Principal

Head of English

It is my pleasure to announce the appointment of Amanda Sheahan as the new Head of English for Kinross Wolaroi School, effective from January, 2014.

Amanda has a Bachelor of Arts from Macquarie University with a double major in English and Critical and Cultural Studies. Amanda is an honorary member of the Golden Key National Honor Society in recognition of her outstanding scholastic achievement. Amanda has extensive experience in positions of responsibility as a Year 11 and 12 Pastoral Care Co-ordinator, a Careers Advisor, a Vocational Education Co-ordinator and Acting Co-ordinator of English on various occasions.

Amanda has taught in a variety of schools mostly within Sydney. Most recently, over the last 8 years, Amanda has worked at Holy Cross College in Ryde. Amanda is a proven professional educator. She has extensive experience as a marker of HSC English in the following areas - Standard, Advanced and Extension 1 & 2.

Amanda has had significant co-curricular experience including, debating, football and basketball coaching. In addition, Amanda has been involved in the Creative and Performing Arts programs including the annual Shakespeare Globe Youth festival with significant success at State, National and International levels.
I congratulate Amanda on this appointment and look forward to welcoming her to the School to begin in 2014.

Head of Senior School

I had the pleasure of attending the bivouac at Parkes last week. The nights were chilly but the overall experience was terrific. I was delighted to see so many students having such a great time – it is obvious that the challenges faced in terms of comfort, rest and food are helping to develop a strong resilience and sense of teamwork and friendship amongst students. Being obliged to move out of one’s comfort zone, although perhaps not fun, leads to a tremendous sense of achievement and personal satisfaction. Thank you to parents for supporting and encouraging your children as they move through the Cadet program.

The Music Camp too was a great success. There were three days here at school of intense preparation and rehearsal, culminating in a concert on the final afternoon. Much new repertoire was worked on, including Carnival of the Animals by Saint-Saëns, with the orchestra under the baton of Ms Innes. The orchestra, Chamber Choir, Chamber Strings and Symphonic Winds Ensemble took part in this camp.

Year 9 students not involved in the camps performed Community Service and Year 10s did Peer Support training, while Year 11 had an academic program to help them as they transition to HSC studies. My thanks go to all staff who worked so hard on all these activities.

On Wednesday this week Year 11 will attend RYDA. This is a program run by the Rotary Clubs of Orange (in fact it is a national initiative of Rotary) to raise awareness of safe driving and responsibility on the roads amongst young people. The program will take place at Towac Park racecourse and it is a full-day series of workshops and hands-on experiences. The police, ambulance staff and other experts give of their time and expertise in the hope that we can reduce the very sad accident toll amongst young drivers. Students will travel to the racecourse by bus from school and return in time for normal bus runs in the afternoon. They should be in full school uniform and day students should bring their own packed recess and lunch.

At the end of Week 4, Year 9 students will take part in the Rite Journey Abyss solo challenge at the McCallmans’ property at Cumnock.
Permission notes have gone home so please ensure that these have been completed and returned with all relevant medical and other information. Students who experience hay fever symptoms should be taking medication now to build up some resistance and should have anti-histamines with them on the challenge. The same applies to students with asthma. The Abyss is a terrific period of reflection and personal challenge without any technology or direct, face-to-face contact with others and past students have found it to be a very powerful experience. Full details are in the letter which has gone home with the permission note.

I wish you all a terrific week.

Boarder’s News

Welcome to “Boarders’ News”, a column designed to keep parents abreast of developments in Boarding.

* On-Line leave

Thank you to all parents who are actively using the new on-line leave system and thank you also to those parents who have taken time to test the new system and provide feedback. Since term 1 2013, the following numbers of on-line leave requests have been processed in each Boarding House:

- Loader - 94
- Miller - 27
- New - 127
- Stuart Douglas - 60
- Trathen - 193
- Weymouth - 573
- Wolaroi - 134

As a result of your feedback, and additional feedback from the Heads of House (HoH): The Boarders Leave system has been upgraded. The new system is being rolled out early term 4 and features of the upgraded system include:

- Changed the back-end to work as a database. This has removed the Data corruption issues.
- There is no lock-out period. The leave system is always live and new leave requests become visible to HoH when saved.
- Ability for HoH to see if there are any comments in the grid view
- Much easier interface for HoH
The parents who have volunteered to test the new system have provided positive feedback about the new system. Some features of the new system to benefit parents are listed below:

- A confirmation email is sent to parents’ nominated email address at the point the leave is submitted
- More information is provided in the confirmation (to allow parent to distinguish from prior leave requests)
- Multiple browsers are supported
- Calender date picker (pop-up window)
- No more advertisements (from free-web hosting company)
- No more unwanted pop-ups
- No blocks from virus checkers

If you have had a bad experience with the old on-line leave please give it another go. It is very important to provide feedback to the Director of Information Services Mr Darryn Marjoram or request help if the Boarders Leave System is not working for you. Mr Marjoram can be contacted on 6392 0465 or dmarjoram@kws.nsw.edu.au.

* Our boarder parents are no doubt all aware of the speed restriction of 15 kph when driving through the Wolaroi site or the PLC site. From time to time you may be aware of other visitors to both sites who may not be familiar with this speed restriction, and for the safety of all our boarders and boarding families please remind them to slow down.

* The Kinross Wolaroi Boarders will once again be competing in the Central West Dragon Boat Challenge at Lake Canobolas on Sunday 17 November. We are hoping to enter three mixed crews and one boys’ crew and one girls’ crew. Kinross Wolaroi Boarding has entered a number of crews in the challenge in previous years with great success. We always have a great day out at Lake Canobolas and it will certainly be a highlight of the term for the KWS Boarding community. Your support at the Lake would be very welcome if you are in Orange for this weekend.

Director of Boarding

2014 Year 12 Assessment Information

Students entering Year 12 in 2014 recently signed for and were given the following handouts:

2014 HSC Assessment Policy and Procedures Handbook, Assessment Timetable, Assessment Planner and individual subject Assessment Grid.
The Assessment Policy and Procedure Handbook is a handy reference for any assessment questions that may arise as the HSC year progresses, especially for submission of tasks and absences.

The Timetable and Planner shows at a glance when assessment tasks will fall and at this stage the actual dates for any Term 4 2013 tasks.

The documents are also available on the School Website by clicking on the link: http://www.kws.nsw.edu.au/ff-PPandforms#Academic or by going to the website and clicking on ‘Family and Friends’ à ‘Forms, Policies and Procedures’ à ‘Academic’.

If your child did not receive these documents then please have them come to the main office and see Mrs Morcom.

School Photos 2014

I am writing to advise that in 2014 we will be changing school photographers to Cliff Dykes Photography from Cowra. We have chosen Cliff Dykes as, in addition to being local, they offer the latest in photographic processing with the opportunity for parents to be able to image download from the website. In addition, they have an efficient system that offer convenient online ordering, secure payments, direct delivery and a faster turnaround than the current process.

This change of photographer allows the parents to take charge of the ordering process. This change has resulted from discussion at a P & F meeting last year at which there were concerns raised over the number of photos that their children were ordering and the number that were reaching home.

I am hopeful that having a new provider for our photographs will allow a better and more efficient system for parents to access their children’s’ photos.

Bushfire Appeal Cake Stall and Muffin Fundraiser

Bushfire Appeal Muffin Fundraiser

Under the guidance of Robyn Marshall, KWS Food Technology classes are conducting a Muffin Fundraiser over the next few weeks.

Muffins will be $1 each and sold in batches of 5 with a limit of 10 muffins /family. To ensure that your order is filled, please email cbymes@kws.nsw.edu.au with your name and contact number, the name and tutor group of your eldest child and the number of batches required by Tuesday 5th November. Orders will be filled on Monday 11 & Tuesday 12 November COD. Details on collection of orders to follow.
Bushfire Appeal Cake Stall

In conjunction with the muffin fundraiser, we will be holding cake stalls on Friday 8 November, one stall in the Prep School and another in the Secondary area. We encourage as many families as possible to join in this event, students may contribute by baking goods, helping organise storage and sale of cakes or by making a money donation.

Please deliver cake donations on the day to either the Prep Staffroom or Front Office of the secondary school and please ensure all cakes are clearly labelled and nut free. Please use disposable containers where possible, these will be available from the Secondary and Prep Front Offices.

All funds raised from both activities will go to the Salvation Army Bushfire Appeal.

P&F News

The P&F meeting was held on Wednesday 16th November. This was the first time we trialled teleconferencing. Technology! We had a bit of a hiccup with the teleconference phone on loan – looks like a compatibility problem and will be sorted out. Fortunately there was a back up phone, and while the sound quality wasn’t good, we managed. I appreciate the perseverance of the 8 people we had on the teleconference. We will have the phone issue ironed out by the next meeting in November.

Key decisions from the meeting:

• Each year the P&F gives teachers and staff a small gift in appreciation of the work they put into our kids and the school. This year the P&F will make a donation of $1500 to the Yalari Foundation in lieu of the gift on behalf of the school staff. Yalari is a not-for-profit organisation that offers quality, secondary education scholarships at Australia’s leading boarding schools for Indigenous children from remote, rural and regional communities. Yalari’s founder is Waverley Stanley and you may recall that he was the guest speaker at last year’s Speech Day. We have a number of students at KWS that have Yalari scholarships.

• The P&F will host a Meet and Greet in 2014 in conjunction with the KWS Fair on the 28th February. The Sports Clubs and Friends of Music will be invited to link up with the P&F and Kris Battye will make contact with the Presidents of these clubs.

• Whilst the Meet and Greet is for all parents and families, there will also be a welcome event for the Prep School early in the year as well.

• Parent Liaison. Donna McIntyre and Michelle Szrich are going to establish a parent liaison “process” at the beginning of 2014. This will include developing a clear role description for the Parent Liaisons. Thanks for taking that on.

• Parent liaison is a bit more difficult in the senior school as parents tend to be involved through the various sporting activities and sports clubs. Kris Battye will speak with the club presidents to see if and how the P&F can work with the clubs to streamline and better integrate activities.

• Second hand sports show and equipment sale. This will be held as a stall at the KWS Fair. Therefore, any families with sports shoes, boots and equipment that are too small/ no longer used and still in reasonably good condition can be sold at the stall, with the P&F
retaining a small commission.

- **Meeting frequency 2014.** Meetings currently occur 2nd Wed of the month, but sometimes this falls on the first week of term. There are usually 2 meetings per term and sometimes 3. The P&F survey indicated preference for 2 meetings per term. Kris Battye will investigate constitution changes required to set meeting times to school terms – probably week 3 and week 7.

**Matters Discussed**

Brian Kennelly and Rob McLean provided reports to the meeting.

**Key points:**

- In the senior school Term 3 finished with Year 12 graduation day and ball. Term 4 started with Bivoac, music camp, community service and peer support training.

- KWS is commencing consultations for the new Strategic Direction. In addition to input from the School Council and teachers, input from parents while be sought in the middle of next year. The focus is on 21st Century learning.

- The Principal will update parents on progress with capital works in the e-bulletin.

- In the prep school, the new playground equipment donated by P&F has been installed.

- The prep school Open Day is on the 2nd November, and will have numerous interactive activities.

- Years 1,2,3 will be participating in NAIDOC week in October, this is being facilitated by the Indigenous Officer. KWS is also being applauded for its work with the Indigenous sector,

- Next year French will replace Japanese in Years 5 and 6

- The Arrows in the carpark have been re-painted. Options for improving car thoroughfare in this area is under investigation.

**KWS Fair**

Paula Elbourne and Kim Bryant are leading the planning for this. The Fair is on the after school and evening of Friday 28th February. They will be asking for people to nominate for the Fair Committee shortly and will advertise this through the newsletter/ e bulletin.

**Prep Open Day**

Michelle Szich, through the P&F will be running a sausage sizzle and is seeking volunteers to help. Jean Welsh contact person, and will forward details to Michelle.

**Year 7 Orientation Day**

This is on Saturday 9th November. The P&F in conjunction with the
This is on Saturday 8th November. The Fair in conjunction with the
school will cater for lunch. Seeking volunteers for food preparation for 1-
2 hours between 10 am and 1.30 pm. Jean Welsh contact person.

**Careers Forum 2014 – 12th June 2014**

Richard Cheney will take on the coordination of this event again, and
build on some of the innovative aspects of this year’s forum, in
particular inviting universities and having opportunities for
presentations.

**Second Hand Text Book Sale**

Seeking volunteers for book collection, Friday 29th November, and sale
day Tuesday 3rd December.

**Promoting P&F projects**

Receiving good feedback on the new BBQ, with plenty of use around
the time of the Year 12 finishing up. It was suggested that photos of the
new BBQ and Allenby Rd Bus Shelter should be included in the
quarterly newsletter.

**Agenda Items for next meeting, 13th November**

• Direct debit payment
• Raffle – will this be held in conjunction with Fair
• Stall holders/ vendors for Fair

*If you have items for the agenda please email to Jean Welsh, P&F
secretary.*

Preliminary feedback from people on the teleconference was that it was
great to be able to be involved through this medium. We need to make
sure the sound quality is good.

**Year 12 Students**

It is with great pride that I announce three of our year 12 Music students;
Annabelle Carter, Olivia Fisher and Rebekah Kwa have been
nominated to audition for the student Encore concert to be held at the
Opera House next year. This is a wonderful achievement and we are
very proud of you all!

**Music Camp**

On Monday, Tuesday and Wednesday of last week we held our music camp here at school. Students involved in Orchestra, Chamber Strings, Chamber Choir and Symphonic Wind Ensemble participated in full group and sectional rehearsals throughout the camp. All groups were working on new repertoire and held a performance for some parents and prep students on the final afternoon. A huge thank you to all of the staff involved for their outstanding leadership and also to the students involved for their fantastic attitude and effort.

**KWS Celebrates Music**

On Saturday 2nd November we will be holding a music concert which will showcase the wonderful work of our co-curricular ensembles. This will be a relaxed, family friendly event held in the amphitheatre behind the performance theatre. Please bring along a picnic blanket to sit on the grassy slope and enjoy the music. There will be a sausage sizzle and refreshments available for purchase. The concert will begin at 12.00pm and all students performing are reminded to arrive by 11.30am. Please contact the music office if you have any queries.

**Concerto Competition**

Application forms are now available for the 2014 concerto competition. Please come and see Ms Anthony in the Music department if you would like a form.

Have a wonderful week!

**KWS Weekend Cricket Results**

The weekend saw some great games played in beautiful weather. The grounds were very well prepared and looked fabulous.

The Girls team that was introduced this year continues to play well and they are very enthusiastic and keen to improve on their skills.

The senior teams met stiffer opposition at the weekend and it appeared that some costly fielding errors greatly influenced the outcomes of the matches.

This week the Dale Macintosh interschool 7-8 competition commences at 4pm on Sally Kennett with KWS playing Canobolas High.

This competition will run for the next three Tuesdays. On Friday this week the Year 9 and under team play Scots, Bathurst in Round 1 of the Wiburd Shield

which is a statewide knockout competition for Independent schools.

Congratulations go Hugh Britton who was selected from the ACIES trials to proceed to the Under 15 CIS trials.

Best wishes to Toby Polkinghorne and Charles Litchfield who have been selected to play in the NSW Country Championships over 3 days at the end of this week.

On Friday Night this week KWS 1sts X1 play in the pool game in the Royal Bank Cup at Wade Park. The Prep U 12 team will play Orange City in a curtain raiser.

It would be great to see our cricketers being supported on Friday so come along to Wade Park to watch some entertaining cricket and enjoy a barbeque tea.

KWS 3RD X1 vs KWS Young Guns

Quite simply the 3rds were outgunned by the KWS Young Guns and the team of fathers that play in father and son combinations.

The old heads that steer the young tear-aways played smarter cricket and the Young Guns amassed a good score of 6-183.

The lack accuracy of the 3rds bowling was the main factor as the old boys in Young Guns waited for the loose ball and pounced.

Bryce O Connor led the run chase with a solid 40. He was well supported by Shane and Cayden who built solid partnerships.

Accurate bowling by the Young Guns and poor shot selection cost the thirds and they fell short in the run chase.

Congratulations to the Young Guns on the win and it will be up to the thirds to bounce back in next match up.

**KWS U/14s Cricket Report**

The 14s went down in a low scoring affair against Cavaliers on Saturday.

Batting first, we could only muster 47 all out in the face of a disciplined bowling and fielding performance from Cavaliers. Fletcher Rosa was
Bowling and batting performance from Cavaliers, Fletcher Rose was the standout with the bat making 19 but unfortunately no one was able to build meaningful partnerships with him.

The boys responded in the manner you would expect. The first over saw some quick thinking from Jamie Abriasaf result in a run out and good bowling from Fletcher Rose (2 for 7 from 5 overs), Karl Fitzalan (1 for 12 from 3 overs), Ben Cooper (1 for 10 from 3 overs) and Lochie Hunt (1 for 8 from 2 overs) saw regular wickets fall and a distinctly shaky Cavaliers staggered rather than strode past our score finishing on 48 for 7 after 15 overs.

The boys should be commended on the fighting spirit they displayed in this game but we need to improve in many areas – in particular we need to work on building partnerships with the bat so we can post more competitive totals and chase targets down.

Thanks to all parents and supporters for their help on the day.

KWS Girls Cricket Report

It was another grand day out for the girls at Brendan Sturgeon oval for Round 2 of the OJDCA competition. This week the girls took on SJS (CYMS) and once more they proved competitive and indeed had the edge at certain times throughout the morning. One thing we seem able to do is make a good call with the toss and once more we asked the opposition to go into bat. Our opening bowlers Mackenzie Carr and Jocelyn Date once more took some wickets early to put SJS under pressure. First change bowler Annabel Sheehan took two more quick wickets and nearly had a third if her delivery hadn’t been called a no ball. Georgia Booth, Amber Smith, Annie McLaughlin and Lizzie Silvester also bowled well and our plan to reduce the extras in the field worked quite well. Mackenzie and Jocelyn returned to finish the innings with Mackenzie getting one more wicket and Jocelyn getting a nifty run out whilst bowling. They managed to keep SJS to 6/115 after their allotted 28 overs.

A new batting line up this week saw Amber Smith Annie McLaughlin opening and despite some fast bowling they were able to take some shine of the new ball before Amber fell for 1 run early. Lillian Murray then entered the fray and started to score reasonably freely to eventually carry her bat for 13. The middle order of Ally Thurn, Georgia Booth, Mackenzie Carr, Jocelyn Date, Annabel Sheehan, and Mackenzie Starr batted well but a late flurry of runs from an eager Alice Litchfield who finished with 8 not out. It was good to see her willing to call for runs and this is a great policy despite a few late run outs. Zoe Watt batted also for a quick single before being run out for 1. The girls managed to get to 9/61 after their 28 overs. Once more the girls were competitive and with some improved running between wickets and more urgency in the field they will start to turn heads with results.
