A MESSAGE FROM THE PRINCIPAL

Welcome back to the school for Term 4 - I hope you have had a restful and relaxing holiday break. We finished Term 4 with a wonderful send off for the Year 12 students with a memorable Year 12 Graduation Ceremony. Former student, Olivier Nsabimana, was our special guest speaker providing an insight into his life before KWS in Rwanda, his experience at KWS and his current progress through his Electrical Engineering degree. His message was inspirational to us all and in particular provided the Year 12 students with the point of making the most of the opportunities that come before them.

We welcome back two staff - Robyn Youll from maternity leave and David Gregory from compassionate leave in addition to welcoming a number of new students. With the burst of spring growth our grounds are looking fabulous. Over the holiday period we have had to remove the large Aleppo Pine from the front drive. This tree has been dead for some time and we had intended on removing the pine during the Christmas holidays. However due to the recent high winds Orange has experienced with the tree losing limbs and to ensure the safety for students the tree is now gone.

One important announcement for the parents of students entering Years 5, 6 and 7 next year relates to the introduction of iPads for these year levels. Over the last 6 months a special task force group has been investigating the formal introduction of these devices. The focus of the use of the iPad is to enhance the learning environment for the students. In the next 3 weeks parents involved will be informed of the details involved with this introduction.

I am looking forward to a busy and productive term ahead. I take this opportunity to wish the staff, students and parents all the best for Term 4.

SOON WE WILL SAY GOODBYE TO SOME OF OUR FABULOUS STAFF

David Grant

I am writing to advise that David Grant has indicated that he will complete his teaching career at the end of this year.

David has been a long serving member of the staff of Kinross Wolaroi School, commencing his teaching career here in 1983. During this time David has predominantly taught Chemistry and Science.

Over this extensive career, David has undertaken many roles including that of part time Careers Advisor and Head of Boarding House. David excelled as an extremely conscientious classroom teacher, he was always well prepared for lessons and set high expectations of his students, with regard to work ethic, attitude and effort.

David has made an enormous contribution to this school with regard to the Co-curricular Program; he has coached a wide variety of sport, including Cricket, Hockey and Soccer.

I take this opportunity to thank David for his extensive involvement in the school over the past 29 years. We will certainly miss David’s contribution to the school in so many ways and we wish him all the best as he enters this new stage in his life.

Brigitte has tendered her resignation from KWS effective as of the end of 2012. Brigitte has secured a position in her preferred area of education, namely Learning Support. During her recent time at KWS Brigitte has taught English, History, Religious Education, ESL and assisted students with Learning Support needs. I take this opportunity to thank Brigitte for her professionalism and her contribution to the School via her wide area of expertise and wish her well in her new role.

Anthony Begg will be finishing in his role as Head of Weymouth Boarding House at the end of 2012. Anthony has made this decision in consultation with his wife, Bec, as they are expecting their first child. We congratulate Anthony and Bec on this wonderful news. I am therefore seeking, in the first instance, internal applicants for the Head of Weymouth House. Expressions of interest are required to Alistair Miller by Monday, 15 October.

I take this opportunity to thank Anthony for his wonderful leadership and guidance of the boys in Weymouth House during his time there. Anthony took up this role in 2009 and has led the House extremely well over these last four years. He will be greatly missed by the Weymouth boys.

Lunch Orders are Back - Year 7 & Year 8 Online Ordering
From Term 3, students in Year 7 and 8 (only) have been able to place their Canteen orders online via Flexischools Online Ordering. This system allows students or parents to place orders online using their computer or Smartphone before 10am each morning – orders can be placed daily, for the week or even for the term in advance. Payments are made via a secure system using credit or debit cards, and lunches are then collected from the Canteen.

Flexischools provide a 24 hour, 7day a week Helpdesk which you can contact via a 1300 number or via their website and there is also systems support available at school. An ordering demonstration is on the Flexischools website www.Flexischools.com.au.

It is so easy. To register go to the school website and click on KWS Communities and Canteen News. Then “Click here to register a new online ordering account”. Once registered you can place an order, just “Click here to order a canteen lunch online.”

This introduction of online ordering to Years 7and 8 is part of a phased roll out across the school – KWS Prep students have been ordering on line since Term 4 last year. More details will be published in the Newsletter and on the Canteen page of the KWS website in Term 4.

Online ordering is available as a service to Years 7and 8 only from Term 3, but the Grab and Go menu will still be available for all senior students at the P+F Canteen.

Welcome to “Boarders’ News”, a column designed to keep parents abreast of developments in Boarding.

- There will be two Boarders Church Services held this term, on Sunday 21 October and Sunday 18 November. The November service will also include communion. If you are in Orange on either of these weekends you are more than welcome to join us for the service at St John’s Uniting Church, on the corner of Kite and Sale Streets, commencing at 10.00am.

- Parents of Year 10 Students will soon be receiving information about the upcoming Year 10 Formal which will be held on Friday 16 November. As this is a normal school day for all students including Year 10 it is important that parents are aware of the following information:
  - Students may not absent themselves from lessons for all or part of that day without written leave approved by the Head of the Senior School, Mrs Bev West.
  - If a student arrives at the Formal in the evening having been absent from school without permission, he or she will not be allowed entry to the Formal. Please be aware of these conditions when you are discussing your plans for the formal with your Year 10 son or daughter.

- The Boarders’ Parents Executive Annual General Meeting will be held on, Saturday 10 November at 4.00pm in the Staff Common Room. All interested boarding parents are invited to attend and be part of this vital boarding parent group.

- When arranging weekend leave for your child this term, please keep in mind that the annual Central West Dragon Boat challenge will take place at Lake Canobolas on Sunday 11 November. Kinross Wolaroi Boarding has entered a number of crews in the challenge in previous years with great success. We always have a great day out at Lake Canobolas and it will certainly be a highlight of the term for the KWS Boarding community.

- Another date to keep in mind is Saturday 24 November, when the Christmas Social for boarding and day students in Years 7 – 11 will be held at Dorothy Knox Hall on the PLC site.

Alistair Miller
Director of Boarding
Paul Tierney, Director of Development and Al Miller, Director of Boarding will be visiting country areas from 24th to 26th October. All present, past and future KWS families are warmly invited to join them for a quiet drink, a snack, and a chat about how the year has gone.

If you know of any families from your area who may like to learn a little more about what an education at Kinross Wolgan School can give their children, please alert them to these visits, or contact Paul directly.

CADETS NEWS

This communication is to notify you of some changes being made to the charges for the Cadet Bivouac to be held in term 4 2012.

The camp has been moved to Monday, Tuesday and Wednesday 15/16/17th October to avoid weekend commitments. This means that there will be NO variations. If you are not able to attend this must be conveyed to Maj Vernon a month prior to the commencement of the camp as rations and equipment will have been allocated and the cost borne by the Unit.

If notification is not given and an absence occurs then you will be charged the full amount for the Bivouac $180.00. This is necessary as we have experienced some withdrawal of support from the Army in response to their budgetary cuts. This will ensure that there is no unnecessary catering and will contain costs to the budget projections.

Another reminder for Bivouac is to please update any variations to Medical information held by the Unit (including dietary needs.) This must be done to ensure the safety of the cadets in the field. Please send the additional information to Maj Vernon.

Thank you for your cooperation and support of our efforts to maintain a secure and safe environment.

Maj (AAC) Lyn Vernon

**SWIM NEWS**

**Dubbo RSL Youth Swimming Club Development Carnival**

The Dubbo RSL Youth Swimming Club Development Carnival on Sunday 21st October 2012 will be our first competition of Term 4. This competition I wish to utilise as a team building exercise and as an opportunity for me to watch our members compete to further assist with the future training programme. Please contact Katrina Matuschka at skmatusc@colourcity.com with your entries. I’d appreciate it if you could also notify me as to the swims you have chosen, at ghollywood@KWS.NSW.EDU.AU.

**Orana Aquatic Qualifying Carnival**

The Orana Aquatic Qualifying Carnival, Sunday 4th November will be our second competition of Term 4. This competition will be an opportunity for team members to post qualifying times for future competitions. It is particularly important swimmers select 200m events and above in a bid to post consideration times for NSW CIS.

**School & Local Carnivals**

School Carnivals / Local Carnivals place too strong an emphasis on swimming 50m & 100m events when in fact school age swimmers should be training more towards the middle distance events with respect to their Long Term Athletic Development. Notwithstanding the fact that more swimmers are better suited to and experience greater improvement / success in the middle distance events as opposed to the shorter distances.

**Junior Group**

John Miller has been working beside me with the Junior Group Term 3 and has proved a huge asset to the programme. I’d like to thank John for his help and for providing training opportunities during the holiday period.

If you would like to assist with the Junior Group please arrange a meeting with myself and consider enrolling in one of the following courses.

**BASKETBALL NEWS**

1st Girls Basketball Vs Sliders

After the holiday break the girls were thrust into battle against a fired up Sliders team. The opening quarter was dominated by dogged defence and limited scoring opportunities. The score 6-6. As the game progressed the KWS girls tried a variety of defensive combinations including zone, half court press and man on man. Megan Hunt worked tirelessly in defence and was ably assisted by Pip Johnson (Captain of Basketball) and Sophie Gullifer. Jade Ryan started to find her form under the basket and Arabella Jorgensen-Hull provided some much needed aggression. Sarah McIntyre showed some real class and perseverance while Nikki Collins shot the lights out with 2 three pointers in the final quarter. The girls showed some real promise and with some hard work will become a formidable team.

3 points Nikki Collins
2 points Sarah McIntyre
1 Point Pip Johnson

Score: KWS 20 - Sliders 25

CRICKET NEWS: 2012 - 2013 SEASON

This is the first of a series of weekly newsletters to keep you informed of Cricket happenings that will be emailed out to people that are in the contact group. It is hoped that we can continue to expand the email group as time goes on.

We look forward to a great season for all boys and hope to build on the strong program that we have at the school. This year the school is fielding four teams in the ODJCA junior competition and four in the ODCA Men’s competition. There have been a number of changes in the competition structures in both the Juniors and Senior competitions. Teams will be organised into U12, U14 and U16 competitions. This year there is no Open Juniors competitions and boys over 16 will play afternoon cricket. The boys will also have opportunities to play in a 20/20 limited overs competitions that will run midweek. As a result of this change Kinross Wolaroi School will field a 1st X1, 2nd X1 and two Centenary Cup teams.

There is a new draw out for the second Centenary Cup team - see the ODCA website. I have also attached a Cricket Calendar for the cricket season in 2012.

Kinross Wolaroi School Cricket Club

The exciting news is that a group of Friends and Supporters has put a lot of work in the off season into the formation of the Kinross Wolaroi School Cricket Club (KWSCC). The inaugural AGM was held in late September and the following office bearers were elected into positions after formal ratification of the KWSCC constitution.

President - Mr Phillip Dodds
Secretary - Mr David Cumming
Treasurer - Mr Ian Britton

Positions of Vice President, Age Co-ordinators, Publicity Officer and Committee members will be filled at Thursday’s meeting - this Thursday 11th October the KWSCC Cricket Club will meet at 6pm at Phocas Office, corner of Byng St and Sale Street (opposite the Union Bank Wine Bar).

We would love to see you there to support the new club.

Captain of Cricket

Congratulations go to Gus Griffiths who was elected as the 2012-2013 Captain of Cricket. He will be supported by Thomas Bristow who will be the on-field captain of the KWS 1st X1. It was wonderful to receive five quality applications for this position and it is clear that we have a strong leadership group within the KWS 1st X1. These boys will assist in the continuing development of the KWS cricket program.

CRICKET RESULTS

ODCA MENS SENIOR COMPETITION

1st X1 - Bye

This Year the team will be coached by Mr Andrew Litchfield and Mr Chris Gavin. Both coaches will play with the team to assist the boys in the Open Men’s competition. NSW Cricket bowling restrictions on younger players mean we need would severely restrict the team. Having player coaches participating in these 2 day 80 over games overcomes this problem. The KWS 1st X1 school team has to play two Douglas Shields Games prior to the end of Term 4. In the first game KWS has been drawn to play St Pauls Grammar School at KWS. A date for this fixture will be finalised this week. The KWS 1st X1 will also play in the Royal Hotel cup 20/20 competition. Once again there is a draw on the ODCA website.
2ND X1

The 2012-13 season commenced for the 2nd X1 during the holidays. Unfortunately the 2nd X1 won on a forfeit from Metro. This was extremely disappointing given the late notice received. The 2nd X1 were able to use the KWS Main Wicket for a 30 over a side game. There were some excellent performances with the bat and the ball and it was a good selection trial. Mr Smedley and Mr Stuart Crisp will coach and play with the boys in this competition.

KWS 1 Centenary Cup Win

The Centenary Cup side had a great win in their first game. The concept of this competition is to introduce younger cricketers to senior cricket. It is understood in this competition that older players can assist younger players and father and son have an opportunity to play together. Mr Phillip Dodds is coaching this side in 2012. On Saturday the boys playing on KWS lower Turf were sent in on a green wicket. After the loss of an early wicket the boys steadied and posted a fantastic score of 110. Hamish Sheehan and Jack Ridley put on a great first wicket stand. The boys fielded and bowled extremely well to dismiss Orange City with Will Olsen bagging four wickets.

Thanks to Mr Jarrod Rose who was square leg umpire for the match and Mr Mark Olsen who scored for the match.

ODCJA Juniors

The cricket season for all ODCJA commences this Saturday morning with final trials being held this week at training.

Game times for U14 and U16 are 8:15am sharp to 12noon. The boarders bus leaves at 7:30 sharp. The boys will also have opportunities to play in a 20/20 limited overs competitions that will run midweek. Details are not yet available at this point.

Other News and Information

- The selections for the Year 7 - 8 team for the Orange Inter School Dale Macintosh Shield and the Under 15 team to play in the Wiburd Shield will occur at training and take into account performances in the early rounds of the town competition.

- The coaches of each team will issue draws to all boys on Thursday. The wet weather information can be found on the ODJCA website on the Friday night or on the Saturday morning on 2GZ 105.1. The junior association has a telephone hotline that has recorded messages if weather threatens the games. The number is 0407 612 514. The ODJCA has all the draws in the library section of the website. Google My Cricket; ODJCA to access the website.

- If you would like to get news of the ODCA Men’s competition go to the ODCA website for news, draws and results. You can look at score sheets game previews and points tables plus look at the individual player statistics. Google My Cricket; ODJCA to access the site.

- Reminder that all boys need to be at the game venue by 8:15 am on Saturday and by 12:30pm for firsts and seconds. The Centenary Cup competition commences at 1:30 pm to allow those playing morning cricket to have lunch and get to the afternoon game.

- All coaches have been supplied with sunscreen but parents can assist by ensuring all boys have KWS caps or wide brimmed hats. Foreign caps are not allowed. All boys are to play in KWS whites, and correct shoes. For training boys can train in white shorts, blue KWS tops or house tops.
• I would ask for the support of parents for our coaches. Please volunteer to score or umpire, drop off score sheets or organise drinks. Under competition rules we are required to provide scorers and umpires and it is impossible for the coach to do it all for four hours on a Saturday morning. If you are interested in managing a team on an individual or joint basis please introduce yourself to the coach and offer your help. The KWSCC is looking to have age co-ordinators elected to the committee to support coaches and players.

• Also take time to have a look at the KWSCC School website in the Parents and Friends co-curricular tab. This will have information on the newly formed KWSCC, the KWSCC constitution, a cricket calendar, photos of our cricketers, etc, etc.
