Rebecca has extensive experience in many areas of office administration and management. Her most recent position is as office Manager at Asquith Public School. Rebecca has qualifications in business studies and accounting. Rebecca is moving to the Orange area with her family at the end of this year.

We look forward to welcoming Rebecca and her family to the KWS community.

I congratulate the staff who have been selected and appointed to the above positions. I thank all staff who have applied and shown interest in these positions.

Staff Achievements

David Lee has been awarded a Masters of Information and Communication and Technology from Charles Sturt University.

Robyn Youll, Anthony Begg, Emma Jackson-Le Couteur have all recently accredited as experienced teachers by the Independent Schools Teacher Accreditation Authority. This is an extremely rigorous and thorough process which requires the teachers to demonstrate abilities and collect evidence of their teaching skills.

I offer my congratulations to these 4 staff members for all their efforts in increasing their qualifications and skills.

Speech Day Guest Speakers

It is my pleasure to announce the following Guest Speakers for the 127th Kinross Woloomo Annual Speech Day on Wednesday, December, 4, 2013: Professor Roger Robinson and his wife Kathrine Switzer.

Professor Robinson has combined a distinguished career as a literary scholar and educator with a sporting life as an international runner and expert writer and commentator in running. He became academic Pro Vice Chancellor of Victoria University in Wellington, New Zealand and also led a ground breaking review of New Zealand Schools English Curriculum.

Kathrine Switzer is an iconic athlete, sports and social advocate, author and Emmy Award winning television commentator. Kathrine was the first woman to officially enter and run the Boston Marathon. Sports history changed in 1967 when she officially entered and finished the famous race. At that time it was a men’s only event and in those days Kathrine’s entry created a world-wide uproar when the race director attacked her mid-stride and tried to remove her from the race. In October 2011, Kathrine was inducted into the USA National Women’s Hall of Fame for creating positive global social change.

We look forward to welcoming Professor Robinson and Kathrine Switzer to our 127th Annual Speech Day.

**Head of Senior School**

We are into Week 4 already; half-way through the term, really, and exams are only four weeks away for Years 7-10 students. It is amazing how quickly a year can fly by. It's almost time for those traditionalists amongst us to be making the Christmas pudding!

The RYDA day for Year 11 students was successful and I encourage parents to follow this up with serious conversations about safe driving and being a safe passenger. It is important that young people do not encourage drivers to speed or go beyond their capabilities in any way. The consequences can be tragic. If your child is driving to school he or she must have obtained the blue permission slip from the Principal’s PA. Please see to this process if you haven’t already.

On Thursday and Friday Year 9 students carry out their Abyss solo challenge. This will be character-forming in so many ways. Staff are vigilant but not ‘in the face’ of students so that they can get the most out of the experience. I am very grateful to the McCalman family for allowing us to use their property at Cumnock for this valuable part of the Rite Journey program.

Friday is a really busy day – we have the Abyss for Year 9, Medieval Day for Year 7 and an Extension 2 English day run by the State Library of NSW in our library. It is also Grandparents’ Day in the Preparatory School, so the school will be buzzing! If you can possibly avoid bringing your car onto the school grounds, that would be wonderful. Parking arrangements are in place but the fewer cars on campus the better on such days.

We are beginning to have Year 12 students finish up their HSC exams and it is a bit sad to see them for the last time as they come in to sign off their time here and collect their reference. Knowing that we have helped to shape such fine young men and women gives us all enormous satisfaction so I thank you for your trust in and support for the school over many years. Sixty-three families had their youngest child in Year 12 this year, so for many (staff and parents) it has been a very emotional time.

I wish you all a great week.

**From the Chaplain**

*The Pharisee, standing by himself, was praying thus, ‘God, I thank you that I am not like other people: thieves, roques, adulterers, or even like*
Familiarity with the Bible passages leads the reader to identify any reference to a Pharisee as the ‘bad guy’. It’s no surprise then that in this parable the tax-collector is the hero.

The parable concerns prayer. How do you pray? The Pharisee is a good man and by all accounts his prayer seems fair. In his life he does all the right things and even goes beyond what is expected of him. He thanks God that he is such a wonderful person… and there lies the problem. If there were Australians there listening to Jesus, they’d be saying; “Bit sure of himself, isn’t he?” The Pharisee rests upon the merits of his actions rather than upon the grace of God.

In comparison, the tax-collector, whom all Jews hated on account of the fact that he took money from his own people for the Romans and then extra for himself, repents. In reality he is a man who has simply done what he has had to do. He does not articulate his sins, but they obviously rest heavily upon his heart. Aware of his humanity, he abandons himself to the mercy of God trusting in God’s free grace.

The message from this passage is two-fold. Firstly, there is danger in regarding others with contempt. Further, there is additional risk in thinking I’m glad I am not like the Pharisee – that is exactly what the Pharisee does! We need to avoid trusting in our own ability and instead humbly stand in trust (not comparison) before God. In a culture that values individual achievement so highly, maintaining the balance of achievement and humility can be a challenge.

Secondly, there is no failure in attempting to be a good person and falling short of the mark. I recall reading in a book by Richard Rohr, *Falling Upward*, that by falling we learn how to get up. The tax-collector has realised that he is less than he should be. He has tried but he has failed. By trusting in God’s mercy and grace, he is “justified” by God (v.14). We do not know the consequences of his repentance. His plea for mercy, in order to be effectual, must issue in right behaviour in so far as he is able.

The two prayers highlight God’s preference for humility over arrogance. The parable concludes; “All who exalt themselves will be humbled, but all who humble themselves will be exalted.” In Paul’s letter to the Ephesians, he writes, “For by grace you have been saved through faith, and this is not your own doing; it is the gift of God.”

So, how do you pray? Do you pray? Can I suggest the following: pray first thing in the morning, maybe in the shower when your time is your own. Give thanks for the day that will be and ask God to be with you especially during the challenging moments. Then at the end of the day, sit on your bed before undressing, draw an easy, deep breath, exhale and relax. Give thanks for the day that has been. God knows what happened. Ask forgiveness if there were times you fall short of the...
happened. Ask forgiveness if there were times you fell short of the
mark. Allow yourself to accept his forgiveness and then give thanks
again.

Lord, our ways are not your ways. Our thoughts are not your thoughts.
Give us the means to trust in your Will and in your providence. Through
Christ our Lord, Amen.

Boarders' News

Welcome to "Boarders' News", a column designed to keep parents
 abreast of developments in Boarding.

* Congratulations to the following boarding students who were recently
 recognised at the NAIDOC awards ceremony in Orange. Moana
 Prescott Year 11 and Shania Sarsfield Year 7 were both recipients of
 awards for their academic effort, and Leilanie Andrews, Year 10 and
 Craig Simpson Year 8 were also nominated for academic awards.
 Graduating students Jade Ryan and Piper Thatcher also received Year
 12 awards at the ceremony last week.

* As many of you will be aware, building work on the new Recreation
 Centre at PLC and the new boarding house on the Wolaroi Site will
 commence very soon. I know that many parents of our boy boarders
 are wondering how the transition to the new boarding facility will take
 place and I am happy to share the following Transition Plan with you.
 This proposed model will come in to effect when Stage 1 of the two
 stage boarding house redevelopment is complete and end when Stage
 2 is complete. It is only in effect during the transition period.
 We anticipate moving in to the completed Stage 1 at the start of the
 2015 academic year
 The completed Stage 1 will then be referred to as Wolaroi House and
 what was Wolaroi House will then be referred to as The Wolaroi
 Mansion.

- Trathen remains Year 7 House (plus Year 11 leaders)
- The Wolaroi Mansion houses all Years 8 and 9 (and Year 11 leaders) up to 50
   students plus leaders.
- Wolaroi and Weymouth Houses become Years 10-12 houses only.
- 4 RAs and Gap student accommodated within The Wolaroi Mansion (north
   end) plus 1 academic support staff in Wol flat (downstairs).
- Year 11 Boarding Leadership Program to cover senior boarding / peer support
   roles in The Wolaroi Mansion and Trathen House on rotational basis (ie 1 - 2
   Terms in Jnr house) from which the boy boarding leaders are chosen.
- Boarder Leadership Program training course commences soon after the
   conclusion of winter sport and is 1 night a week over 4 weeks at the end of Term
   3.
- The Year 11 leaders actually commence the program in Term 4 Year 10 so the
Year 11 leaders are free to focus on the Preliminary HSC that term.

- Leaders act as supporting peers - not as duty staff. This distinction is fundamental to program.
- A strength of this model is that presuming this transition commences Term 1 '15 the only 'disruption' will be to the 1/2 a dozen or so Year 8 Weymouth boys who will do a year in Weymouth then move to Wol Mansion for year 9 - All Year 7’s will move to Wolaroi Mansion and the Year 8 Wolaroi House boys will simply remain in the house.
- Anderson (Wol) Cottage will become the Trathen Head of House Residence at the start of '15.
- Then Allenby Rd Cottage can be upgraded and rented if desired in '15.
- Year 7 do 1.5 hours prep in the academic support room adjacent to Trathen House.
- Year's 8 and 9 do 2 hours prep in the library.
- Year 10-12 will have desks in their rooms in both Wey and Wol and do 2.5 hours prep as dictated by their Head of House.
- Dinner would remain in 2 settings - Wol Mansion and Trathen 1st sitting (530pm) then Wey and Wol 2nd (6pm).
- Trathen and Wolaroi Mansion captaincy becomes a discussion point.

We believe this model does not contradict our philosophy of vertical integration being our preference - we see this as purely transitional and a hybrid form of what already exists. Boys will still be able to identify as Wolaroi or Weymouth boys, which is crucial.

Director of Boarding

KWS Bushfire Appeal- Car Wash

This Saturday November 2, 10am – 2 pm
In front of WEYMOUTH HOUSE, ALLENBY ROAD

Under the supervision of staff, senior students will be washing and drying cars for a donation of $10.

Please support this event. All proceeds will go to assist the victims of the Blue Mountains fires.

KWS Bushfire Appeal - Melbourne Cup Day

This year we are adding a new dimension to our normal Melbourne Cup Day fundraising. Students are encouraged to dress in “race day gear”, prizes will be offered to the best dressed filly, best dressed colt, best dressed couple and best hat.

In addition, we are running an extra fundraiser whereby staff are organised into “Faculty Teams” in advance and students can make donations towards their chosen team. The “winning team” will then wear school uniform on Cup Day whilst students will be in mufti.
Please really get behind this fun event and back the team that you would most like to see dressed up in school uniform.

The name of the winning team will be posted in locker areas each day this week. Senior students will be in the playground during lunchtime taking donations. If your team is not winning then you have the opportunity to donate more money to get them back on top. The team that makes the most money WINS???

All proceeds will go to assist the bushfire victims.

**Bushfire Appeal Muffin Fundraiser**

Have you ordered your muffins yet?

Remember orders close Next Tuesday 5 November and will be filled the following week.

Under the guidance of Robyn Marshall, KWS Food Technology classes are conducting a Muffin Fundraiser over the next few weeks. Muffins will be available in banana, apple & cinnamon or gluten free at a cost of $1 each and sold in batches of 5 with a limit of 10 muffins /family. To ensure that your order is filled, please email cbynes@kws.nsw.edu.au with your name and contact number, the name and tutor group of your eldest child and the number of batches required by Tuesday 5th November. Orders will be filled on Monday 11 & Tuesday 12 November COD. Details on collection of orders to follow.

**Bushfire Appeal Cake Stall**

In conjunction with the muffin fundraiser, we will be holding cake stalls on Friday 8 November, one stall in the Prep School and another in the Secondary area. We encourage as many families as possible to join in this events, students may contribute by baking goods, helping organise storage and sale of cakes or by making a monetary donation.

Please deliver cake donations on the day to either the Prep Staffroom or Front Office of the Secondary School and please ensure all cakes are clearly labelled and nut free. Please use disposable containers where possible, these will be available from the Secondary and Prep Front Offices.

All funds raised from both activities will go to the Salvation Army Bushfire Appeal.

Cricket Reports and News

Another good weather weekend saw the KWS teams playing in Round 4 of their competitions. Last week saw two good results in the interschool competitions.

- KWS vs Scot’s School Bathurst Wiburd Shield Round 1. Year 9 and under Scots 10-68 off 26 Cayden McGrath 4-16, Hugh Britton 2-10, KWS 3-78. Charlie Mortimer 41 no, Jack Ridley 19 Max Manson 8 no off 14 overs. The Man of the Match performance by Cayden McGrath saw Scots dismissed in the 26 over of the 40 over match. He was well supported by Hugh Britton. A good start by Jack Ridley 19 and a hard hitting 41 by Charlie Mortimer saw KWS reach the
target in the 14 over. Charlie actually scored a fifty as ewe played on past the matches end to give players a bit more of a hit out. A big Thank you to Jarrod Rose who did a great job with the scoring.

- The 7-8 team scored a solid win over Canobolas High school in Round 1 of the Dale Macintosh Shield. KWS scored just over the 100 after a good batting by Angus Cumming retired 30, Fletcher Rose and Charlie Mitton. Nathanael Varouras then took 4 wickets and Canobolas were dismissed for 62. Unfortunately Orange High School have withdrawn from the competition and so KWS will have a forfeit in the next round. They will then play James Sheahan in the match which will prove to be the final.

- Last weekend Charles Litchfield and Toby Polkinghome played in the Under 17 country championships. Charles and Toby posted some good scores with Charlie being selected for the NSW Country team to play NSW City at Bradman oval in November.

- Next weekend’s fixtures are listed below. These are available on the My Cricket app or the KWSCC website link. Player season statistics are also available as are the competition ladders and latest results.

  - At the KSWC meeting last Tuesday the following age coordinators were appointed to assist in communicating with parents and to provide support for the respective teams; Thanks to the club members who organized a Barbeque for teams last weekend. The boys really appreciate the lunch in between morning and afternoon games. Thanks to S Crisp in particular for purchasing all the food and drink.

**Cricket reports**

**KWS First Grade XI**

This weekend saw first grade playing on both the Friday night in a T20 against Orange City and on Saturday afternoon against CYMS.

- **Friday night** was our first T20 match under the lights at Wade Park for the season and for a lot of the boys playing. The game was against a well fitted and experienced side of Orange City, with the like of ex-students Jackson Coote and James Conn. Missing Toby Polkinghome and Charles Litchfield at Country Championships saw both the Peter Crisp and Stuart Crisp promoted into first grade. We won the toss and into batted first. Early wickets seem to be a common trait among first grade at the present time and they were not forgotten this game with Stuart Crisp falling early to Jackson Coote. After that a steady flow of wickets saw KWS all out for 76 with Sam Nichols (20) being the only batsmen to feel confident at the crease. Bowling was hard against the older, stronger and experienced batters but still we held them down. A great piece of bowling early saw Hugh Britton (1-8) take and early wicket, but it was a while between any other wickets. The next wicket to fall was in the 12th over when Andrew Johnson (2-26) bowled a double wicket maiden to put himself on a hatrick for the first ball of his next over, it didn’t happen and that over saw City score the winning runs.

- **Saturday afternoon** saw 1st grade face CYMS which had been suspected to be a close game. Bowling first hopes were high especially as the first wicket fell under the very capable hands of Hugh Britton (2-28). By drinks CYMS were 2-55 which may have let the boys relax too much. After drinks CYMS took to it taking apart the KWS bowling attack. The last over saw a team hatrick, with Andrew Johnson (2-14) bowling the last over, final three bowls were: caught, run-out, bowled seeing CYMS finish up on 7-169. With 169 runs to chase over 40 overs
the boys’ confidence was high. The batting started great with Stuart Crisp and Cam Williams with a good opening partnership but once again the curse of the early wicket found us. After the first wicket fell we lost 5 wickets for 24 runs despite this most boys batted well. By drinks KWS was 4-58 and it was realised that the run rate had to be picked up, unfortunately a few more quick wickets saw KWS just try and hold until the end. KWS ended up all out for 107. Well done to all the boys for the way that they have competed in the ODCA 1STS Men’s Grade competition.

Andrew Johnston

**KWS 3RDs Vs CYMS:** After a solid opening between Jack Ridley 19 and Sam Goddard 14 the batsman struggled. Two quick dismissals resulted in CYMs dominating the batting with some good bowling. Some lower order resistance from Neil O Connor saw the total reach 82. This was never really going to be enough but when the CYMS opener launched a big attack on the bowlers it was all over. The missed chances early on the innings really hurt and we will be spending a lot of time practising our fielding prior to the next match up. In the end this was a disappointing result and we need to do better.

**KWS 2nd X1:** It was to be a challenging day for the team and one in which it’s fighting instincts kicked in. Cavs were bowled out for 87 with Will Olsen(1/12), Charlie Cooper(3/16) and Rowan Wilson(2/14) the pick of the bowlers. The ground fielding and catching were also much improved.

Faced with some tight bowling by the Cavs opening pair the team crumbled to be 5/6 in the fourth over and then 7/14 in the seventh. Charlie Cooper and Hugh Elborne dug deep and whilst the did not score many runs whilst seeing off the Cavs openers they stayed there. Hugh was undone by the change of pace the spinner offered and drinks were taken at Kinross 7/50.

After drinks Scott McKellar and Charlie Cooper batted steadily but safely to take the last 38 runs in 5 overs. It was an excellent display by the lower order, made all the more impressive by the fact that the only wicket to spare was the inconsistent Mr Smedley.

**Round 4 - 2 November**

- OJCA:Under 16’s KWS 16S v Cavaliers Max Stewart Park
- OJCA:Under 16’s KWS 15S v SJS 16S Moulder Park
- OJCA:Under 14’s Millthorpe Junior v Kinross Wolaroi Sally Kennett Oval
- OJCA:Under 12’s Kinross Wolaroi v SJS PLC 1
- OJCA:Under 13’s KWS Girls v Orange City Brendon Sturgeon Oval
- OJCA:Under 13’s KWS 13’s v SJS Jack Brabham 4 (Synthetic)
- ODCA:First Grade Orange City v Kinross Riawena Oval
- ODCA:Combined Second/Third Grade Kinross v Gladstone KWS - Main Oval
- ODCA:Centenary Cup KWS Young Guns v CYMS Kellys KWS - John Shano
**Basketball Reports**

**KWS Bulldogs** Lost 16-47 and 13-36: The Bulldogs played their colleagues, the KWS Giants and a well organised town team in the past two days. Despite the size of these losses the score-lines do not accurately reflect each match. In each game the Bulldogs played well defensively, making it hard for our opposition to score cheap points. Interceptions and vigorous rebounding allowed us to turnover possession. In attack we were too impatient to score and the players off the ball did not move quickly to find space. Our passing was too easy to predict and often we failed to complete these. Despite having numerous shots ourselves our conversion rate was poor. Well done to Jordan, Melissa and Cassie who never eased off in trying to seize any advantage that was on offer.

**KWS Thunder vs KWS BOB** lost 18-14: This was a very hard fought game with KWS BOB jumping out to an early lead thanks to some dominant play under the basket. The Thunder were working hard but found it difficult to counter the height advantage of the opposition. The half time score of 10-2 was a true indication of the state of the game. The Thunder come out with a determined attitude in the second half, scoring three quick baskets that put them back in to the match. Pat and Donny made some good breaks while Bukhosi showed some excellent dribbling skills. Fin and Will were solid in defence while Zac was always a threat in attack. In the end time ran out with the final margin being 4 points. Congratulations to the boys for a fine effort. This team is sure to improve markedly over the coming season.

**1st Boys Basketball v Dark Sharks** Won 39-36: The boys started off the game slow easing into their lead. As we drew further into the lead we started wondering why the called basketball a non-contact sport when the dark sharks started to play dirty with a spear tackle on Nic Holman and myself copping a shoulder charge.

Great defence from Kyle Gibson and Nick Dunstan, and great rebounding from Lindsay Hartnig and Nick Holman helped keep us in front.

The Dark Sharks started to come back during the third Quarter. But with great defence and consistent shots the boys stayed out in front. Half way through the fourth Quarter it was neck and neck. With fouls being handed out to the opposition the boys kept their heads high.
It was a nailing biting finish and a game breaking shot from Ben "Gimli" Robinson that won Kinross the game by 3.

Special mention to coach Mr Curran for giving us inspiration each Quarter and to the great support from the KWS girls on the sideline.

Last Saturday the KWS 1sts, Intermediate ‘A’ s and Junior ‘A’ s competed against All Saints College at the Ex-Services Tennis Club. KWS performed strongly throughout the matches with a successful round of tennis. All three age groups won 6 sets to 0 displaying a dominant performance and setting the team up for another strong season in the division.

The KWS 2nds, Intermediate ‘B’ s and Junior ‘B’ s competed against Stannies’ A teams. It was always going to be a tough ask for KWS but the team displayed a fighting spirit. The 2nds lost 6 sets to 0, being outclassed by a reinforced Stannies team, the Intermediate ‘B’ s lost 4½ sets to 1½ and the Juniors lost 3½ sets to 2½, in a close battle. Although the results were unfortunate, the team presented good tennis conduct and always tried their best. Georgia Kocanda and Jim Boag played very well on the day and both teams should be proud of their efforts.
