Principal

Over the last week, almost a third of our students have been heavily involved in NAPLAN testing. This included all students in Years 3, 5, 7 and 9. Parents need to know that we do not make any special effort to ensure students are well prepared for the tests. We deliberately do not focus on past tests or on specific skills or spend excessive time practising for the tests. Our students are given an indication of what the papers will look like with an overview of sample questions. This is all that is needed. Our emphasis at KWS is on the bigger learning picture than just the skills tested in NAPLAN. We believe in a holistic approach to learning – we encourage students to be creative, to nurture their natural curiosity through stimulating their learning by provoking and engaging the students in the material we teach.

My belief is that we cater for the ‘multiple intelligences’ of students at KWS rather than just the intellectual. We provide opportunities for the development of many different intelligences such as musical, interpersonal, spatial-visual, physical and linguistic. Many of these opportunities exist outside the classroom in the co-curricular program and are not formally assessed in any way. However they are equally as important in the overall holistic development of each KWS student.

Keep this in mind when you receive your child’s NAPLAN results – these provide an indication of how your child is performing on a

I was fortunate to attend the Year 4 and Year 6 excursions to Sydney and Canberra last week. The itineraries designed by the staff were excellent and the desire of the students to be involved was most enthusiastic. A bit thank you to the staff and to Mr Michael Pratten who assisted with the Year 4 excursion. His willingness to assist and support the staff and students was greatly appreciated.

Mrs Essex, along with great support from the staff conducted ‘Friendship Day’ with the Year 3s. The input and collaboration of the students was particularly pleasing and certainly impressed Mrs Essex.

This week sees representation across many fields with our talented speakers at the CWP Public Speaking, our Debaters arguing forcefully at the HICES event in Bathurst, our Netballers displaying their skills at the regional schools carnival and our Cross Country team battling the countryside at Scots.

Our Scientia Writing program is nearing its completion and we are very keen to read the work they are producing. From all reports there is a wide range of presentations and topics.

This Friday is a mufti day raising funds for NICU. A most honourable cause with full details in this e-bulletin.

Finally a reminder that Friday June 7 is a pupil free day as staff are up skilled on the implementation of the National Curriculum. There will be minimal supervision available but names need to be confirmed by this Friday 24 May by emailing/phonning Cathy Hancock on chancock@kws.nsw.edu.au or 63920316.

Enjoy your week.

From the Chaplain

“And The Lord said, ‘Look, they are one people, and they have all one language...We will go down and confuse their language, so that they will not understand one another’s speech.’” (Genesis 11: 6-7)
Pentecost Sunday was celebrated last weekend. Pentecost marks the disciples’ receiving the Holy Spirit along with the ability to speak different languages “as the Spirit enable them to speak” (Acts 2:4). What strikes me is the paradox between this event and the story of the Tower of Babel.

The gifting of languages confirms in my mind the Divine intent of cultural diversity. Cultural difference is God’s design for the world, not a punishment (as suggested in Genesis). In the story of the Tower of Babel, people desired uniformity and God desires diversity. Both are necessary.

We need identity and cultural solidarity, but it takes divine intervention and initiative to bring about the extravagant array of the world’s cultures. Pentecost represents the in-breaking of God’s purposes for all humanity, bringing humanity together in understanding while preserving and respecting their differences.

Have you experience how people who are steeped in a worldview different to your own enrich your sense of individual identity and understanding of life? Have you noticed that when coming to know people ‘of difference’, these people are not to be feared but are people you can befriend?

Lord, preserve that which gives us individual meaning and unite us through your loving Spirit.

**Fundraiser for Newborn Intensive Care Foundation**

![Newborn Intensive Care Foundation](image)

Douglas House will be holding their fundraiser on Friday May 24. This year we are holding a mufti day with the theme of 'kids in beanies or hats.'

Our charity this year is the Newborn Intensive Care Foundation.

The Newborn Intensive Care Foundation is a charity that raises money for medical equipment, research and nurse education to help give NSW’s critically ill newborn babies, the best chance to lead healthy, normal lives.

The support covers a wide range of activities, which includes the provision of additional equipment that is essential for the continuing improvement of the service but that are not available through normal government channels. In addition, the Foundation supports research and education activities so that the Unit can contribute to the global fund of knowledge of problems of the newborn.

So please show your support by wearing your favourite beanie or hat to school on Friday 24 May and donating a gold coin to the fundraiser on this day. We will also run a jelly bean guessing competition in the week leading up to the mufti day. 50c a guess or 3 guesses for $1.00.
NAPLAN Update
NAPLAN update and importance of families!

How do these two themes interrelate I hear you say...

Well, NAPLAN 2013 is finished and we will expect the results sometime in September. One of the key observations administering the NAPLAN tests was assessing the student’s engagement with their Writing task. This year, the theme of the writing persuasive task was on “Heroes”. Students had to choose a hero (someone they admire) and give reasons why they would give them an award. After reviewing briefly the quality and quantity of writing exhibited in our Yr7 and Yr9 students which by the way was pleasing to say the least, what do you think was the most common ‘hero’ category students chose to write about? A famous sporting star, TV personality, pop or movie star?

The overwhelming hero to most students were their family members. A high percentage nearly all of Yr7 and most of Yr9 choose either mum, dad, grandparents, siblings and even their boarding house-leaders. Many responses identified the hard work parents did in their respective jobs and especially at home. Especially stay-at-home mums who basically ‘ran’ the household! Nearly all responses who chose a key family member recognised the love, care, and support they received from the making of lunches everyday, driving to and from school/events, to reassuring them through some tough times that everything will be alright. Students recognised the selflessness, good humour and time spent with them including cooking favourite meals, assisting in homework, fun holidays, or just kicking the footy in the backyard. Put simply as one boy wrote “my Dad deserves to be a hero because he is there for me…”

What stood out to me was the significance families play in the life of their children’s schooling. In many respects we expect a lot from them (organisation, classwork, assignments, co-curricular commitments, developing and supporting friendships etc) and they can’t do it alone. So I write this as a tribute to let you know – even if they didn’t want you to know, that for most of the parents out there, you are a hero in your child’s eyes.

Calling all new parents!

Hello Kindergarten parents, and parents new to the Prep School. On behalf of the P&F Association we welcome you to the school community.

Who are the P&F and what do they do?

The P&F are a group of parents and friends of the school who meet
monthly providing a forum for discussion of matters that involve our children and their education at KWS.

The P & F is for ALL parents and has members right across the school from Kindergarten to year 12.

Meeting formats have changed recently to allow an open discussion amongst parents without school management present, followed by reports from Mr Kennelly and Mr McLean and time for questions for school management.

The P&F also organize fundraising activities such as the school fair to fund extra school building projects. Last year money raised went towards the Allenby Rd bus shelter. This year the Prep school will benefit from a new playground, while a BBQ area near the canteen and seating area near the library will also be built from P&F fundraising efforts.

The P&F organize social and educational occasions such as the careers evening and second-hand book sale. The P&F also oversee management of the school canteen.

You CAN come along to the occasional meeting - you do not have to attend every month.

You will NOT have to join a committee (unless you want to!)

You WILL receive a friendly welcome and your ideas and input will be listened to and appreciated.

You get to leave all the dinner dishes, someone else puts the children to bed, and come back home when children are all tucked up asleep in bed (that I can’t promise but it sounds good).

**Ok I’m as keen as mustard, so when and where?**

Meetings are held on the second Wednesday of the month from 7.30 pm till 9.30 pm.

Next few meetings are Wed June 12, Wed Aug 14, Wed Sep 11.

Check the newsletter in case the venue changes but usually in the new science block, Room 11.

(Park up by the main school office or by the DPA)

I know lots of you have some great ideas and opinions to share on how we can make the school even better so please come along and share them.

If you can’t make a meeting but have comments or opinions you would like to pass on, or would prefer me to speak on your behalf, please feel free to call or email me:

ivanandmichelle@bigpond.com ph 0413 748 677 hm 63625370.

Thanks and regards

iMovie Short Film Festival

When: Wednesday 12th June from 6:30pm until 8:30pm

Where: Derek Pigot Auditorium

The school community is warmly invited to attend the inaugural iMove Short Film Festival in the DPA on Wednesday 12th June from 630pm till 830pm. The film festival is just one of the events scheduled as part of the 2013 Winter Lifest.

The event will showcase the finalists from the iMovie Short Film Competition currently being held in Years 5-7. The finals will be judged by Winter Lifest Guest Speaker Oliver Phommavananh who will also present the awards and prizes to our winning film directors.

Students in Year 5-7 are currently producing 5 minute short films based on the theme “Orange”. To create a challenge the theme “Orange” must appear within the film either as the town, the fruit, or the colour. Students have used a variety of apps to film, edit, and compose music to accompany their films and we are looking forward to an evening of
great entertainment.

Families are encouraged to bring a picnic rug and perhaps a cushion to sit on. We also encourage families to enjoy a byo picnic dinner during the screening of the films.

**Netball Reports**

**U9 Bluebirds:** On Saturday our team played Cyms Mini Monkeys and they were good sports to play against. Mrs Davidson is changing our positions each week so we becoming more comfortable and familiar with the game play. We are all enjoying our first season of netball so far and look forward to each week’s game. Hattie Usher

**U10 Firebirds:** U10 Firebirds: We played against PCYC Star Girls on Saturday. Amazing shooting 16-1. It was a fantastic game. Gabriela Gerber

**U10 Magic:** U10 Magic versed Cyms. Our team has seen huge improvement since last year under the fabulous coaching of Mrs Whitely. We combined beautifully in attack and defence, with great support down the centre. Meyhar nabbed a heap of intercepts and our defensive players (Catie, Annie and Taylor) kept Cyms down to 4 goals, while Emma, Lizzie, Grace B, Sally and myself managed 11 goals. Good comeback from 2-1 down in the first. Seriously great teamwork girls! Mia Marjoram

**U11 Pulse:** On Saturday we played OPS. It was a great game. We all worked together to get the ball up the other end. Scarlett, Grace and I did some great shooting. At the end of the game it was 21-2 we won. Alexander Britton
**U12 Swifts:** We were stiff with cold in the first quarter which put the Bletchington Blitz in a 6-2 lead but after warming up we fought back with some great passes from Sophie S, Billie, Maddie and Bell. Alanah got to show off her great goal shooting skills. The game ended in a loss 11-7 but we all had fun and send a big thank you to Grace McRae and Mrs Seedsman for stepping in to help.

**Football Reports**

**U6 Cubs:** A Great win for the Cubs against the Tigers the final score was 8-1. The mighty goal kickers were Joshua, Cameron and Isaac with fantastic defence skills and passing from Ava, Robbie and Jack. Jack being captain chose the player of the week and gave it to Joshua Debruyne for his 6 goals. Jack Paix

**U7 Pumas:** Last Saturday Kinross Wolaroi U7 Pumas played a fantastic game of Soccer. Showcasing some great teamwork, while using new skills to achieve a 2-1 victory against Cudal Green. Well done to Charlie Gill (player of the week) and Thomas McRae our two goal scorers this week. Great work Pumas! Caleb Bashara

**U7 Tigers:** The Tiger's got off to a good start even though it was a cold morning on Saturday.

Everyone played a great game, and Angus Pengilly was man of the match with some awesome moves. It was a really fun game against the Waratah Rebels, they were a good team to play.

Kinross Tigers scored 4 goals, Rebels nil. Everyone enjoyed my treat of lolly snakes at the end of the game! Ava Tucker

**U8 Spirit:** On the weekend the KWS Spirit played the OAGS at PLC. OAGS team played very well, they managed to score the first goal of the game. Bailey was our team’s goalkeeper, he did a great job, he defended the goal very well, prevented them from scoring any more goals. We started to pass the ball to each other; we scored two goals. KWS Spirit had real teamwork spirit, well done every one. Lazo Jalal

**U9 Fury:** Last Saturday we played Soccer at Jack Brabham. It was very cold, we versed Canobolas Rangers. KWS won 5 goals to 3. The goal scorers were Sam (2), Logan, Kinin and Ben Jones. We are playing really well as a team. Thanks Mrs K for coaching. Thank you Mr Niven and Tanner for refereeing. Sam Harris

**U10 Roar:** On Saturday we played a game of Soccer we played Waratah Warriors. We played great but not our best and lost 4-1. Jock Hazleton scored the best goal ever it was right on top of the goal. Will Rouse and Lachlan Brown were our goal keepers they saved about 14 goals together. We played fantastic on the weekend. Thanks Mrs Savage and Mrs Paix

**U11 Jets:** On Saturday KWS Jets had a great game against Waratah
Wanderers and won the match

4-1. There was lots of teamwork and good sportsmanship shown on the field. Good passing in the forwards and solid defence at the back setup the win.

Ben Broadley

**U11 Rangers:** The KWS Rangers played a great game on Saturday against Molong. Everyone played really well, and as a team. We scored some really good goals, and showed some great defence skills. Jack Wakem

**U12 Mariners:** The Mariners team had their best match of the season drawing with the Milthorpe Tigers 1-1 on Saturday. Our first bit of good luck started off with Ethan R saving a few great goals before half-time. Also making Ethan's job easier was Declan Kelly keeping the ball in our half as best he could. After half-time the Milthorpe Tigers scored their first goal with it going just out of Ethan's reach. This got us enthusiastic and we pulled together to score our first goal of the game, a great goal by Will Smith, in the last 15 minutes. The scores remained deadlock until the end of the match. Our team played well together and dug deep when we needed it. Thanks Mrs Houston for your great coaching. Clive Hinrichsen

**Hockey Reports**

**Minkey:** The KWS minkey team had a GREAT win against a strong Cym's team. The teams skills are continuing to improve, thanks to their patient and skilled coach- she is also making it lots of fun. Georgia Miller (KK)

Great saves in the goal by Jackson. Thanks to all the parents for standing in the cold

Wind and to Sienna for helping

**U11 Arrows:** On the weekend the under 11’s Arrows had an amazing game. Georgie Bennett copped a Hockey stick to the face and had a bleeding nose although we were down a player we played a great game. Keep it up girls! Score: 2 Confederates 1 Kinross Wolaroi.
