Governance workshop – School Council

Last weekend the School Council met to undertake a School Governance workshop. The sessions were led by David Bartlett from Resolve Consultancy. While new legislation means that Board training is now a requirement for all schools, the workshop provided far more than this. As a summary some of the topics covered related to the following:
• the Governance role of School Council
• the characteristics of an effective Council
• the difference between Management and Governance
• effective Strategic Planning

I am grateful to members of School Council for their commitment to improving their approach to Governance and to KWS overall. Our success as a school is directly related to the effective governance of KWS and to having talented, committed, volunteer Council members willing to take on these responsibilities.
**New legislation on student leave**

The NSW Government has recently introduced amendments to the legislation relating to leave applications and the Minister for Education has instituted changes to the process of the recording of attendance and applying for absence from School.

In brief, Parents and Carers are encouraged not to withdraw their children from school for family holidays.

As of 2015, any family holiday taken during term time will be counted as an absence. Families are requested to holiday or travel during school vacation time only. Certificates of Exemption no longer apply to family holidays/travel taken during term time. Instead, if “in-term holidays” are unavoidable, parents should apply for Leave in writing directly to the Principal providing details as per the form outlined below.

Parents seeking leave for a family holiday during term time need to submit an Application for Extended Leave – Vacation/Travel form to the Principal for approval at least 2 weeks prior to the requested Leave/Exemption period. If approval is not granted, the absences will be recorded as unjustified.

**Parent – Staff Email Protocols**

Kinross Wolaroi School recognises that electronic mail (e-mail) is a valuable and effective communication tool that is widely used. Staff members are provided with e-mail accounts to improve the efficiency and effectiveness of communication both within the organisation and with the broader community.

KWS staff email accounts follow the guidelines of staff initial, surname then the standard @kws.nsw.edu.au. For example the email account for the fictitious James White would be: jwhite@kws.nsw.edu.au.

**Acceptable Use of Parent Communication**

E-mail should be used for:

- Clarifying general information such as: class activities, curriculum, assignments, tests, deadlines and special events
- Arranging a meeting/telephone call regarding a student issue including a general description of the issue e.g. “I would like to arrange a meeting to discuss my daughter's current progress in woodwork given her recent assessment marks”
- Follow-up on an issue that has previously been discussed.

**Unacceptable Use of Parent E-mail Communication:**

- Any discussion related to other students
- Personal information about other students
• Any discussion related to other staff
• Vital information relating to your child for that day.

This information above is preliminary, I am waiting on further feedback from staff members. Once this is collated, I will present the full document to P & F. The P&F will discuss the full document at their next meeting prior to releasing on the school website.

Peer Support is a valuable part of our well-being Program. Our Year 6’s meet with their teachers each week studying the activities for Friday’s classes. The students then source any needed materials before presenting to groups of 8 -10 children from Kindergarten to Year 5. The lessons are based on establishing relationships, working with others, recognition of bullying behavior they may encounter. The program provides an excellent foundation for the year ahead.

This Friday as part of Peer Support our School will be involved in the National Day of Action against Bullying and Violence. All our students from Pre-Prep - 6 will be involved in various activities culminating in our students congregating on the main oval to form the message STAND UP! Be sure to look at the pictures on the website at the end of the week.

Experience Day is planned for this Friday. This gives those families considering our school for their child’s education to spend time in our classrooms. If you have any friends who may be interested in taking part in this day they are asked to contact our registrar, Mrs Michelle Pryse-Jones on 6392 0403.

Our Debating teams were up against each other this week arguing that "Anzac Day Should be our only day of Celebration". KWS 1 made up of Elizabeth Kwa, Elliot Hannelly, William Rawson and Meyhar Chawla were the winners on the day. All the participants debated well and should be proud of their effort.

Amazingly our first term for 2015 is only a few weeks away. Reports are sent home at the end of Terms 1, 2 & 4. The Term 1 report is a shorter one concentrating on Literacy and Numeracy. You should receive these by Friday of next week with Parent Teacher interviews set down for Monday 30th. For booking details please see the relevant section in the Bulletin.

This term a great deal of groundwork has been completed by Mrs Essex and Mrs King in the formation of a Prep School Representative Council (SRC). This program again empowers students to make worthwhile
Contributions to our school. Please see the bulletin for further information.

Mr Mark Pritchard

Peer Support

This Friday we will be marking International Anti-Bullying Day during our
usual Peer Support session at 12.05pm. We will ask the students to stand on Wolaroi Oval to form the words “STAND UP”. After photos are taken we will then continue with the normal Peer Support session.

The program concludes this week. Children have the opportunity to practise some of the things they have learned over the past 7 weeks, including what bullying is and what they can do about it. The children will be encouraged to realise that sometimes it can take a while to see that change is taking place, so they must persevere with their new skills.

Prep SRC Newsletter

The Prep School is pleased to announce the introduction of an SRC to our school.

What is an SRC?

An SRC is a Student Representative Council. This group is made up of students who are democratically elected by their fellow students from their class. SRC members represent all the students in the school and...
organise ways for students to participate and contribute to their school community. It is also important as our school grows that the children have an opportunity to have their ideas heard and make positive changes to our school environment that are driven by students for the students.

Over the last week, the children in Years1-6 have participated in small group work within their classes to identify qualities in leaders. They also highlighted people from their class that they consider would make a good class representative for SRC.

Over the coming weeks I look forward to giving the Prep School children an opportunity to vote for a class representative who will be responsible for taking and acting upon student ideas to the SRC.

A little something to think about…… ‘You can be somebody who makes everybody feel like a somebody’.

National Day of Action against Bullying and Violence

Kinross Wolaroi School aims to create a safe and supportive school community for everyone. This includes intervening early in suspected or identified bullying issues and responding to bullying incidents with approaches which have been shown to be effective. Parents are an important part of our work to prevent bullying and to respond effectively if it happens. Stopping bullying involves everyone.

Friday 20th March is National Day of Action against Bullying and Violence. Kinross Wolaroi School is one of over 1450 schools participating Australia-wide. Students in the Senior School will be undertaking activities within their Tutor groups. Students from the Preparatory School will be participating in specially-designed lessons, in addition to their ongoing focus on bullying as part of the Peer Support program.

If your child talks to you about bullying:
1. Listen calmly and get the full story. Your calm response is important to allow your child to tell you all about the situation. After they've told you their story, ask questions to get more details if you need to: who, what, where, when. Although you may feel some strong emotions about your child’s experience, try to keep calm to avoid more distress to your child.

2. Reassure your child they are not to blame. Many children blame themselves and this may make them feel even worse. You could say things like, ‘That sounds really hard to deal with. No one should have to put up with that,’ or ‘I’m so glad you told me. You should be able to feel safe at school; that’s not fair at all’.

3. Ask your child what they want to do and what they want you to do. A critical part of your response is to avoid jumping in to solve the problem. While it is natural to want to protect your child, helping them to find their own solution is a better option. It helps them feel they have some power in the situation.

4. Visit www.bullyingnoway.gov.au to find some strategies. The website has tips and ideas for different bullying situations. One idea is to practise strategies at home to help your child feel more confident.

5. Contact the school. Your child may be reluctant for you to do this, so discuss the idea and reassure them that the school would want to know and is able to help. Make an appointment to meet with your child’s teacher or Tutor. Contact the school immediately if you have a concern about your child’s safety.

6. Check in regularly with your child. Keep the conversation going. It can take time to resolve issues, so check in regularly with your child about their experiences and their feelings. Your ongoing support is important.

Kids’ Lit Quiz

Kinross Prep School took part in Kids’ Lit Quiz last Tuesday the 10th March with three teams taking part. There were 23 teams on the day from 13 schools around the central west and two teams that travelled from Newcastle to take part.

While not placing in the top three all the teams did well with the team including Jaemin Lee, Maddy Szich, Grace Birmili and Emily Watt top scoring on the very first round in the category of ‘Body Parts’ and the team of Charlotte Cantrill, Sophia Nelson, Gidgette Pratten and Emma Choi top scoring on the round of ‘Non-Fiction’. Our third team of William Rawson, Oliver McLaughlin, Ben Jones and Elizabeth Kwa scored very consistently throughout the quiz.

The quiz was a wonderful opportunity to mix with other children who are ‘readers’ and to share knowledge about books and reading with like minds. Lots of books were suggested for reading and a better understanding of the variety of literature covered by the quiz was made. The biggest emphasis of the quiz lies in encouraging reading for pleasure and wide reading.
The Orange heat of Kids’ Lit Quiz was very competitive with the final overall first and second place winners of the National Final coming from this heat. All our children should be very proud of their achievement in a round that had a very high standard.

Well done to all the team members and to all the children in the Prep School who tried out for our teams in 2015.

Senior Music Camp Report

This is a version of the report read by Josh Cheney in assembly last week, after which we viewed a power point presentation of photos of our camp kindly put together by Mr Yap.

To say our camp last week was a success is an understatement! From the rehearsal room, the sublime Australian Brandenburg Orchestra in which Mrs Moxey performed, a trip to Collaroy Beach in supreme weather conditions, the Sydney Symphony Orchestra James Morrison Concert to all the fun on the bus trips, all students and staff came away inspired and full of new musical energy.

Our camp was at Elanora Uniting Church Camp Venue, which is set in bushlands on the Northern beaches of Sydney. It was a tight schedule for all as we worked hard during the day in Orchestra, Symphonic Winds, Chamber Strings and Chamber Choir rehearsals. When not in a rehearsal, students had the opportunity to swim in the pool, play sport or study. At 4pm each day, we all jumped on the bus with our packed dinners, grabbed a handful of lollies and headed into the CBD of Sydney for the concerts.

The Australian Brandenburg Orchestra and Choir performed in Angel Place Recital Hall. Chamber Strings members were lucky to have the opportunity to sit in on the final dress rehearsal before the concert and communicate with the Musical Director, Paul Dyer. There was something for everyone in this performance with Baroque oboe and trumpets, a choir and a full string orchestra.

On the Thursday morning, we had a fabulous time down at Collaroy beach, swimming in the ocean or in the beach pool. The Year 10 students had a particularly fun time partially burying Declan Vials in the
sand and turning him into a mermaid…apparently a dare he had lost!

On the second night, we went into the Opera House and enjoyed taking photos and eating our packed dinner on the steps opposite Circular Quay. The Sydney Symphony Orchestra presented an “A-Z of Jazz” featuring James Morrison and his Jazz Trio as well as a rather beautiful and amazing singer called Hette Kate. We had the best seats in the house, directly behind the percussion section. James Morrison soon realised the enthusiasm radiating from our section of the audience and often directed comments our way! Our students were the first on their feet for the standing ovation and loved chatting to the SSO percussionists directly at the end of the concert.

All in all, it had to be the best Music Camp ever and thank you to all the staff who attended and made this such a wonderful experience.

**Intermediate Music Camp – Sunday 22 – Monday 23 March**

We are all ready to go for Sunday and Monday! We have around 65 students attending this camp, which will be full of fun activities and intensive rehearsals. A full report will be out next week.

Secondary Camps Week.

If you child is not involved in Year 7 Camp, Cadets, Work Experience or Year 12 Retreat, he/she is to join the Community Service activities for this week. Please refer your questions to Mr Rowe.

**Symphonic Wind Ensemble**

The rehearsal this week is a marching band rehearsal in preparation for Anzac Day at the end of Week 1 in Term 2. Please arrive on time.

**Orchestra**

There is no rehearsal in Week 9 as all Music Staff will be on Intermediate Music Camp.
