A Message from the Principal

I am writing to advise of the appointment of Paul Mirrington to the newly structured position of Director of Teaching and Learning. We received a strong field of applicants and it is a credit to Paul’s skills and abilities to secure this position against a strong field.

Paul has past experience in a Director of Studies position, in addition to having former experience as a School Timetabler and Head of Faculty. Paul held the Head of Studies position at the school for Terms 2 and 3 in 2011.

I congratulate Paul on securing this Senior Management position.

Speech Day 2012

It is my pleasure to announce Waverly Stanley as the guest speaker for the Kinross Wolaroi School 2012 Speech Day.

Waverly was a 2011 Australian of the Year State Finalist due mainly to his work in establishing the Yalari Foundation. Waverley established Yalari in 2005 and this organisation now supports 180 Indigenous children from around Australia who attend Independent Boarding Schools in all states.

Waverly’s own personal experience of attending boarding school at Toowoomba Grammar over 20 years ago was the catalyst for founding Yalari. Waverley relished the opportunity he was granted as a young boy to attend Toowoomba Grammar becoming their first Indigenous Head Boy Prefect.

The Yalari organisation is committed to the empowerment, motivation and support of indigenous children. Waverly aims to bring about long term generational change by giving indigenous children the opportunity to attend some of the highest achieving boarding schools in Australia. Parents would be aware that we have a number of Yalari students currently attending KWS.

It is a privilege for us to have Waverly as our guest speaker at the 2012 KWS Speech Day.

Online ordering at the Canteen

From Term 3, students in Year 7 and 8 (only) will be able to place their Canteen orders online via Flexischools Online Ordering. This system allows students or parents to place orders online using their computer or Smartphone before 10am each morning - orders can be placed daily, for the week or even for the term in advance. Payments are made via a secure system using credit or debit cards, and lunches are then collected from the Canteen.

Flexischools provide a 24 hour, 7 day a week Helpdesk which you can contact via a 1300 number or via their website and there is also systems support available at school. An ordering demonstration is on the Flexischools website www.Flexischools.com.au.

It is so easy. To register go to the school website and click on KWS Communities and Canteen News. Then “Click here to register a new online ordering account”. Once registered you can place an order. Just “Click here to order a canteen lunch online.”

This introduction of online ordering to Years 7 and 8 is part of a phased roll out across the school – KWS Prep students have been ordering online since Term 4 last year. More details will be published in the Newsletter and on the Canteen page of the KWS website in Term 3.

Online ordering is available as a service to Year 7 and 8 only from Term 3, but the Grab and Go menu will still be available for all senior students at the P+F Canteen.

Boarders News

- Bookings are being taken for boarding students who would like to travel to and from home at the end of term 3 using the Countrylink school service. Booking sheets are circulating in the boarding houses and students are being asked to confirm their travel arrangements. Please discuss your travel plans with your son/daughter now, so that accurate bookings can be made. **Bookings must be finalised by Friday 17 August. No further bookings can be made after this date.** If you have any enquiries about the Countrylink service, please contact Sally Rattray-Wood at School on 6392 0325 for further information.

- If you are unsure about the correct procedures for obtaining leave for your child please contact your Head of House to be sure that you are applying with the correct paperwork, and also applying with **adequate time** for the leave to be approved by the Head of House. I understand that occasionally unexpected circumstances will arise, however, a number of parents have recently been leaving arrangements to the ‘last minute’ causing difficulties for Boarding staff. The wellbeing of our boarders is always paramount and leave procedures are in place to ensure that your child is safe and accounted for at all times.

- It has been a very busy weekend for some boarding families, which began on Friday night with the Interhouse Spectacular and was followed on Saturday by the home rugby game. Saturday night saw the New House and Miller House families get together for their respective House Dinners. Thank you to Mrs Aitken of New House and Mrs Priest of Miller House for organising such successful evenings for both the parents and the girls. The House Dinners are a wonderful opportunity for boarding parents to get together and make new friends and it was great to see so many of you over the weekend.

**Dates for your Diary**

Saturday 25 August - Weymouth House and Wolaroi House Dinners  
Saturday 1 September - Netball Dinner  
Friday 7 September – Trathen House Dinner  
Saturday 8 September - Rugby Club Presentation Dinner

Rowing (Boys & Girls) | Rowing squad is based on a selection criteria. Students who are wanting to trial for the KWS rowing squad should see Mr Harrison. Training for novice first year rowers will occur during the normal Tuesday and Thursday sports sessions plus an additional morning fitness session (details to be advised). All other rowers trainings involve early morning sessions Monday to Saturday. Rowing involves a large travel commitment.

Aerobics (Year 11 & 12 Girls) | 3 Sessions per week – Tuesday, Thursday and Saturday morning at KWS. Only open to year 11 and 12 students. Under special circumstances such as medical grounds, younger students can join aerobics.

Water Polo (Boys & Girls) | Training before school 6.30 – 8.00 at Orange Aquatic Centre. Games occur on Saturday mornings between 10.00am and 1.00pm. 1st Water Polo is based on selections and play mid-week in Bathurst usually on a Tuesday.

Dance for Fitness and Fun (Year 7-10 Girls) | A new option for 7-10 girls to be held at DOROTHY KNOX Girls boarding site. This will involve arrange of dance styles and involve creative dance. Sessions will be held Tuesday and Thursday afternoons plus Saturday morning 8.30am to 10.00am. Numbers are limited and dancing abilities may be used as selection criteria.

Photography (Boys & Girls) | This extra-curricular program aims to guide each student towards the development of an art practice relating to traditional black and white photographic practices. It is designed for students relatively new to the world of photography, and those who want to in the medium. The course will run for two, one and a half hour sessions on a Tuesday and Thursday afternoons from 3.30-5pm, and there will also be four hour weekend workshops. These are proposed for the 2nd and 3rd of November and the 23rd and 24th of November. In total students will complete a 32 hour course. The cost of the course is $65 per student for materials. The course excepts a maximum of 12 students.

**Applying for Sports Exemption:**

If you are applying for any exemption from Summer Sport 2012 then this must be sought by emailing Mr Hull on ghull@kws.nsw.edu.au. You must clearly state the reasons for the exemption request. These will not be considered if they are not submitted by **Friday 7th September 2012**. This allows team numbers to be finalized and entered in local competitions prior to the holidays. **Late exemptions cannot be considered** because they disrupt this selection process. If you had an exemption from Winter sport you must reapply for an exemption from Summer sport. This allows the school to ensure accurate and up to date exemption records are maintained.

With an emphasis on maximising potential the Swimming Programme will be aligned to Istvan Bayli’s model for Long Term Swimming Development, the priorities pertaining to which are outlined below. (Please note the first 15 minutes of each training session is dedicated for dry land purposes).

Priorities: Training to Train

- **Males**
  - 12 - 15
- **Females**
  - 11 - 14
- **Hours per week in water**
  - 16 - 25
- **Hours per week land work**
  - 2 - 3

The top priority for the “Training to Train” group is shared equally between skill development and physical conditioning. At this stage of the training programme, the primary objective should be to achieve maximum efficiency in each of the four strokes and in starts and turns. In conjunction with the pool sessions, two or three dry land sessions per week are necessary for purposes of injury prevention and the development of core stability.

Priorities: Training to Compete

- **Males**
  - 15 – 18
- **Females**
  - 14 – 16
- **Hours per week in water**
  - 16 – 25
- **Hours per week land work**
  - 3 – 4

“Training to Compete” swimmers will have successfully progressed through the various levels of training and will have been assessed as having acquired the basic technical skills. For these swimmers physical conditioning will now receive a greater emphasis. In addition to introducing a higher degree of specificity into the training drills, the workload and intensity will also be increased. These swimmers have been identified as enjoying a challenge and will be given a “taste” of what is to be encountered in a senior training programme. This will serve to better condition the age group swimmers and will also better prepare them psychologically to make the total commitment required in a senior programme. In conjunction with the pool sessions, three or four dry land training sessions per week are necessary to prepare the swimmers for this form of training at the senior level. Proper technique will be stressed and heavy weight exercises are to be avoided at this level. Mental training and race preparation concepts will be introduced.

Whilst there are guidelines in place it is recognised that not all members of the Senior Group will be in a position to make a total commitment and to that end it should be noted that participants from other aquatic disciplines will be welcome to train as a member of the Senior Group.
Please note that as from the week beginning 6th August, morning practices will be gradually phased in (see below):

**Australian Chamber Orchestra Academy**

During the last school holidays, Annabelle Carter and Rebekah Kwa were selected as 2 of 26 exceptional string players from across Australia to work with ACO musician in an inspiring week of music-making. They experienced rehearsals, chamber music sessions, private performances by ACO musicians, a behind-the-scenes look at the ACO, presentations from ACO management staff, a session on careers and pathways in music and a gala concert at City Recital Hall Angel Place on Friday 13 July, featuring Emily Sun of Mrs Carey’s Concert fame. The reaction from the audience was enormously enthusiastic and many parents, music teachers (including Mrs Moxey) and supporters said that this had been a life-changing experience for the students involved. Congratulations to Annabelle and Rebekah for achieving the highest standard of performance in the nation.

**HICES Music Festival**

HICES Festival is well under way and Ms Anthony and Ms Coad tell me that all the students are having an enriching and exciting time. I am off the Festival tomorrow for workshops and the Festival Concert will report on both next week.

Orange Netball Gala Day

KWS 13As had a great day last Sunday at the Orange Netball Carnival. They won 4 games quite easily but too many unforced errors against Blayney made it very hard for them to maintain momentum. Kelsea Bellamy was accurate at the ring, Alice Litchfield was a perfect link in the centre court and Pru Shiffmann was tireless in defence.

Senior Competition

KWS 1sts Vs CSU Aggies

A game we knew would be very physical, Kinross 1sts started out with a hard battle as the goals were one for one throughout nearly the entire 1st quarter. After the break the girls came back on giving CSU tougher competition. Bek, Mikaela, Madi and Jess were on their toes for the entirety of the game, and did a wonderful job at holding their opponents out at the defensive end.

Despite centre court play getting rough at times throughout the game, Annelise and Greta proved their determination in strong drives and accurate passes as they moved around the court. Tegan and Nikki were consistent with their movement and skills at the goal end, working the circle with quick movements and accurate shooting to allow Kinross to expand their win in the final quarter.

Score: KWS 52 - CSU 38

KWS 2nds Vs Hawks

The girls played a much better game than the previous week, proving that hard training really does pay off. Arabella Jorgenson-Hull, Bridget Bennett, Lucy Alward and Sarah McIntyre played very well in defence, making many turnovers. Carmen Date, Bridget Cooper and Jordan Brodie were very strong in the centre court, making sure the ball moved quickly into the shooting circle. Rachel Gentles and Brooke Hamilton shot well allowing for a very high netball score. The 2nds won 64-19. Player of the week was Rachel Gentles.

Score: KWS 64 - Hawks 19

KWS 3rds

This was a tough game for the girls with the opposition maintaining very close and aggressive defense throughout the match. The girls kept their cool and played to their strengths. The wind was against us in the first and third quarters and this was reflected in the score line. However, some clever intercepts and strong passes enabled the girls to reclaim the lead in the final 15 minutes.

Score: KWS 28 - 26

KWS Y12 1sts Vs RH Mazda

Another strong performance by the KWS Y12 1sts saw the girls defeat RH Mazda 29-13 and climb the competition ladder into third place. As the finals draw nearer, the girls are playing with focus and determination in their last games for KWS. The team worked well and continually applied pressure, forcing the opposition to make mistakes. Charlotte Murdoch and Grace Murray again proved a formidable pair and the opposition had great difficulty getting past the reach, speed and skill of the girls. Performing goal shooting duties in the match were Ally Davidson, Lucy Knaggs, Annie Watt and Ali Martin, all of whom shot well in the 'tight' shooting conditions. Aimee Plant, Jenny Cashmere, Emma Johnson and Jess Inder rounded out the team for the day. A special thank you to the many family and friends that braved the wind at Anzac Park on Saturday to watch the Y12’s play - your support is truly appreciated.

Score: KWS won
KWS 4ths Vs CYMS Hot Chicks

The 4ths had a tough task to compete against a strong team this week. In the first quarter both teams were energetic in defence and there were many turnovers which kept the scoring low for both teams. CYMS took a 9-4 lead into quarter-time which was a flattering score line considering the close battle. The determination in the second quarter was superb by the KWS 4ths. They outplayed their opponents in attack and defence to win the quarter 13-9 and at one stage KWS were two goals up. Danika Reiss and Sophie Bannister-Tyrrell were combining well in the attacking circle and were receiving some great assistance from Alex Coates and Eloise Mirrington in the attacking third. Bea Patterson was literally a tower of strength at GK and the two Ellies (Fisher and Haege) were tenacious in defence and effected many turnovers. Georgia Opie (WD) ran rings around her opponent for most of the game and showed great vision to provide some long passes into the attacking third. Millie Inder was stoic in her resolve not to succumb to a bout of sickness and provided great assistance in Defence in the second half. The 4ths played some of their best netball of the season this week, and despite winning the 2nd and 4th quarters, went down 37-44 in the end. The girls should be very proud of their sportsmanship and how they fought valiantly to the end. KWS may not have won on the scoreboard, but they were certainly winners in how they conducted themselves throughout the match. Players’ player was Georgia Opie (WD), closely followed by Ellie Fisher (GD) and Ellie Haege (C, WD).

KWS X Factor Vs KWS Got Talent

This was a very exciting match typified by a seesawing score line that had all on-lookers biting their nails! The KWS Got Talent led by 2 goals at the first quarter, the X Factor by 4 at the second quarter, the X Factor by 2 at the third quarter and then, with an inspired final 5 minutes of play, the Got Talents took the game winning by 4 goals. There were a half dozen times during the match when one or other of the teams seemed to be running away with the game, only for the opposition to stage a torrid fight back. Congratulations to all girls for a thoroughly competitive and fair game. It was good to see all players striving so hard for their teams and yet having so much fun at the same time!

KWS 14As

On Saturday, the girls were fired up hoping for our third consecutive win. Unfortunately, we lost this weekend but our spirits aren't dampened for our final two games. The girls started strongly despite the wind blowing the ball from our targets. Special mention to our shooters Zoe Watt, Claudia Campbell, Emily Shields and Milla Niven, who were always on target managing 13 goals between them. Although a loss this week, the girls of the Iguanas are still fired up and ready to finish the season with more wins. Good luck for the end of the season girls.

Score: KWS Lost

KWS 14Bs Vs Tornadoes

The girls had another tight game this weekend and they rose to the occasion. First quarter was a little slow with the wind against us in the goal circle. Second quarter was ours with Caitlin Bell scoring way ahead of the opposition. Rhoslyn Carney and Anna Price supported the shots with snappy drives to the post. Emma, Myra, Molly, Pesi and Eliza were kept on their toes in the centre court play with a fast opposition. Zoe Pickford and Olivia Wass maintained their balance against accurate shooters and were able to regain possession numerous times.

**Kinross Wolaroi 1st 11 Vs Orange Christian School**

It was a game the side had to win to be in with a chance for the Grand Final. Results have to go KWS’s way but the immediate target was to win the game. It was a tricky game as the opposition had a few quite talented players and a rugged defense.

KWS opened the scoring in the first ten minutes with Kieron Syme getting a foot to the ball before the opposition keeper. Sam Brand finished nicely for the second and with no reserves available the team cantered into half time 2 goals to the good. Christian School had threatened on occasion but Tom Glastonbury was mighty in goal and Jack Brand and Owen Patfield both made some fine last ditch tackles.

The second half was barely a minute old when an incisive run from Sam Brand saw him roughly barged over and he stepped up to calmly slot the penalty. The opposition then scored a fine goal but that just led to an increase in concentration and intensity by the KWS team and there were many fluid passing movements from Josh Cheney, Dom Wu and Sam Bellamy. Another great run by Gus Kennelly and a superb cross teed up David Sellwood who smashed in a goal that one team member wishes he had on video.

The final kick of the game was a free kick from just inside the half and once Alistair Crane waved Sam Brand away saying, “You’ve already scored two!”, he stepped up and chipped the keeper from about 35 meters out. Well played to the Kinross Wolaroi team. May results go our way.

**KWS Under 15 Vs Waratah**

This game goes on record as the time that Matt Brumage scored from 60 metres out. He will say he meant to shoot while others will argue that it was a very optimistic long ball pass to his forwards. Whatever! The wind carried the ball to the 18 yard box, took one mighty bounce and beat the confused goal-keeper. There were other memorable goals from Angus Gilmore, James Conran and Peter Crisp as well as a penalty taken by Josh Cheney. The team mastered the strong blustery wind with lots of short ground passes and a very positive attitude. All in all it was their best game so far.

Score: KWS 7 - Waratah 2

KWS 1st XV Vs St. Pius College

With our last match at home and the desire to send the Year 12 players out as winners and remain undefeated at home during the ISA season, there was plenty of motivation for a big performance. As the game unfolded it was clear that St. Pius were in for a difficult match. At half-time KWS had scored 8 unanswered tries after making some basic handling errors early on. The second half provided an opportunity to clear the bench and their efforts were exceptional as the KWS 1st XV went into overdrive. A further 5 tries in the second half sealed a comprehensive win and the highest score ever posted by a KWS 1st XV in the ISA competition. Jack Yeomans, Jack Marchinton and Max Cowperthwaite continued to put their heads where most people wouldn't even put their feet, turning over crucial ball at the breakdown while Angus 'Sky Lab' Whitaker once again dominated the lineout. Lachlan 'The Limpit' Corinth secured the ball in the tight as Dave 'Crusher' Crombie and Pete 'Barnstorming' Brooker provided the go forward. Billy 'The Freek' Freeman was devastating scoring one of the most unbelievable tries from the kick-off. Tom Bristow played with great determination as he battled a lower back injury. Max Dodds scored a double early and then provided Tom Harbison (who moved to 5/8) some clean ball to allow him to weave his magic. The combination of Bill '3 try' Cummins and Arthur 'catch me if you can' Hancock was simply too much for the visitors. Lucas 'scored a try in every ISA match' Ferrai has now scored 7 tries in the ISA competition and Loui 'The Kid' Kostoglou was simply the best!

Next week the 1st XV takes on St. Augustines at Rat Park to decide who will be runners up to the undefeated Oakhill College.

Try Scorers: Bill Cummins 3, Max Dodds 2, Billy Freeman 2, Max Cowperthwaite 2, Arthur Hancock, Loui Kostoglou, Nick Lukins, Lucas Ferrari
Conversions: Tom Harbison 7, Tom Bristow 1
3 Points: Loui Kostoglou, 2 Points: Billy Freeman, 1 Point: Bill Cummins, Max Dodds, Max Cowperthwaite

KWS 3rd XV Vs SPX 2nd XV

The KWS 3rd XV enjoyed an extremely tough game on the weekend against a well matched St Pius 2nd XV team. The focus for the game was to move up in defence and put pressure on their opponents. This payed off in the first minute of the match with St Pius caught behind their goal line by a mass of KWS players and Michael Tremain ripping the ball free to score under the posts. Tom Rolfe converted to see the perfect start for KWS. The game was extremely close throughout with both teams putting pressure on the opposition try line, but defence dominated with neither team able to put on points until Pius crossed and converted to even the score. The score stayed at 7-7 for most of the second half and neither team could gain the ascendancy until St Pius worked a good blind side scrum move to seal the match 12-7. This was a great performance by the 3rd XV who displayed excellent commitment throughout the game. Stan Alston was a standout man of the match, Michael Tremain took 2 points and Alex Grivas had his best game of the season and deserved 1 point.

Score: KWS 7 - SPX 12

KWS 4th XV Vs St Pius 3rd XV

This is one of those games that got away - we were always playing catch up football. St Pius scored then we followed with a try to equal, and then followed by another try to Pius, 10 – 5. The next try really hurt as we were on attack, an incept with Pius scoring against the run of play Pius 15 – 5 then KWS scored making it 15 – 10. Finally Pius scored in the last part of the second half with the final score being Pius 22 Kws 10.

I have always commented as individuals we play really good football, just need that extra push in the rucks and mauls to have clean ball for the backs. Passes were flat not our usual free flowing ball out in front style. Highlights again were the number of runs by the backs in picking the gaps, and the forwards would scramble for the ball in the loose.
As that was our last game I personally would like to thank all the 4ths players (and parents) for their commitment and support throughout the season, it’s been fantastic. We had some really great wins and by my calculation we achieved outright 2\textsuperscript{nd} or equal 2\textsuperscript{nd} which is the best result by a KWS 4ths. Thank you to each and every one of the boys who played in the 4ths, I have had a memorable season as your coach, Rob Fuller.

**KWS 16 B Vs St Pius**

The KWS 16 B's recorded a comprehensive 60 -7 victory over a gallant St Pius side on Saturday. This was a tremendous team performance and did a lot to make up for the disappointment of the heavy loss to Oakhill the week before.

Tries were scored by Robbie Blatch (3 – all in the first half), Michael Brown, Beau Christopherson, Jack Conn, Cameron Robinson, Andrew Stanbrook, Jed Pratten and Billy O’Connor. Duncan Whittaker had a good day with the boot slotting five conversions. The most impressive thing about the win was not the score line but the way that the boys played the game. Even though they were ahead on the scoreboard all afternoon they did not get carried away with the situation but maintained their focus and looked to get the basics right – tackling, attacking the line, passing and retaining possession.

Points: 3 Beau Christopherson, 2 Robbie Blatch, 1 Jack Conn, Max Peterson, Michael Brown, Andrew Stanbrook, Tasman Bennett, Michael Frohlich, Cameron Robinson, Scott McKellar, Jed Pratten, Billy O’Connor, Duncan Whittaker, Doug Bradley.

**KWS 15 As Vs St Pius**

The 15As match was a physical encounter between two very determined and equally matched teams. Meters did not come easy and both forward packs threw everything they had into every breakdown. KWS struck first with a penalty goal from C. Litchfield which helped our boys to settle in to the game. Pius struck back immediately with a try, a result of lax defence and not containing their fast outside backs. KWS kept their composure and continued to wear Pius down at the breakdown. Points came again through C. Litchfield with a penalty goal to put KWS ahead 6-5. In the final minutes of the half St Pius converted a penalty to go into the 2nd half with an 8-6 lead. The 2\textsuperscript{nd} half started perfectly for KWS with a try from C. Litchfield in the first seconds. The game then became a grind as both teams fought hard for field position. L. Hartnig and W. Olson were outstanding in the forwards, hitting hard in defence and their hit-ups kept KWS moving forward. Despite the lead it was a nail biting finish. KWS absorbed a huge amount of pressure as St Pius attacked repeatedly close to our line. In the end our composure and commitment prevailed and a long clearance kick got us out of our danger zone. S. Nicholls put a final nail in the coffin with a try under the posts in the last minute of the game. Litchfield converted to finish the game with an impressive 18-8 victory. A fantastic performance that highlights just how much this group has improved. Well done boys!

**KWS 15 Bs Vs St Pius**

The mighty 15B rugby started their game against St Pius very strongly with a try in the opening minutes. The next 15 minutes turned into an intense arm wrestle with neither side really being clearly dominant. Then, our boys went missing in action for 15 minutes. During this lapse in concentration the opposition piled on 30 unanswered points before half time. In the second half our boys came out determined to make a contest of it and played very well, but the damage had been done. We lost by 45-10. Great efforts were put in by Will Tierney, Joey Thomas and Jack Dodds who tried till the very end.

KWS U13 As Vs St Pius

On Saturday the KWS under 13 As team played a highly anticipated game against St Pius. The game started well with good defence in both the backs and forwards and from this base of a scrum, Trevor Davis crossed for his first try of the game. The score stood at 7-0, the Pius boys came back with their own try to take the score to 7-5. The boys continued to play hard and finished the first half at 12-7. In the second half Pius took advantage of structural mistakes and scored 2 easy tries. The score then stood at 15-12. The boys were inspired and with the changes in the backs they quickly responded with a try to Nat the forwards then followed with a brilliant maul over the line for Oscar Mitchel’s try. The score was now 22-15. The boys defended well but the Pius team crossed one final time to make the score 22-20.

Score: KWS 22 - St Pius 20

KWS 13 Bs Vs St Pius

This scoreline is not a true reflection of how the boys played. Once again we were heavily outweighed but the boys produced their best display of the year. It was very difficult to pick out the best players as all members of the team did their job admirably. The highlight of the game was a weaving run from Blake Andrews that split the opposition defence and resulted in a good try. In the backs Milton Smith and Bailey D’Monte were dangerous in possession while Tanner Marjoram was deadly in defence. The forwards played as a unit, constantly pressuring the Pius boys with Angus Forsyth making ground every time he ran the ball. In the last ten minutes we pounded their line and were very unlucky not to score. It is a pity that the season is nearing its end as this group of boys gets better every time they play.
