Message from the Head of Senior School

It has come to my attention that some confusion seems to exist amongst students in Year 10 and their parents. I therefore draw to your attention the following:

- Year 10 finish their school year on the same day as everyone else, 3 December (Speech Day)
- There are normal lessons between the end of the School Certificate and the beginning of the internal exam period. Year 10 students will also complete a unit of work mandated by the Board of Studies called “All My Own Work”.
- “Harvest leave” is not granted to students, so parents are asked to support the school’s position on this. With Speech Day occurring very early in December it is not appropriate to have students out of class prior to this date.

The school and parents enjoy an excellent connection; we do our best to ensure that meaningful work continues right to the end of the school year and we seek parent support on this matter.

- “You know what I want? I want you to do this grace good so God will let us win the race tomorrow.”
- “Dear eight-pound six-ounce new born infant Jesus… we just thank you for all the races I've won and the $21.2 million – love that money! – that I’ve accrued over this past season…”

[from the film ‘Talladaga Nights’]

The ‘Dear Lord Baby Jesus Prayer’ scene from Talladaga Nights is a bit rude but an absolute hoot. Although American comedy generally leaves me cold, I cannot restrain my laughter as the father of this family (Will Farrell) prays grace over the Thanksgiving meal exposing the shallowness of human nature and the extraordinary manipulation of Christian belief. The humour stems from the fact that it’s all so plausible. Let’s be real, the Son of the good Lord was not born incarnate so that we may prosper financially and accrue all manner of possessions. Nor was he born incarnate so that we may secure his “baby infant powers” (again from film) to get whatever we want. Yet so often this is how Christians attempt to use their relationship with the Divine.

As we approach ‘the Silly Season’, let’s attempt to pause for a moment amidst the madness and recall what it’s all about. Christmas celebrates God’s incarnation so that we may firstly learn what it is to live as humans (treating others with respect and love), and secondly, so that we may have the fullness of life that comes from freedom from the heavy bonds of sin. That is the real cause for celebration; don’t be blinded by the tinsel!

Bus Passes

Bus passes for 2012 from Orange Bus Lines will be sent out in early January 2012. Parents are asked to check that the address and details on their child’s pass is up to date and correct.

If your child is going into years 3 or 7 a new Blue application form will need to be completed. These forms can be collected from the front office.

Language Trip to Nouméa 2012

In September 2012, the first week of the school holidays, we hope to take a group of students to Nourméa, as we have done several times in the past. The trip is open to students of elective French only, in Years 9-11 2012. Students have received an information letter, with details of the trip and estimated costing, which they should take home to discuss with their parents. If any parents wish to discuss the trip with me, please don’t hesitate to phone me on 63 920 302 or email bwest@kws.nsw.edu.au

Previous trips have been extremely successful and a very rewarding experience for the students. Please remember that, as with all KWS major trips, school fees for the travelling student must be completely up to date or the student will not be permitted to be part of the group. I look forward to planning an exciting travel and language experience for French students of KWS!

Telstra Connected Seniors Event 3 November

On Wednesday 3 November a group of Year 9 students travelled to the Orange Ex-Services Club to assist with the Telstra Connected Seniors program. This event, run by Telstra as part of its community outreach efforts, was attended by around 60 senior citizens in the morning session and another 50 or so during the afternoon. They were presented with information on sending text messages, using the phone as a camera, sending photos using the phone, adding contacts, changing ring-tones etc. The students sat with the senior citizens and helped them master all these skills. It was wonderful to see the quality of interaction – the warmth, patience and good humour of our students towards older people not so familiar with technology was outstanding. Mr le Couteur and I felt extremely proud of the students and impressed by their generosity of spirit. Special thanks go to Hugh Alston, Joe Burgess, Vaughn Higgins, Bill McLaughlin, Natasha Mitchell, Emma Rutherford, John Thompson, Georgina Uttley, Robbie Blatch, Clare Davis, Jack Dalla, Laura Lewis-Minogue, Tim Gillham, Brocke Harvey-Dale, Jed Pratten, Nicholas Worrad and Sarah Steele-Park for their great community work!

125 Years Celebration Grand Concert
What a night! I am so proud of all the students who were involved. They all conducted themselves like professionals and the high standard of performance was testament to the wonderful team of Music Staff here at KWS. Thank you to all our visiting artists, soloists and the KWS staff who worked so hard to ensure such a fantastic evening. Thank you also to our string players led by Mrs Moxey who presented a spectacular performance of Pachelbel’s Canon at the Gala Ball. Special mention needs to go to Mr Paul Tierney who was a fantastic coordinator of all the 125 Years Celebration events as well as Mr Brendan Curran who is such a reliable and helpful manager of the DPA.

Art and Design Competition for Christmas Cards

Do you love Christmas? Would you like to see your own artwork in print?

Do you like painting or drawing?

The Friends of Music (FOM) are having a Christmas Card design competition so that we can print the best four or five artworks as a series of Christmas Cards to sell and raise money for the KWS Performing Arts program. The competition is open to students, staff and parents; the only criteria is a connection with Kinross. The artwork needs to have a Christmas theme, be bright, colourful, clear and suitable to reproduce. Size needs to be A4 or in proportion to A4 (although your work may be cropped to get a better effect). You can use any medium you like, whether it is print, paint, collage or anything else, so long as it is easy for us to print and reproduce, which will be done professionally.

The 4 winners of the best artwork will receive a prize of a $30 itunes card and will see their work in print. All entries need to be delivered to Mrs Alloway or Mrs Libby Chapman (Music Dept Secretary) by Friday 18th November. Please label all entries with your name and Year, and for adults your phone number please. The judge’s decision will be final. Any queries can be addressed to Mrs Alloway.
Welcome to “Boarders’ Bitz”, a column designed to keep parents abreast of developments in Boarding.

The Year 12 2012 boarding cohort will attend a special presentation titled “Getting Organised for the HSC: Practical guidelines to maximise learning”. The presentation will be an informal gathering to share with students some fundamental study skills and how to best prepare for Year 12 generally. This presentation will be unique as it will target students in their final year of schooling and, with Boarding Leaders involved, hopefully develop and reinforce a supportive and productive network. The presentation will mostly benefit those who may be underachieving, disorganised, looking for strategies to study and/or generally lacking motivation. The aim of the presentation is to encourage students to think about their learning and to maximise their final year at school. We also want them to consider some key strategies about how they can best study in what will no doubt be a demanding and, at times, stressful year. There will be time to discuss, reflect and interact with the material (booklet of the presentation) and with each other. This opportunity to discuss and share is, I believe, a powerful medium to get on the same page and working as a team.

The likely topics will be:

- Key goals to learning
- Key study skills
- Looking after yourself – achieving a balance (presented by Bruce Paine – Counsellor)
- Study programmes and yearly planners
- Preparing for the holidays

The presentation will be held over two nights for both campuses.

- **PLC site girls** on Thursday 17th November 6pm to 7:30pm in PLC Chapel
- **Wolaroi site boys** Wednesday 23rd November 6pm to 7:30pm in the Performance Theatre.

Your Boarding leaders will ensure they attend this evening. A small charge ($5) will be placed on your child’s account to cover the production of a course booklet. Students are asked to bring a bottle of water and pencil.

I would also like to add, that if you are in the area and wish to attend, please feel free to do so. I ask that you RSVP and notify Sally Rattray-Wood via email srattray@kws.nsw.edu.au or call 6392 0325 by 14th November 2011.

For more information, please do not hesitate to contact me or the Director of Learning, Mr Yooie Choi.

Thank you to the many boarding parents who were able to attend the Boarding Parents’ Committee Annual General Meeting, which was held on Sunday. It was a very productive meeting and your contributions were very much appreciated. I would like to thank Mr Hiram Marr and Mrs Patty Webb for the contributions to Boarding at Kinross Wolaroi over the past years, as they step down from their respective positions as Convenor and Secretary of the committee. Following elections of Sunday, I would like to congratulate and welcome the new Convenor, Mr Alan Coles and the new Secretary, Mr Mark Olson and I thank them for their ongoing interest in the KWS Boarding community. Mr Hiram Marr will remain on the Committee as Deputy-Convenor. I look forward to working with all members of the committee in the coming year.

Thank you to boarding parents Mrs Jennifer Jones, and Mrs Joanne Coles for the organisation of the farewell picnic luncheon for retiring Head of Loader House, Mrs Robyne Ridge. Their efforts were greatly appreciated as the luncheon provided a great opportunity for our parents and families to wish Mrs Ridge well for her upcoming retirement.

Last Saturday, the 5th November, KWS sent a team of 85 to participate at the Loreto Normanhurst Regatta at the Sydney International Regatta Centre at Penrith. There were a good range of events available for the girls and boys. The programme mainly followed the Girls Head of the River format interspersed with boys’ races, following the sequence of events followed at the GPS Boys Head of the River programme with some additional Quad Scull events. In attendance were most of the major boys and girls schools in the State.

The day for KWS opened with the Year 9 Girls Quad Scull Divisions, with all crews being competitive in very strong fields. The three Years 7 beginner Quads racing against older opponents in their first regatta produced two second places and one third place between them. The Year 8 girls racing in the higher Divisions of this same event gained second and fourth places with good performances as well. The beginner Boys Quads then raced in the Year 8 boy’s events to manage very pleasing second and fourth placings in their events on their first outings as well.

In the Year 10 Girls Double Scull events, Nevena Kosarac and Georgina Uttley scored a win, while Nicola Thomas and Carmen Date, and Sophie MacSmith and Prue Eccleston both obtained third placings in their respective Divisions. In the Year 10 Single Scull events both Madeline Hawthorne and Georgia McKenzie were placed third in their Divisions.

In the Year 9 Boys Quad Scull races, the two KWS crews were placed fourth and sixth respectively in their Division with sound rows. Molly McLaughlin and Beatrice Patterson also performed well in securing a fourth place in the Schoolgirls Double Scull. In the Schoolgirls Quad Scull events Anelise Corey rowed superbly to win her Division very comfortably. Then the KWS crews in the Schoolgirl Year 10 Quad rowed strongly in what was a second race for most of them to obtain pleasing fourth places in their Divisions.

The Year 10 boys then stepped up in their Quad race to record a most convincing win with the second somewhat makeshift crew also recording a pleasing fourth. The three KWS crews entered in the Schoolgirl Year 9 Double Scull, all rowed well with the best result being a good third by Meghan Forsyth and Sophie Aylward in their Division.

The senior crews then raced twice in their events once before, and once after lunch. In the Schoolboy Coxed Quad Scull the KWS number one crew, stroked by Eden Taylorwood-Roe, won decisively in their race before lunch and were narrowly beaten into second place by Newcastle Grammar after lunch. The second KWS crew in this event, rowed soundly for fourth place before lunch and third afterwards. In the Schoolgirls Quad events, the two KWS entries obtained third and fourth places in their respective Divisions before lunch and repeated this performance afterwards.

The KWS Senior Four raced in the School First Four events, being narrowly defeated by Kings in the race before lunch and then coming out after lunch to decisively win against a field containing nearly all the major GPS schools in a most pleasing display.

The Kinross Wolmaroi School rowing team finished the day with five wins, seven seconds and nine third places. Given the quality of the participating Schools, this was a very pleasing outcome - the best overall performance by the KWS team at this regatta. As always, parental support for the event enabled the day and its organisation to flow freely, pleasantly and successfully.

**Cricket News**

- This week KWS Years 7-8 will play James Sheahan High School in the Dale Macintosh Shield. After the strong win against Orange High School this match will decide the outcome of the Orange interschool competition.
- A huge thank you to all those parents who have been assisting our cricket coaches in the early rounds by offering to umpire, score and provide coaching tips for our teams. The Coaches need and really appreciate your support and assistance.
- If you need weather info for Saturdays go to the ODJCA Website on Friday night but for the latest info use the ORANGE JUNIOR CRICKET ASSOCIATION WET WEATHER HOTLINE AVAILABLE ON SATURDAYS AT AFTER 7am - 0407612514
  - I will also tweet messages to the Home page if cancellations allow us time to post messages. Players can also use the facebook link to the associations website to access information on cancellations.
- The Year KWS Wibur Shield team will now play the Scots School in Round 1 of The Wibur Shield. It is hoped that the game will be played on the main oval. The team has to consist of boys in Year 9 of lower years. Weekend performances will be used to select this team.

**KWS 1st XI vs CYMS 2 day Game**

KWS played CYMS at Ex-Services Country Club. KWS were sent in on what proved to be a good batting wicket. Kinross were without the Year 12 boys who were finishing their HSC Examinations. Kane Gardner was in sparkling form in the and posted a hard hitting 30 to get the innings off to good start. Charles Litchfield was promoted in the order and opened confidently before being brilliantly caught down the leg side by Chris Kostoglou who now keeps for CYMS. Tom Harbison 17 and Tom Bristow 27 batted effectively to progress the score to 100. The highlight of the day was the innings of Nick Lukins who batted with style and character to score an excellent 45 in his debut for the firsts. He was well supported by Gus Griffiths, Jack Rogers and Damian Hill and in the end the team had posted a total of 171. CYMS then took to the crease and immediately Jack Rogers and Mark Gardner had CYMS on the back foot with the wickets falling at regular intervals. At the end of the day after KWS had CYMS at 5-60 off 33 overs. Coach Mark Gardner had the figures of 3-23 from 14 overs with Gus Griffiths and Tom Harbison also taking wickets. Although the team is well positioned CYMS have strong batsmen to come and the game is far from decided.

**OPEN JUNIORS KWS 2 VS Orange City 28 over game KWS 8-147 Orange City 97**

KWS won the toss and decided to bat posting a good total of 8-147. Lachlan Williams 28 and Max Dodds 24 got the innings off to a great start. Jarrod Frecklington having a break from the HSC study hit a quick fire 24 with the rest of the team all contributing to a good total from their allocated overs. David Crombie and Sam Chalker tore into the Orange City to order with Sam picking up 3 wickets for 9 off 4 overs. Gus Griffiths took a classic catch off a David Crombie that ball was smashed into the covers. Captain Jack Marchington also bowled well to take two wickets from 4 overs. A late order revival saw City reach 97 before they were dismissed in the final over. Well done to all the boys on a strong performance.

**KWS 2nds def Cavaliers**

It was an outstanding team display which led to a great win. Batting first is a great idea as long as a good total is set. Lachlan Williams and Micheal Tremain set up a nice platform and a commanding innings by David Pratten (35) allowed KWS to be 5/95 after 20 overs. Wickets were tumbling a little faster than the coach would have hoped and it was a magnificent partnership from Jack Yeomans (35) and Woody McClymont (24) which led the team out of the danger zone. Mr Smedley then fluked 23n.o. to put the icing on the cake. With Cavs set 205 for victory it was always going to need a steady start from the KWS bowlers. Once again Sam Nicholls was excellent taking 2/9 off his first 6 overs and Jack Marchington(1/8 off 8) and Sam Pratten(0/11 off 6) bowling wonderfully in tandem to dry up the runs and provide the team a glimpse at what it may have felt like to be in the Australian test team when Warnie and Pidge were on song.

A great days cricket played in great spirit and the KWS team was well rewarded for their consistency. Well done to Peter Crisp with his 3/20 for Cav’s as well.

**15 KWS Clarckes v Orange City**

KWS recorded a sterling win against Orange City with some very tense moments at time which got the heart racing. After winning the toss and bowling first we reduced the opposition to 15 after 9 overs. A hugely impressive first three overs from Sam ‘Brett Lee’ Nicholls with one being a maiden and the other two wicket maidens. Impressive bowling also came from Alex Webster and Jaden Watson who took two wickets. However some sloppy bowing towards the end of the match meant City finished up on 108. Will ‘Alistair Cook’ Olsen produced a very fine 19 as the opening batsman, although the rest of the openers unfortunately fell to some very good City bowling. However KWS had
one super wild card up their sleeve. He came in the form of Charles 'Tendulkar' Litchfield. Under the watchful eye of his father he produced a stunning all round batting performance to hammer home the runs past the hapless City fielders, finally finishing on 50 not out. Mentions must go to George Brownlow 11, Jack Dodds 20, Jaden Watson 12. Who all were retired after some big hitting. A truly stunning performance from KWS who will hopefully produce the goods against Molong next week.

**KWS 14's (193 for 6) v SJS (79 all out)**
The total runs scored by KWS looks as if it would have been the highlight but the KWS fielding effort was even better.

Louis Carr (3 for 3) and Drew Weber (2 for 18) rattled the SJS batsmen after our quicks unsettled them in the first few overs. With direct hits on the stump, twice, Charlie Mortimer’s throwing from outfield was magnificent.

Alec Patfield was so close to holding onto a screamer and Cam Rasmussen’s catch to take the final wicket was awesome.

While batting, Hugh Britton and Charlie Mortimer both retured on 40 and Charlie Steele-Park and Hamish Sheehan secured confidence – boosting totals. All in all, a very strong performance.

Last weekend the two WAS tennis teams went down to Bathurst where the Kinross 1 teams played All Saints College and the Kinross 2 teams played Stannies. Kinross 1 had a clean sweep winning all 18 sets and only losing 9 games overall (this includes the forfeiting of the All Saints Junior team). Congratulations to all players who achieved 8 - 0 scores include Sam Brand, Alastair Crane, Alanna Condon, and Brooke and Talor Hamilton.

The KWS 2 team played Stannies 1. Their games were very close with the Seniors losing 28 games to 20; the Intermediates were also unlucky, and despite having the same amount of games 24 to 24, lost in their overall number of sets. Jeffrey Kittichaiwong (8-0), Nathaniel Cisco (6-2) and Chris Watt (5-3) all had good singles wins this week.

On a side note, the much anticipated after-match doubles game between Alastair Crane and coach Mr Mirrington versus co-captain Jack Brand and Luke Petraglia will not be reported on at this point until a re-match is played next week.

Congratulations to Luke Petraglia, Talor Hamilton and Eleanor Crane who recently represented AICES at the CIS under 15s singles event. Talor Hamilton was successful in gaining selection in the girls CIS team and Luke Petraglia was selected as first reserve for the boys CIS team.

### Basketball

**KWS 1sts Boys**

On Monday night the KWS 1sts played a game which was summed up at the end of the match, as the best performance a KWS team has ever had. The boys played an outstanding game against the Jets defeating them 62 to 23. Dylan Prince had a superb match top scoring despite only playing half the game due to an ankle injury. The Jets didn’t hold the lead at any point during game and despite some good shooting and strong offence our defence was simply to good to be penetrated. Altogether an excellent game and an outstanding effort from every team member.

**Patriots v PCYC.**
The Patriots came into rd 3 with high expectations of a strong showing. The 1st 5 mins was very positive with Alister Crane & Sam Brand leading the way. The 1st stanza of the game was close with scores locked up on many occasions. PCYC scored 3 times with 3 pointers , which proved hard to counter. Duncan Whittaker & Jerry injected a lot of energy , but PCYC scored baskets at vital times which ultimately proved the difference.

Nick Hill top scored & kept the team in the game at vital points. An inability to capitalise on intercepts, lay -ups & rebounds made it difficult to take our chances & win. Two losses by 3 points in the last two weeks must mean a win is just around the corner.
