ONLINE AUCTION TO HELP THE FAMILY OF TAYLOR MARTIN

Get your bids in now!

As most of you know our beautiful Taylor Martin from Year 11 was tragically taken from us a few months ago. Taylor was originally diagnosed with Glandular Fever however it was actually an aggressive cancer that took hold of Taylor within four short weeks. All that knew Taylor remembers her as fun-loving and an angelic soul who touched everyone around her. Taylor’s mum, Monique has a very tough road ahead, as well as being a single mother to Taylor’s younger sister and brother.

An online auction has been organised to raise funds for Monique’s family to help with the devastating loss of Taylor. Please show your support, love and thoughts by going online and putting in a bid or two…. there is something for everyone in this auction including music, art, travel, books, sports memorabilia, things for the kids and much, much more.

The auction will finish on 15 April so please start bidding now!

Also it is not too late to donate to the auction as we would appreciate any new items. Please contact Dione at anytime on dione@korr.com.au if you have any queries or would like to donate any items.

Thank you very much and happy bidding!

BASKETBALL REPORT

Major semi-final KWS Bulls Vs Bulls Lost 38-15

This was a game where a slow start cost us dearly. At quarter time we were down by 16-2 and despite our best efforts we were unable to make up the difference. Kyle was closely marked, often by two players, and struggled to trouble the scorers. Jack, Craig, and Blake worked hard at both ends of the court but also found the tight marking difficult to overcome. Paddy and Harry were solid in defence while Seb and Angus made some good moves in attack.

The loss means that we now face a sudden death final next week.

Patriots Vs PCYC Lost 66-14 in the Final

With only one game between The Patriots & the Grand Final the stands were filled & nervous players assembled for another season defining effort from the mighty Patriots.

The PCYC started well with their tall timber taking control under the basket to repel any attacking raids & then releasing the ball quickly to their talented point guard who capitalised on all turnovers.

The Patriots only really came alive in the 2nd quarter via the precision shooting of Jackson Ryan AKA “Goat” who obviously had no nil effects from his recent head collision in the Rugby Trial. He was ably supported by Billy, Benny H, Little Robbo & Kyle, who again had a blinder. The game failed to reach any dizzy heights but the Patriots no doubt surpassed their pre season goals by making the finals. For many Year 12 ‘s this was their last game of Basketball in the 2 blue colours & many clubs in the Central West will benefit from their skills in the future. There is a whisper that 1 talented player has already been approached to tour the USA - who knows if this leads to us watching him make it in the NBA??
ROWING REPORT

The National Regatta (The Sydney International Rowing Regatta)

A Team of 36 Kinross Wolaroi rowers participated over the period Monday 18th March to Sunday 24th March at the Sydney International Regatta Centre. The team was based in Wallacia, involving a 20 minute commute to participate. Team members rowed each day both competing and preparing for further competition.

Kinross Wolaroi crews were only involved in two events on Monday. The crew in the under 19 men’s coxless pair came 4th in their heat to progress to the final later in the week. The KWS crew in the under 17 men’s coxed double scull came 4th in their heat to go to the repechage.

Tuesday began in the afternoon with the repechage of the under 17 men’s double scull which was won by Zac Whitehead and Joe Yeomans to proceed to the semifinals. In their heat of the under 19 men’s coxed four the KWS crew came 3rd and so had to proceed via the repechage. The KWS crew in the under 19 men’s quad scull came 4th in their heat and so had to continue into the repechage. A little later the girls in the under 17 women’s coxed quad scull rowed superbly to comfortably win their heat to progress to the semifinals. Their compatriots in the corresponding men’s event also won their heat to go into the semis.

Wednesday began with the repechage of the under 17 men’s double scull where a 4th place qualified the KWS crew for a place in the final. Shortly afterwards the KWS crew in the under 19 men’s coxed four won their repechage to qualify for the final. Their compatriots in the under 19 men’s quad scull performed similarly to also qualify for their final. In the repechage of the under 17 women’s coxed quad scull, the KWS second crew came 5th and so were eliminated from their event. In the under 17 men’s coxed quad scull, however, the KWS crew came 3rd and so qualified for the semifinals.

Thursday started with a solid row in the final of the men’s under 19 coxless pair for 5th place by the KWS crew in the morning. After lunch was the final of the men’s under 19 coxed four, where the Kinross Wolaroi crew stroked by Hugh Alston were very narrowly pushed out of medal contention into 4th place in a good race. In the semifinal of the under 17 women’s coxed quad scull, the crew stroked by Meg Crouch came 2nd in their semi-final to qualify for the final. The top boys crew in the corresponding men’s event also progressed to the final with a 3rd in their semi-final - the 2nd KWS crew were eliminated in their semi-final.

The heats in the school championship events then commenced. Year 9 student Kate Hall in the schoolgirl single scull championship led the way with a 2nd in her heat to progress directly to the semifinal. In the schoolgirls coxed four the KWS crew came 2nd in their heat to proceed directly to the semifinal. In the schoolboys coxed four a 3rd place similarly progressed the boys to their semi-final. The Kinross Wolaroi senior boys top crew convincingly won their heat of the schoolboy coxed quad scull championship to proceed directly to the final, with the 2nd crew, managing only 6th place, having to proceed via the repechage.

Friday provided an afternoon of finals in quad scull racing for the Kinross Wolaroi team. The girls in the under 17 women’s coxed quad scull rowed well for a solid 5th place in their final, followed immediately by the boys in their corresponding event with exactly the same result. The Kinross Wolaroi crew in the men’s under 19 quad scull came 6th in their final finding the depth of opponents in state composite crews a little hard to match.
Saturday began with the second Kinross Wolaroi senior boys quad coming 2nd in their repechage to also qualify for the final of the schoolboy coxed quad scull. After the Interstate Regatta, where two former Kinross Wolaroi rowers represented New South Wales, the semifinals of the schools championship events continued. In the single scull Kate Hall’s 6th place progressed her to the B final. In the schoolgirls coxed four the KWS crew managed a 4th place to progress to the final. An impressive win in their semi-final of the schoolboys coxed four similarly progressed their male compatriots to their final.

Sunday was finals day, beginning with the B final of the schoolgirls single scull for Kate Hall where she achieved a fine 5th place against a field all considerably older than her. After the World Cup events and lunch, the finals of the Schools Championship events were held and the Kinross Wolaroi crews really stepped up to the mark! The girls led the way in the schoolgirls coxed four with a tremendous improvement in performance by the crew of Madeline Hawthorne, Georgina Uttley, Meg Crouch, Nicola Thomas (stroke) and Siobhan Herbert (cox) to take out 2nd place in their final, winning a national silver medal. They were followed by the boys in the schoolboys coxed four championship with a strong row by Alex Amos, Lloyd Lockwood, Logan Brockmann, Hugh Alston (stroke) and Kellie O’Connor (cox) gaining them 3rd place and a bronze national medal behind two Victorian schools. The day finished with the A final of the schoolboy coxed quad scull, where Eden Taylorwood-Roe (stroke), Luke weeks, Ben Watt, Tom Whitehead and Ross Alston (cox), rowed superbly to win by a clear margin and thus gain our gold medal for the National regatta. The 2nd Kinross Wolaroi crew in this event also performed excellently to come 5th in the final.

Overall, the team won 1 gold medal, 1 silver medal and 1 bronze medal at what was undoubtedly one of the largest and strongest, in terms of depth of competitors, ever at the National regatta. A total of 15 students came home with a medal from this Championship.

A large group of parents attended the Regatta and supported the team both morally and materially in providing breakfasts, lunches and dinners each day of competition, despite the difficulties posed by the theft of our 2 trailers on the first evening.

CRICKET REPORT

KWS 2nds Vs Orange City

In what has been both exhilarating and exhausting season for the KWS 2nds it all came down to just 2 wickets. The Grand Final was but a pipe dream seven weeks ago as the team had to win the last two games of the competition to make the finals series. For those of you who have been following the fortunes of the team you will have noted the single mindedness of the team as they scrapped and scraped, and at times dominated the opposition to take their place in the Grand Final.

Orange City were to be the opponents and with 133 points for the season verses 70 for KWS it was always going to be difficult. Orange City had not lost a game all season but the KWS boys were not to be daunted. KWS were sent into bat and a few quick wickets saw them reeling at, an Australian like, 3/43. It was up to Andrew Johnson and Cameron Williams to put their heads down against a very consistent attack as they added 81 runs for the 4th wicket to leave the score at a respectable 4/123. Hamish Sheehan (25no) also helped to steady the ship, but unfortunately the tail was more like that of a gecko's than a dog, and it fell away sharply.

City would have been very happy with chasing 164 for victory as they had passed that score with increasing confidence throughout the season. With 14 overs left to bowl on the 1st day the KWS boys were out to take some quick wickets. Whilst the City openers rushed to 31, and heads were dropping, in rushed Hugh Britton to take 2 wickets in 2 balls and for the last 5 overs of the day. There was the scent of blood in the air.

Day 2 dawned bright and the early session was punishing as the City pair moved to 83 without loss needing just 81 runs with 8 wickets in hand. Andrew Johnson picked up a wicket after the break and with a quick run out the pressure was back on City. Dave Pratten took a great catch to further punish City and with Gus Griffiths tying down one end the City team was looking increasingly desperate. At lunch the City team now needed 40 runs with only 4 wickets in hand.

KWS kept up the pressure with tight bowling and appeals the order of the day. With another couple of wickets taken, the equation was this. City needed 17 runs and KWS needed 2 wickets.

Unfortunately, there were no more wickets taken. It was a fitting finale for Gus Griffiths, Jack Yeomans and Damian Hill playing in their last Orange District cricket games. They were all able to show great leadership and guidance on the field. For the youngsters from years 9 and 10 it was an excellent introduction to men's cricket.

Thanks to all the parents who supported the team this year with extra special thanks to Stuart Crisp and Dave Pratten for teaching the lads things about cricket that I will never understand.
