From the Principal this week:

• New Staff appointment
• Notification of withdrawal of students
• Student Medical Information

Staff Appointment

With Lorraine Moxey taking Long Service Leave in Term 4, Carmel Follent has been appointed as Lorraine’s replacement. Carmel will take over the majority of Lorraine’s music tuition students with a teaching load up to 0.8 which will also include a number of ensemble groups. Carmel is a highly experienced teacher with a Bachelor of Music from University of Queensland. Carmel is currently working at the Orange Conservatorium and before this worked at West Dubbo Primary School and Macquarie Conservatorium of Music.

Notification of withdrawal of students

As per the Conditions of Entry to KWS, a reminder that it is a requirement to provide one term’s notice, in writing, to the Principal for the withdrawal of a student from the School. In default of such written
notice a full term’s fees are required.

If parents have not yet finalised plans but are thinking of options for 2014 it is best to advise the Principal in writing. This information is vital to the forward planning of the School. We have an enormous number of current enrolment enquiries with significant interest for 2014. Providing a term’s notice allows the School to notify families that are awaiting entry to the School. Your cooperation is appreciated.

**Student Medical Information**

This is a reminder to parents to ensure that the School has up to date medical information for students. Failure to submit details will result in a student being precluded from involvement in planned school activities such as excursions, camps and external events.

Later in the year, you may be asked to complete further medical forms for specific events (for example, the Cadet Camp or a Sport and Recreation Camp). Please assist us in ensuring medical forms are completed for the school as well as external providers when requested.

If you have any queries about this please contact KWS Health Clinic staff on 02 6392 0376.

Thank you for your assistance in providing this important data.

**From the Head of Prep**

Dear Parents

Our students are presented with many opportunities across all areas of education and Kinross Wolaroi prides itself on its music program whether it be curriculum or co-curricular.

I was fortunate to attend ‘Magic Flute’ presented by the Australian Opera Company last week at the Orange Theatre and featuring 24 of our Koristers group (20 from the Prep). They have been rehearsing with their director Mrs Edwards over the past month and then were involved with the company last week. Their performance was outstanding and all involved were astounded at their singing, stage presence and behaviour. They were then invited to perform last Saturday night again at Dubbo. As the Director of the show stated ‘they are the best school group we have had the pleasure of working with’.

Congratulations to all involved, a terrific affirmation of the talent of our students and staff.

From the Chaplain

*Learn to do right; seek justice. Defend the oppressed. Take up the cause of the fatherless; plead to case of the widow.* Isaiah 1:17

*Truly I tell you, just as you did it to one of the least of these [those who are hungry, thirsty, a stranger, naked, sick or imprisoned] who are my brothers and sisters, you did it to me.* Matthew 25:40

*Over these past months I have been in a state of intense dis-ease over events being played out on the world stage: Israel’s response to the Hamas; ISIS atrocities in Syria and Iraq; treatment of asylum-seekers in Australia, in particular of children.*

*It is the latter issue that I wish to address (the others can wait) because this issue reflects on me as an Australian and as a Christian, and to say nothing, to do nothing, implies that I am in agreement with what is taking place. How can I be in agreement when Jesus instructs us to be otherwise and when even atheistic reasoning and humanistic logic would concur that what is taking place is immoral and unethical?*

*It would seem that many people shy away from this issue out of fear: fear of criticism from friends, fear of consequence to taking a stand, fear of obligation to act. Well, excuse me, but fear is a fabrication of the mind and it needs to be put in its place. When fear prevents good people from doing what is right… God help us all.*

*So, children in detention! Today the media released an announcement of “hundreds of children will be released” from detention centres within Australia by the end of the year and their refugee status will be processed while they are in the community. I remain troubled by the qualifications attached to the announcement:*
Only children under ten years of age will be released
• Only children who arrived in Australia before 19 July 2013 will be released
• Only children on the Australian mainland will be released

It would appear that this intended opiate for the conscientious objectors to what is a morally indefensible and internationally embarrassing policy that flies in the face of United Nations Human Rights Commission mandates regarding the treatment of refugees and children, is an attempt to douse the grass-fires of public objection to the Government’s current policy.

The negative effects of mandatory detention on children in particular are well documented. Dr Peter Young, the former mental health director of International Health and Medical Services, made this clear to the nation when sitting before the Senate enquiry a couple of weeks ago. In case you missed his report, he identified that 100% of children (there are over 1000 children in mandatory, indefinite detention) display symptoms of Post-Traumatic Stress Disorder; 100% have symptoms of major depression; 80% engaged in self-harm in the last 15 months; 70% suffer anxiety disorder.

Further to this, the treatment of refugees at the hands on Australia Immigration Officers is reprehensible: hearing aids, medications and glasses confiscated, components of prosthetic limbs removed, names substituted with numbers… I ask you, is this what makes you proud to be Australian?

As a society that promulgates the belief in the inherent value of each person irrespective of his/her culture and background, it is incumbent upon each of us to act toward protecting the most vulnerable. Locking refugees and asylum-seekers, including families and unaccompanied children, in detention centres fails to “defend the oppressed” (Isaiah).

I urge you to be brave in the face of fear, to discuss this issue with others and to not be silent in the face of injustice. In the words of Dietrich Bonhoeffer: “Silence in the face of evil is itself evil. Not to speak is to speak. Not to act is to act.”

Debating Report

Dear debating supporters, there has been much recent excitement. Our debaters were victorious in their duel against Hills Grammar School last Friday. They took the plunge into their first competitive impromptu debate with gusto. We used some of the journey to Sydney to further consolidate ideas about our given topic area: animals in captivity. This topic area had many aspects for the team to familiarise themselves with; zoos, intensive farming practices (battery hens, feed lotting), medical research, animal rights and vigilante protests, pet ownership and so on. A lot to discuss! Mr Mac and I accosted anyone we could to guess a topic for us, as our confidence has been knocked by our previously unsuccessful attempts at guessing topics.

Getting back to the scene at Hills Grammar......we lost the coin toss and were thus allocated the Negative, which we already fortunately had a preference for. The topic was then unsheathed from its envelope – That animals should be held captive only to recover from injury. Under the confident command of Will Rawson, our team advisor, the team brainstormed, collaborated and wrote their speeches in the given hour. Well done Will for overseeing a good preparation. Mr Bracks, who drove and accompanied the team, and I bravely drank tea and made polite conversation while twiddling our thumbs. We were very proud to see the team present so well during the debate, and work so well together. Luc Nelson spoke at 1st negative and rebutted the Affirmative’s definition of animals as "wild animals". The KWS team line was about all animals, particularly domesticated ones and how separating people and animals would cause heartache and chaos. I had a chuckle at Luc’s suggestion that if we could only keep our animals while they were injured, then kids would be pretty tempted to keep injuring them! Gidget
Pratten made some very good points about the importance of farming animals for food supply and the chaotic consequences of setting them free. Owen Bloomfield rebutted strongly and made a good case comparison, favourable to the negative of course, as well as presenting a good summary. The adjudicator awarded the debate to KWS, commending the high standard of all (especially as they are all still at primary level!), however the KWS team engaged and rebutted the Affirmative’s arguments better. Will Rawson made a very kind, sportsmanlike and encouraging thank you speech which was genuinely appreciated by the Hills team, especially their coach (as she remarked about it many times). Altogether a wonderful experience, coach and accompanying teacher very proud of their great efforts.

A big thank you also to Mr Mac’s team, Emily McLachlan, Harry Robbins, Alannah Seedsman, Will Rouse, for a helpful preparation impromptu debate the previous week. That experience very much benefitted the whole team. That first impromptu debate is always a huge step. The teams debated the topic: That animals should not be used for scientific experimentation.

Thank you to Mr Bracks for such capable driving and support. Thank you to Mr Mac for his organisation. I believe we may be debating in the Quarter Finals THIS Friday, hopefully journeying half way to Blue Mountains Grammar. The topic area will be school hours, which is again a return to an area of our earlier prepared debates. Wishing the team well.

Cathy Bloomfield

Daffodil Day 29 August

At the end of the month, it’s Gordon House’s turn to support a charity. We have chosen Daffodil Day. We would like everyone to wear mostly yellow so that we can start to raise money for the charity. Daffodil day is all about finding a cure for cancer. The Cancer Council is a great charity. It helps people with cancer and their families. So start getting your yellow outfit together to wear on the 29 August. Every class has a money box to collect gold coins, so start bringing your donations in. More details in the coming weeks.

Book Week 2014 - Connect to Reading

Children’s Book week will be held from 18th to 24th August this year. We are planning to have a day of celebration of books and reading in the Prep School on Thursday 21st August 2014.

The theme for Book Week this year is Connect to Reading and we are hoping the children will enjoy connecting to reading as well as Reading to connect in a number of ways.

Firstly the children are invited to dress as their favourite book character. As so much of our reading is connected to other media including movies, television, cartoons etc. any character that has been a part of a book in some form is welcome. This will not be a competition, but an opportunity to share their excitement about books and reading with their school community. We will have a parade of the range of book characters at 12.05. All children who dress up will go into the draw for a lucky prize and our friends from Pre-prep will be invited to join us and take part in the parade.

This will be followed by a reading picnic where the children are invited to bring a picnic lunch and a favourite book to share in their Peer support groups and with teachers (if the weather is inclement on the day we will hold the reading picnic in the library)

The Kinross Wolaroi Book Week Lit Quiz will take place after lunch in the library. Children will be in teams in their Peer support groups and each team will have at least one child from Kindergarten to Year 6 in a team. Teams will be allocated during the reading picnic by the Peer Support leaders. There will be 4 rounds of 10 questions.

The afternoon will conclude prior to 3:15 in time to go home.

Parents have the opportunity to take in the display of the ‘Connect to Reading’ Competition that the children had the option to take part in which will be displayed in the library on Thursday. The Book Fair will also be available for children and parents to visit in the Library from Tuesday 19th August. Children will have the opportunity to visit the Book Fair during their library lesson during Book Week.

Connect to reading book Week Competitions will include:

A colouring competition for children in Kindergarten and Years 1 and 2.

A poster competition on the theme “Connect to reading” for children in Years 3 to 6 (This could include electronic designed and printed as long as the images are original and not copied)

A ‘Construction’ competition for all children in which the children are invited to ‘connect’ to their Favourite Character or Scene from a book using construction or building materials. This will be judged on creativity and inventiveness. If Lego is used, original works will be judged more highly than commercial bought models.
We will have 'special judges' to judge the competition and winners will be announced in the afternoon at the Kinross Wolaroi Book Week Lit Quiz.

**Parent Teacher Interview Bookings**

Parent teacher interviews will be on 4 September from 3:40pm to 7pm.

Bookings can be made only by ringing the Prep office on 6392 0316 from Thursday 28 August between 9.00 am -5.00 pm.

Strictly no bookings will be made from messages on the voice mail and no bookings will be made prior to open date for bookings.

**Second hand Text Book Co-ordinator Needed for 2014**

In order for the Second Hand Text Book Sale to take place in Term 4 we need a Co-ordinator.

Please consider carefully if you are able to undertake this role. We have helpers, but no one able to undertake the role of co-ordinator. The Second Hand Text Book Sale is a great service to families as it saves them hundreds of dollars. Without a co-ordinator the sale cannot take place.

**Next Meeting Wednesday August 27th 7:30pm**

This meeting will also focus on assistance with boarding accommodation - holidays/long weekends, Year 7 Orientation Day, Wishlist and P&F budget. We would like to hear your ideas - so please attend in person or via teleconference.

The meeting will be held in the Videoconference Room. The VC room is on the ICT floor inside the Library/ICT building. It is on the lower ground floor underneath the library. Entry is from the eastern side of the Library building, next to the grassed area beside the pool.

The meeting commences at 7:30pm, and we will aim to conclude by 9pm. The agenda is on the P&F section of the website: [http://www.kws.nsw.edu.au/ff-pfminutes](http://www.kws.nsw.edu.au/ff-pfminutes).

We hope you can attend.

There will be a lolly day next Friday 29th August.

The 2014 KWS iMovie Festival
All families are warmly invited to attend the 2014 KWS iMovie Festival at 6.00 pm Wednesday 3 September in the Derek Piggott Auditorium.
Families are encouraged to bring along a picnic dinner, beanbags, rugs, comfy seats and to dress in casuals for an evening of short stories, movie trailers and music videos all written and produced by Year 5 and Year 6 students.

This year’s theme is “balloon” and the standard of films in both year groups has been exceptional. The level of creativity and the skill of our young directors has made the competition difficult to judge. The finalists, selected by the students, are most impressive and the audience are in for an entertaining evening.

We hope to see you there.

Bollywood Fundraiser
Three KWS parents, Tonya Graham, Libby McFeeters and Vanessa Connick, are holding a fundraiser to be held at Tonic Restaurant in Millthorpe on Friday 5 September 2014. The fundraiser will include a

Hockey Reports

Joeys: Everyone has improved so much in their hockey this year. We can now dribble the ball, trap, push and shoot goals. Flo and Meg helped us with our skill session. We split into 2 teams for the games and both teams played excellent hockey. Congratulations to Olivia Lee for getting the Joeys ‘Player of the Week’ Award. Isabella Pearce.

Burras: Kinross played another awesome game, winning 3 goals to zero. It’s proving to be a super season for our under 9’s hockey team. Lucia Varian.

U 12 Arrows: From the blow of the whistle, it was fast and fierce. Our girls holding off with great defence. KWS spreading the ball out wide, and passing well. It was great to see how our team has developed over the year and our passing and trapping skills have improved. A great effort against and hard team. End result 3-3. Looking forward to semi-finals next week. Thanks again to Ms Holmes. Dempsey Bryant

Football Reports

U6 Cubs: The boys played really well on Saturday and there was a great team spirit. Amazing goals from Matthew and lots of close calls from Hayden and Thomas. Well done this week boys, it was a fun game! James McRae

U6 Bears: KWS played Waratah Braves at PLC on Saturday. There was some wonderful saves by Sam and Spencer. Lachy, Jack and Harry had their work cut out for them with great defence from the Braves. Unfortunately the Braves scored a few goals toward the end. Sam Balcomb was player of the match.

U8 Spirit: After shaking hands Cudal kicked off, but in a very short time we got the ball and scored. From then on it was a one sided game with KWS winning 6 nil. Liam, Charlie and Angus P scored 2 goals each. We would like to thank our parents, Penny and Brad for all their help.
Angus Pengilly.

**U9 Fury:** Last Saturday KWS U9 Fury played against Orange Waratahs soccer team. We passed the ball around well, keeping it from the other team but the Orange Waratahs were still able to score against us. We scored a few goals. Nick and Fletcher, Joe and Max played well. Jesse played in goals and stopped a few goals. Jesse Jones

**U12 United:** The boys were looking to build upon their success from the previous game but with a late withdrawal from a sick Harry Robins, the team took the field one man short. Determined to play positive football the team put together some great passes and equalised for a one all score at the break. Playing a man down, the boys became fatigued and despite some great defence from Lachlan Brown, Owen Bloomfield and Max Bylsma, equalled by superb attacking play from James Thompson, the team could not keep Waratahs out and lost the match.

**Netball Reports**

**U10 Davidson:** U10 Davidson won an exciting game of Netball on Saturday against OPS Lorikeets. We all played with great determination and strove hard for the ball. We are starting to drive forward in attack looking for the pass to bring the ball down the court. Our defence this week was very strong. Hands over the ball caused many turnovers. Well played by everyone. Grace Srzich.

**U11 Whiteley:** On Saturday it was a great game, we lost but that’s okay. We had a good game and lots of good sportsmanship. Well done to the other team. Sameeka L’Estrange.

**Lost**

Harry Coady has lost one school shoe - it is a size 9 and is for the right foot. If found please return to Harry or the office
