Principal

Staff News from the Principal:
- Mariko Kobayashi will be resigning at the end of the year.
- Jason Smith appointed to Head of Trathen House.
- Trin Graham will be resigning as Head of English at the end of this year.
- We welcome Nell Duly to the KWS History Faculty.

Mariko Kobayashi

I am writing to advise staff that I have recently received a letter of resignation from Mariko, part-time Japanese Teacher in the Preparatory School, effective from the end of 2013.

Mariko began teaching at KWS in 1996. Up until 2001 Mariko was predominately a teacher in the Senior School. From 2002 onwards Mariko has taught Japanese in the Prep School in a part-time capacity. During this time Mariko has taught every student from Kindergarten through to Year 6.

Mariko has made an enormous contribution during her time with us. Mariko will be missed by the students and staff in the Preparatory School in particular.

I take this opportunity to wish Mariko all the best for the remainder of this year. There will be an opportunity to farewell her later this year.
Head of Trathen House

With the forthcoming retirement of Bob Holmes as Head of Trathen House, it is my pleasure to announce the appointment of Jason Smith as the new Head of Trathen from 2014 onwards.

Jason will relinquish his current position as the Head Tutor of Brown House at the end of 2013.

Jason is a former Head of Wolaroi Boarding.

Jason was successful in gaining this position from a strong field of internal applicants. I look forward to welcoming Jason, Mia and their family back into our Boarding community.

Head of English

I wish to inform the KWS Community that Trin Graham has submitted her resignation as Head of English, effective from the 20th of September 2013.

Trin has been teaching at the school for fourteen years, and has been both Acting Head of English and Head of English. She will continue to work at the school, in a full-time, permanent position within the English faculty.

I wish to acknowledge Trin’s loyalty to the school and her commitment to the wellbeing of the staff and students of Kinross Wolaroi. Her skills as a teacher of English and her expertise in debating will continue to be highly valued by the staff, parents and students.

New Appointment – Nell Duly

Nell Duly has been appointed in a part-time capacity to the History Faculty for Term 4 2013.

This load covers in part Bruce Paine’s teaching load while he is on Long Service Leave during Term 4.

Nell has undertaken her final teaching practicum at KWS during Term 3. Nell has a Bachelor of Arts Honours from USYD majoring in History. In addition, Nell is completing her Masters of Teaching from USYD this year.

We welcome Nell to the School for her first teaching position and look forward to her involvement in the Co-curricular programme. Nell is a former student of PLC achieving a number of sporting colours across rowing and soccer.

Head of Preparatory

Dear Parents,
As we come to our final bulletin for Term 3, I wish to thank you all for your support of the staff and school. There have been many activities requiring an even greater commitment from students, staff and parents. Your support and encouragement have been greatly appreciated. Evidence of the support was in abundance last weekend with a great number of parents and students to support our netball girls in their grand finals. On Sunday we also had a large group of parents and students in attendance for the ‘bump in’ for the 5/6 show.

I do hope you have the opportunity to watch the K-2 and 5/6 shows this week. An enormous amount of time and effort have gone into both shows and they will be very entertaining.

I take this opportunity to wish all our families a well deserved break.

Rob McLean
Head of Preparatory

From the Chaplain

Love is eternal. There are inspired messages, but they are temporary; there are gifts of speaking in strange tongues, but they will cease; there is knowledge, but it will pass. For our gifts of knowledge and of inspired messages are only partial; but when what is perfect comes, then what is partial will disappear. (1Corinthians 13:8-13)

The above passage is an extract from the Kinross Wolaroi School Reading or more properly, from St Paul’s first letter to the Corinthians. 1 Corinthians 13: 1-13 was the reading proclaimed at the funeral service for Mr Peter Grivas last Monday at the School. Peter’s four sons are past students of the School.

Peter, once the Head of the Kinross Wolaroi Preparatory School, was an exceptional man. He is remembered, among other qualities, for his passion for education and learning, his extraordinary optimism and his depth of love for his family.

During my reflections upon the reading in preparation for the funeral, I realised how faith necessarily affects our grieving. Our faith is not a remedy to grief and it does not diminish the need to grieve, but it does put a context to our grief. Knowledge of God’s love and of Jesus’ own suffering removes the sting and the victory of death (1Corinthians 15:55-57). The overarching premise to our faith is the belief that “God is love” (1John 4:8). It is this love, love that is the Divine, that constitutes something of our very being, the eternal. All else is temporary.

Our reading from Corinthians states that inspired messages are temporary, speaking in strange tongues will cease and even...
knowledge will pass. These gifts of God will end. Love, however, is eternal.

It is not unusual for people to ask why a God that is ‘love’ does not intervene in aspects of life that are beyond our control. This is indeed a complex question and one I will not begin to address in the context of this article. However, it can be observed that this questioning is often coupled to an erroneous assumption that God created mankind ‘perfect’.

St Paul did not make matters any easier when he wrote to the Ephesians stating “We are God’s masterpiece.” A more precise translation of this verse is that ‘we are God’s imagining, or God’s dreaming’. We, as God’s imagining, are not impervious to illness and disease, but we can transcend all our temporality with faith, hope and love (1Corinthians 13:13).

Like Peter who suffered multiple sclerosis, God is familiar with suffering. Let us not forget that Jesus died on the cross. Jesus’ passion and death is the heart of our Christian paradigm. The saints state that we then should not be surprised that we too may have to endure life’s injustices and the harshness of our mortal condition.

But that is not the end of the story: just as Peter shared suffering so he shares the glory of eternal life. And, by God’s Grace, so shall we!

*Lord, we thank you for the life, passion, death and resurrection of Jesus. We thank you that even in the darkest hours we have reason for hope. Be with us in our suffering and restore to us our joy. Be especially close to the Grivas boys and comfort them in their grief. Through Christ our Lord, Amen.*

Chaplain

**After School Care**

**After School Care – Important Changes and Reminders to Policy**

For the safety of our students we have a need for parents and students to be aware of the tightening of procedures in using After School Care and attending activities at School after normal classes. If you have regular times for your child to attend After School Care, please fill out an ASC form and return to the office or Melinda. It is important that you book your child in to after School Care, as there are regulations put in place to keep your children safe.

The ratio of adults to children in after school care is 1 carer for 15 children. When you don’t book your children in to After School Care, we run the risk of exceeding this limit. You must notify us if you need to use the After School Care. We will try our best to accommodate your needs.

The office number is 63920316. Also we have an After School Care mobile that you are able to call me on if you have any questions or concerns, the number is 0409 742 398, operating between the hours of 8.00 until 5.00 Monday to Friday inclusive. Good luck.
3.00pm until 5.30pm. It is one of my first priorities to make sure that I am aware of every child’s whereabouts that are in my care.

All students registered to attend ASC must attend the roll call upon arrival and ensure that they are signed in. Students who do not have their names marked off will have parents contacted to enquire of their whereabouts, just as it is done each morning in class. It is most important that parents contact the office if any arrangements are changed.

Further to this, Year 6 students using the Library after school must first register at ASC on the roll with the staff member on duty. Students who attend after school activities beginning after 3.40pm must register with ASC until their activity commences. This includes, gymnastics, swimming and music lessons. It is not acceptable for students to be wandering school grounds “waiting” for their activities to begin for extended periods unsupervised.

Thank you for your continued support and understanding in assisting us to provide the safest environment after school each day.

Kind Regards,

Melinda Ostini

EXHIBITION MATCH

Deadwood Rugby Club vs Invitational Central West Team
Orange Emus Rugby Club
6pm Kick off
8pm Presentations
$5 Entry

After the clinic there will be an exhibition match between the Deadwood Team and an Invitational Central West Team. The Central West team will be selected from clubs around the zone with a mix of experience and youth.

The best part about the Heartkids Rugby Cup is that it is for a fantastic cause in Heartkids and all money raised will stay in the Central West for families out here suffering from Childhood Heart Disease.

The calibre of player that will be here at the clinic will be outstanding with most players holding either NSW or AUST Honours. This is a wonderful opportunity for our young players to be exposed to the skills that they will bring and teach our country players.

Please put child’s name as reference and send form and receipt to mardi@life-studio.com.au or 120 Hill Street ORANGE NSW 2800

There are limited spots and all forms and money must be received prior to the registration date.

P&F News

Summary of the P&F Meeting 11th September

P&F Survey

Thanks to the 209 people of the 718 families that responded to the survey. This was a great response and provided some very clear ideas and directions for the P&F. A report has been prepared and is available on the school website: http://www.kws.nsw.edu.au/ff-pfminutes or click here to open a PDF copy of the report.

Key points from the survey:

P&F activities:

- Advocacy was considered to be the most important P&F activity for 30.7% of respondents. This was followed by managing the canteen (28.5%), providing support to other school interest groups (24%), information dissemination (22.9%), fundraising (22.3%) and community building (20.1%).
- More than half of the respondents indicated that they would like the P&F to provide a meet and greet for all parents start of the school year.
- Just under half of respondents would like the P&F to undertake a second hand sports equipment and shoe sale / swap.
- Orientation to extra-curricular activities (43%).
- Family functions (42.5%).
- Social functions (30.2%).

It was good to learn that the majority of respondents indicated their
interest in helping the P&F in some capacity (e.g. as a participant [96.6%] or leader [14.1%]).

*Future projects (fundraising):*

- Facility upgrades included improvements to the boarding houses (PLC gym), toilets, pre-prep area, driveway and car park; and installation of undercover areas (e.g. covered walkways, wet weather area), digital notice boards.
- Suggested equipment comprised of computers / laptops, sports equipment, musical instruments and library books.
- School excursions (e.g. IT or cultural) were also suggested as projects which may need funding in the future by a couple of respondents.

*Future projects (no fundraising required):*

- Information dissemination (e.g. information for new parents, communication between parents and school, parent liaison, P&F notice board).
- Social activities which foster community building (e.g. meet and greet at the beginning of the year, parent dinner, family picnic day).
- Student based activities (e.g. activities for borders on the weekends, sports choices).

*Boarder parents made up 30% of respondents and suggested ways they could be involved in school activities including:*

- Use of technology (e.g. teleconferencing, Skype, email) to facilitate participation in P&F meetings.
- Co-ordinate meetings to coincide with other KWS events.
- Student support (e.g. help with Second Hand Book Sale, student mentors, tutors).
- Parent support (e.g. parent liaison / representative, meet and greet / social networking activities, information dissemination).

The main agenda item at the next P&F meeting will be to review the findings and work out the key activities we will progress, some of which will start now, and others in 2014.

**P&F meeting by Teleconference - Trial**

Following on from Boarder parents meeting in August, and findings from the survey, we are going to trial using teleconferencing for the next three P&F meetings. We will have the Orange based people meeting at the school as usual, and out of towners/boarding parents can ring in.

A motion was carried to pay for the installation of a phone line in the Videoconference Room at the school, and to meet the cost of the teleconference calls. A teleconference phone will be loaned to the P&F for the trial period.

**Change of date for October P&F meeting**

The next scheduled P&F meeting is in Week 1 of Term 4. However, as we are going to trial teleconferencing the meeting, and we do not yet have all the details sorted out, the meeting will be put back to Week 2 of Term 4.
have the dial in numbers, we will delay the meeting a week. The P&F
meeting will be in Week 2, Term 4, 16th October, at 7.30pm.

The Dial in phone number will be advertised in the newsletter and e-
bulletin in Week 1, Term 4.

Please email Jean Welsh to indicate your interest in participating by teleconference and she will send agenda and any meeting papers.
Jean’s email is: jwpntsecretary2013@gmail.com

Other points from the meeting

2nd Hand Text Book sale.
Planning is underway with text book collection/drop off on Friday 29th
November, between 8.30am and 2.00pm, in the squash court foyer.
The Second Hand book sale is from 8.30am on Tuesday 3rd
December again in squash court foyer. Books are $10.00 and there will
be no change available. Book sale policy is on the website. Volunteers
will be called upon 4 - 5 weeks prior.

Parents contribution to P&F.
It was moved to increase the parent contribution from $30 to $35 in
2014. The contribution has been at $30 for a number of years.

Drop off zone at the school.
This area is becoming very congested and Mrs West is going to follow
up on this.

Request to investigate opaque stockings for senior girls.
There was a uniform committee a few years ago, when major changes
were made to the school uniform. This committee is now defunct.
There is a flow chart that all proposed uniform changes have to go
through to see if they pass all the criteria. These criteria include:
comfort, ease of laundering and value for money. Mrs West is to
investigate this.

Orientation Day for 2014 Year 7 parents, 9th November.
The P & F will assist in catering for lunch in conjunction with the school.
We would like some assistance with cooking and serving on the day. If
you are able to provide a slice or cake that would be gratefully accepted.
If you are able to assist with preparation or cooking on the day, please
contact Kris Battye on 0418 787 364, or kbattye@kbconsult.com.au

Michelle Szich is going to canvass interest in running a P&F food stall
on the day. More details to follow early next Term.

**Music**

**Music Co-curricular Afternoon Tea**

A huge thank you to all who came out to support our afternoon tea on Friday. It was a lovely chance to celebrate and officially acknowledge all of the wonderful work that goes on in our music program. A special thank you to Mrs Chapman for her excellent organisation of the event.

**String Twilight Concert**

On Friday evening Mrs Moxey hosted a string concert in the DPA Chapel. This was a lovely occasion on which to farewell the Year 12 string players who will be leaving us this term. The year 12 students played magnificently and demonstrated how incredibly talented they are- they will be missed. The Prep and Year 7 quartets as well as the chamber string students performed as well which provided a lovely program of music. Thank you to the Friends of Music for supporting the evening.

**Friends of Music News**

The Friends of Music were pleased to support the Twilight Concert hosted by Lorraine Moxey last Friday evening in the Chapel. It was a wonderful night of music performed by Lorraine, her strings students and Anne Stevens. Congratulations must go to all for continuing to showcase such high performance standards and depth of quality in the
various pieces presented. Kinross is indeed lucky to have people of such calibre as Lorraine and Anne involved with developing musical talent in our school. The Friends of Music provided a light supper after the concert and would like to very much thank all who made donations on the night.
