Principal

In this issue I have some wonderful news for the school community and I congratulate Richard Roach on his new appointment while acknowledging Joe Donnelly for his dedication to rowing.

**KWS passes Board of Studies Test**

Last week we had a team of Inspectors from the Board of Studies visiting the school for 2 days. The good news is that the Inspectorate team will be recommending to the Board of Review that KWS is compliant in curriculum, areas of policy, facilities and boarding. In addition the Inspection team has provided useful feedback that will assist in continuing to improve our operations, procedures and the teaching and learning program. The Inspectors commented on how impressed they were with the school, the obvious efforts of the staff and the general tone and atmosphere around the school including commending our wonderful students. I take this opportunity to express my thanks to the staff for all their efforts in ensuring the school was presented in such a positive manner.

**Richard Roach – Director of Rowing**

It is my pleasure to announce the appointment of Richard Roach as the new Director of Rowing. Richard has a Bachelor in Science and Mathematics from UNSW and an MBA. He has worked extensively with Australian Canoeing, Athletics NSW and NSW Rowing Association as

Richard has a distinguished career as a rower being a member of the Australian 1st VIII and representing Australia in 1991, 1995 and 1997. In the 2006/07 Rowing Season, Richard helped Joe Donnelly coach the inaugural Year 12 group. These boys finished 5th at the National Championship which was a great result for their first National’s given the limited amount of water available to train on at that time.

Richard is the current MC of Rugby and will combine this role with the Director of Rowing. We congratulate Richard on his appointment to this position.

Joe Donnelly

In announcing the Director of Rowing appointment I must acknowledge the tremendous work of Joe Donnelly as he steps down from his position as the current Director of Rowing. As a former Australian Representative Rower, Joe was instrumental in introducing Rowing to KWS starting the process in early 2000. From these small beginnings Joe coerced an extensive list of donors and supporters to assist in building the Boat Club from scratch. In addition Joe ensured our runners were provided with arguably one of the best training facilities in NSW by gaining access to Spring Creek Reservoir. This required legal action through the Courts which eventually was in the school’s favour. Throughout this process Joe was tenacious in ensuring the best outcome for our students.

In the first full season of the club, 2004/2005, we were fortunate to win our first State Championships with Grace Michell winning the U16 Scull and our U17 girl’s quad also winning. Since this time we have achieved outstanding success including being the highest ranked school at the Nationals in 2010. Further success has followed with many medals being won by our crews. Throughout this time Joe not only oversaw all the operations of the club but also was the main Coach of our crews building a training program which is the envy of schools today.

Joe’s passion, dedication and commitment to KWS Rowing have been outstanding. His rowing expertise and vast experience will be greatly missed. Despite Joe stepping down, with the new appointment of Richard Roach, supported by a strong coaching staff the future of KWS Rowing is bright. We make this transition to Richard in the knowledge that Rowing at KWS is a highly successful sport with a strong following from students and parents.

Next Tuesday the CWA Public speaking finals will be held for the first time in our School. Children from across the region will be persuading the judges on a range of topics. We wish our students all the best:

Year 3 - Olivia Tudor
Year 4 - Catie Crisp
Year 5 - Samuel Houghton

While this is occurring in Orange our Year 6 girls Netball team travel to Bathurst for the NSW Schools Cup against schools from across the district. We wish Mrs King and the girls every success.

Our Cross Country team head to Bathurst next Wednesday for the WAS competition. This is an excellent opportunity for the students to familiarise themselves for the HICES carnival the following week (30/5).

The same day our HICES debating team will be arguing the topic from the negative angle ‘that all electronic games should be banned for children under 13 years’. We wish Isabella Hoyle Davies, Max Summers, Molly Knight-Hannan and Owen Bloomfield all the very best.

As always there are a wide range of activities occurring and next week is a reminder of the opportunities provided by the staff and eagerly taken up by the students.

Enjoy your week.

*Then the world will know that you sent me and have loved them even as you have loved me.* (John 17:23)

Five times within six verses (in John 7:20-26), Jesus names “love” as the key descriptor of any relationship with God. Love is the bond between Father, Son and Spirit. Love is the divine gift to the disciples. Love is the magnetic grace through which God unites the world. It is love that Jesus prays will be ours.

For many the message of love may seem so familiar that it has little impact. Reading a message of ‘love’, admitted, can solicit the same engagement as scanning the weekly Aldi brochure. Unlike the weekly “specials”, love is significant. We really do “need” it in our lives and as people of God we need to live it.

The prayers that love be ours have particular significance in light of how
the Jesus story ends. Jesus was crucified because of his uncompromising message of love. Love is worth the dying! The Song of Solomon (8:6) claims that "love is strong as death." As people of God, people who should necessarily be identifiable by our witness to love, we need to set in ourselves a readiness to love.

Have you determined yourself already to love when you come face to face with injustice, or persecution or tragedy? Are you prepared to love as Jesus loved, even when it seems 'just plain wrong', just because it's right?

**iMovie Short Film Festival**

**When:** Wednesday 12th June from 6:30pm until 8:30pm

**Where:** Derek Pigot Auditorium

The school community is warmly invited to attend the inaugural iMove Short Film Festival in the DPA on Wednesday 12th June from 630pm till 830pm. The film festival is just one of the events scheduled as part of the 2013 Winter Litfest.

The event will showcase the finalists from the iMovie Short Film Competition currently being held in Years 5-7. The finals will be judged by Winter Litfest Guest Speaker Oliver Phommavanh who will also present the awards and prizes to our winning film directors.

Students in Year 5-7 are currently producing 5 minute short films based on the theme “Orange”. To create a challenge the theme “Orange” must appear within the film either as the town, the fruit, or the colour. Students have used a variety of apps to film, edit, and compose music to accompany their films and we are looking forward to an evening of great entertainment.

Families are encouraged to bring a picnic rug and perhaps a cushion to sit on. We also encourage families to enjoy a byo picnic dinner during the screening of the films.

**Fundraiser for Newborn Intensive Care Foundation**

Douglas House will be holding their fundraiser on Friday May 24. This year we are holding a mufﬁ day with the
theme of ‘kids in beanies or hats.’

Our charity this year is the Newborn Intensive Care Foundation.

The Newborn Intensive Care Foundation is a charity that raises money for medical equipment, research and nurse education to help give NSW’s critically ill newborn babies, the best chance to lead healthy, normal lives.

The support covers a wide range of activities, which includes the provision of additional equipment that is essential for the continuing improvement of the service but that are not available through normal government channels. In addition, the Foundation supports research and education activities so that the Unit can contribute to the global fund of knowledge of problems of the newborn.

So please show your support by wearing your favourite beanie or hat to school on Friday 24 May and donating a gold coin to the fundraiser on this day. We will also run a jelly bean guessing competition in the week leading up to the mufti day. 50c a guess or 3 guesses for $1.00.

We would like to welcome all KWS community members to experience a fantastic evening of high quality music this Friday. Students who entered the Concerto Competition earlier this year have been invited to perform their Concerto movement. The Friends of Music will be providing a light supper and a gold coin donation is welcome at the door. We look forward to seeing you all there to support these fantastic musicians who have worked very hard to prepare for this event. Please contact the Music Department if you have any questions about the evening.

Guitar Ensembles

Our guitar ensembles have kicked off this term and we are very excited to offer this opportunity to our guitar students who are looking for an opportunity to develop their playing and ensemble skills and to be given

**Football Report**

**U6 Bears:** On the weekend the Bears played the Waratah Rebels. The best part of the game was the sunshine and the fantastic grounds at PLC it helped us play a great game. We had lots of fun and started to pass the ball to each other. The player of the week was Rhys Jones. Hugh Payne

The first game for the Kinross Wolaroi Cubs was enjoyed by all. Everyone put in a big effort with a win against the Waratah Titans. Well done to Cameron Nash, Joshua and Isaac de Bruyn for scoring goals. Jack Paix was awarded the player of the day with great defence skills. Well done to Ava Rouse for getting involved with all those boys. See you next week. Cameron Nash

**U7 Tigers:** In a tense match the Kinross Wolaroi team eventually succumbed to the pressure placed by Milthorpe to go down fighting. An excellent individual performance by Charlie Hansen in defence held the score to a respectable 12 nil. Captain Alice Waddell and striker Ava Tucker communicated well throughout. Alice Waddell

**U8 Spirit:** The U8 Spirit team travelled to Cudal on the weekend to play their match. Unfortunately, there was NO team to play against, so the boys had a mini training session instead. Thank you to the parents for making the drive to play. Mrs Barrett

**U8 Taipans:** On the weekend the Taipans played against Molong. The best part of the game was when our team worked together even though we lost 6 nil and we never gave up. We played very hard till the end. Jaemin Lee

**U9 Fury:** On Saturday morning the U9 Fury took on Cudal at PLC. It was a beautiful warm morning to play soccer. Cudal played a great game but we managed to win 11 goals to 1. Thank you Mr Harris for umpiring us and for your wonderful inspiration on the field. Sterling Graham

**U10 Roar:** On Saturday, KWS Roar took on the Waratah Titans at PLC. Unfortunately we were outclassed by the Titans and went down by a number of goals. Special mention to Will & Harry who did a great job in goal. Jack Weeks
**U11 Jets:** The Under 11 Jets faced their Kinross Wolaroi counterparts the Rangers, it was a very hard fought game. The Jets played very well, showing that our teamwork is improving each week. Although we ended up with the win 4-3, the game was played with great spirit. Jack Besgrove

**U11 Rangers:** On Wednesday, Kinross Wolaroi Rangers played a match agents Kinross Wolaroi Jets. In the first half Jack scored twice and Liam once. Then in the second half they took the lead and won the match by 1. The total points were 4-3 their way. Better luck next time guys! Lachlan Priest

**U12 United:** After a previous loss against Milthorpe Tigers, KWS United stormed on to their home ground determined for a win against CYMS White. As soon as the whistle blew we were up and going, creating many early chances but unfortunately not finding the back of the net. But then disaster struck as CYMS caught out our defenders pushing forward too far and fired the ball into the back of the net which left us 0-1 down. Fortunately we kept our heads high and just after they had scored Max Waddell curved in an amazing cross to Hamish who easily finished the job leaving us 1-1 at half time. The second half began and despite a few nervous moments Mitch managed to score putting us in to the lead. After another few nail-biting minutes Hamish our striker extraordinaire managed to fly another goal in to the bottom left hand corner securing the match and leaving the end result 3-1. Well done to us all on a great win, it shows that even if you are down in a match there is always a chance to make a comeback. We had some excellent team and positional play and well done to our goal-scorers Mitch and Hamish who managed 2. Also another special mention to Mitch for his outstanding work rate and Sherjeel for his solid defence. I look forward to another great match this weekend against Waratah OSSA. Luca Wynn

**U12 Mariners:** The under 12 Mariners played a great game of soccer against the Cyms on the weekend. We kicked off and Clive scored an early goal to give us a headstart. Then the opposition came back with fury and endless shooting at the goal. Ethan Rutherford defended the goal brilliantly! Not one ball passed him. Then we regained control of the ball and booted it up the field and Clive scored again leaving the score 2 nil. In retaliation the Cyms fired back a huge kick at the goal. Ethan leapt but only just failed to reach the ball. The ball flew into the goal. Unfortunately, Cyms came back fiercely in the second half. We defended the best we could but with three players down we just didn’t have the energy and the Cyms got a further two goals beating us 3-2. The Mariners did some great defending and attacking and with Mrs Houston’s wonderful coaching I’m sure this will continue for the rest of the season. Well done team! Ethan Buesnel

A beautiful, warm morning greeted the U9’s Molong, mixed hockey team. We played a well-drilled Molong outfit who certainly knew their hockey! Our boys and girls are working well together on the turf, supporting one another, developing their skills and sharing the workload. Special mention to Jackson who scored the goal.

Final score, 1-0 to Kinross. Well done team and thanks Ms Dwyer for your coaching! Luke Dominello

**U11 Arrows**: This game was fantastic. On Saturday our team played against Molong team. Our score was 2 to 1.

Everyone cooperated very well and showed good sportsmanship. Everyone’s improving at hitting and defending and it’s wonderful to see. Congratulations Molly for her second time being goalie. She is doing very well and has already stopped two goals. Also well done to Julia; it’s also her second time playing hockey and she is doing a fantastic job.

Even though there were only ten people on the field everyone tried their best and had fun. Liza Lysova

**Rugby Reports**

**U9’s**: Our first game for the season was off to a great start, all the boys were very excited to get on the field. Although it was the first game of Rugby for many of the players they seemed to have picked it up well and played a very enthusiastic three games. The seasoned players seemed to remember everything they had learnt last year and made some awesome runs not to mention some great tackling. All in all a great day out for the start of the season. Phil Wilkin

**U11’s**: The U11’s started their campaign this year on a great note. Although the boys were obviously pre-occupied on the wonderful Mothers and their special day, they turned up and made a fine impression on the enthusiastic Rugby crowd. The boys started brilliantly against Orange Emus with a resounding 6 to nil win. An hour later they backed it up with a convincing 5 to 2 win against a strong Bathurst team. Then we came across a very well-drilled Cowra outfit. Their rucking was to match us pretty formidably and some great running Rugby ensued. We finished the day with a 1-all draw and unfortunately for the boys they missed out on their ‘piles on’ the coaches for a Sunday whitewash. The coaches are ready guys so bring it to Wellington. A great day was had by all with special mentions going to Hunter and Logan on leading those forwards in the right direction. Jarrod Rose

**U11’s**: On Sunday the U11’s Rugby team played 3 outstanding games of Rugby. Our first was against Orange Emus which we won 6-0. Our second was against Bathurst White they put up a great fight with great attack and defence but we were better winning 5-3. In our third game we were against Cowra. They had a great forward pack and great runners, they made a break and early scored. Luckily Jack never gave up and tackled his opposition millimetres from the try line. The end
score was 1-1. Thanks to Mr Rose for coaching us and thanks for giving up all the mums for their time on Mother’s Day. Logan Buckley
