovers. Olivia Hamblin never gave up and her determination was amazing! Her 1 on 1 defence was superb and she chased down every loose ball relentlessly. The attack were coming well but were unable to turn their great team work into points. Zoe Wilkinson created some great space by driving to the ball and Elish Holmes displayed great footwork and positioning. KWS Pearsons finished equal 2nd and they will be looking forward to the semis next week. Good luck girls!

**KWS 15 Stosurs v Molong Spartans**
On a very warm Saturday, the Stosurs played Molong. It was a slow game to start with but fired up - we won comfortably. This was the last game of the rounds. We all played our best and enjoyed the game.

KWS 3 v Canobolas Red Lost 3-1
Claudia Conran scored a terrific goal to level the score at the beginning of the second half. The girls energy level was outstanding with Kelly O’Connor and Moe Prescott leading the way. Stephanie Jones gave some great passes from the wing while Megan Hunt was all over the field. Zoe Press demonstrated good positional discipline.

U17 Hornets v Canobolas Won 3-2
The girls played very well. We controlled the centre and were able to convert our chances. Kate Wilson(2) and Rosie McClymont scored. Alice Haigh was outstanding in the goal and kept out many short corner shots. The girls are now focusing on the final this Friday at 5pm.

Boys v Girls
The girls started the match strongly scoring first. Two quick goals in response from Nick lifted the boys spirits. Boys went into half time break 4-2 up and the final score was 5-3. Some wonderful passing moves throughout the match was great to see. Other goal scorers in chronological order were: Peter Booker, Kane Gardiner and Matt Haege.
