Learning Matters

Effort Grade Descriptors

All school reports will include an Effort Grade Descriptor (EGD) to give parents more of an idea of how well their child is performing in class.

The school supports academic effort in the classroom as a key determinant of success. The overall engagement and learning within the class requires effort and in order to foster and encourage student’s application in the classroom, the EGD will hopefully give good feedback and better gauge student performance.

We want students to master knowledge, achieve understanding and apply relevant skills. We want students applying themselves more by ‘doing’ the work. We want them to be more engaged, asking questions, writing notes, submitting practice papers….we want more classroom effort, we want more learning sweat! As any athlete or musician would know, in order to improve, one must practice, train and study, all the time!
Therefore, by focusing on academic effort, we hope to raise the academic rigour in the classroom and encourage the development of committed and determined students. I hope that this addition in the reports will provide parents with a good discussion point to improve academic effort in the holiday period and in the new year.

Year 12, 2014 Holiday study program

Last Tuesday, I had the pleasure of sharing with interested Yr12s and their parents the basic principles of forming good study and organisation skills. **One of the key messages was to plan ahead.** In the highly acclaimed best-seller "7 Habits of Highly Effective People" by Stephen R Covey he points to a critical issue facing many procrastinators. The issue is time management! He points out that highly effective people tend to focus on **"important work which is not urgent".** Too many times, we put off non-urgent important work for unimportant work. The result is what he describes as ‘crisis’ situations. Spending too much time on important work that is urgent is exhausting and often produce less than desirable results.

Now let’s project into the new year. We are near the end of Term 1, 2014 and for Yr12s, their Half Yearly Examinations are just around the corner. **For many students who have ‘put-off’ study until the last minute, will now enter ‘crisis’ mode.** They will attempt to write notes and cram information in the vain hope that it will ‘stick’ and be easily recalled. This is of course, is a risky proposition which may have worked in junior years but not in senior years. Unfortunately, whilst we can all see this ahead of time, many students will nevertheless fall into the same predicament. They will inadvertently cram in a panicked state, with higher than normal stress and anxiety levels. As you can see, this is not conducive to good learning or review.

**The good news is that this crisis can been avoided!** One needs only to plan ahead. One such means for the student is to complete their Term 4, 2013 notes during the holiday period and adopt a balanced study program during Term 1, 2014. The time leading up to the exams should be a calm and measured process using a combination of practice papers, re-reading and annotating notes. **Planning ahead will also avoid cramming.** Cramming is nothing more than pouring water into a glass already half-full only to see the water spill out on top. Any new information gained is due to the loss of old information!

Therefore, I encourage seniors to use their holiday break wisely. To not only relax, unwind and rejuvenate but also to utilise their time for some much needed catch-up and note-taking. Summaries should be re-read and notes should be in-depth and thorough. Previous Assessments should be re-worked and BOS syllabus dot-points should become familiar territory. I am often asked how much should senior students work in the holidays and as a guide, I recommend at least 1 week in December and 1 week in January. I believe this is doable and a worthwhile exercise. If we are to avoid crisis situations then we need to do more important, non-urgent work, like study!

WAS Tennis Report

KWS had another very successful round of tennis, winning in all divisions except for a narrow loss in KWS Intermediate 2nds going down 21 games to 27.

KWS 2nds team played against Saint Stanislaus College 2nds in Orange and consolidated a very successful overall win. The Senior division played strongly winning 6 sets to 0. Congratulations to Claudia Conran winning both her singles and doubles with Sophie Manson 8-0.

KWS 1sts team played against The Scots School and despite not having a senior team dominated in both the intermediate and junior divisions 6 sets to 0. A special mention must go to James Conran and Colleen Crayford who both easily won their singles 6 games to 2. Also well done to Jack Willis who won both his singles and doubles 7 games to 1 with defensive play in the Junior division.

Overall, again KWS tennis players showed great skill and agility on the court and should all be proud of their efforts.

Tennis Coaching Clinic

A Tennis Coaching Clinic for Kinross Wolaroi Students will be on from Monday 9th December until Wednesday 11th December from 9:30am until 12:30pm each day.

For more information please contact Alison and Darren on 0414 428 875.

Rowing Report

Last weekend was a very busy one for the Kinross Wolaroi rowing team. Three crews participated at the Scots Regatta on the Saturday and the entire team of 92 competed at the Independent Schools
Rowing Association Championships Regatta on the Sunday. Both events were at the Sydney International Regatta Centre at Penrith.

At the Scots Regatta, the year 8 boys rowing in the Year 9 First Coxed Quad Scull, the Kinross Wolaroi crew rowed well for a sound 4th place in their race. In the Schoolboys Third Four, the KWS senior boys second four rowed very strongly to win both of their races. In the school first eights event the Kinross Wolaroi crew rowed soundly for a 4th place in their race.

The ISRA regatta was held at Penrith for the first time in a lot of years, over one day rather than its traditional two days, but still produced some very demanding and exciting competition.

The year 10 boys led the way in their coxed quad scull event, coming 2nd in the second division and winning in the first division. The year 8 girls followed this with three 2nd places in that the 3 divisions of the Schoolgirl Year 8 Coxed Quad Scull. The year 8 boys went to little better, winning the 3rd division of the Schoolboy Year 8 Coxed Quad Scull, and gaining a 2nd places in both division 2 and division one.

The girls in the Year 11 single and double sculls both recorded 3rd places as did Nicola Thomas in the Schoolgirl Championship Single Scull. In the Schoolgirl Championship Double Scull Georgina Uttlley and Madeline Hawthorne rowed strongly for 2nd place. In the Schoolboy Four events, the Kinross Wolaroi crews came 2nd in both second and first division.

In the Year 9 Schoolgirl Coxed Quad Scull, the three Kinross Wolaroi crews rowed creditably for 4th places in fourth and third divisions and 2nd in first division. Their male compatriots in their corresponding events came 4th in second division and a most impressive 1st in first division. The year 10 girls in the Year 10 Coxed Quad Scull events came 2nd in division four, 4th in division three and 1st in division two.

In the Schoolgirl Championship Four event the Kinross Wolaroi crew came 3rd. The boys crews in the Schoolboy Championship Quad Scull events came 2nd in division two and won in a most convincing manner in division one. The year 8 girls quads then had their finals which reduced the extremely pleasing results of a 4th by the KWS3 crew in the B final, a 3rd a 3rd in the A final by the KWS2 crew, and an excellent win in this same A final by the KWS1 crew. In the A final of the corresponding boys events the to Kinross Wolaroi crews came 2nd and 4th with very pleasing performances.

Immediately after lunch Jocelyn Date decisively won her Year 9 Single Scull, with her teammates in the year 9 Double Scull managing 5th in their final. In the corresponding boys events, the Kinross Wolaroi competitors managed 4th in the Single Scull and 2nd in the Double Scull.

The year 10 quad sculls then had their finals. In the B final of the girls events, the KWS2 crew came 4th and the KWS1 crew came 2nd in the A final. The boys followed this with a 3rd in the B final by the number two.
In the schoolboy Year 11 single and double scull events the Kinross Wolaroi entrance came 4th in both. In the Schoolboy Single Scull Championship Joe Yeomans performed extremely well against competitors somewhat older than him to come 3rd in the event. Ben Watt and Nedd Yeomans then won the Schoolboy Double Scull Championship in a most impressive manner.

Maggie Yeomans then followed on from her brothers in the Schoolgirl Year 8 Single Championship with a very pleasing 3rd place. She was followed in the corresponding double scull event with a fine win to Ailish Seedsman and Thea Allen. In the year 8 boys events to Kinross Wolaroi entrance came 4th in both the single and double scull races.

In the finals of the year 9 coxed quad scull events, the 2 Kinross Wolaroi entrance in the girls C final came first and 3rd, while the top crew in the A final came 3rd. Their teammates in the boys events both qualified for the A final where the top crew came 3rd. Kate Hall rowed well for 2nd place in the Year 10 Schoolgirls Single Scull, as did Rebecca crisp and Sophie Broadley in their corresponding double scull event. Peter Alston and Hamish Ellis-Peck also came 2nd in the Year 10 Schoolboys Double Scull.

In the Schoolgirls Champion Coxed Quad Scull, the second Kinross Wolaroi crew won second division, and top crew came 2nd in division one.

The afternoon finished with an excellent performance by the Kinross Wolaroi crew in the Champion Schoolboys Eight event to win after a very hard tussle, with a significant improvement from their performance on the previous day.

Overall, Kinross Wolaroi crews won 13 gold medals, 20 silver medals and 9 bronze medals from the 76 races of the ISRA regatta. In addition the team won the Co-educational Schools Points Score trophy for the regatta.

In what was probably the biggest regatta of the season for the rowing team, the parental support and assistance was, as always, exceptional and freely given, contributing greatly to the successes of the day.

**Cricket News**

This week saw another full round of cricket played in Glorious weather. The KWSCC put on two barbeques one on Friday at the ODCA Royal Bank Cup games that featured the 1ST X1 and the 13s Girls and 13 Boys teams and then again on Saturday when all the teams in the Senior’s played at home. Special thanks to all the members of the Cricket Club who organized the barbeques and fed the boys and girls.
The Saturday afternoon games saw some great cricket played.

On Tuesday this week 3rd December KWS plays Dubbo Christian School in Round 3 of the Douglas Shield in Dubbo. The team needs to build on the solid win against St Paul’s. The team departs at 7am next Tuesday morning.

**Highlights of the week**

**The 1ST X1 win in the Royal Bank Cup**

The 1ST X1 win in the Royal Bank Cup on Friday evening under lights at Wade Park. The team dismissed Gladstone/Metro for 119 and then chased down the total in the 18 over with only 3 wickets down. The 1ST X1 Captain Toby Polkinhorne scoring a great 37. He was well supported by the top order Cameron Williams 28 and Sam Nicholls 25. Charlie Cooper was the pick of the bowlers with 3-13 off his four overs. Once again the boys fielding was a feature of the win. This qualifies the team for the next round in this competition.

**13’s Girls Team**

Have a look at the great photo of the girls at Wade Park last week.

![Photo of the girls at Wade Park](Image)

The team are going from strength to strength and some girls are now playing Rep cricket for Mitchell. Unfortunately Mc Kenae Carr who is the Clubs leading wicket taker was absent for Friday’s photo. Thanks to Mr Morrissey and Mr Gavin who did a great job with the 20/20 match on Friday.

**Wibur Shield Win for Year 9 and Under team.**
Great win to the Wibur Shield today. A big cheer when up when Louis Carr hit the winning runs. Scores to follow. This was a very good team effort in a nail biting finish. The side was very well captained by Hamish Sheehan 37. Special thanks to all our supporters and Jarrod Rose for his scoring. The Centenary Cup experiences have certainly given our players a lift and they have more confidence in the school games. Thanks to Phil Dodds and Jarrod Rose for their work in this area. The benefits were very obvious today.

Young Guns Win Over The Mighty 3Rd X1

The Young Guns continue their great run at the top of the Centenary Cup competition. The Young Guns bowled tightly to dismiss the 3Rd X1 for 104 on KWS Sharpe. They then passed the total with Young Guns Nath Vautorous 53, Tom Hall 25 and Charlie Mitton 25 batting beautifully to secure the win. Some outstanding fielding by the Young Guns was the key to their success. Thanks to Mr Blyde and Mrs Goddard for scoring and the Hogg family for providing soft drinks each week for the 3Rd X1

Big Scores

The big scores posted by the KWS 16s teams in the ODJCA day one of the round. KWS 16s scored 280 runs in 36 overs and the KWS 15s scored 235 with Charlie Greer scoring a 80 I am told. I look forward to both these teams bowling well to secure wins this weekend.

Strong Win for 2ND X1.

The seconds posted a strong win last weekend and are trying to secure a place in the top four of the ODCA competition before the competition splits into Second grade and Third grade for the remainder of the season. The next two rounds are crucial for the 2ND X1.

The contribution of the KWS boys to Orange and Mitchell cricket.

Many of our players and their parents are making wonderful contributions to the local association Representative Program.
Congratulations to Charles Litchfield on his invitational selection for
ACT team who played the West Indies last week.

A reminder to all 1ST X1, 2ND X1 and Wiburd Shield team to play Shore
boys to let the coaches know about availability for all holiday games.
Good luck to all teams this weekend.

KWS Girls Vs KWS Prep

20/20 22nd November Wade Park
Day 2 Round 6 - 23rd November

A very busy week for the girls on the cricket field saw them facing the
Prep school twice in one week. The girls were invited to play a 20.20
game as a curtain raiser to the first grade game at Wade Park on Friday
evening. Once more the girls held their heads high with some strong
individual performances and terrific team spirit. It must be said that the
team spirit with this bunch is the best I have ever seen and it is real
pleasure working each week with these great kids.

The girls lost the toss and took to the field. Jocelyn Date started a little
looser than usual but soon tightened up the bowling and took an early
wicket. The boys, led by Bradman Gavin scored well but the girls kept
the pressure on and the talk coming. Georgia Booth was soon very
excited to claim her first wicket with a plumb LB, she complimented a
good afternoon in the field with a good run out later in the innings.
Annabel Sheehan took the other wicket for the girls with a good straight
delivery. They ended with the prep school scoring 4/101.

Batting on a turf pitch for the first time presented some issues but soon
the girls got the hang of the bounce and started to score quite
freely. They managed to get 8/41 with some strong batting from Georgia
Booth and Lillian Murray.

The next day the girls had to bat out 50 overs to get 104 runs after a
sporting declaration from Mr May and the KWS prep team. This action
in the spirit of the game was a very welcome offer and we thank Mr May
for this sportsmanship. The girls started well but lost quick wickets to
run outs, always the way when chasing and calling and running
between wickets is agenda item number one next training. That being
said Melissa Frappel hit herself into form with a great 12 scoring two
scintillating boundaries. The girls were eventually taken to be all out for
52, 52 runs short of their target.

Our next game will be against Orange City at Brendan Sturgeon as the
long run of games against the Prep school comes to an end.
