- Jacqui Paix

HSC Music Encore

We have received the fabulous news that three Y12 students, Annabelle Carter, Rebekah Kwa and Olivia Fisher have been selected to submit their repertoire for Encore which is a Music program for outstanding performances and compositions from the HSC Music examinations. This is wonderful recognition for the abilities, skills and level of achievement for the students and the staff who have overseen and assisted them. On behalf of the KWS Community I congratulate all involved.

Staffing 2014

Jane Sampson has accepted a 12 month contract in 2014. Jane is completing a 6 month contract this year and is a former student of Kinross Wolaroi School with a Graduate Diploma of Education Secondary and a Bachelor of Arts majoring in History, from the
University of New England. In addition Jane has a TESOL Foundation Certificate and a Diploma in Teach International. Jane has previous experience as a teacher overseas having worked at the Singapore International School in Hanoi Vietnam. In addition, Jane has been a tutor for Indigenous Students at Armidale High School. Jane will continue teaching junior Latin and History.

Nathan Zinga who replaced Catherine Litchfield in the Science Faculty during Term 3, has accepted a 12 month contract in 2014. Nathan has a Graduate Diploma in Secondary Education in addition to a Bachelor of Applied Science from Charles Sturt University. Nathan has undertaken contract teaching positions at James Sheahan High School, in addition to previous experience teaching Science at a range of schools in the United Kingdom in 2007 and 2008. Nathan also has a background as an Agronomist and Soil Surveyor. Nathan’s teaching load in 2014 will include a range of subjects across Agriculture, Woodwork and Science.

Annie McRae will return from her 18 month extended Maternity Leave, to a part time position predominantly in the secondary school. Annie will also continue her involvement in the Prep School including a co-curricular role. We are pleased to welcome Annie back to KWS.

Katie Sinclair has been appointed to a part time permanent role as the Prep Music Co-ordinator. The excellent work that Katie has undertaken over the past 18 months including the Prep Choirs will be continued. We are thankful that we are able to maintain Katie’s skills and expertise on staff.

Boarders’ News

This week in Boarders’ News: Contacting your child’s Boarding House, Central West Dragon Boat Challenge, Boarders’ Church Services and the On-line Leave System.

Contacting your child’s Boarding House

To contact your child’s boarding house at any time you should ring the house office phone, as listed below. If the staff member on duty is not in the office at the time you ring, your call will be diverted to the staff member’s mobile phone. The House mobile phones that you may have previously used are now disconnected.

The House Office phone numbers are:

Loader - 02 6362 8629
Miller - 02 6360 4216
New - 02 6362 0394
Stuart Douglas - 02 6361 7358
Trathon - 02 6392 0413
Woods - 02 6392 0274

Back in top flight

3 October, 2013
Central West Dragon Boat Challenge

The Kinross Wolaroi Boarders will once again be competing in the Central West Dragon Boat Challenge at Lake Canobolas on **Sunday 17 November**. We are hoping to enter three mixed crews and one boys’ crew and one girls’ crew. Kinross Wolaroi Boarding has entered a number of crews in the challenge in previous years with great success. We always have a great day out at Lake Canobolas and it will certainly be a highlight of the term for the KWS Boarding community, so please remember this date when you are arranging weekend leave for your child. Your support at the lake would be very welcome if you are in Orange for this weekend.

Boarders’ Church Services

There will be two Boarders Church Services held this term, on Sunday 27 October and Sunday 1 December. The December service will also include communion. If you are in Orange on either of these weekends you are more than welcome to join us for the service at St John’s Uniting Church, on the corner of Kite and Sale Streets, commencing at 10.00am.

On-line Leave System

I am aware that many of you have experienced some difficulties with the on-line leave system. It is our hope that the system will provide greater security for your child when they are out on leave and therefore I encourage you to continue to use the system where possible. Any problems that you have will be addressed by contacting the Director of Information Services, Mr Darryn Marjoram on 6392 0465.

Alistair Miller
Director of Boarding

---

**Year 7 Classes 2014**

In 2014 we are making some changes regarding the structure of Year 7 classes. In short, we are moving away from rigid ability streaming towards mixed ability classes. This move is as a result of wide discussion and consultation with staff bearing in mind the best interests of all students entering their first year of secondary school.

**Benefits of mixed ability groupings in Year 7**

- In Year 7 there is a whole fluidity of interpersonal issues and sometimes during the year it can be beneficial to adjust a class placement (without having to be concerned about the issues of streamed classes).

- Grouping according to academic ability for later years can be done with a higher degree of accuracy due to the range of educational experiences and assessments throughout Year 7.

- Class sizes can be managed and balanced for subjects that have Work, Health and Safety considerations.
• Classes can be balanced based on gender and boarding status.

• Students coming from a small school are exposed to the full range of academic abilities within the cohort. This encourages peer acceptance and allows students to experience many subjects in an environment where they are not labeled by their class placement.

• Streaming in one subject does not become streaming across a range of subjects due to logistics and timetable restraints.

Notes:

• If there are students who are identified as needing substantial support in Literacy, they can be clustered into a few classes to enable improved support from Student Academic Services.

• Mathematics will still be run in separate courses but will be unstreamed within each course. For example, if there are three classes doing the advanced pathway, then these three classes will be unstreamed. The classes doing the intermediate pathway will also be unstreamed.

Paul Mirrington
Director of Teaching and Learning

KWS Alumni Dinner

Due to circumstances beyond our control, the Alumni Dinner set down for November 2nd has been postponed until the middle of 2014. We sincerely apologise for the inconvenience this may cause some patrons, more details as to the new date and event schedule will be available in the new year.

Paul Tierney
Director of Development

NAPLAN Analysis

Parents of Year 3, 5, 7 & 9 students will shortly receive their child’s NAPLAN results for 2013. From the School’s perspective, the results were very pleasing and confirmed the high standard of literacy and numeracy focus and development.
I take this opportunity to outline a brief analysis of the school’s overall results. In every year group and in every category, the school scored a higher mean than the state.

Click here or on the picture to open a PDF version of the NAPLAN Analysis.

Yooie Choi
Director of Learning & Enrichment

Vaccination Program 2013

Each year NSW Health works with education authorities to offer the vaccines recommended for adolescents by the National Health & Medical Research Council (NHMRC). Nurses from Greater Western Area Health will be visiting the school next on:

Wednesday 30 October
All Year 7 – Hepatitis B Dose 2 and HPV Dose 3
Year 9 Boys – HPV Dose 3

This is the last vaccination date for this year.

If you have any questions/concerns regarding the vaccinations please contact Michele Fulton at the Western NSW Local Health Network on 6339 5185.

KWS History Tour 2014

The centenary of First World War (1914-1918) [London, WW1 Battlefield Sites, Paris, Munich]

Do you enjoy history and want to see some famous historical sites?
Then this tour is for you!

The History Department is organising a tour of Europe to
Organising a tour of Europe to coincide with the centenary of the First World War.

**Dates:** During the School Holidays - Sat 20th September to Fri 4th October

**For more information:** See Mr Choi (Bennett Building) or go to the Front Office to pick up an information letter (to register your interest) and attend an information session held Thursday 31st October at 5:15pm in Room 23.

Limited places (first-in, first served) and only for Years 9 to 11.

An experience not to be missed!

**Heartkids Rugby Cup & Clinic**

Earlier this year we tried to Organise a Heartkids Rugby Cup and Clinic for all of our young keen Rugby players. We came up against a few hurdles but I am very pleased to say that the NSWRU have sanctioned our event and we are all systems go to hold the **2013 HEARTKIDS RUGBY CUP & CLINIC**.

The calibre of player that will be here at the clinic will be outstanding with most players holding either NSW or Australian Honours. This is a wonderful opportunity for our young players to be exposed to the skills that they will bring and teach our country players.

After the clinic there will be an exhibition match between the Deadwood Team and an “Invitational Central West Team”. The Central West team will be selected from clubs around the Central West with a mix of experience and youth who will have the rare opportunity to play a team with so much experience.

The best part about the Heartkids Rugby Cup is that we are raising money for a fantastic cause in Heartkids and all money raised will stay in the Central West for family out here suffering from Childhood Heart Disease. My son was born with Heart Disease and has had over 7 Heart Operations and he is only 7 years old. There are many families within the Rugby community that have been touched with Heart Disease out there so I hope we can all get behind this Exhibition match and come and support this event.

**HEARTKIDS RUGBY CUP AND CLINIC**

**Clinic**  
**Date:** Saturday 2nd November 2013  
**Time:** 1:30pm - 4:30pm  
**Where:** Emus Rugby Oval  
**Cost:** $35.00 inc clinic and entry into Exhibition match.
**Pre Match Entertainment and Kids match**
Time: 5:00 - 5:30pm
BBQ and more available.

**Exhibition Match**
Deadwood Vs Invitational Central West Team
Where: Emus Rugby Oval
Time: 6pm followed by presentation night
Cost: $5 Entry.

If you could please pass this information on and help support this opportunity to have these players here in Orange it would be greatly appreciated. I cannot bring these players here without the support of the Rugby community.

Can you please get all players to fill in the Registration Form (see below) and return with money. Please find detail below or on the bottom of the registration form.

**Cheques:**
LIFESTUD Pty Ltd

**Cash:**
Please drop off at LIFE Studio
120 Hill Street ORANGE NSW 2800

**Eftpos:**
LIFE STUD Pty Ltd
SUNCORP ORANGE
ACC: 506148948
BSB: 484-799

Please put Childs name as reference and send form and receipt to mardi@life-studio.com.au or 120 Hill Street ORANGE NSW 2800.

There are limited spots and all forms and money must be received prior to the registration date.

Looking forward to seeing all clubs there and I thank you for your support in Advance.

**Staff News - Jacquie Paix**

I have recently received a resignation from Jacquie Paix from her current position as part time teacher of Learning Support within the Preparatory School effective as of the end of this year. Jacquie’s expertise and skills will be greatly missed by the students and staff of KWS.
Jacquie has made an enormous contribution to KWS for over 28 years. During this time she has worked predominantly in Learning Support and was the Co-ordinator of K-2 for a period of time implementing many initiatives which greatly benefitted the Prep School and was of invaluable assistance to her team.

Jacquie was instrumental in introducing the Spalding Method into the Preparatory School. She undertook vast amounts of training and professional development to become the KWS expert in this field. Jacquie’s effort in training staff and assisting them with the implementation of Spalding has been enormous. Since this early beginning, the Spalding Method has become fully embedded as a part of the learning process for literally hundreds of students.

Jacquie has made a wonderful contribution to the co-curricular program coaching Hockey, Netball, Tennis, Football, T-Ball and Softball. Jacquie has also written plays for our Years 3 and 4 including "Feeling Peckish" and "Country Hicks and City Slicks" which were greatly appreciated by students, staff and parents, in addition to a K-2 show called “Sail the Seven Seas”.

Given Jacquie’s extraordinary length of service, I acknowledge the many years of dedication that she has given to KWS. We will have an opportunity to appropriately farewell Jacquie later in the year.

I take this opportunity to thank Jacquie for her enormous contribution over the years to KWS.

Brian Kennelly
Principal

What does the School Psychologist do?

Everyday problems such as school stress, relationship troubles at home or with friends and coping can have a significant impact on your daily life. Dealing with these issues is very important to enjoying life, having good relationships and achieving to your full potential at school.

The School Psychologist can help with these problems. Psychologists are experts in human behaviour, especially how people learn, think, feel and behave. Psychologists work with you to help you develop and better use the skills needed to function well and to solve and avoid problems.

Issues you may want to talk to the School Psychologist about include:

- School, family and relationship problems
- Stress and coping
- Anxiety, fears, phobias and panic attacks
- Mood issues / Depression
- Loss and grief
- Problems managing your anger
- Sleeping difficulties
- Eating problems
· Classroom issues including concentration, learning and behaviour
· Bullying
· Self harm
· Dealing with traumatic events
· Substance use
· Developing a positive self image.

The School Psychologist will listen to you and work with you to help you address what is worrying you. Often people know how and what to do, they just need some support in doing this. Other times, counselling will help you to learn new skills, behaviours or ways of thinking to function better and avoid ongoing problems.

How do I make an appointment to see the School Psychologist?

1. Call into my office to make one directly with me
2. Your parent may phone to request an appointment
3. Your Tutor or Head Tutor can request an appointment.

Rebecca Anderson
School Psychologist

P&F News

Next P&F Meeting

The next P&F Meeting will be held tonight, Wednesday 16th October from 7:30pm with a Teleconference Option.

The meeting will be held in the Videoconference Room. The Video Conference Room is in the Library/ICT building on the lower ground floor underneath the library. Entry is from the eastern side of the Library building, next to the grassed area beside the pool.

The meeting commences at 7:30pm, and we will aim to conclude by 9pm. The agenda will be on the P&F section of the website by 14th October, see: http://www.kws.nsw.edu.au/ff-pfminutes.

The key agenda item for this meeting is planning for 2014, drawing on the findings of the P&F Survey. A copy of the survey report can be found at: http://www.kws.nsw.edu.au/assets/pdf/Parents_Friends/2013/PF_Survey_Report_Sepember_2013.pdf

A discussion paper for this meeting will be posted on the P&F section of the website by Monday 14th October. If you would like a copy emailed to you please let Jean Welsh know and we can include you on the P&F database. Jean’s email is: jwpmfsecretary2013@gmail.com.

We hope you can attend.

Boarder Parents and “Out of Towners” - Opportunity to teleconference into P&F meeting

The P&F meetings in October and November 2013 will be held by teleconference. We are trialling this format and hope it will be a mechanism for boarder parents and those living outside Orange to.
If you are calling into the teleconference please dial in about 7:25 pm using the number linked to the state you are in. Most people will use the Sydney number, but you can also call in if you are interstate.

To join the teleconference:

Dial the appropriate dial in number (see table below).
On request, enter the Guest access code. The guest access code is: 19137159#.

**Phone Numbers – Local Capital City Numbers**

Sydney - 02 96960774
Adelaide - 08 8220 0836
Melbourne - 03 8779 7440

Canberra - 02 6210 0851
Darwin - 08 8989 0817
Gold Coast - 07 5560 0956
Hobart - 03 6218 0647
Perth - 08 9460 0829

This information is also on the KWS website in the Family and Friends Section under P&F: [http://www.kws.nsw.edu.au/FF_PFAssco](http://www.kws.nsw.edu.au/FF_PFAssco)

The teleconference call is billed to the P&F.

**Assistance for Orientation Day for 2014 Year 7, Saturday 9th November**

The Orientation Day for the 2014 Year 7s and their families will be held on Saturday 9th November, 2013. The P&F is assisting the school to cater for this. We will be looking for volunteers to help with preparing and serving a light lunch. Details to be finalised but assistance around mid-morning to lunchtime would be appreciated. We will also be asking for contributions of slices or cakes to add to the fare. If you can help, please contact Jean Welsh or myself.

Friends of Music Secretary

Basketball Report

KWS 1st Girls Basketball Vs The Sliders Lost 45-27

As the old guard move on more young guns are called up into the 1st Basketball Team. The KWS 1st Girls Basketball Team will continue to slug it out in the top grade, the Open Women 'A' Grade Competition. The early signs were promising and at the end of the first quarter the girls led 10-9. Nikki Collins (Captain), Sarah McIntyre, Tamika Simpson and Sophie Gullifer led the way and asserted their experience. The second quarter did not go our way and in the end this quarter was the difference as the Slider put on 11 unanswered points. To the girls credit they never gave up and were not prepared to be pushed around. Evie Jackson worked hard in defence and proved to be a real inspiration under the basket. Chloe Upcroft improved with every minute she spent on the court. Her commitment to defence and teamwork was exceptional. We look forward to the challenges in the coming weeks. Well Done Girls!

3 Points – Nikki Collins
2 Points – Tamika Simpson
1 Point – Chloe Upcroft

Huon Barrett

Athletics State Championships

The NSW All Schools Athletics Championships were held in Sydney last week. KWS had 7 students competing and impressive performances were recorded by all. In what was is a highly competitive environment, our students maintained composure and competed well.

Medallists included:

Hamish Sheehan, Silver in the 15s 400m
Brigitta Holland, Silver in the 16s Hammer Throw
Kelsey Gray, Bronze in the 14s 2000m Steeplechase

Other fantastic results included:

Jemma Barrett, 10th in 13s Triple Jump
George Jackson, 4th in 15s Long Jump
Jack Ridley, 5th in 15s Triple Jump
Talor Hamilton, 7th in the 16s 400m

National All Schools is organised in 2 year age divisions; 13s, 15’s, 17s and 19s. As such, Hamish moves through to the Australian Schools Championships to be held in Rockhampton later this year.
We’d like to congratulate all our KWS Athletes on another great season and wish Hamish all the best in the lead up to Nationals.

Cricket News & Reports

The season launch was held on Friday afternoon. It was great to see so many players turn up for the 20/20 matches and the free barbeque and drinks put on by the KWSCC.

It was an absolutely prefect afternoon for cricket and it was wonderful to see such a great turnout. Thanks to the Cricket Club workers who did a great job with organising the barbeque and feeding the players. It was fantastic to see many of the KWS Girls team having a warm up game prior to this start to the season proper on Saturday. Thanks to the coaching staff who organised the multitudes of super keen players who turned out for game on Sally Kennett.

Saturday saw the Round 1 of the ODCA and ODJCA Competitions. This year KWS has six junior teams and four senior teams competing in town competitions.

After some discussions with ODCA, the KWS 1ST X1 will stay in the First Grade Men’s competition. KWS 2ND X1 play in the ODCA 2nds completion which will split into two grades after Round 1. KWS 3RD X1 play in the Centenary Cup along with the KWS Young Guns.

The results at the weekend were extremely encouraging with the KWS 1ST X1 recording a great win over Centrals. Charles Litchfield with a 65 n/o and on field Captain Toby Polkinghorne guided the run chase after the bowlers dismissed Centrals for 134. Captain of Cricket Andrew Johnson took an incredible one handed overhead catch on the boundary to turn the game. The KWS 2ND X1 scored a big total of 219 and then dismissed the opposition for 29. Peter Crisp shone with a very good display of batting. The Young Guns also had a great win and the KWS 3RD X1 had a tie with CYMS. The match reports contain more information on these games.

In the juniors the boys and girls had some tough match ups and were a little rusty so early in the season. The highlight of the round was the start of the KWS Girls in the junior boys competition. And what a start they made! Have a look at the match report below.

Congratulations to all our representative players with Angus Cummings, Fletcher Rose and Charlie Greer making the Mitchell representative teams. Three of our boys are also travelling to the Sydney Cricket Ground nets this week for the Under 15 ACIES Selection Trials. Good luck to all these players Hugh Britton, Angus Cummings and Charlie Mitton.

Can I lastly put in a plea for assistance. Each team needs to have a
scorer and an umpire to assist in junior games. It is too big a job for the coach alone so if you can give some support to the coach it will be greatly appreciated. If you are interested in taking on the team coordinator role please contact Phillip Dodds. These positions will be filled at the next KWSCC meeting. Team coordinators help us get information out to team members and their families and organise helpers to support coaches on game days.

**KWS 2nds Report**

It was an excellent day for cricket and whilst the team was full of new faces this season there was no sign of nerves or tension amongst the group. KWS was asked to bat and Stuart Crisp (19) and Rowan Wilson (23) saw of the new ball relatively easily. Will Olsen and the lower order all added scores in their teens whilst Peter Crisp played the standout innings of the day. It was an innings full of confident stroke play and maturity. Each ball was played on its merits and the bad balls were dispatched to the rope. He remained not out on 65 and was ably supported by Charlie Cooper's late innings cameo.

With a score of 219 to defend on a ground with relatively small boundaries the match was still in the balance. It would take some tidy bowling and great support in the field to be assured of victory. That is precisely what happened. After blistering spells by Will Olsen (3/13) and Charlie Cooper (2/5) the opposition was in disarray. There was a team hat-trick at one stage and Charlie Cooper fell agonisingly close of a personal hat-trick. A change in bowling brought an end to the innings as some tidy bowling by Hugh Elbourne (3/5) and Scott McKellar (1/2) ended the game.

The attitude and commitment of the team can be summed up by the fact that all catches offered were snapped up and the opposition only lasted 9 overs. The most pleasing aspect of the performance was that the players did just as the coaches Stuart Crisp and Mr Smedley asked. They batted out the 40 overs and the bowling was full and straight.

**Matt Smedley**

**KWS 3rds Vs CYMS Kelly's Centenary Cup - a Tie!**

What a way to start the season. A tie 137 a piece at the end of the allocated overs! KWS won the toss and batted and posted a good score from the allocated 32 overs.

Xavier captained the team and led from the front posting a patient 47 with a couple of big sixes and a steady flow of boundaries. He was well supported by Shaun who scored a solid 27. Edward Hogg batted well at the top of the order.

CYMS innings got off to a good start despite some tight bowling by John
Aitkens. Louis Carr was introduced into the attack and after his 7 overs he had 5-22 and KWS were in the box seat until a couple of lower order partnerships put the result on a knife’s edge. With one over to go and a wicket to fall CYMS need four to win. A single, a no ball and a last ball two looked to have got CYMS home but a check of the scorebook showed that the Match had indeed ended in a TIE!

It was a fitting result to a game that was played in a great spirit. Well done to all the KWS players and special congratulations to Louis Carr on his 5 wickets. Indeed it was big weekend for the Carr family with McKenzie Carr taking four wickets for the KWS girls team in the morning game. Louis claims be taught Mckenzie everthing she knows!

Under 13s Girls Vs Orange City

A very enthusiastic group of girls turned up early on Saturday morning for their first foray into competitive cricket. With a good number of players it was decided that all the girls would rotate in the field with a select 11 getting a chance to bat and bowl but with a rotational policy in place for each week in order to give everyone a go. This week under the guidance of Captain Melissa Frappell the team won the toss and took to the field. We selected Jocelyn Date, McKenzie Carr, Annabel Sheehan, Zoe Watt, Alice Litchfield, Lizzy Silvester and Nikki Collins as the bowlers with the other girls, Ally Thum, Matilda Starr, Lilian Murray, Molly Plant, Georgia Booth, Annie McLaughlin, and Amber Smith sharing fielding duties. Melissa Frappell and Ally Thum shared keeping duties. The girls started very well with Jocelyn and McKenzie bowling with the new ball. After a few early chances McKenzie broke through with an early wicket and followed this immediately with another; her hat trick ball was wide of the wicket unfortunately. The other girls bowled well but let in a few too many extras, something they have to improve upon in the coming weeks. Eventually Jocelyn broke through with a wicket and McKenzie returned to take two more getting figures of 4/12, Lizzie Silvester chimed in with a late wicket to leave Orange city at 6 for 128 after their 28 overs.

The girls then padded up to bat losing Melissa early for a duck, however they soon got their eye in and were able to bat quite well with Ally and Annabel hitting some strong boundaries. Nikki Collins top scored with 9 before retiring. The girls reached a respectable 6 for 82 at the conclusion of play. Despite the loss the girls were full of enthusiasm for the result and are looking forward to next weekend.

Bowling:
J Date 6 overs 1/12
M Carr 6 overs 4/12
A Sheehan 5 overs 0/16
Z Watt 2 overs 0/9
A Litchfield 1 over 0/6
E Silvester 4 overs 1/15
N Collins 2 overs 0/0
N Collins 4 overs 0/29

Batting:
M Frapell 0
N Collins 9 not out
A Thum 4
J Date 3 not out
A Litchfield 0
E Silvester 2
A Sheehan 8 retired
Z Watt 4
M Starr 0 retired
L Murray 5
M Plant 0

WAS Tennis Report

WAS Tennis - KWS1 Vs KWS 2
Round 1 12/10/13

KWS 1 Junior Vs KWS 2 Junior Won (Sets 5-1 Games 35-13)
KWS 1 Intermediate Vs KWS 2 Intermediate Won (Sets 4-2 Games 32-16)
KWS 1 Senior Vs KWS 2 Senior Won (Sets 5-1 Games 31-17)

Last Saturday the KWS 1sts, Intermediate ‘A’ s and Junior ‘A’ s competed against the KWS 2nds, Intermediate ‘B’ s and Junior ‘B’ s. Both teams performed strongly throughout the day with a number of close matches. The 1sts won 5 sets to 1, the Intermediate ‘A’ s won 4 sets to 2 and the Junior ‘A’ s won 5 sets to 1. Well done to Luke Petraglia, Talor Hamilton Chris Watt and Joey Thomas for winning their singles 8-0. Congratulations should also go to Chloe Oates and Claudia Conran who won the only match for the 2nds 6-2.
