Welcome Back

It is my pleasure to welcome the staff and students back for the beginning of Term 2. I trust that families have enjoyed a restful and relaxing Easter break. Following on from an impressive Term 1, we look forward to a fulfilling Term 2.

Staff Changes

I wish to advise of a number of staffing changes:

- Kieth Yap – (Visual Arts Teacher) has tendered his resignation, for family reasons, effective from the beginning of Term 2. Kieth has been on contract with us for three terms. I thank Kieth for his extensive contribution to the Visual Arts Program and for his input into the Co-curricular program. I take this opportunity to wish Kieth all the best in the future.
• Kathryn Johnson – replaces Kieth Yap, undertaking a 3 term contract until the end of this year. Kathryn is a highly experienced teacher of Visual Arts in Central NSW most recently teaching at Mudgee High School. Kathryn has a Bachelor of Arts and Science Education along with a Bachelor of Fine Arts from Bowling Green State University in the USA. Kathryn has significant experience at Year 12 level with past students achieving selection for Art Express.

• Michelle Thompson, who has previously undertaken Mathematics contracts at KWS, is teaching Bridie Brideoake classes for Term 2, while Bridie takes long service leave.

• Kelly Cole – has accepted the role of Acting Head Tutor of McLachlan House while Bridie is on long service leave. I thank Kelly for her willingness to accept this additional responsibility.

• Jody Haydon - undertakes a short term contract to cover Ian Hatherly, who is on Carer’s Leave for the first 4 weeks of term.

• Nathan Zinga - takes up the new role as the inaugural Head of Tower House. Nathan and his family will be moving into the residence vacated by Ant Le Couteur and his family. We wish Nathan all the best in this key boarding role.

• Anthony Le Couteur and his family move into the residence in the new Wolaroi Boarding House. This is an exciting time for our Boarders as the Year 10 to 12 students from Wolaroi start the term in this wonderful new facility.

• Nathan Eaton has been appointed to the Information Services team as the Print Room Operator commencing in Term 2. Nathan comes to us having completed a printing apprenticeship and, most recently, from a role in the early childhood sector. Nathan’s primary role will be to assist faculty and support staff with the preparation and production of course materials and other school documentation.

• Sue Noonan – is appointed as the House Mother to New House, effective from the beginning of Term 2.

• Liliana Popa – is appointed as the House Mother to Tower House, effective from the beginning of Term 2.

I look forward to the ongoing commitment and contribution from the students throughout this term.

This is a time for major assessment tasks across all year levels with examinations for Years 7 to 12 and academic reports for all students from K to 12. In addition, students begin the winter co-curricular program this week. It is a time where we appreciate the continuing support of parents.

Brian J Kennelly
Principal

Head of Senior School

I trust that all families have had a relaxing and restorative break over the past couple of weeks. I also hope that at least some of our farms and properties have received the rain so badly needed. It has certainly been wet in Orange and winter has struck, temperature-wise. Blazers and anoraks are out in force and girls are much keener to have their socks up in this weather!

Year 12 students are straight into their half-yearly exams; we are lucky to be able to run these at the PLC site, away from bells and other interruptions. The students also become used to the procedures surrounding the HSC so that when the 'real' exams happen in October-November they are familiar with what happens and the requirements surrounding equipment, seating, collection of papers and so on. This lessens the stress levels considerably at the end of the year.

Anzac Day is likely to be a big event this year; since it is the 100th anniversary of the Gallipoli landing, and as the day falls on a Saturday in term time, we are anticipating a wonderful roll-up from our students. Separate information is in this Bulletin for cadets, but for students who are not cadets and who wish to march, I ask that parents bring their children to the Q-store area by 9:30 am to take the bus with the cadets, or to Byng St, near K-Mart, by 10:00 am. It will take quite a while to arrange students into rank and file by height etc so a prompt arrival is important. Thank you for your support with this and for ensuring that uniforms are immaculate (including blazer), shoes are well polished, and girls are wearing their tams. It will
be cold, so warm things should be worn under school uniform.

I wish you all a great week.

**From the Chaplain**

Jesus asked; “Which of these three, do you think, proved to be a neighbour to the man who fell among the robbers?” He said, “The Samaritan, the one who showed him mercy.” And Jesus said to him, “You go, and do likewise.” Luke 10: 36-37

The image of the mosaic represents legal justice. The woman on the throne holds a sword to chastise the guilty and a palm to reward the innocent. Her armour signifies the quest for righteousness and wisdom.

This depiction of legal justice has held merit since the inception of Rule of Law in 16th century England. The authority of law constrains behaviour that threatens the rights of the individual, including the behaviour of the government itself. Let’s face it, the threat of being sued or charged with a crime is a strong incentive to proper conduct. However, at this moment, five centuries of Rule of Law is being challenged within our Parliament.
A bill, the Migration Amendment Bill 2015 presently making its way through Federal Parliament. This particular bill will allow those working in detention centres to use whatever force the officer ‘believes is necessary’ to do anything from protect themselves to moving an individual from one place to another. This includes private contractors employed to be ‘immigration officers’ (see image below of ‘immigration officers’ standing with Pauline Hansen, some wearing ‘Australian Infidel’ shirts).

Violence against detainees is not a theoretical issue. Reza Berati and Hamid Hehazaei both died in detention camps under the care of our immigration officers. The United Nations has confirmed that torture has occurred in Australian detention camps. There are now reports surfacing from within the detention camps of women having to engage in sexual acts in exchange for food.

The Migration Amendment Bell 2015 will, in effect, exempt immigration officials from being accountable for their actions before a court of law. The actions of an official will not be judge on its reasonableness but rather on whether the officer reasonably believed the conduct to have been reasonable. Given the absence of any legal education of the officials, and the nature of the type of private contractors working in the capacity of ‘immigration officials’, legal accountability will be negligible at best.

As a Christian, I find this reprehensible and frightening. It subverts the legal system that has protected people for centuries, it flies in the face of every Biblical principle of justice and counters those very qualities that Jesus professed to be Godly.
There is a challenge before us: to be counter-cultural by teaching our students and children in particular virtues of the value of individual human life (irrespective of race or creed), respect, generosity and care.

Boarder’s Flu Vaccination

The Health Clinic strongly recommend your child receive a Flu Vaccination this year, with your child living in close quarters with many other boarders the chance of contacting influenza is very high.

If you have not already attended to this in the school holidays, the School Health Clinic is able to organise for your child to attend the doctors and have the vaccination.

To arrange, please call the sisters in Health Clinic on 02 6392 0376.

Year 12 Scholarship

Orange Ex-Services Year 12 Scholarship

We are seeking applicants for the Orange Ex-Services Year 12 Scholarship. There is one scholarship available to KWS for a current Year 11 student.

Applicants must be currently in Year 11 and meet the following criteria:

- Satisfactory academic progress
- Regular and punctual attendance to class
- Good conduct
- An application which is fully endorsed by the student's Head Tutor

In addition, it is a requirement that one of the students' parents or guardian must be a financial member of the Orange Ex-Services club at the time of application.

Application forms are available from the Principal’s PA, Katrina Wannan or Jenny Kostoglou.

For consideration, students must complete the application and submit to their Head Tutor by Friday, 29 May. The Scholarship is valued at $500 and will be paid to one successful student at KWS with payments in the first week of Term 4, 2015 and in the first week of Term 1, 2016.

Final selection will include a discussion with the Staff Well Being team and a recommendation to the Principal.

Anzac Day March

Notice to all Cadets

On 25th April all cadets will assemble at 8.30 am at the Q-store in full cadet uniform. Polished boots, jumper and bush hats. You MUST have full uniform. Rank will need their slouch hats. Girls will need hair tied back and in a bun. Rank (girls) will need hair nets.
Bus will leave PLC at 8.30 am to transport girls to Q-store. Once attired, cadets will travel by bus to Byng St near K-Mart and assemble for the march.

At the end of the ceremony cadets will march back with the parade to Kmart before being dismissed. In the event of inclement weather, cadets will be dismissed at Robertson Park. The weather will be cold so please wear warm clothing underneath your uniform.

**Recording of Student Responses via iPads**

**Notice to Parents**

As some of you may be aware, the school is researching and adopting principles of Prof. John Hattie’s groundbreaking research and best practice in his book “Visible Learning”. John Hattie is the current Chair of the Board of the Australian Institute for Teaching and School Leadership (AITSL) and promotes the quality of teachers and school leaders as the most important aspect of student progress. This is the heart of pedagogy, improving the quality of teachers with the focus on “how we teach” not just “what we teach”.

With this in mind, at the end of last year, the Coordinators from the Prep and Senior School agreed to seek feedback from our students to help staff better understand how students were learning in our classes and how they can learn more effectively. To collate this feedback, the Student Academic Services (SAS) Department was selected to gather this feedback due to its K-12 nature and cross-curricular exposure. The primary method will be via iPad (via voice memo or equivalent) to record student responses whilst in class. Students will not be withdrawn, as we want to keep it as natural as possible. The casual ‘walk-through’ by the SAS staff member will approach random students and ask a series of questions about what they are learning in class. By recording their responses electronically, the SAS staff member can move quickly from one student to another thereby collating several responses instead of one or two due to the time it would take to scribe responses. Scribing is also daunting when done in front of a student.

Once the student’s voice is recorded, the responses are then
later collated without any reference to the individual student (only their class and subject) and then it is deleted. The collated information is then analysed for feedback back to the K-12 Coordinators and to staff in general. Any feedback back to the school community will not include any individual students and will be general in nature. I know that you agree with me that it is vital that we gather feedback from students to improve what we do as teachers. It is equally important that we enable student’s to have a voice, and have a say about the way they learn. This is their opportunity.

The walk-throughs will be conducted early this term. If you have any objection to having your child selected for this interview, please contact me (via email ychoi@kws.nsw.edu.au). Any feedback or responses are welcomed.

KWS Marching Band – ANZAC DAY Parade

Please note that all students in Marching Band will be required to arrive at the Music Centre on Saturday 25 April by 8:30 am in their Marching Band uniform with instruments at the ready. Students currently without uniforms will be issued one during our rehearsal on the Friday preceding ANZAC Day. All students must have their own smart, black pants and shiny school shoes to put with their Marching Band Uniforms.

Students will be taken to the parade by bus and returned to the KWS Music Centre by 12pm. Parents should therefore pick up their children from Allenby Road by 12pm on Saturday.

Camerata Concert, 22 May – Date Change

Please note that our Camerata Concert, originally scheduled for 15 May has been moved back to Friday 22 May in order to create some breathing space after Year 11 half-yearly examinations. All entrants in the Concerto Competition are welcome to perform. Please see Miss Anthony.

Year 11 – Music Leadership Applications

Any Year 11 musician interested in a position as a 2016 Music Leader should see me this week to pick up an application form.

1st XV Tour to Canberra

During the holidays the 1st XV Squad went into camp at the Australian Institute of Sport, Canberra. There were many highlights during the 5 day camp including; attending the Brumbies match verse the Cheetahs, touring the Brumbies facilities at the University of Canberra and then watching them train whilst mingling with the likes of Stephen Moore, Scott Sio, Henry Speight, David Pocock and many more.

The experience at the AIS was second to none as the boys and coaches indulged in the impressive meals, plunge pools and spa and whilst it was raining the use of the all-weather astro turf enabled the team to develop their structures and form some combinations for the future.

The 1st XV was scheduled for games against Canberra Grammar School, winning that fixture 28-12 and Marist College which was unfortunately cancelled due to inclement weather.

**Inter-House Athletic Carnival**

On the 19th March Kinross Wolaroi School held the annual Inter-house Athletics carnival. The weather was outstanding and the track was well prepared by the KWS ground staff. This
led to a fantastic day of athletics with student participation rates at an all-time high.

The race for the Inter-house Athletics Trophy was a close affair all day. Despite the closeness of the overall scores one house grabbed the lead from the first event and managed to hang onto it the whole way through the carnival which ended McLachlan’s five year winning streak. The final placings on the day were as follows:

1st – Dean  
2nd – McLachlan  
3rd – Richards  
4th – Brown  
5th – Douglas  
6th – Gordon

On the day there were eight records broken. Congratulations to the list of students below who managed to better the previous records. Of these a special mention must go to Connor Whiteley who broke the 16 years boys 800m record that has stood since 1968.

Inter-house Cross Country Carnival
The annual Inter-house cross country carnival was held on Thursday 26th March at PLC. The new course from last year was again used with students having to run up the PLC hill a total of six times during the race. Conditions were fantastic for cross country running with a light breeze keeping the temperature slightly cooler.

The battle to become the Inter-house Cross Country champion was a close one and was secured on the second last race of the day with McLachlan's senior boys performing well with five boys from McLachlan finishing in the top ten. This ultimately made the difference and stopped Dean from completing the Athletics and Cross Country double. The overall results and individual winners are as below:

1st – McLachlan
2nd – Dean
3rd – Gordon
4th – Brown
5th – Douglas
6th – Richards

Netball Report

Round 1 Saturday 18th April

Senior Competition
KWS Y11 vs CYMS Jaguars  Won 31 – 12

A fantastic start to the season! With only 6 players, the girls took the court knowing that they had to work really hard – and that they did. Some awesome defence by the ‘two Beccs’ – Rebecca Atkins and Rebecca Crisp, accurate shooting by Jess Lyon and Harriett O'Malley combined with ‘nifty’ centre court play by Emma Haege and Myra Lim-Hurt, saw the KWS Y11s in control for the entire match. Passes were crisp and on target and smart netball was displayed, especially when the girls got a little tired. A great display of teamwork and grit!

3 points - Rebecca Atkins: 2 points - Rebecca Crisp: 1 point - Emma Haege

KWS 14Bs vs CYMS Fireballs

All girls turned up keen to play the first game of the season. Although there has been no training for this season, all girls played well and demonstrated good fitness levels. Scores were even at half time but in the 3rd and 4th Quarters the CYMS fireballs streaked away to win by 5 goals. The low scoring game indicated there were abundant turnovers with many making intercepts. Bella Adams and Olivia Small ran hard and fast as centre court players. Billie Brownlow tried her hand at defence and made some spectacular intercepts. Taya Rutherford, Molly Harris and Maddie Smith moved smoothly in the goal circle to have shots at goals. Olivia L'Estrange and Bel Hoyle Davies from 14C worked hard in the defence circle and were on their toes to intercept many balls. Thankyou 14B's for your keenness and effort.
