Camps Week is just around the corner!

Stay Positive and Keep on Smiling

As we have almost reached the end of the term it’s easy to get run-down and look on the negative side of things. Well Year 7—Keep your chins up and keep on doing all the GOOD things you enjoy. Stay on top of your homework and keep excited and motivated in everything you do! Term 1 is drawing to a close and know you can keep on being the best possible students, friends and children you can be!

REPORTS ARE COMING OUT THIS TERM!

At the end of the term every Year 7 will receive an interim report. No marks or examination scores will be recorded on this report—those details will be in the Semester 1 reports sent out at the end of Term 2.

The interim report will outline your attitude and progress so far in each of your classes and will be a great guide for Parents as to how you have settled into your academic studies here at Kinross Wolaroi School.

Well Done to Jemma Barrett who was the third runner in a relay team that came 3rd in the finals at STATE little athletics in Homebush on the weekend!
