During Term 2 Rob McLean, Romko Hordynsky, Ann Margaret Gunther and Bryan Thomas are all taking Long Service Leave. The following appointments have been made.
Sue-Ellen Bullen will be replacing Bryan Thomas in the Social Science Faculty. Sue-Ellen has already covered a 3 week block this term and we are very pleased to have her returning in Term 2.
Claire Spora will be acting in the Position of Head Tutor of Dean House. Claire is looking forward to the challenge of leading the house and working with the students.
Tim May will be replacing Rob McLean as Acting Head of Preparatory School. I am grateful for Tim taking on this senior position within the Preparatory School.
Juliet Peterson will be covering Tim’s Year 5 Class. Juliette has done a lot of work for the Preparatory School in the past and I welcome her back on staff.
Muriel Holmes will step into the role of Deputy Head of Preparatory School and Mark Pritchard will be covering the role of 3 – 6 Co-ordinator.
Lisa Savage will be replacing Romko Hordynsky. Lisa is well known in the Preparatory School having covered many contract positions in the past.
Ann-Margaret Gunther will be replaced by Belinda Ferguson as Acting Director of Pre-Prep. Belinda is looking forward to the challenge of her new role.

KWS Swimming Coach

We are currently searching for a Swim Coach. The position has been advertised on a number of websites including the Australian Swim Coaches and Teachers Association www.ascta.com and on the Sportspeople Website; www.sportspeople.com. Further information is also available on the school website www.kws.nsw.edu.au

Applications for this position close on Friday 30th March, 2012.
The school is hoping to appoint a person to this position for commencement in Term 2, 2012.
The success of students at the recent HICES and ISA carnival suggest the successful applicant will have a keen and enthusiastic squad of swimmers to work with into the future.

It is with great regret that I inform students, parents and staff that Guy Williams, our Head Rowing Coach will be leaving the school to take up an exciting opportunity with New Zealand rowing in the coming months.

Guy has been the Head Rowing Coach at Kinross Wolaroi for the 2011/2012 Season and during this time the school has achieved the ranking of Number 1 Rowing School in NSW at the State Championships, the Number 1 Rowing School of the Schoolboys Head of the River and the Number 1 Rowing School in Australia at the National Rowing Championships in Perth.

We wish Guy every success in his role with New Zealand rowing and thank him for his enormous contribution to the Kinross Wolaroi program. He will be greatly missed by the students and parents within the KWS Rowing Community.

We will be undertaking a search for a new Head Coach in the coming weeks.

Learning Enrichment and Support
Science Faculty 2012

Dear Parents

The Science department will run an enrichment programme again this year for junior and senior students. All members of the Science staff will assist with the programme throughout the year. Mrs Astrid Lepelaar is now a full time teacher in Learning Support. She will continue to work with students and staff, developing individual and class programmes to enhance Science literacy across all year groups.

Junior Science Enrichment Programme

It is anticipated that for the top class in each year, we will compact the curriculum and have selected students working on extension projects and topics. There will be at least one extension activity per semester according to the grid below. Some of the programmes will be running in parallel and some will be “stand alone” topics.

In addition to these programmes, students will participate in the National Chemistry Quiz ($5.06) (26th July) and the UNSW Science competition ($7.70)(6th June). There will also be an opportunity for a group of secondary students to make a short film to be entered into the Eureka Sleek Geeks Short film competition (entries close 6th May). Sleek Geek video preparation time will be various Monday/Wednesday afternoons 3.30-5.00 in room 64, to be arranged with the group. Music and cadet commitments are to be met as a priority.

Senior Sciences Enrichment Programme

The essential philosophy behind the senior Science enrichment is to empower the students to strive for excellence in senior Science. Whilst in classroom Science the emphasis is on learning the curriculum, the enrichment sessions will focus on maximising HSC marks in exams. We want to encourage the students to work as a team and help each other to gain the best possible marks in the HSC exam. There is an extra-curricular opportunity for senior Chemistry students to participate in the National Titration Competition.

Preliminary programme (Year 11):

Skills programme:

A programme will be run to enhance senior Science students' skills in Biology, Chemistry, EES and Physics. Emphasis will be in developing skills in first-hand and secondary-source investigations, such as understanding the scientific method and drawing and graphing.

Science Olympiads:

Students have the opportunity to study and sit for the Biology, Physics and Chemistry Olympiad exams to be held in August. Students have access to the text books from the library and some have already made some progress over the holiday period.

HSC programme (Year 12):

HSC “Reaching your Potential” seminars: There will be a series of enrichment seminars in Terms 1, 2 and 3 for students undertaking the Senior Science courses. They will take place on weekday evenings. There will be four sessions per subject. Specific dates and times are attached on the following page. These sessions will involve revision of difficult knowledge and concepts in each topic. There will be an emphasis on how to answer HSC questions and maximise marks in the longer-response questions. For best results, the students should revise the specific topic before attending each seminar. Boarders should remember to arrange a late meal on the specific dates.
In addition, there will be a STANSW “Meet the Markers’ HSC Study day in Term 3 (12th August). This session will involve HSC markers visiting the school and spending a day with the senior Science students from KWS and other schools in the district to discuss the HSC exams, how to write answers, maximise marks and how to avoid common problems.

There will also be the opportunity for students to sit another trial paper in exam conditions in Term 3.

In addition, during the study vacation in September, senior Science teachers will send out a “Question-of-the-Day” to all HSC Chemistry and Biology students via email. Replies will be marked and feedback given.

We ask that you encourage your son/daughter to participate in the enhancement seminars and question-of-the-day. Evidence shows that students participating in the seminars and Question-of-the-day programme performed better than students who did not participate. Indeed, over the last few years the senior Science results have been very encouraging and among the best in the state.

If you have any questions regarding the programme please contact me on 63920321 or email clitchfield@kws.nsw.edu.au

Yours faithfully,
Catherine Litchfield

Dates for the diary:

Mrs Litchfield is available Wednesday lunch times in room 61 for ‘drop in’ senior Biology and Chemistry students. Bring along your lunch/questions/problems for extra help.

STANSW HSC Study day (Biology, Chemistry, Physics and EES)

Sunday 12th August (time TBA) Venue: KWS Music Centre
We need your help!!!!

The Children’s Ward at Orange Base Hospital needs our help. Children from all over the region are admitted to the ward and in many cases those children are in need of a few basic items like toothbrushes, toothpaste, soap, face washers and combs. Some children even come to the Hospital without pyjamas or underwear.

Will you please assist us by sending one or more of the following items to school before Friday 30 March 2012.

- Toothbrushes,
- Toothpaste,
- Bars of Soap,
- New Face washers and
- Hair combs or brushes.
- You can also send packets of underwear in various sizes

We will make up parcels for the ward which they can give to the children in need.

The Animals of our region needs your help!!!

Winter is approaching and soon it will be very cold in Orange. The animals at the RSPCA and the Wildlife that are rescued need your help. You can assist them by donating old blankets, towels, pillowcases, sheets, tea towels, bathmats and beanies. All of these items can be used to keep the animals warm. Any donations will be greatly appreciated.

Please send the items to school with your child before Friday 30 March 2012. They can drop it off in their Tutor House area.

Thank you for your support. It is greatly appreciated.

KWS HEAD SHAVE

7 very brave seniors are shaving their hair for cancer on Friday 23rd March. Kim’s Images Hair Salon have generously donated their time and skills to assist us with our new look. All proceeds will go to the Cancer Council NSW.

Our shaving prices:

- Bella Grist: $7000
- Sarah Burns: $5500
- Lucy Murdoch: $4000
- Jack Yeomans: $1500
- Ben Kremer: $1000
- Jack Marchinton: $700
- Murrie Kemp: $500

So far, we have raised $3000 which means all the boys are officially shaving, with the next in line being Lucy Murdoch, kicking off the girls.

There will be a mufti day and sausage sizzle in the next couple of weeks to raise more money and awareness of cancer. Please be generous and feel free to donate to any of the shavers in the next few weeks in cash or online at:

Keep in mind that the top three students who donate the most money will have the privilege of starting the shave of the girls, so get together and donate!

Thankyou everyone who has already donated, especially at the fair, and keep them coming!

Harmony Day – Performance on Sunday 18 March

The Orange City Council ran a Harmony Day Ceremony and Fair in the Orange Art Gallery Forecourt on Sunday. Our Stage Band and Chamber Choir both performed during the ceremony and were received very well. It is always challenging for a choir to sing outside as so much of the sound is lost. However, they sounded excellent and “La Paradisi” had particularly good energy. Stage Band presented “Come Away With Me” by Nora Jones and “Every Little Thing She Does Is Magic” by The Police. Jack Brand performed the vocal solo for the Norah Jones piece on Tenor Saxophone with wonderful musicality and a gorgeous sound. In fact, the saxophone section sounded particularly good in general! Thank you to all the performers and their parents who were incredibly patient considering the delays in performance times. Thank you very much to Mr Alloway for moving equipment to and from school for the day and his direction of Stage Band and to Ms Anthony for her direction of Chamber Choir and help on the day. It was really worthwhile to represent our school at an event focused on community.

Anzac Day – Marching Band to participate

Any student in Symphonic Wind Ensemble is in the KWS Marching Band. We will be marching in the Orange Anzac Day Parade on Wednesday 25 April 2012. A note will be coming home this week to be signed and returned by the end of Week 9. Students will be committed from around 9am to around 12pm that day.

Combined Schools Music Festival

Year 11 and 12 must return their permission slips by Friday this week (23rd March).

May you have a wonderful week!

Welcome to “Boarders’ Bitz”, a column designed to keep parents abreast of developments in Boarding.

We are continually trying to refine and improve communications between the School, boarding staff, boarding parents and students. To assist with this process, each Boarding House has an appointed Parent Representative. The Boarding House Parent Representatives have a vital role to play in keeping the communication lines between the School’s boarding staff and the boarding parents open and active. They are happy to receive your phone calls and offer advice, where possible. They are also able to raise issues on your behalf at the Boarders’ Parents Committee meetings if you are unable to attend.

The Parent Representatives for 2012 are:-

Following the resignation of Judy Carroll, I am pleased to announce to boarding parents that Mrs Kelli Radford has taken over the role of Nursing Unit Manager in the School’s Health Care Clinic. In addition, Mrs Angie Phinn has been appointed as supporting registered nurse to assist her in the running of the clinic.

Both Sister Radford and Sister Phinn would like to remind you to organise flu vaccinations for your children during the upcoming Easter holidays. Winter is traditionally a time with a very high illness rate for the boarders, particularly with flu and bronchitis, and your assistance in keeping our boarders and boarding staff healthy is appreciated.

We are still happy to accept more donations for our Boarders’ Library. If you have any suitable pre-loved books that you would like to donate for the Boarders’ Library, please bring them to School and leave them with your Boarding House Leader, or at the Main Office. Your support is greatly appreciated.

ISA Swimming

Last Friday the KWS swim team travelled to Sydney for the ISA championships. The team competed excellently. The girls led the way with each placing in the top three for their respective Freestyle races. With Maddie Griffiths and Nicola Dalzell winning their events overall. The boys were led by Ned Yeomans, Josh Hay-McKenzie and Joe Yeomans who all had top 3 finishes in their freestyle events overall. The Medley relays provided KWS with some highlights. The Junior Girls Team consisting of Olivia Archer, Sophie Hay-McKenzie, Sarah Valentine and Barbara King-Christopher put together a great race winning by a 15m margin. The Senior Boys Medley relay saw the KWS team to another great victory with Max Cowperthwaite swimming straight past the opposition with an outstanding Butterfly leg. In the 100m Freestyle Maddie Griffiths continued her outstanding meet with another win while Joe Yeomans also won the 14 years boys. Josh Hay-McKenzie and Jordan Brodie brought home the 1\textsuperscript{st} place in the backstroke while Jessica Arthur, Sarah Valentine, Meg Forsyth, Nicola Dalzell, Ned Yeomans and Shelby Archer finished 2\textsuperscript{nd}. Maddie Griffiths and Josh Hay-McKenzie also took 1\textsuperscript{st} place in the Butterfly while Joe Yeomans, Nicola Dalzell and Ned Yeomans finished 2\textsuperscript{nd}. The freestyle relays saw a great finish to the night for KWS with the Junior Girls and Senior Boys completing a ‘double’ by winning both relays for their age groups. The intermediate girls team consisting of Meg Crouch, Maddie Griffiths, Nicola Dalzell and Annika Bush also took out 1\textsuperscript{st} place putting together a great race. A big thankyou to all the parents who travelled to Sydney to support the team.

Softball Grandfinals 17th March

Three Kinross students, Elise Bennett (Yr 9), Nikki D’Aquino (Yr 9) and Rachel Gentles (yr 12) played in the local under 19’s softball grand finals on the weekend. Elise, Nikki and former student Emily Bennett played in the team “Just Us” against Rachel’s team “Pink Panthers” with the two teams always having rivalry and high competition. Rachel’s team came out on top winning the game 10-0, with Rachel scoring the first run to start the game.

In the afternoon, Rachel and Learning Support Aide, Lyndal Brown played in the B Grade grand final. Rachel pitched in the last innings to contain the other team, and later scored the winning run to win the game 10-9. Rachel was awarded “junior Coach of The Year” a commendable achievement.

Basketball

**KWS 1st Girls**

Last night, we played an awesome game of basketball. We were successful in the finals against the Sliders who, at the commencement of the season, convincingly defeated us. This shows how far we have come as a team in the last 6 months. We were able to outrun the opposition with our impressive fitness which proved to be a huge advantage for us throughout the entire game. Stand outs for the game were Little Sarah who was nothing but consistent and fierce spirited which won her countless rebounds, regardless of the fact that she was far from being the tallest player on the court.

Pip had a strong game, especially defensively, clocking up 4 well-earned fouls that displayed great dedication to both the game and her team.

Katie had good spacing during the game managing to post up in the centre of the key, despite the intimidating size of the older opposition.

Big Sarah, as always, displayed great skill and flexibility under the basket when she went for numerous lay-ups and managed to get around the defences quick hands and wide diameters to score points.

Megan, like Sarah, had a few good lay-ups where she put her head down and just went for it, even though there was a high chance of her enduring much pain because of it. Her enthusiasm last night was infectious.

Nikki showed us all her agility and speed on offence as she stepped up played smart and effectively. Her movement on offence opened up the key and provided opportunities for the whole team.

Great job girls on a good game! Good luck next week as we head on into the grand finals against the Rugels.

In addition, last Thursday, 5 of the girls including Pip, Big and Little Sarah, and Nikki travelled up to Wollongong to play in the WAS team. We played 5 challenging games throughout the day and managed to progress into the grand finals, where we lost by only 3 points. The competition was a lot more physical in the city, but we all rose to the challenge and played beyond the expectations of most. Special mention goes to Nikki Collins and Mikaela Cato for making the AICES team and Sarah Burns who is listed as the shadow player.

**KWS 1st Boys**

On Monday night the first boys played what would be their last game to the 2011-12 season against the Renegades. The boys played well and welcomed Dylan Prince back to the team after a long break due to injury. From the start the boys were behind but were able to keep the gap close not allowing victory to get out of reach. However in the final quarter the Renegades proved too good and shot ahead winning 67 to 51.

Despite the unexpected loss all the boys gave their best effort and should be proud of the excellent season behind us. Thankyou to all the boys and Coach Curran for an excellent season.
Congratulations to all Junior sides on making the semi-finals. Day 2 of the semi-finals saw the KWS 15 Clarkes, KWS 15 Kerridges win their semi-finals. This means there will be an all KWS grand final next weekend. The KWS 14s also move into the grand-final with a good win after they finished second in the minor premiership race. Unfortunately the two Open Juniors teams when down in their semi-finals. Congratulations to the 13s team who also put up a strong showing to in their semi-final. Given that the 15s it is an all KWS final the ODJCA have agreed to playing a one day 50 over final. This will ensure boys in the fifteens will be able to go to cadet camp and not have to remain in town to play in the grand final. The game will be played next Saturday at Sally Kennett and see each team bat for 50 overs with a lunch break in the middle of the innings. If any parents would like to organise a barbeque lunch please contact me a school. This is not the case with KWS 14s who will play a two day final and therefore commence cadet camp on the after the completion of their grand final on Saturday morning.

Special congratulations to Tom Harbison and Jack Rogers who were selected in the CCCS team that played with NSW best schoolboy cricketers all last week. CHS 1, CHS 2, GPS, CAS, CCC all had teams competing in the carnival held in Maitland. Both boys did well on the field and it was wonderful to see Tom Harbison win the Spirit of Cricket Award presented at the end of the carnival. This award recognises someone who has been nominated by other teams and umpires for outstanding sportsmanship and attitude. This is a wonderful honour for the KWS captain of Cricket. Special thanks to Andrew Litchfield, Damian Duffy, Stuart Crisp and David Pratten who worked together last week to organise a Spinners and Wicket-Keepers workshop last Monday night. The Western Zone Keeper, Jordan Moran and 1st Grade Sydney spin bowler Ryan Medley put on a great workshop for 36 boys. This followed ex-student and NSW Speed Blitz Blues player Chris Tremain’s visit to KWS the week before. It was great to see so many of our boys attend both these coaching sessions. We extend our special thanks to all three coaches who were willing to put on sessions for the boys.

Special thanks to all the parents who have been supporting the coaches over the season by offering to assist with scoring, umpiring and coaching. Your assistance is greatly appreciated.

KWS v Macquarie College.
KWS 202 defeated Macquarie College 66
KWS have advanced to the final of the Douglas Shield with a strong semi-final win over Macquarie College 66.

KWS were sent in on KWS main and were in trouble at 2-16 before Louis Kostaglou 33 and Tom Bristow 25 had a solid partnership to take the score to 3-63. Tom Harbison 62 then came to the crease and played a real captains innings to see the score move to 166. Tom was well supported by Max Dodds 15 and Damian Hill 12. When KWS were dismissed in the 48 over the score stood at 202 and coach Mark Gardner was pretty happy. After lunch Jack Rogers 2-15 took the new ball and in his first over be had broken the stumps of two of the top order from Macquarie College. After one good partnership that took the score to 48 Gus Griffiths leg spin got the vital breakthrough and opposition batting collapsed with accurate KWS bowling. Damian Hill 2-6 and Tom Bristow 3-7 both had hat-trick opportunites. Tom Harbison also bowled well to have 2-3 off his single over. KWS will now play the winner of Riverina Anglican College and William Clarke College semi-final. The date of the final is yet to be fixed.

KWS 1st XI v Orange City KWS was playing for a place in the semi-final after washouts had robbed the side of a potential chance at taking top spot in the Royal Hotel Day night final. The washout against CYMS meant they stayed in touch with KWS in the race for 4th spot in the finals. To be sure of retaining 4th place KWS had to defeat City in rain shortened 40 over match at Riawena. City batted on a good wicket and posted a big total of 5-238 off 40 overs. Some big hitting put the boys under pressure and the a couple of missed chances saw the runs flow freely. KWS set about the chase. Kane Gardner 38 and Charles Litchfield 47 really batted well before a run-out brought the partnership to an end. Louis Kostaglou 49 who batted beautifully joined Charles and the boys continued to score freely. With the dismissal of Charles KWS lost three quick wickets before Andrew Litchfield 48 took the attack to City. A last wicket partnership between Andrew and Chris Gavin saw KWS fall only 11 runs short of the City total. This was an excellent chase and the boys batting suggests KWS has bright future. Unfortunately the other game where CYMS were playing Cavaliers resulted in an unexpected upset which meant CYMS leapfrogged KWS and moved into the semi-finals. Coach Mark Gardner and he boys were disappointed with the outcome but they should be very pleased with their season in ODCA Men’s competition. The team now turns its attention to the schoolboy arena with the semi-final against Macquarie College the next hurdle in the teams bid to retain the Douglas Shield.

15’s Semi Final – KWS v Molong The KWS 15’s played some good cricket to account for Molong in the second Semi Final of the 15’s competition on Saturday. Molong needed 176 to win on first innings but were dismissed for 100. This was thanks to a disciplined bowling and fielding performance from the KWS team. Leading performer with the ball was the captain, Peter Crisp (4 for 16 from 7 overs) but he was well supported by John Atkins (2 for 10 from 5 overs), Angus Gilmore (1 for 13 from 6 overs) and Cameron Williams (1 for 11 from 3 overs).

Cricket
Thanks again to all the parents for their assistance and support on Saturday - it was much appreciated.

This win sets up a showdown in the final of the ODJCA 15’s competition between the two KWS 15’s teams. I know that everyone involved in 15’s cricket at KWS is looking forward to what promises to be an exciting game.

**Clarkes v Orange City**  The Clarkes once again steamrolled another helpless team who could not have imagined the onslaught coming their way. Rowan Wilson opened the batting with a superb 38. Other impressive scores came from Sam Nicholls (21) and Charles Litchfield (81). A good all round batting performance brought us up to a very respectable total of 217 after the first day. On the second day the brilliance of the Clarkes showed through, after Tommy Rogers sensationally took two wickets in the first over of the day and ended up on 2/8. This was a good sign of things to come. City could not handle the swing and unpredictability that came from the stunning Sam Green (2/3) and a sensational spell from spinner supreme Rowan Wilson who took 3/18. Individual wickets came from Charles Litchfield and Sam Nicholls. Special mention must go to Steven Dodd who fielded like a lion and let nothing go past him. Another very promising moment was Clarry Pratten who removed there big scored with a very good catch and made his return from injury even better when he scored 19 in our very brief second innings. Overall a sensational team performance. I must finally thank all the parents who have helped us out up to this point in the season, especially to Mr Dodds and Mr Olson without whom this season would not have gone as smoothly. The whole team is now looking forward to facing the other Kinross team in the final next Saturday in what should be a scintillating affair.

**KWS U14 def Cavaliers**  On the second day of this Semi Final the KWS boys completed their time batting and easily accounted for Cavaliers. The teams then went on to enjoy a modified short game, each having one hour’s batting and one hour in the field. It was a good opportunity for everyone to have a bowl while Alec Patfield showed his fielding skills to take the catch of the season. Good luck for the Final.
