Principal

This week’s messages from the Principal:
Staff achievements and Drugs in Sport.

Staff achievements
Suellen Young, the Director of Staff Development, has been appointed as a senior assessor to the Independent Schools Teacher Accreditation Authority. This is justifiable recognition for the work that Suellen has done within KWS as part of the Staff Performance Development program and externally through her involvement with ISTAA by becoming an expert in this field. I congratulate Suellen on this appointment.

Drugs in Sport

There have been a number of media reports over the last fortnight in relation to school age children taking supplements and in a few cases illegal drugs. While we do not yet have a policy with regard to this aspect, I need to advise parents of the KWS view on the approach we take to various supplements both legal and illegal. Our view is that students should not be taking any food supplements whether it is protein powder or alleged muscle building food without consultation with your GP. As a school we are not in a position to recommend particular foods that our students should or should not be taking other than advising of a good balanced diet. In addition we are totally opposed to any illegal enhancements or supplements being taken by our students. Disciplinary action would be taken against any students...
Our students: disciplinary action would be taken against any students who take these illegal substances.

Our approach is to ensure that KWS students are provided with the appropriate training, conditioning and skillset for them to perform to their best. In my view it is the actions and efforts of the students that result primarily in good performance not the food or supplements. Without a full and rigorous training program there is minimal chance of success.

Over the coming month we will put together a policy which outlines this approach more clearly.

**Head of Preparatory**

One of our most celebrated events occurs next Tuesday 4 June when the students present their Music concert in the Derek Pigot Auditorium.

All students are involved whether in ensembles or choirs. Mrs Sinclair our Music Director has a most entertaining program organised. This is an excellent opportunity for parents, grandparents and friends to see the work our music teachers are developing with the students. The concert begins at 5.30 pm and will be completed before 6.45 pm. No bookings are needed. I look forward to seeing you on the night.

Another wonderful event not to be missed is the inaugural iPad short film festival to be held in conjunction with the Schools Winter Literature Festival. Details are in this week’s bulletin. I have been fortunate to see some of the work which is currently being created and I am looking forward to seeing the films of the nominated students. The night will clearly demonstrate the value of the iPad as a creative education tool.

This week our Cross Country team compete in the HICES carnival. After the WAS carnival the team is well prepared and are to be congratulated on their performances in less than ideal conditions last Wednesday.

The support of our parents has been mentioned many times for various activities. It is always appreciated and I would like to highlight the work of many parents who take our sporting teams or assist in a managerial role. Last weekend on both Saturday and Sunday demonstrated the valuable work our parents do to assist the School. Thank you.

Enjoy your week.

**IN THE MEDIA**
From the Chaplain

“Since we are justified by faith, we have peace with God through our Lord Jesus Christ...and we boast in our hope of sharing the glory of God. And not only that, but we also boast in our sufferings...”

(Romans 5:1f)

Paul does not say that whenever the world breaks us, we will inevitably heal to be stronger than we were. The old adage “what doesn’t kill us makes us stronger,” may be comforting but it is simply not true.

Some who suffer are broken for good, and they do not get well again. Some who have suffered bear the consequence of that suffering forever; they function fully but their loss means that they can never again be whole in themselves. Acknowledgement of this fact is particularly pertinent now, at a time when Churches in Australia are being held to account for abuses perpetrated by those in positions of power.

What Paul does promise in his letter to the Romans is that our suffering need never be wasted. Such a stance is based on hope, a hope that emerges out of suffering that is grounded in faith. And that hope cannot shame us or scare us despite every attempt of affliction, pain, oppression and injustice to do just that.

Have you experienced the sort of hurt that leaves you a changed person? Keep giving that ‘damage’ over to God (God will bear it for you) and continually forgive whoever or whatever is the cause of that damage.

Lord, give me the strength to forgive over and over. Through my forgiveness, Lord, heal me.

**Fundraiser Success**

Douglas House last week were able to raise $504.60 for the Newborn Intensive Care Foundation. A big thankyou to everyone for their involvment in the ‘kids in beanies’ day. A cheque has now been posted to the Foundation.

The jelly bean guessing competition was won by Isabella Lloyd-George in KK with a very clever guess of 610 jelly beans. The jar actually held 608. Congratulations Isabella!

**Year 6 in Canberra 2013**

Last Week Year 6 students undertook an educational tour of Canberra, the nation’s capital.
Whilst on this tour we participated in a variety of educational programmes focused on Australia’s history, culture, heritage and democracy. We would like to thank the Australian Government for their recognition and contribution of funds under the Parliament and Civics Education Rebate scheme.

Wednesday began with an early visit to the National Museum. We then travelled to Parliament House and filed into the House of Representatives followed by The Senate where consolidation of our Parliamentary system knowledge, covered in class, continued. This was followed by a unique tour of the Ministers’ Offices where the children viewed our federal member’s office and even sat in John Cobb’s chair! Upon our return to the public area of Parliament House we bumped into the Prime Minister Julia Gillard who chatted to the children for a few moments. Upon her departure Tony Abbot appeared and posed for a photo and also conversed with the students. He was joined by John Cobb who provided the Year 6 students with interesting facts before resuming his busy schedule.

The Australian Institute of Sport was next on the list and it was fantastic to see where and how Australia's athletes trained. Day 1 concluded with an evening visit back into time to the National Film and Sound Archives. There were many laughs as children viewed past television and movie snippets but a rendition of the Wiggles hit Hot Potato was the highlight of the evening.

A visit to the National Zoo and Aquarium on Thursday morning enabled the children to view wild animals in close proximity and a few lucky students fed the white lion. Then it was off to Old Parliament House and a programme called ‘Who’s The Boss’. Through an interactive exhibition, the children gained a greater understanding of our Democratic system.

We then visited the Electoral Centre where the birth of federation and the voting system was explained in detail. The children became ‘citizens’ and voted, experiencing and gaining a greater understanding of our preferential voting system. With a visit to the National Gallery concluding day time visits, the group enjoyed dinner before heading off to Questacon and 2 hours of scintillating, scientific experiences.

The final day commenced with a drive to Mt Ainslie where the group viewed the city of Canberra and its many attractions. The brisk morning air had everybody in the coach in record time and on their way to the Australian War Memorial. The group enjoyed a valuable and memorable session at the Australian War Memorial, especially in the interactive D Zone. Following this interactive session
the Year 6 cohort explored the memorial’s exhibits which brought to life many events studied in class.

A short trip across town along part of the Parliamentary Triangle saw the group back at Parliament House ready to debate a bill. Posing as Ministers of Parliament, the ‘members’ proposed, debated and passed Bills in a superb role-play which enabled the students to gain further insight into the process of law making and how the Parliamentary system works.

The three days seemed a blur but many educational and personal experiences were had by all.

Debating Roundup Round 4

Last Wednesday our debating team lost their first debate for the year. The debate was closely fought, with the speakers exhibiting impressively high standards (Belle in 1st, Max in 2nd, Owen 3rd with Molly as note taker helper), so let me tell you the story......The topic was “that all electronic games should be banned for children under 13 years of age” and we were to argue in the negative for the first time. In preparation we found much interesting research showing the many cognitive (“brainpower”), health and social benefits of gaming. (Owen did complain to me “Why do you come to school praising all the benefits of gaming and then stop me playing them at home?” Oh dear, they are starting to realise that debaters don’t necessarily believe all they say!) We found stats from the ABS showing that youth violence has significantly decreased in the last couple of decades - during the same time that kids have had increasing access to violent games. There are theories that gaming helps people manage hostility. (I just thought I’d include that because I found it interesting!) The team rehearsed and thrashed out as many angles as we could. We liked our challenge to the affirmative to prove serious harm in order to justify banning......could they prove gaming was as harmful as cigarettes and alcohol?

The day of sparring arrived. Bella and the first speaker from Blue Mountains Grammar were still recovering from running cross country in the rain. BMG was first to state their case discussion “video” games and discounted educational games. Unfortunately our team did not address this dodge, and we learnt the lesson that if you don’t attack a definition, the definition will stand. The adjudicator cannot dismiss arguments with their own judgement – it’s up to the opposition to cut it down! Comfortingly the adjudicator did display genuine angst when awarding the winner, with all agreeing that the standard has really lifted in the competition this year. This is great for everyone involved.

I was very pleased to see our team speak forcefully and engagingly, with much good rebuttal. They have shown good development in only a few debates. Encouragingly, I feel that we have learned more through our defeat than we would have otherwise. It has sharpened our wits.
Indeed we will be smarter and tougher next time. …..bring on round 4!

Proud coach Cathy Bloomfield

iMovie Short Film Festival

When: Wednesday 12th June from 6:30pm until 8:30pm

Where: Derek Pigot Auditorium

The school community is warmly invited to attend the inaugural iMove Short Film Festival in the DPA on Wednesday 12th June from 6:30pm till 8:30pm. The film festival is just one of the events scheduled as part of the 2013 Winter Lifest.

The event will showcase the finalists from the iMovie Short Film Competition currently being held in Years 5-7. The finals will be judged by Winter Lifest Guest Speaker Oliver Phommavanh who will also present the awards and prizes to our winning film directors.

Students in Year 5-7 are currently producing 5 minute short films based on the theme “Orange”. To create a challenge the theme “Orange” must appear within the film either as the town, the fruit, or the colour. Students have used a variety of apps to film, edit, and compose music to accompany their films and we are looking forward to an evening of great entertainment.
Families are encouraged to bring a picnic rug and perhaps a cushion to sit on. We also encourage families to enjoy a byo picnic dinner during the screening of the films.

**Report from the NSW Netball Day**

Last Tuesday the netball girls from year 5 and 6 went to Bathurst. We played six games during the day against schools such as Catherine McCauley, Holy Spirit, Assumption, Grenfell, Lithgow and Eglinton. Our wins were against Lithgow, Eglinton, and Grenfell. Olivia and Maddie did some great work in the circle together. Niamh and Billie played strongly at WA and C. Scarlett and Alana were speedy in the circle. Tupou, Bella and Grace defended the opposition well. Thank you to Mrs King for taking us and Emma Anderson in Year 9 for umpiring for us. We had a great day and all the girls were great singers on the bus.

**Football Reports**
U6 Bears: Last week we played Blayney Fury who were the toughest team we've played so far with so many goals scored - we lost count! Player of the Match went to Isaac with special mention to Ollie & Hugh who were our top scorers and Aiden & Reece for awesome support plays’ Jack Dunworth

U7 Pumas: Under 7 Pumas played against Waratahs. We shared the ball well as a team and had lots of fun. Oli Perkins scored our only goal. Waratahs scored 5. Max Munro was player of the match. Thank you Mrs Barrett and Mr McRae for great coaching. Andrew May

U7 Tigers: Although we played well, we were defeated by the Waratah Knights 3-2.

Thank-you to Grace Hansen for her efforts in trying to help us. I awarded player of the week to Charlie Hansen. Liam McKenzie

U8 Taipans: On the weekend we played Waratahs. We had a great game and a lot of fun. We all ran and kicked hard and won the game.

Harry Coady

U9 Fury: On Saturday, the Furys played a great game but lost 1-0. Remy and Dylan had amazing games in goal making some great saves. Sterling and Elliot also played well in defence and did amazing kicks. Saxon, Hugo and Henry were astonishing as forwards especially in the second half. Saxon came sooooo close to getting a goal but their goalie was too good. Kinin also played a forward and tried hard to score a goal. Thank you to our great coaches Mrs Seedsman and Mrs K!

U10 Roar: On Saturday we played Molong at Molong. It was a tough game. Both teams had a lot of shots at goal. In the second half Jock Hazelton scored 2 goals. We all had a great time.

The score was 2-0 our way. Thanks to Mrs Savage and Mrs Paix. Jack Smith

U11 Jets: What an awesome game! The U11 Jets faced Waratahs Nashdale in an epic battle of skills. The Jets were the first to score with a massive goal from Oliver Hoskin. In high spirits, the Jets managed to keep the opposition from scoring. After a great run from Ben Broadley, a shot from Oliver, an almost great save from the goalie and chip right over the opposition goalie from me, we scored! Then right after the Waratahs kicked off, the Waratahs striker made a dash for it and put the ball straight into the goal. This happened another 3 times before half time, we were down 4-2.

Then, just as half time began, Mum rushed down with a bag full of mandarins straight from the supermarket (someone forgot to tell her that he was captain until they were in the car and halfway to the match). The team headed back onto the field with heads up and looking confident. We were the first to score with a fantastic shot from Jack Besgrove. Then with a long shot from one of the forwards of the Waratahs team, we were left with a 5-3 situation...
There were lots of opportunities to score for both teams but none of them got in. Then with about 15 minutes left there was yet another goal scored by Ollie. Then about 5 minutes later there was a huge goal scored by Ben Broadly. The score was now 5 all! Then there was yet another dash from the Waratahs striker, intercepted and cleared by Hunter Rose, ran down the field by Ben, passed to Nabhan, lobbed to me, crossed and fired into the goal by Oliver Hoskin- again! We had won with a massive comeback in the last dying minutes of the game. The end score was 5-6 our way! Owen Bloomfield

U11 Rangers: In U11s soccer the KWS Rangers were up against Milthorpe. Out attack was great scoring a goal in the first half by Jack Pengilly. The forwards for the first half were Jack P and Jack Was our main strikers. Max B and Harry M were our wingers. The backs held ground really well and only let a couple slip through. Our second half mid field were Lachie S and George C. Luc N set up an excellent goal that was scored by Jack W. Our backs were Harry M, Ethan TR and Lachie P. Harry K was in goal. Our team held through but sadly in the end we lost 6-2. Harry Kermode

U12 Mariners: We were all pumped up for the game hoping to win our first game for the season. Sadly after the first half we were down by two goals. In the first 5 minutes of the second half we came back strongly scoring our first goal of the day, crossed in by Oscar Smith-King then tapped in by Ethan Buesnel. Unfortunately the game ended too soon and we sadly lost 2 to 1 but it was a great game by all of the boys especially by Ethan Rutherford as our goal keeper. Bradman Gavin

U12 United: In a spirited effort KWS under 12united had a shocking 1st half 2 nil but we came from behind to level with Panthers. Once we remembered team work things fell into place the final score was two all. Max Waddell

Hockey Reports

Minkey: We played Confederates team this week. It was a sunny day and we are all getting the hang of this hockey stuff. We just need to remember to keep our sticks down and push push push. Gracie Hansen

U11 Arrows: It was a hard-fought battle on Saturday with the final score of 0-0 indicative of solid defence from both the CYMs and KWS sides. Georgie was back on the field this week recovering from her facial blow and defended strongly saving many goals. Liza attacked well and Julia created many opportunities. We were very close for a goal at the end but we were beaten by the buzzer. Miss Holmes was pleased with our teamwork. Phoebe Litchfield
Rugby Reports

**U9s:** On Sunday the mighty U9 rugby team headed to sunny Wellington for 3 great games of rugby. They played Wellington, Emus and Cowra. The boys should all be immensely proud of themselves as there was a significant improvement on their first gala day they really dug deep and tried their best. The improvement on the skills of tackling and running the ball as well as sticking as a team and driving hard in the rucks and mauls was pretty to watch. Thanks to all the parents for their support and help with the boys with the huge smiles was evidence they all seem to enjoy it.

**U11s:** On the weekend the U/11’s travelled to Wellington. Our first game was against Narromine; they were tough and pushed us off the ball a lot of times. The boys came back hard in the second half and scored a lot of runaway tries and beat Narromine 8-2.

Our second game was against Macquarie Emus and they had some fast players. We got three runaway tries and scored another one. We thought we had won but then they managed to score. We kept our heads up high and then the hooter went, 4-1 Kinross.

It was starting to get really hot now so all of the boys sat around a big tree, the coaches talked to us about Macquarie Emus and said that is was an excellent game.

Last Gala Day we had come up against Orange Emus and we were playing them today. We beat them last time at Orange and were ready to beat them again. There was a lot of bindis on the ground and the ref was constantly stopping and starting the game. We won again 4-0.

Thanks to all the parent for driving us all the way as well as the coaches Mr McLaughlin and Mr Rose.

Thanks to all the boys who came and worked hard. Hunter Rose

**U12’s:** Last Saturday U12’s Rugby team played a skilful game against Newington. We had great forward work and fantastic back work. Great running from Will Smith to score 2 tries. Excellent stepping from Hamish Macdougall. The final score was 55-0 with a brilliant win by KWS U12’s.
