Principal

In this week’s message from the Principal: 2013 Year 12 Parent and Student Survey; and The Naming of the New Science Block.

2013 Year 12 Parent and Student Survey

I take this opportunity to thank all the Year 12 Parents and students for their participation in our recent survey. We have now received the compiled data and final report. Over the coming weeks, I will compile a series of responses and provide an overview of the feedback we have received.

In all we had 77 parents respond to the survey which is a very high percentage rate along with over 100 students. The data we have received for the survey will be extremely useful in continuing to improve all aspects of KWS and assist in our planning for the new Strategic Directions.

As an example of the information we have received it is clear to us the importance and reliance of current parents as advocates of KWS now and into the future.

- 45% of the parents have another son or daughter at KWS
- 39% of parents have a son or daughter who is an ex-student of KWS
- 10% of parents noted that they or their partner is an ex-student of KWS
- 9% of parents noted that at least one of their grandparents was an ex-student of KWS
Naming of the new Science Building

It is with great pleasure that I announce to the School Community that the new Science Building will be named after former Principal, Reverend David Williams. Reverend Williams was the Principal of KWS from 2002 through until the end of 2006. During this time Reverend Williams oversaw the changing face of KWS. This included the construction of the Derek Pigot Auditorium, the new Administration Building and the Mathematics classrooms complete with Tutor Rooms, Staff Offices and a spacious Staff Room.

David’s enthusiasm for progressing an expansive building program was greatly appreciated. It is therefore of great significance in the School’s history to honour Reverend Williams with the naming of the new Science Building.

An Opening Ceremony for the Science Building will be held in Term 4. I will keep the School Community informed regarding the timing of this.

From the Head of Preparatory

One of the most pleasing aspects of our School is the willingness of the students to be involved. While we often mention academic, sporting and musical achievements, this week our Chess and Debating teams have been involved in their respective local and regional competitions.

Our Chess teams (Rookies and A Grades) spent two days playing against schools from across the local area, attempting to out manoeuvre and out-play their opponents using cunning strategies. Our Rookies came 2nd and our A Grade team came a close 3rd. Special mention for Sherjeel Ahmad who won all 10 matches. Congratulations!

Meanwhile our Debating team headed to argue the negative that ‘Households should not have more than one car’. This was their first attempt at impromptu debating (given the topic an hour before the debate) and they performed splendidly winning the preliminary final against Broughton College from Sydney and now advance to the quarter finals in two weeks. Again congratulations!

Our K-2 classes are enjoying the fruits (and veges) of their labour by having a snack and water to start the day. Staff have already commented favourably on the scheme – Crunch’n’sip with the children ‘extra-energised’ for the day ahead. Thank you to the parents for supporting this and ensuring the lunch boxes have fruit and/or veges plus the water for the morning snack.

Over the next two weeks we have 25 students sitting for the AMER.

From the Chaplain

*And the King will answer them, ‘Truly, I say to you, as you did it to one of the least of these my brethren, you did it to me.* (Matthew 25:40)

Jesus told a story. It was of the king who gave ownership of his kingdom to those who fed him and gave him drink, visited and welcomed him, clothed him and went to him in his time of need. When the “righteous” asked; when did we do this for you?” He replied; “as you did it to one of the least of these my brethren, you did it to me”.

This story encapsulates much of the Christian paradigm. It expresses how we as Christians view the world and how we respond as Christians to the vulnerable and the dispossessed. The Christian Church has not always got this right. There are shameful chapters in our history that testify to Christians losing sight of Jesus’ ethic of love. And that is precisely why it is important to reconnect with the Word; so that we can ensure that our efforts are “righteous” in the godly sense.

If you were asked to articulate the Christian paradigm, if you were asked to describe a Christian, would you know how to respond? I have noticed that the Jews and Muslims with whom I speak, can do just that. They seem to know what it is to be a person of their particular faith tradition and they can speak of it with justified pride. I cannot help but think; ‘I hope my own children in their adult years will be able to do the same.’

So what is the Christian paradigm? Briefly, the Christian worldview comes from a set of beliefs grounded in Scriptures: it is that Jesus, the Word of God, (Jn1:1) has revealed God to be Love (1Jn4:8 ), that God went to extraordinary lengths to ensure that all people know of His love (Rom8:38-39) and allowed Jesus to be crucified (Jn3:16) so that we may be freed from all consequences of sin – guilt, shame, anxiety, fear, divine punishment... (Rm6:18). As children of God (Gal3:26) and temples of God’s Holy Spirit (1Cor6:19), we obey Jesus’ ethic of love (Jn13:34), so that others may know God (Mat28:19) and promoting the establishment of the God’s Kingdom (a reign of justice and peace) in the world (Mk1:15).

This paradigm is the basis of all Christian conduct. It guides Christians, on a daily basis, to faithful living and responding to others and the world. Jesus has instructed us to love each other as He has loved us. He reminds us of what God expects of his disciples (us!); as you did it to one of the least of these my brethren, you did it to me.

*Lord, make me an instrument of your peace.*
Where there is hatred, let me sow love;
Where there is injury, pardon;
Where there is doubt, faith;
Where there is despair, hope
Where there is darkness, light; where there is sadness, joy.

Debating Report

They went, they trembled, they were victorious! Well done to our courageous debaters (Belle Hoyle-Davies 1st, Max Summers 2nd, Owen Bloomfield 3rd, Molly Knight-Hannan advisor) for their fantastic first crack at an impromptu debate. We debated the winners of the Southern Sydney region, Broughton College, at Blue Mountains Grammar. They called the toss and elected the affirmative side... the topic was then revealed to be “that each household be allowed to only have one car”. Both teams were seen to exhale with relief as the topic was a straight forward one. Under Molly’s diligent leadership, our team brainstormed, collaborated, and worked commendably well together as they shaped their speeches alone. Mr Mac and I suffered our way through cake and tea while we waited. The team emerged from preparation looking remarkably cheerful and then proceeded to present confident speeches and rebuttal. Providing a rural perspective on transportation issues was a very effective rebuttal to a city-centric affirmative. Our team argued “Why take away something that has so many benefits?”, and the affirmative did not present a convincing enough case. The adjudicator was very encouraging and gave great feedback. Mr Mac and I could not have been more proud, with the team’s performance exceeding even our expectations. Talk about rising to the challenge! We returned home a happy busful, the team probably grateful to not have to perform minute speeches on emissions trading schemes, climate change, pollution – as I subjected them to on the trip there. Two days before we had been given the broad topic area of “environmental issues” to guide our preparation... holey dooley, we did our best to cover a wide range of issues therein! So well done again team... the quarter finals will have to take place within the fortnight. Our Quarter final is against Penrith Anglican School with the topic area being Education.

Microsoft Home Use Program Available

Students are now eligible to participate in Microsoft’s Software Assurance Home Use Program (HUP). This program enables students to get a licensed copy of most Microsoft® Office desktop PC applications to install and use on their home computer.

Under the Home Use Program, students may acquire a licensed copy of the corresponding Home Use Program software (e.g. Office Professional Plus 2013) to install and use on a home computer. You may continue using HUP software while you are a student at school and as long as the corresponding software you use at school has active Software Assurance coverage.

To access the Microsoft Home Use Program Web site:
2. Select the country to which you want your order to be shipped to and choose the language for viewing the order Web site.
3. Enter your school e-mail address and insert the following program code 70855171B9.

*Note: This program code is assigned to your organization for our sole use in accessing this site. You may not share this number with anyone outside the organization.*

4. Place your order online, and it will be available to download for $15.

We trust you will enjoy this benefit and look forward to your participation.

**Canteen Assistant - Position Vacant**

The Kinross Wolaroi School Parents and Friends (P&F) auspice and operates the KWS School Canteen. The Canteen is staffed by a Canteen Manager and Canteen Assistant, assisted by volunteers, and operates during the school term. The Canteen Assistant position has recently become vacant and we are seeking to fill this position.

The Canteen Assistant position is part-time, working Wednesday to Friday from 10.30 am to 2 pm. A fourth day may also be required and this would be negotiated with the successful applicant.

The position is under the Independent Schools NSW (Support and Operational Staff) Multi Enterprise Agreement 2011-2014.

The Position Description including Selection Criteria is available from Karen Tyrrell, ktyrrell@kws.nsw.edu.au. Applications addressing the selection criteria should be returned to Mrs Tyrrell by 5 pm, Friday 9th August 2013.

Questions can be directed to Kristine Battye, President KWS P&F, on 0418 787 364.

**P&F News**

In this weeks P&F News: School Canteen Assistant Vacancy, School Canteen Menu, Next P&F Meeting, P&F Survey, Contact details for the P&F.

Term 3 is shaping up to be another busy one, Hairspray finished (brilliant production), sports full bore, music exams coming up, cadets, bit of sly training for summer sports, ..... and then there’s school.

P&F is cranking up for the Term as well.
School Canteen Assistant Vacancy

We are seeking to fill the vacant canteen assistant position, and have placed an advertisement in the newsletter. We will seek to fill this internally in the first instance. If you are interested, or know someone that might be, please point them in the direction of the advert. The position description is available from Mrs West.

School Canteen Menu

The canteen started preparing and selling hot meals toward the end of last term and this is continuing in Term 3. There are usually three choices available each day – pasta, curry and soup. We would be keen for feedback from students, teachers and parents on the menu.

P&F Meeting

The next P&F meeting is on Wednesday 14th August at 7.30 pm. If you have any items you would like on the agenda please advise Jean Welsh, P&F secretary. Jean’s email is jwpnfssecretary2013@gmail.com. Alternatively, contact me.

P&F Survey

As I mentioned last term, we would like to conduct a survey of parents, friends and school staff to obtain your views on priorities for the P&F as an association to support the school and school families, and your thoughts on how we can increase participation in the P&F.

The short on-line survey is ready to go. You will receive an email from the school inviting you to participate in the survey. The survey will be open until Friday 23rd August 2013.

We would really like to hear from you.

Contact details for P&F

If you have any ideas, suggestions, issues you would like raised through or with the P&F please contact me.

**Hockey Reports**

*Minkey:* We got three goals. We did some warm-ups and learnt how to dribble. I was excited and happy when we played together. Thank you Mrs Key for coaching us. Olivia Lee

*Mods:* It was a sunny day to play Hockey on Saturday morning. We played against Cyms by 1—1, Jackson scored the goal, well done everybody. Joanne Zhang

**Netball Reports**

*U9 Bluebirds:* It was a very chilly -3 for our first game in five weeks. We all played well and had fun. Our team is starting to work really well together in attack. Ella Worsley

*U10 Firebirds:* On Saturday the Under 10 Firebirds played the OPS Swifts. This is the third time this season we have played them. We won by the biggest difference showing that we are improving as a team each week. Our shooters were Lily, Maddy and Lucy. There was lots of action in the goal circle and passing to each other to get goals. We had some wonderful defenders. A big mention to Catarina and Gabby for getting in front of their player like Mrs Pengilly has told us. In the centre court were Brooke, Gabby, Annabel, Grace M and Lily. Well done to all of our players today for getting the ball to the goal circle. The final score was 10 – 2. We’re on track for getting in to the Semis. Thank you to Maddy Szich for playing on her week off and filling in for Olivia. Thanks to Mrs Pengilly for coaching us. Lily Anderson

*U10 Magic:* On the weekend the KWS Magic set out for a fantastic game. Great defence, passes and goals led to a very successful win. Thank you to Mrs Whiteley, umpires and parents for being supportive throughout the game. Lizzie Kwa

**Rugby Report**

*U112’s:* The boys played some terrific Football against Oakhill’s 13D’s. Again giving away size and strength to the older boys they scored 3 terrific tries to be leading 17-10 during the 2nd half. A strong finish by Oakhill saw them run away as the victors 32-17. A classic try featuring 12 or 13 (who’s counting) pick up and drives saw the boys take the play from our own 22 m line. A big thank you to Sosaia, Jesse and Monty for their willingness to play for our team. We now look forward to games against All Saints Bathurst at KWS on Friday 9 August after school, followed by our Tudor House tour.

**Football Reports**
**U6 Cubs:** The KWS Cubs took to the field at PLC on Saturday and carried on with their winning ways this season. There were some great positional play and defence in the middle of the field from Ava Rouse who received the player of the week. The team also put together some great goals including two fantastic long range goals. The Cubs are playing as a unit and are starting to look like a real soccer team. Congratulations to the whole team. Jack Paix

**U7 Tigers:** We played CYMS Purple who were great to play against & we had very equally matched sides. Sam Fabar showed excellent defence & kicked one goal. Liam McKenzie was great at stopping the ball with some very fancy footwork! Will Knight also had excellent defensive skills. Angus Pengilly kicked two goals both times from the middle of the field and was great at stopping the ball with his head. He was player of the match. We had so much fun. Angus Croft

**U7 Pumas:** It was a sunny morning at PLC for our game against CYMS Red. Andrew May, Jet Lin and Charlie Gill were good in defence in the first half of the fast paced nail biting game. CYMS got lucky and scored once in the first half. Charlie Gill scored a really good goal during half time - but it didn’t count. Ollie Perkins’ goal from the sidelines did count, levelling the score at one all. Harry Munro was Player of the Week and I think the whole team played really well. Thank you Mr McRae for all your good advice! Campbell Miller

**U8 Taipans:** On Saturday the Taipans played CYMS Gold. We had a fun time playing the game. We were pretty good at stopping the goals and defending. Sadly we lost our game of football, but there is plenty to work on this week at training. Jackson Essex

**U10 Roar:** On a sunny Saturday morning Under 10 Roar set out to play a great game of soccer. When the game started, the opposition quickly scored two goals, but in the second half we really put on a punch. First, Jack Smith scored a goal, later, Jack Weeks scored a goal. The game ended up being two-all. Special mention to Ziggy and Jonty for being spectacular goalies.

**U11 Rangers:** On Saturday we ran out on to the field with a confident feeling after training hard all week. Our attack was brilliant with some great shots from everyone and tremendous defence by the backs and midfielders. At half time we were down 3-2 but with some great determination, we crept out on top for a 5-4 victory over Waratahs Nashdale. Well done boys and we will be looking forward to having Mr May back as a coach. George Cumming

**U11 Jets:** The Jets fought hard against the Milthorpe team but we sadly lost. Our awesome goalies saved a couple goals and the mids worked really well to get the ball up to the strikers. Unfortunately we didn’t score any goals but it was still a great game and there were a couple injuries but we’re all fine now. The score was 6-0 Milthorpe way but we all enjoyed the game. Also the backs were a good defence for us. Jameson Tyrrell
