Dear Parents

When I look back at all the events of the past nine weeks I am amazed at the level of involvement of our students within many wonderful opportunities within our school and broader community.

Within the classroom students have continued to make pleasing progress within all aspects of the curriculum and we look forward to receiving the NAPLAN results, to further highlight areas of growth and development within Year 5 and Year 3.

The co-curricular programme of the school has flourished with students provided with a number of opportunities to extend themselves in both sport and cultural endeavours. The Music Concert was a highlight, with many individuals and ensembles on show. This week our beginner groups were able to perform for their parents in a small concert showcasing their outstanding progress through the Year 3 Band programme. Congratulations to all students.

Our HICES Debating team have qualified for the Independent Schools Finals proceeding through the four preliminary rounds undefeated. Congratulations to the small band of students showing great commitment and dedication in preparation for each round of debates. Chess has begun to increase its profile with the upcoming WAS Chess day this week and further Chess tournaments set in the diary for next term. Best of luck to all participants.

Within the sporting arena our winter sport programme has begun with many teams performing well within their respective competitions. Our Prep Athletics Carnival was a wonderful highlight for all students involved, with many receiving their first ribbon within individual events. The Cross Country team has performed well in competition and ten students qualified for the CIS Carnival last week. Congratulations to Phoebe Litchfield who finished first and Ollie Steele-Park who finished second in their respective age groups. Both these students will represent CIS at the NSWPSSA Cross Country Championships on 20 July and we wish them the very best of luck.

Our Rugby 7’s team will travel to Sydney this Friday and will compete in the State Championships with the possibility of qualifying to play ahead of the Wales Test match on Saturday afternoon. We wish the boys the very best of luck.

As we look ahead to the wonderful opportunities that await us all in Term 3 may I take this opportunity to wish you all a safe and happy holiday break.

Enjoy your week.

**Pick-up Zones**
In an endeavour to track the whereabouts of students after school and to provide the safest departure of students from school grounds, we would like to advise parents that the fenced area outside Pre Prep is not a collection point for Preparatory students. Students found waiting in this area will be sent to the Pick-up / Drop-off zone or to After School Care regardless of whether they have secondary siblings. It is much safer for secondary students to be collected first from the Secondary pick up zone or wait with their Preparatory siblings in the Preparatory Pick-up zone. Thank you for your support and understanding.

**Medication and Excursions**
Following a review of procedures for the provision of medication on excursions we would like to advise parents of the following:

*Medication needs to be named clearly and handed to the teacher in charge with a full and detailed account as to when and how the medication is to be administered. At the conclusion of the excursion it is the responsibility of the parent to personally collect unused medication from the teacher at the time of collecting their child. Medication that is not collected by the parent or guardian at this time will be destroyed.*

---

**On line ordering at the P&F Canteen**
Prep Parents who also have children in the Kinross Senior School might be interested to know that from next term, children in Years 7 and 8 (only) will be able to order their lunches online using the Flexischools system which is already in use in the Prep School.
Details will be available on the school website and published in the Senior School Newsletter. The "Grab and Go" menu will still be available at the Canteen for all Senior school students.

I’d like to take this opportunity to thank the Prep School Community for their support and involvement in the Music Programme. It has been a privilege to teach and inspire such enthusiastic and talented students and watch the programme grow and flourish.

I am most grateful to the Prep Staff and Music Staff who offer a huge amount of support and dedication to the students and the School. Special mention to Mr Rob McLean, Mr Tim May, Mrs Anneliese Alloway, Mrs Lorraine Moxey and Ms Dahle Innes who have helped build such a positive and enthusiastic music vibe across the Prep School.

Over the next 18 months the Prep Music Programme is in the very capable hands of Mrs Katie Sinclair who will continue to maintain the high standard we have achieved.

I hope all the students will continue their passion for music through Class Music, Choirs, Band, Strings, Junior Ensembles and individual lessons. I am really looking forward to returning in 2014!

Yours sincerely
Annalie McRae - Co-ordinator of Prep Music

Prom Concert – THIS THURSDAY!
A reminder that the Prom Concert is on at 6:30pm on Thursday 21 June in the DPA. All our senior music ensembles will be showcased and there will be two solo performances. Bassoonist, Thomas Glastonbury, will present “The Grumby Old Bear” accompanied by the Symphonic Wind Ensemble and pianist, Jack Brand, will perform “Rhapsody in Blue” accompanied by the KWS Orchestra. This is an informal concert so please bring your whole family along with a picnic dinner to enjoy the evening of music.

Cadet Passing Out Parade and Dinner
Well done to our Marching Band who performed with real finesse at the Cadet Passing Out Parade last Friday. Our Drum Major, Lucas Pritchard, led the band extremely well and then spoke with confidence at the Cadet Dinner later that evening. Chamber Strings performed beautifully during the opening of the Cadet Dinner. Of particular note was Lucy Knaggs performing the Bach Double Violin Concerto with Mrs Moxey. Lucy will be presenting this as her ensemble work for the HSC Music Extension Performance Examination next term. Stage Band directed by Mr Alloway rocked out during the meal presenting three contrasting pieces. Various members of the band were featured in solos with Sam Brand and Jack Brand both performing substantial solos with a wonderful sense of style and fabulous sound quality. Ben Raines is to be congratulated for his bagpipe playing during the Cadet Dinner. Ben's intonation was excellent and he gave the night a really special quality. Thank you to all the staff and students involved in the provision of music on the night. Thank you also to the parents of younger students for delivering your children and picking them all up on time.

Year 3 Band Concert – Monday 18 June
All Year 3 students have been learning a band instrument this semester. The programme culminated with a fantastic concert in the Performance Theatre on Monday. The Band performed “Au Claire De La Lune”, “Donkey Round”, “Surprise Symphony” and most students performed a solo or duet. Thank you to all our tutors (Mr Ismail, Ms Innes, Ms Bennett) for the work you have put into the programme this semester. The biggest thank you must go to Mrs McRae who has run this programme and directed the Year 3 Band rehearsals. Our students have gained a real sense of excitement about music and performance from Mrs McRae. We hope that most students will continue to learn their instruments and move through the wonderful KWS Band Programme. All Year 3 students are encouraged to continue performing on their instruments by coming to Prep Junior Band. The Prep Junior Band will rehearse on Thursday afternoons from Term 3 with Mr Alloway. It is sure to be a fun-filled experience for all involved.

Year 7 Music
All Year 7 students should have received a note about the Asanti Dance Company incursion in Period 6 on Monday 23 July (beginning of Week 2). Year 7 will be studying “Music Around The World” next semester with a focus on African Music. The Asanti Dance Company will perform African Dance and run an African Drumming Workshop in the Performance Theatre for all of Year 7. It will be an engaging and enriching incursion, directly related to Year 7 Music Curriculum.
**Temporary Farewell to Mrs McRae**
This week we say “bye-bye” to Mrs McRae as she goes on 18 months leave to be with her young family. We are all sorry to see her go as she is a real ray of light in the Performing Arts Department and has given the Prep Music students so much enthusiasm and musicality. She has also been a wonderful support to me during the first year and a bit of my position. We can’t wait to have you back in 2014, Mrs McRae!
Have a wonderful week and holiday!
Anneliese Alloway - Head of Performing Arts

Football

**U11 Jets:** The U11 Jets ran out onto the field to play Millthorpe on a pouring Saturday morning to play a great game of Football. The scores stayed nil all for a long time until Ben Bellamy opened the scoring. Soon after that Millthorpe got a goal back at us just before the half-time whistle blew. We ran back onto the field ready to play a great second half which was very close with the ball going from one of the pitch to the other. Finally Ben managed to score another goal in the very late stages of the game to win it for us. It was a great match with the final score being 2-0 our way. Thank you Mr Harris for coaching us. Luca Wynn

**U12 Mariners:** Kinross Wolarai Mariners played exceptionally against Ex-Service's Panthers in the miserable rain and we were able to win the match 2-1. Even with 5 people absent with the dreaded flu we were able to keep the opposition to only 1 goal. Our two goals were scored by Henry Carter and Harry Sear. All the team played very well even with the extra running as we had two less players than our opposition. Good job boys, James Parfett reporting.

Rugby

**U11’s:** Wellington put on a balmy 17 degree day for our U11’s Rugby day. The day started extremely well with a committed U11’s beating a Molong/Parkes side convincingly-7 tries to nil. Next up was Mudgee, a well drilled team and we fought well in both forwards and backs to come out eventual winners 2 tries to 1. Out third opponents for the day were the red and whites from Cowra. They attend every gala day so it is a team that is well-drilled and they have established partnerships in both the forwards and backs. The boys really stepped up for this game. Both our forwards and backs took no prisoners and we dominated all facets of play. Great 4 tries to 1-victory. Well done to Max Waddell for player of the day. Have a good holiday boys and see you for Term 3. Jarrod Rose
