Principal

This week from the Principal: Acting Head Tutor of Douglas House and the Red Shield Appeal.

Acting Head Tutor of Douglas

I am writing to inform staff that Claire Spora will undertake the Acting Head Tutor of Douglas House for Term 3, 2013. Claire has previous experience as an Acting Head Tutor, having undertaken the role in Dean House last year. Claire is replacing Catherine Litchfield, who will be on Long Service Leave throughout Term 3. I would like to thank Claire for her willingness to take on this Acting role and look forward to her leading Douglas House throughout next term.

Red Shield Appeal

Last Sunday, 28 May, we had a significant number of our students involved in assisting the Salvation Army with their door knock Red Shield Appeal. Head Boy, Stan Alston with the assistance of Senior Boarder Prefect Gemma Plunkett and Year 12 student Connor Mendham were instrumental in co-opting huge support from our student body to assist with this worthwhile community event. In all 136 students were involved which meant we have retained the trophy for the highest number of school students volunteering. In total over $60,000 was raised with $20,000 of this coming from the efforts of KWS
was raised with $25,000 of this coming from the efforts of KWS students. More importantly this is one of many examples of service that our students from K to 12 have committed to this year. I am extremely proud of our efforts especially with regard to ‘thinking of others less fortunate than ourselves’ and the willingness to ‘make a difference’ to the lives of others. Thank you to all students for their efforts.

From the Head of Preparatory

Our enrichment program, Scientia continues to enrich students’ learning. Presently students involved in the Writing tasks are submitting some outstanding work. With technology being so accessible students are able to use it to assist with their creativity. Anyone and everyone can use a word document but it is the use of little known software or apps which is supporting students in their work.

Their thirst for enquiry is to be encouraged. Their willingness to access information and use the information is to be commended.

When all the Scientia works are completed they will be displayed so everyone can see the creativity of the minds in the writing and the various media used to present their work.

Another reminder is for the iPad Short Film Festival to be held next week in conjunction with the Winter Literature Festival. All details for both events are in the newsletter and everyone is welcome to attend the film festival. This is another example of the creative use of technology.

Reports are currently being written by the Preparatory staff covering all areas. This report has far greater detail than Term 1 and will enable you to gauge the progress of your child.

To enable discussion about your child’s progress, interviews (10 minute duration) will be held on Thursday 20 June. Reports will arrive earlier in that week. Interviews can be made by phoning (63920136) or emailing (chancock@kws.nsw.edu.au) Cathy Hancock/Julie Mortimer from 9.00 am on Thursday 13 June. Please do not ring/email earlier or leave phone messages as they will not be acknowledged.

Finally a reminder that this Friday 7 June is a pupil free day for staff inserviceing on the National Curriculum.

Enjoy your week.

From the Chaplain

The Centurion sent friends to say to Jesus, "Lord, do not trouble yourself, for I am not worthy to have you come under my roof. Only speak the word, and let my servant be healed....When Jesus heard this he was amazed, he said, "I tell you, not even in Israel have I found such faith." When those who had been sent returned to the house, they found the slave in good health" (Luke 7:6b-7, 9-10)

At first glance, this account of the healing of a centurion’s slave seems to be a miracle story. In actual fact, the miracle is more of an afterthought to the events preceding it.

A centurion and his slave are the main characters but neither actually appears on the scene and neither directly encounters Jesus. The centurion sends others to approach Jesus with his request for a miracle to save his slave’s life. By the end of the story it is clear that the centurion’s faith is at the centre of the narrative. The author of this narrative addresses the question about to whom God bestows Grace. Upon reading the story in its entirety, it is clear that the centurion deeply cares for his slave and also his community. He demonstrates both the love and compassion which stand at the very heart of Jesus’ commandment (love God and love your neighbour). He loves his slave in a manner that recalls the Good Samaritan. The fact that the centurion does not belong to the people of God is of no consequence.

Faith expressed through love, not membership, is what is recognised, acknowledge and acted upon by Jesus. How wonderful is God that we are saved by grace through faith in him! What a relief that we do not need to belong to any particular Church, ethnicity, race, cast or religion in order to be recipients of God’s Grace!

Lord, strengthen my faith and give me a heart of love. Amen.

**P&F News**

As you may be aware, there has been a changing of the guard in the Kinross P&F. I have taken over as President from Richard Cheney, Jean Welsh is secretary (replacing Jenny Glastonbury) and Sandra Jones has continued on as Treasurer. I would like to acknowledge the work that Richard and Jenny have done over the last four years in many areas of P&F activity, and are continuing to do. I would particularly like to thank them for their guidance during our apprenticeship in P&F office positions.

**Activities coming up next week**

**June 12th: Scaling is Scarey - Scaling in the HSC. Information night for Parents.**

Orange Anglican School, Murphys Lane, Orange. 7pm start. This is being run by the NSW Parents Council and is the first time it has been held outside the metropolitan area. So take advantage of it and please spread to word to parents from other schools.

**June 13th: KWS Careers Forum for Year 10, 11 & 12 Students & Parents, DPA, 6:30-9pm.**

This is a wonderful opportunity for **students and their parents** to gain insight into potential careers.

There will be experts from: medicine, nursing, allied health and health sciences; engineering and surveying; science; resource management; primary industry, veterinary science and veterinary nursing; education; finance; business service/management.

These people have kindly donated their time to speak to students and parents regarding their particular area, study and career pathway.

The following Universities / Education Providers are attending:

- University of Wollongong
- University of Canberra
Charles Sturt University
Australian National University
University of New England
University of Sydney
Blue Mountains International Hotel Management School
Western TAFE
Cadia Valley operations

The universities will conduct seminars about opportunities for early entry, and practicalities such as sorting out student accommodation, as well as Q and A about campus life. This will be really useful information for parents as well as students.

Canteen changes

Staff Changes: First of all, Jenny Ilfland has resigned from the canteen staff. Jenny has worked with KWS canteen over the last four years and we would like to take this opportunity to thank her for her service over this time, and wish her well in future endeavours.

Menu changes: Justin is introducing hot meal choices for winter, prepared in-house. There will be a choice of a pasta dish, curry and soup on a daily basis. The new hot menu commenced this week. We would like to get feedback from students and parents.

As you may be aware, the Canteen is a P&F activity and we are keen for parent involvement in this, whether as a member of the canteen committee, volunteer, or ad-hoc input.

KWS Fair 2014

Paula Elbourne and Kim Bryant have taken on the job of coordinating the fair next year, with a re-vamped look, and a focus on “food and fun”. More info to come next term.

End of Year Text Book Sale

This is back on the calendar which is great news. Jill Laurie and Lisa Chidlow have kindly offered to coordinate this. Thanks to Janelle Brunner for managing the sale in previous years. We will be looking for parents to assist with preparation for the sale and help on the day. A confirmed date and details about the sale will be available in Term 4.

Survey of parents and friends

Given that we had some difficulty pulling together an executive for the P&F indicates that we need to do some thinking about role/purpose and priorities of the P&F, timing of meetings, and activities we should progress. We will be surveying parents, friends and staff about these issues shortly. I am hoping that the online survey will be ready for distribution before the end of Term 2. So please have a think about this.

Cancellation of P&F meeting on the 12th June

Given the clash with Scaling is Scarey, and the Prep School iMovie night, the June P&F meeting has been cancelled. However, as you can see from info above, there is still plenty happening.
Next P&F Meeting

The next meeting will be on Wednesday 14th August, as the second Wednesday of July falls in the school holidays.

Contact details for P&F

If you have any ideas, suggestions, issues you would like raised through or with the P&F please contact me.

KWS Winter Litfest 2013

The third KWS Literature Festival will take place on 11th-13th June with author talks, workshops and book signings. The festival provides a wonderful opportunity for students to be exposed to authors and illustrators, to learn about their styles of writing and illustrating and to
inspire our students to write creatively.

Our guests this year are:

Nette Hilton is an established author of children's literature and has won several awards for her books, which range from early childhood to novels for older readers. For more information go to www.nettehilton.com.au

Gaye Chapman is an artist of national standing and illustrator of children’s picture books. She has exhibited widely throughout Australia and overseas, and has many major collections, awards, prizes and exhibitions to her name including the Sulman, Blake, Fleurieu, Kedumba and Waterhouse Natural History art prizes. For more information go to http://gayechapman.wordpress.com/

Oliver Phommavanl is a young Thai-Australian writer for children. He is a primary school teacher who shares his writing passion with kids and engages them with humour. He’s also a stand-up comedian and has appeared on national TV and radio. Check out Oliver’s website at www.oliverwriter.com

Students in the Prep School and Secondary will be attending sessions with our guests. Copies of the authors’ books will be available for purchase and signing during the three days. Students attending a session will have $8.50 charged to their account.

Any enquiries, please contact Amanda Foster, Senior Librarian on 63920360.

iMovie Short Film Festival

When: Wednesday 12th June from 6:30pm until 8:30pm
Where: Derek Pigot Auditorium

The school community is warmly invited to attend the inaugural iMove Short Film Festival in the DPA on Wednesday 12th June from 630pm till 830pm. The film festival is just one of the events scheduled as part of the 2013 Winter Lifest.

The event will showcase the finalists from the iMovie Short Film Competition currently being held in Years 5-7. The finals will be judged by Winter Lifest Guest Speaker Oliver Phomavanh who will also present the awards and prizes to our winning film directors.

Students in Year 5-7 are currently producing 5 minute short films based on the theme "Orange". To create a challenge the theme "Orange" must appear within the film either as the town, the fruit, or the colour. Students have used a variety of apps to film, edit, and compose music to accompany their films and we are looking forward to an evening of great entertainment.

Families are encouraged to bring a picnic rug and perhaps a cushion to sit on. We also encourage families to enjoy a byo picnic dinner during the screening of the films.

2013 MPS Short Course Area Championships

Sunday 23rd June 2013.
Multi Entry Cards to reach the KWS Swimming Office by Wednesday 12th June 2013.

Mountains & Plains Swimming (MPS) Development Camp Information

Mountains and Plains Swimming is excited to announce that we will be hosting two Development squad camps for 2013:

Development camp - June 29th and June 30th 2013 - aimed towards developing swimmers who are looking to establish pathways to increase skill level and participation in swimming. The swimmers at this camp will not have qualified for NSW Country unless they are aged 10 or 11. For this camp, MPS will be utilising the expertise of Kinross Wolaroo Coach, Gary Hollywood. (Application forms available from the KWS Swimming Office)

Performance camp - October 5th & 6th 2013 - aimed toward swimmers who are actively involved in competitive swimming. Swimmers must have qualified for NSW country championships at a minimum. The camp will cater to the three distinct representative swimmers who are present in the MPS area – Country – State Age - Age National. For this camp we have been fortunate enough to secure the services of Platinum level Coach, Paul Hardman. Paul will bring his expertise to the camp and will formulate sessions and information to ensure each athlete will be successful in their swimming future. (Application forms available from the KWS Swimming Office)

Mountains and Plains Area Technical Convenor Margaret Spurway invites Club members to the following Training Courses to be held on Saturday 22nd June 2013.

Meet Manager / Team Manager.
Both basic and advanced areas will be covered. This Course is suitable for anyone who processes entries or runs club nights, Area Club Carnivals and Area Championships. Also covered will be how to submit record applications. All your questions will be answered. All participants will need a LAPTOP EACH (preferably with mouse). If computers can be loaded with Meet Manager and Team Manager software that would be good but not essential.
Presenter: Mrs Cherry Smith – Tech Guru from Swimming NSW. Lovely Person!

Recorder / Control Room Worker.
A must do course for anyone wishing to gain the Recorders Credential and for those who have the qualification but would like an update. (There have been some changes). How to amalgamate heats, handle protests and run meets with no electronic timing or when this fails.
Presenter: Mr Chris Hayes – Southern Inland Area Technical Convenor. Knows Heaps!

Please support your Club with the latest in Technical Training.
Email ghollywood@kws.nsw.edu.au if you would like to attend. Thank you.

Team of the Week

Congratulations to the following teams for their nominations for Team of the Week:
U12 United, U12 Swifts, U11 Rangers.

WAS / HICES Cross Country

The team went to The Scots School Bathurst on Thursday for the HICES Cross Country carnival. The team ran exceptionally well with over 70 competitors in each race. Fourteen schools were competing coming from Sydney, Central Coast, Central West. We came away with 3rd place overall in Division 1 and won the Division 1 % trophy. We were very successful on the day with nine of our students making it into the HICES Cross Country team to compete at CIS next week at Eastern Creek. Our students were: Ziggy Jackson-Le Couteur; Lucy Waddell; Max Bysma; Phoebe Litchfield; Brooke Martin; Jack Pengilly; Ollie Steele-Park; Florence Conway and Emma Crossing. Well done to all our runners!

Cancellation of Sport Training

The decision to cancel sport training is not made until 2:30pm. A message will be placed on the sport line EVERY sports day. This decision is the final decision and if it rains after the call sport will be held as per usual in the gym and classrooms. No child will be excused from sport until 4:30pm in this instance.

PLEASE call the sport line on 63920450 from 2.30 pm. NOT THE OFFICE.

ENSURE you have made wet weather plans with your child so they are aware of alternative arrangements when sport is called off.

Football Reports

U6 Cubs: We had a tough game against CYMS. Joshua and Isaac both scored sliding goals. Cameron stopped lots of goals and won player of the week. We had great fun. Isaac de Bruyn

U6 Bears: On the weekend the Bears played the Waratah Vikings. The best part of the game was when I gave Jack Dunworth the player of the week. Aiden Button

U7 Pumas: It was a tough game against Ex-Services in freezing conditions. We played well despite the cold and managed to beat the rain but not the Ex-Services. Caleb was awarded player of the match however all our team played well. Charlie Gill

U7 Tigers: Alice Waddell scored our first two goals allowing us to go to the break 2-2 against the Ex-Services Tigers. In the second half Liam McKenzie scored a long range goal from the halfway line. Two more goals from Services gave them victory with the full time score 4-3.

Player of the week was Alice Waddell. Angus Pengilly

U8 Taipans: This week the Taipans played the Waratah Rebels at PLC. It was very cold and shivery but we warmed up quickly with lots of running after the ball, especially as there were no subs. Our goal keepers were Jock Litchfield & Harry Coady and they did a brilliant job. We are getting better at passing and following the ball. Blake, Nicholas and Jackson made some excellent breaks, and Joe was solid in defence. My favourite part of the game was when I played forward. We had a fantastic game... but we lost. Fletcher Smith

U9 Fury: On Saturday 1 June we played Orange Grammar School on a very cold morning the score was 3-1 our way. Sam scored the first goal then Kinin and Hugo scored the last goal. We had a good game. Remy Niven

U10 Roar: It was a tough game. Lachie was good in attack. Ziggy was a great midfielder and he almost scored 2 goals. Jock had some great passing skills and took many good throwing and corner kicks. Harry M. and Harry H. were both good in defence and midfield. We were playing against Ex-Services Tigers and unfortunately we lost 4-0. Abhi Popuri.

U11 Jets: It was wet and cold and all of us were expecting a hard game from Ex Services. In the first half the attack from both teams was very good. We had goal opportunities but the defence of Ex Services was too good. In the dying seconds of the first half Ben had a shot at goal and it
hit the back of the net. In the opening minutes of the second half Ex Services came out strongly and were able to score making it one all. Shortly after Ollie H and Ben put on a show, demonstrating their goal scoring skills. They passed left to right and Ben belted the ball at the goal and scored!! Then Ollie H followed up quickly with two more amazing goals. Just when we thought it could not get any better, Ben scored yet again in the final moments of the game. Kinross won 5-1.

Well done boys! Oliver McLaughlin

**U11 Rangers:** It was wet, cold and miserable on Saturday but the Rangers ran on to the field determined to win against the Waratah Mariners. We were slow to start and at the end of the first 10 minutes we were two goals down. But with heads held high we fought back to level the scores by the end of the first half. The entire team played much better in the second half as we kept the pressure on the opposition, shutting down any attempts to shoot for goal with some good defensive play. Sadly in the last five minutes of the game tiredness got the better of us and the Mariners scored two quick goals. Everyone played much better this week. A special thank you to Mr May for refereeing the game in the pouring rain. Max Bylsma

**Netball Reports**

**U9 Bluebirds:** It was a very cold and wet Saturday morning however we were very lucky as we got to play inside. Despite being short one player, we all played well and managed to get the ball to our goal post quite a few times. We came close to scoring a goal but missed out. We all enjoy playing and learning more about netball. Thank you Mrs Davidson for coaching us. Elise Davies.

**U10 Firebirds:** On Sunday the U10 Firebirds were reeling to go. We were playing the OPS Swifts. Lily was a really good GS, Lucy was fantastic at GA. Cat was very kind to play WA, Gabby was playing very well at WD, Maddy and Grace S were very good defenders for GD and Grace M is really good at GK. In the end we ended up having a tie with OPS Swifts. It was three all. Their defence was really strong and they had a really good centre. Thank you to Mrs Szlich for managing the team. Annabel Pengilly

**U10 Magic:** On the weekend the KWS Magic played two fantastic games over Saturday and Sunday. We comfortably won both our games with great defence and nice quick passes. We got stronger and stronger through each quarter. A special thank you to Mrs Whitely, umpires Alice Litchfield and India Kermod and parents for being extremely supportive throughout the entire game. Lizzie Kwa and Meyhar Chawla

**U1 Pulse:** It was a very cold and wet Saturday morning, but the KWS under 11 Pulse team were excited to be playing netball. We played the CYMS Sensation. It was an eventful game, we played some of the game in the rain and we also had a couple of injuries to both teams as it was a bit slippery. Our defence has improved greatly and we are starting to work well as a team. Congratulations to our goal shooters of the game Grace, Alex and Niamh for scoring our 4 goals of the game.
The final score was 11-4 to the CYMS side. We are looking forward to playing again after the long weekend. Thank you to Mrs King for coaching us. Sarah Davies

On Sunday, after a night of heavy rain and more on the way, we returned to the netball court, to play against the RH Maid Marions. We were down a player for the first quarter and the opposition took full advantage of the extra girl in attack. We had a full team during the second quarter, however, and showed great resolve to win the quarter 2-1. We were competitive for the rest of the game, with our passing and marking of players getting better every time we play. Our shooters were consistent, scoring 10 goals over the weekend against two of the strongest teams in the competition. Although rain set in again during the game, making the court and the ball very slippery, there wasn’t the injury toll of Saturday’s game. Ultimately, we lost the match but enjoyed our progress as a team. We would like to thank Alex’s mum, Hilary Britton, very much for stepping in as our coach for the day. Rosanna Flatau

U12 Swifts: Saturday! June - Although the score didn’t reflect the players efforts, there was plenty of action, and some enthusiastic parent supporters! At the final hooter, KWS Swifts were defeated by OPS Giglettes 5 to 9, next time girls! KWS Swifts Scorers this week were Olivia, Alanah and Maddie supported by awesome team mates of Belle, Tupou, Billie, Crystelle, and myself, of course. Better luck for a win, next time. Sophie Brunner

On Sunday 2nd June we played our second game of netball for the weekend. It was cold, miserable and very windy. We were up against a well-tuned CYMS team who played very well. Our attack kept at them as did our defence. We played a great game especially in the fourth quarter. Well done team. Thank you Mrs Allen for your great coaching! Alanah Seedsman

**U12’s:** In wet and wintery conditions the 12’s played St Augstines 13’s last weekend. The boys continued their improvement going down 7 tries to 3 which was a very pleasing result. The forwards are rucking stronger and stronger while the backs, in less than favourable conditions, are linking much better in passing and support. Well done boys and thank you to the parents for their support and encouragement.
