Feedback from the 2014 Survey of Year 12 Parents

I have recently received the MMG 2014 Year 12 Parent Detailed Benchmark Report. This report benchmarks KWS against 15 leading Co-educational Independent Schools throughout Australia. A total of 3,465 parents were surveyed across these schools.

The parent responses across all categories are compared within the report. This data provides us with a view of how we are tracking in key areas compared with other leading Schools. Over the coming weeks I will provide a snapshot overview of the interpretation of the data. In particular, I have highlighted the areas in which we have excelled.

General Comments

- Overall Satisfaction with KWS Experience – Highest of all schools surveyed
- Overall Expectations Met/Exceeded – Almost the highest of all schools surveyed
- Overall Reputation – Almost the highest of all schools surveyed
- Overall satisfaction with the Co-curricular program - Highest of all

Tam O’Shanter Review

Thank you to the many parents, staff and students for offering feedback on the Tam O’Shanter. This feedback has provided highly emotive arguments for and against the Tam!

The initial results show:
- 70% in favour of discontinuing the Tam O’Shanter from the KWS uniform
- 30% in favour of keeping the Tam O’Shanter

The main points raised for discontinuing were:
- an outdated item which is not worn well
- the inappropriateness of the item
- cost

Those in favour of keeping the Tam wrote passionately about the need to maintain tradition and formality.

These results will be discussed with the uniform committee with a recommendation taken to Senior Management.

I will keep you informed on the progress of this.

Dear Parents

I was fortunate last week to attend the Year 4 Sydney excursion with the students, Mrs Davidson, Mr Pritchard and Mia Broomhall the Gap Student. The activities gave the students a greater knowledge of early settlers while the excursion reinforced my belief that our students are excellent ambassadors for the School, their families and themselves. Well done boys and girls!

This week our Year 6 students are in Canberra with Mrs Savage and Mr Hordynsky.

Thank you to all our Year 3 mums who joined us for breakfast last Friday. The excited students had their presents ready and were very keen to show mum the work they do at school. We hope to make this an annual event and initiate a function for our dads come September.

I greatly appreciate the number of families who have completed the homework surveys. Many have gone into much detail which will give our
forum even greater breadth. The forum will be held on Tuesday June 2 at 5:30pm in the Performance Theatre and all are welcome.

Our Scientia Science Expo will be held in the Undercover Area/Music room this Friday from 11:30am - 1:00pm. All parents are welcome to see the research our students are undertaking.

One of the most pleasing features of our recent Inter-House Cross Country carnival was the willingness to 'have a go' Not everyone can run long distance but the students entered the races with great enthusiasm. Well done!

The week we are the recipients of a large fridge which was won by Max and Harry Bylsma, Brooke and Sophie Martin, Elizabeth Kwa, Madeleine and Grace Srzich, Hugh Payne, Kajan and Krishan Kandeepan who were the winning School team at the Orange Running Festival. It will be used for a number of purposes such as Science experiments. We thank these students for the prize.

Enjoy your week.

Festival Choir 2015 – Preparatory and Senior School

All parents of students who study Music, Drama or Dance in the academic or co-curricular realms of our school should have received a letter via email with an invitation to be part of our Festival Choir in the finale of our “Around The World” Performing Arts Festival on 18 June. Our finale on the night is a rousing piece by John Williams called “Dry Your Tears, Afrika”. It is from the soundtrack to the movie, Armistad and is written for massed choir and orchestra (look it up on Youtube if you like!).

Our Koristers will feature in the opening section of this work followed by the entry of our massed Festival Choir, made up of every festival performer (including Drama and Dance) as well as KWS community members (parents, aunties, uncles, grandparents, siblings, KWS staff, friends). Our KWS Orchestra will be accompanying the choir and some of our most experienced student singers will be spread throughout the choir to support all participants. In order to achieve a “massed” choir, we do need you support, particularly that of the male members of our community! The singing part is extremely simple and the more people involved will result in the best sound and the best experience for all. There is not need to have any prior experience singing in a choir. The rehearsal schedule is as follows:

Sunday, 31 May:
3-4pm, Performance Theatre: Performing Arts Festival Massed Choir Rehearsal

Sunday, 14 June:
3-4pm, Performance Theatre: Performing Arts Festival Massed Choir Rehearsal with KWS Orchestra

Thursday, 18 June:
5:30pm, DPA: Dress Rehearsal for Performing Arts Festival Massed Choir and Orchestra
7:00pm, DPA: Performing Arts Festival performance

Even if you are not able to make all of the above rehearsals, you are still welcome to be involved. Those of you who have sung in a choir with a symphony orchestra will know just what an exhilarating experience it is. Please invite other friends, grandparents, sisters, brothers, aunties etc to
join us.
Mrs Chapman and Mrs Choi will be recording a list of those interested in being a part of this exciting and moving event. Please phone them on 6392 0347 to register your interest in being a member of our Festival Choir.

Camerata Concert – 22 May, DPA Chapel, 6:30pm

All students who performed in the 2015 KWS Concerto Competition should have received an invitation to perform in the Camerata Concert on 22 May. Mrs Stevens will be available to accompany you on the night. Please see Miss Anthony to register the name of your piece as soon as possible.

Vivaldi Unwired Excursion

Year 11 Music 2 students along with some of our other high-level string players in Years 9-12 will travel to Sydney on Friday for the ABO Vivaldi Concert. In Year 11 Music 2, we are working on the Mandatory Topic, Music 1600 – 1900. The students are focused on Baroque Music this term and we are doing a comparison between Vivaldi’s Four Seasons and Max Richter's "Recomposed – The Four Seasons". The latter is a new version of the original including electronica, sound sampling and is minimalist in style. They have a composition assessment requiring them to recompose a Baroque work themselves. Unbelievably, the Australian Brandenburg Orchestra is performing both works in a concert at 7pm on Friday May 15 called "Vivaldi Unwired". We will be traveling to Sydney from lunchtime on May 15 and returning to KWS on Saturday 16 May. It will certainly be a rich and inspiring experience for all.

Symphonic Wind Ensemble

Please make sure you are in attendance for a FULL rehearsal this Friday morning at 7:30am.

Musical Cast

There will be no Sunday rehearsals until Sunday 31 May. However, all cast members are required from 3:30 – 5pm every Friday, with core cast members staying on until 6:30pm each week. Please email Mr Morrisey (lmorrisey@kws.nsw.edu.au) if you are unable to attend for any reason.

May you have a wonderful week.

Sports Uniform Reminders

Reminders about Sports uniforms: students are to wear their full sport tracksuit to and from school on their PE days. Tracksuit tops also need to be packed to wear when going home after sports training sessions. Hats—either bucket or sport cap are to be worn. Girls are not to wear their straw hat. Correct and full uniform is needed at training afternoons. Currently incorrect socks, school shoes, wrong uniforms are being worn.

Winter Sport Match Arrival Time

As our Winter Sport commenced over the weekend, it is important that students arrive at their matches at the designated time given by coaches. This can vary from 15min – 25min before a match. It is vital time for both students to warm up and for the coaches to finalise game plans, set plays, sign on players etc. I received a number of reports of students arriving late and in some instances after the match had started over the weekend. In the commitment to play and represent Kinross, students and parents must be respectful of pre and post-match time. If parents need to drop and leave their children during matches, it is imperative that parents are punctual to collect their children at the end of their match. Parents’ assistance with this matter is appreciated.

In response to your queries regarding the wet cancellation of outdoor games; apparently indoor games will be social rounds only but all are expected to play.

**Schools Cup Carnival**

Last Friday the 8th of May the U12 Kings Netball team travelled to Bathurst to represent KWS at the Netball Schools Cup. On the way, we were entertained by singing several of our favourite songs extremely off key.

When we arrived we practised some drills and techniques, then the hooter went off for our first game. We achieved 3 wins and 3 losses. We were very happy with our performance. I think the Schools Cup definitely helped us bond more together as a team and helped us develop our game.

Thank you Mrs King for coaching us and Monique Worsley for assisting with umpiring on the day. **by Meyhar Chawla.**
Rugby News

12s - The U12 Rugby team played host to Tudor House on Friday evening with the players being billeted amongst our team. The boys all enjoyed meeting and getting to know a couple of their opponents over dinner and an enjoyable evening in Orange.

When the whistle finally came to begin the game on Saturday morning many new friendships were put on hold as they did battle on Sally Kennett Field. KWS began strongly with the forwards taking the ball up the middle with several driving runs. After a few minutes KWS were well and truly in a position close to the line and able to score. With a quick snipping run down the blind and a couple more driving attempts at the line Jock Hazelton slammed the ball on the line for first points.

The backs were soon to enter the game with some great moves off set pieces. Jack Weeks used his speed, height and strength to score twice and Ziggy Jackson-Le Couteur scored off a well-executed move under the posts. The forwards continued to play exceptional football this week and combined together making several meters with good phase play.

The final score was a convincing 40 – nil win. Tackling was of a high standard with the backs proving to be very efficient both in attack and defence. Thompson, Bylsma and Cumming were exceptional! Barnstorming runs from the likes of King-Christopher, Blyde, Fielding and Macdougall made our forwards difficult to stop. The support play from Tucker, Hall and Rouse was impressive. A great deal of hard work was put in by our front row Houghton and Wilkin, both proving to be so effective at stopping the opponents by holding players up in a maul.

A big thank you to Jack Dodds who refereed the game. He drew praise from both teams!

It was a fabulous effort from all our players and a great victory as the boys now head to Sydney for a string of away games.

A special thanks to all our parents who assisted with billeting on Friday night. We have had some wonderful feedback from Tudor House.

Mr T May.

In defence Sam made some heroic defensive saves, to the delight of the huge crowd.
