On Friday 23 September the **Year 12 Graduation Ceremony** will take place in the DPA. The ceremony is compulsory for all students. Parents and family of Year 12 students are warmly invited to attend. The Graduation Ceremony will begin at 12 noon and conclude at 2.00pm. **P&F this week - Maggie Hamilton discussion forum.**

**Wed 14th September, 7pm in the Performance Theatre**

No formal P&F meeting this month. **Please come along, everyone is welcome.**

**Do the little things well because they matter.**

This term I have spoken at length about the importance of uniform, punctuality, the need for students to take responsibility for their actions and to learn from their mistakes. I believe as a school we are making progress in these areas but we still have a significant way to go. In order to effect real change in a school community we need to take a united stand. I am asking parents to actively join this campaign – I am aware that many of you already do – and have the confidence to correct your child’s uniform and ensure they arrive at school on-time.

**Allenby Road Gate**

Next term the Allenby Road Gate will be the main entrance for all construction vehicles. As a result, parents will not be permitted to drive through this gate to pick-up or drop-off your children. The staff car park is strictly for staff and I ask that you make alternative arrangements to safely pick-up and drop-off your children each day. Thank you in advance for your tolerance and willingness to comply with this request.

**This Wednesday Night!**

Maggie Hamilton (well known author – see additional details in the bulletin) will participate in a discussion forum with parents at the next **P & F meeting on 14 September, at 7pm in the KWS Performance Theatre. Don’t miss this opportunity.**

The 2012 Fair to be Cancelled if Co-Ordinator Not Found

The 2012 Fair will be cancelled if the position for Fair Co-Ordinator is not filled before end of Term 3. This position has not been filled, and it's time to start planning for next year's fair. It is a real team effort of the P&F, with the co-ordinators role being central to its success. Our loyal storeholders run their own stalls; Richard Cheney is in charge of all DPA activities. This role is to ensure the day continues to be a fun event on the KWS calendar. It is not only a great way to get to know the school, teachers and other parents, it's also very rewarding.

**ROWING TRAINING THE LAST 4 WEEKS OF TERM 3**

Now that most of the winter sport is over and there is an increased demand in the Rowing Program, we need to organise a program to accommodate all interested rowers for the purpose of improving skills and fitness. This will enable us to win medals from the first regattas we enter at the start of the season. In order to cater for the increased demand, rowing on Sunday mornings will now change to 3 sessions, with the first session commencing at 7.00 am.

**The new bus timetable will be:**

<table>
<thead>
<tr>
<th>Session</th>
<th>PLC</th>
<th>Wolaroi</th>
<th>Session</th>

<tbody>
<tr>

</tr>
<tr>
<td><strong>Session 3</strong></td>

<td></td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

By running 3 sessions, we will be able to accommodate all rowers that are not of beginner standard in small boats leading up to the Rowing Camps, when the students will move into the bigger boats.

In relation to Gym work, sessions will be held on Monday, Tuesday, Wednesday and Thursday for the next 4 weeks. The program that will be undertaken by all students will be the Pyramid Program. The continuing students are aware that this program only takes 15 minutes to complete and therefore it is not a big time commitment. Senior boys will be on the machines at 3.45 pm SHARP on Mondays and Wednesdays, with senior girls following at 4.05 pm.

All other students can attend a rowing machine program on Tuesdays and Thursdays at 3.45 pm and 4.05 pm. These sessions will be available for any rowers, with the first ones there gaining access to the machines.

The new Rowing Coach Mr Williams arrives this Thursday and he will be working with Mrs Dihel and Mr Kosarac to supervise these sessions during the week. Punctuality is essential if you wish to have use of a boat or a machine in order to approve your ability. Attending the session on the machines and rowing on Sundays will give all students a better chance at the trials and the Rowing Camp in a couple of weeks’ time.

10th September Results - Finals
All KWS players contesting Finals last Saturday had great games. Sportsmanship, team spirit and sheer determination were displayed at all times. All games were close with only a few goals separating the teams for most of the matches. The 13As were gracious in their fantastic comeback in the last quarter to progress to the Grand Final next week. The Pearsons' nail-biting game saw them go down in the final seconds by only 1 goal. Although a disappointing end to the season, it was an amazing game. The 2nds played great team netball (as usual) – their opposition were just a bit better on the day. Congratulations girls, coaches and supporters for the manner in which you participate in the game of netball. You play to win but how you lose says a lot! Pearsons and 2nds can hold their heads high for their great effort.

KWS 2nds v Rh Fitness Perfection  36/46
A valiant effort from our girls and I truly believed we would win. Within the first 5 minutes on the court the opposition were 6 goals ahead and it would be a lead that we would chase the entire four quarters. The girls played well, there really was not one area that let us down. Our defence by every player was outstanding with the opposition be called up for held ball on numerous occasions or passing backwards as a clear play down the court was not possible. The opposition was a very physical team and on several occasions were cautioned by the umpire; one player was given an official warning. Brooke Hamilton was dependable as ever in the shooting circle and Ally Davidson shot some valuable points against a very physical player. Briony Wills still sports the scratches as she refused to be out muscled by the GD. Grace Murray, Kirby Russell and Mikaela Cato were outstanding in defence against a GA none of us had ever seen before. Alana Condon, Liz Whitely, Phoebe Blackley and Annelise Corey never stopped whenever they took the court. In the end the last quarter saw the score blow out slightly. A disappointing loss.

After coaching most of these girls for the last 2 years it will be very sad not to spend a large portion of my week with them. I wish to thank the parents of the girls for being such a supportive and fun group. Bring on the netball dinner and remember the team motto ‘SELF RESPECT’.

KWS Pearsons vs Canobolas  Lost 16 / 17
Lost by one goal! This was a nail bitting game! The score seemed pretty even between Canobolas and KWS Pearsons throughout the entire game however Canobolas outplayed the Pearson’s in the last 5 minutes of the game! Despite the loss all girls played well! Micha Scott and Olivia Hamblin combined well in defence not allowing many of the passes to get into the Canobolas goal circle. Zoe Wilkinson played well at both GS and GA, Zoe managed to create space in the goal circle allowing the combination of Emma Rogers and Carmen Date feed passes into the shooters. Kate Symes and Nicola Harvey also stood out in the goal circle combining well to score many of the goals! Elish Holmes and Isabelle Kerr also helped the team make many intercepts in the position of WD. The girls all need to be congratulated on getting this far in this netball session. All of the girls have shown improvement throughout this session. Good luck for next year!

13A’s v CYMS Delete Won 25-18
Another tight tussle against the CYMS side. CYMS lead into the first break with a slight 2 goal lead. The half time score was level with all four shooters shooting well. At ¾ time the girls held a 2 goal lead. Playing the last quarter for the girls on the side the team lifted and had most of the ball. They were fired up and took hold of the game. Rebecca, Canada, Georgia and Cassie worked non-stop in the circle in defence. Annabel, Bronte and Emma controlled the centre court. Emily, Bronte, Milla and Bronte worked well in the circle and retrieved many rebounds. Girls, your effort and determination was a privilege to watch. Now for the BIG one.

Grand finals:
U15 Cardinals v Cyms  Won in extra time 1-0
On Friday afternoon, the U/15 Cardinals took on CYMS in an intense 80 minute grand final. The girls played a great fast game and both sides had several attempts at goal. Sarah Steele-Park made some good runs up front and Jordan Garlick helped move the ball through the center of the field. Nicola Thomas, Sophie Mac Smith, Arkie Pickering, Roisin Finn, Isabelle Smart and Georgie McKenzie put in heaps of hard work to attack and get back to defend when needed. The strength from the Emma Harbison and Annabelle Mutton in the backs assisted greatly with getting the ball out of defense. The girls fought hard the entire game and after a nil all score line at the end of the initial 50 mins of play we moved into 10 mins each way, golden goal. CYMS fought hard but the KWS girls never gave up, consistently working hard to regain the possession and move towards the goal. Annabelle Tierney and Clare Gavin in the Halves made many great tackles to avoid the play from advancing too much further into our defense. Isabelle Giordiousi made several crucial saves to keep us in the game. At the end of the first extra time the girls moved into another stage of 5 min each way, golden goal. The game continued to move from one end to the other for the majority of this final stage. We were awarded a short corner with about 2 minutes to go when Sarah’s second shot on goal smashed through to the back board. The work paid off with an amazing win and intense match keeping spectators and the coach on the edge of their seats. Well done to the incredible effort and commitment to this game, you made the coach and your parents very proud!

U17 Hornets v Cyms lost 0-2
The girls played their best game of the season. We controlled the play for most of the game with a quick short passes and strong defence. Unfortunately we were unable to score even though there were many chances. Again Lia Parker played very well in the goal and we thank her for this.

U13 Suns v Cyms lost 0-1
A fantastic game where every girl gave their best. The score was locked at nil all at half time. In the second half the Suns had most of the play but were unable to convert. The girls ran all game and never gave up. Thank you to Miss Lee-Warner who coached the Suns for the final series.

Hockey equipment for the students of La Cava
During our trip to Argentina the KWS Hockey team participated in a game and skills day with hockey players from La Cava. La Cava has high unemployment and a lack of opportunity for its youth. KWS donated their used Hockey equipment and each KWS student donated their pre-loved hockey sticks. The girls from La Cava were so grateful that we all agreed that it would be great if we could help them even more. Laureus’ Sport for Good Foundation raises funds for ‘Hands on Humanity’ projects with Virreyes and UASI.
Virreyes’ Hockey offers a curriculum, based on education through sport. Its general objective is to provide a space for integration and personal development by promoting the values inspired by sport. These sport – inspired objectives include perseverance, friendship, respect tolerance, responsibility and honesty.
A group of four KWS girls will donate 4 hours of their time to help in a little spring cleaning at the home of the highest bidder at our fundraiser auction.
All money raised will go to providing Hockey equipment for La Cava group.
