- Tam O’Shanter Review

Feedback from the 2014 Survey of Year 12 Parents

I have recently received the MMG 2014 Year 12 Parent Detailed Benchmark Report. This report benchmarks KWS against 15 leading Co-educational Independent Schools throughout Australia. A total of 3,465 parents were surveyed across these schools.

The parent responses across all categories are compared within the report. This data provides us with a view of how we are tracking in key areas compared with other leading Schools. Over the coming weeks I will provide a snapshot overview of the interpretation of the data. In particular, I have highlighted the areas in which we have excelled.

General Comments

- Overall Satisfaction with KWS Experience – Highest of all schools surveyed
- Overall Expectations Met/Exceeded – Almost the highest of all schools surveyed
- Overall Reputation – Almost the highest of all schools surveyed

**Tam O’Shanter Review**

Thank you to the many parents, staff and students for offering feedback on the Tam O’Shanter. This feedback has provided highly emotive arguments for and against the Tam!

The initial results show:

• 70% in favour of discontinuing the Tam O’Shanter from the KWS uniform
• 30% in favour of keeping the Tam O’Shanter

The main points raised for discontinuing were:

• an outdated item which is not worn well
• the inappropriateness of the item
• cost

Those in favour of keeping the Tam wrote passionately about the need to maintain tradition and formality.

These results will be discussed with the uniform committee with a recommendation taken to Senior Management.

I will keep you informed on the progress of this.

Brian Kennelly
Principal

---

**Head of Senior School**

Winter seems to have really set in – I hope farms and properties that need rain are receiving it, as we are here in Orange. Students have been very brave about playing their sport in these chilly conditions. I attended a great netball game on Sunday and was impressed by how well the girls coped with cold wind and low temperatures. Equally impressive was the number of parents watching on to support their girls – and this on Mother’s Day!

If you are a parent of a Year 12 student, later this term you will have an opportunity to give us detailed feedback on your
experience of Kinross Wolaroi School. MMG Education is a firm that conducts surveys on behalf of many schools across Australia. By using this firm, rather than collecting our own data directly, we are able to guarantee the confidentiality of responses and we can use MMG’s experience and expertise to assist us to interpret the data. Parents will receive a letter from the Principal very soon outlining how this online survey will take place and when it is to be completed. In past years we have had an excellent response from our parent body and the feedback we have received has influenced the shaping of our new strategic plan. We encourage you all to take the time to complete the survey and to be honest in your responses. Year 12 students will be able to complete a very similar survey here at school; they will have some time allocated for this during Tutor and they can also use down time to access the online questions.

I wish all parents and families a terrific week; thank you for your ongoing support of and commitment to Kinross Wolaroi School.

Bev West
Head of Senior School

**Boarders' News**

Welcome to “Boarders’ News”, a column designed to keep parents abreast of developments in Boarding.

**Booking for NSW Trainlink**

End of Term 2 travel will close on Wednesday 13 May. Please make sure that your child has booked a ticket if this is required. The boarders will travel home on Friday 19 June. Please remember the following events when you are making your end of term arrangements:

**Cadet Promotions Camp**

Will commence on Friday 19 June at 3.30pm for students in Years 9 –11 who wish to continue with Cadets in the coming year.

**Year 8 and 10 students**

Will have Subject Choice Information sessions on Friday 19 June. You may wish to attend these sessions – further
information will be sent to you shortly.

If you have any questions relating to the travel arrangements, you can contact Sally Rattray-Wood at School on 02 6392 0325.

**Boarding Schools Expo**

KWS will be present at the Boarding Schools Expo in Dubbo, at the Dubbo Convention Centre on 15-16 May. We will be hosting drinks in Dubbo this Friday night, 15 May at the Milestone Hotel from 7.00pm for any Boarding families who are in the area. We would love you to call in and join us. If you would like to attend, please RSVP on 02 6392 0325 or email srattray@kws.nsw.edu.au.

**KWS Equestrian Team**

The KWS Equestrian team will be competing at the North West Equestrian Expo on 1–2 June. A large team of riders, many of whom are boarders, are looking forward to some action packed days of equestrian competition at Coonabarabran. The parent support crew are also kept busy during the competition, and I look forward to seeing the riders in action and meeting the parents at this great event.

Alistair Miller

**Director of Boarding**

**Australian STEM Video Game Challenge**

This is an opportunity for Australian students to engage with science, technology, engineering and mathematics (STEM) and be noticed by members of an exciting and fast-growing game development industry. Students are encouraged to design and build an original educational game that includes STEM content or themes.

Registrations close 19th June 2015. Completed games are due by 21st August 2015 so get involved, get creative and have some fun! For more details see Mrs Litchfield in the Science department or visit www.stemgames.org.au

KWS P&F Careers Forum Night

Thursday 11th of June 5.30pm–8.30pm

Each year KWS hosts a Careers Evening for our students in order to provide them with a vast range of information across many industry sectors. The evening is an opportunity for Year 10, 11 and 12 students to discuss career opportunities with industry professionals and also to link these career prospects with a tertiary institution. Please put this date in your calendar.

MyUniversity Website

MyUniversity provides students with a broad range of information about Australian universities and other higher education providers. Start your search to make an informed
choice about what and where to study. View and compare up-to-date and comprehensive data about Australian universities and other higher education providers. Visit http://www.myuniversity.gov.au/

**Local Government Careers**

This website aims to help provide an understanding of the diverse range of careers on offer in Local Government (also known as Councils) and provides information on the training required. Visit http://localgovernmentcareers.com.au/

**Years 9 and 10 Half Yearly Examination**

**Timetable**

The Half Yearly Examinations for Years 9 and 10 will commence on Monday 25 May.

All students in Years 9 and 10 will have been issued with their examination timetable by the end of this week.

The timetable also includes important information on the reverse side.

Students and family can download the examination timetable and information by clicking on the following link: http://www.kws.nsw.edu.au/ff-PPandforms#Academic or from the school website by going to: Family and Friends / Forms / Policies and Procedures / Academic.

We wish students well during the exam time.

Paul Mirrington  
*Director of Studies*

**Ski Trip**

**Meeting**

There will be a meeting for everyone going on the ski trip on Wednesday 20th May in Room 13 at 1.00 pm. Please grab your lunch and bring it to the meeting. If you have still not brought in your forms, you MUST bring them to the meeting.

Catherine Litchfield

Festival Choir 2015 – Preparatory and Senior School

All parents of students who study Music, Drama or Dance in the academic or co-curricular realms of our school should have received a letter via email with an invitation to be part of our Festival Choir in the finale of our “Around The World” Performing Arts Festival on 18 June. Our finale on the night is a rousing piece by John Williams called “Dry Your Tears, Afrika”. It is from the soundtrack to the movie, Armistad and is written for massed choir and orchestra (look it up on Youtube if you like!).
Our Koristers will feature in the opening section of this work followed by the entry of our massed Festival Choir, made up of every festival performer (including Drama and Dance) as well as KWS community members (parents, aunties, uncles, grandparents, siblings, KWS staff, friends). Our KWS Orchestra will be accompanying the choir and some of our most experienced student singers will be spread throughout the choir to support all participants. In order to achieve a "massed" choir, we do need you support, particularly that of the male members of our community! The singing part is extremely simple and the more people involved will result in the best sound and the best experience for all. There is not need to have any prior experience singing in a choir. The rehearsal schedule is as follows:

Sunday, 31 May:
3-4pm, Performance Theatre: Performing Arts Festival Massed Choir Rehearsal

Sunday, 14 June:
3-4pm, Performance Theatre: Performing Arts Festival Massed Choir Rehearsal with KWS Orchestra

Thursday, 18 June:
5:30pm, DPA: Dress Rehearsal for Performing Arts Festival Massed Choir and Orchestra
7:00pm, DPA: Performing Arts Festival performance

Even if you are not able to make all of the above rehearsals, you are still welcome to be involved. Those of you who have sung in a choir with a symphony orchestra will know just what an exhilarating experience it is. Please invite other friends, grandparents, sisters, brothers, aunties etc to join us. Mrs Chapman and Mrs Choi will be recording a list of those interested in being a part of this exciting and moving event. Please phone them on 6392 0347 to register your interest in being a member of our Festival Choir.

Camerata Concert – 22 May, DPA Chapel, 6:30pm

All students who performed in the 2015 KWS Concerto Competition should have received an invitation to perform in the Camerata Concert on 22 May. Mrs Stevens will be available to accompany you on the night. Please see Miss Anthony to register the name of your piece as soon as possible.

Vivaldi Unwired Excursion

Year 11 Music 2 students along with some of our other
high-level string players in Years 9-12 will travel to Sydney on Friday for the ABO Vivaldi Concert. In Year 11 Music 2, we are working on the Mandatory Topic, Music 1600 – 1900. The students are focused on Baroque Music this term and we are doing a comparison between Vivaldi's Four Seasons and Max Richter's "Recomposed – The Four Seasons". The latter is a new version of the original including electronica, sound sampling and is minimalist in style. They have a composition assessment requiring them to recompose a Baroque work themselves. Unbelievably, the Australian Brandenburg Orchestra is performing both works in a concert at 7pm on Friday May 15 called "Vivaldi Unwired". We will be traveling to Sydney from lunchtime on May 15 and returning to KWS on Saturday 16 May. It will certainly be a rich and inspiring experience for all.

Symphonic Wind Ensemble

Please make sure you are in attendance for a FULL rehearsal this Friday morning at 7:30am.

Musical Cast

There will be no Sunday rehearsals until Sunday 31 May. However, all cast members are required from 3:30 – 5pm every Friday, with core cast members staying on until 6:30pm each week. Please email Mr Morrisey (lmorrisey@kws.nsw.edu.au) if you are unable to attend for any reason.

May you have a wonderful week.

Football Reports

KWS U13s defeat CYMS 6-0

A great Saturday morning for the Under 13s as they were able to totally dominate their game against CYMS eventually winning out 6 – 0. This effort was a complete example of how to dominate possession, field position and scoring opportunities. The signs of a good game were early as Hugh McIntyre, Ethan Jones, and Sam Archer all having shots at the goal but with no success. They were supported wonderfully from a strong midfield with Xavier Vials and Luc showing great skill and ability in gaining and maintaining possession. At the back Owen Bloomfield and Max Rolfe ensured that our goal was never threatened, they were ably assisted by Jeremy L-Estrange and Will Cornally. Throughout the half this continued with Ethan Taber-Ross, Oliver, and Nabhan all playing well as they came into the game. Eventually the boys broke through with Xavier getting the goal. This was followed by Sam and Ethan taking us to a 3-0 half time lead.

The second half started like the first for the boys with Ethan and Sam getting a second goal each. Joseph Kocanda was able to have a strong game up front after he gave keeping duties to Owen. Eventually the boys won out 6-0 and are now 2 for 2 to start the season. This still means hard work and dedication at training in order to now consolidate this strong
start to the season.

Leigh Morrisey
Coach

1st

The boys enjoyed another hard fought but deserved victory on Saturday. Tom Rogers, on his return from an injury lay off, wasted no time getting involved in the early exchanges. He created several opportunities in the opening minutes and his height posed a real threat to the defence. This physical superiority drew the foul that led to the opening goal. The deftest of glancing touches then doubled the lead before the half time break. After the interval a casually taken lob from James Conran and a superb Alex Mirrington strike rounded off a comfortable 4 nil win. Good performances were also had by Joey Thomas in attack and Josh and Jeremy in defence. Congratulations to the firsts on a great start to the year.

Peter Crisp

After a convincing win last week against CYMS white the team were feeling positive for their encounter with Eglington despite going down to them last year. The teams proved to be very evenly matched which was reflected in the one-all scoreline.

We started off in a 3-4-3 formation which had us one-up within the opening minutes of the match. Luca was the scorer assisted with a deft cross from Thomas. However this formation also allowed Eglington many chances which were ably cleaned up by Noah in goals, before one got through before the end of the half. Too often in the first half the midfield was left vacant leaving only the three backs made up of Lewis, Hayley and Duncan to defend, all of whom used the sideline well and provided some long clearances. We had plenty of chances between the forwards with Luca, Sherjeel and Charlotte. However while we were quick to run the ball, we were caught off-side too many times so squandered those opportunities which could have delivered Kinross a win. We were also too keen to play down the middle of the field running into a strong defence, rather than utilising Charlotte on the wing.

After half time we adopted a more defensive 4-4-2 formation adding Bradman to shore up the defence which together with Max in the midfield gave great through balls to the forwards with some long, sailing kicks lifted by the wind which was in our favour in the second half. Max took a few long range chances and had some well placed corners however the
scoreline remained even. The midfield was much stronger in the second half with Scott making some great wins and Euan and Oscar on several occasions running the ball down the sidelines through to the forwards. A penalty against us late in the second half had us all willing the referee to call time, but it missed the mark. Possession was mostly with Kinross in the second half. Duncan was named the players player but some great football skills were on display from both sides making it a very enjoyable match to watch.

James Karbowiak

Netball Reports

Junior A’s

The Jnr A’s came away with a 4 from 4 victory balance over the weekend. After starting the weekend off with a demoralising win over CYMS Emeralds 54-5 the girls had a much tougher game in the afternoon against the OHS Junior As. It was in this game that the girls showed grit and determination to come away with a nail biting 35-33 victory. The Div 3 games have allowed the girls to develop perseverance, strength and resilience and the team should be proud of the improvements which they have shown already this season. The Mothers’ Day showdown between the Jnr As and the KWS 15As saw Maggie Noonan being contested by her BFF Ailish Seedsman. Lots of laughs were had between the two teams and the 15As did a fantastic job of keeping the Jnr As score so low. This was the best game I’ve seen Emma Bermingham play this season. She was superb in her attack and worked just as hard in her centre court defence. The afternoon was another epic battle for the girls. They took out an early lead against HAWKS and were able to maintain the 5 point margin throughout. Even with fitness levels flagging and the wind playing havoc with the shooters the girls showed maturity and skill well beyond their years.

Sat 15 Blue

3 points – Jess Amos
2 points – Charlotte Haling
1 point – Holly Jones

Div 3

3 points – Libby Noonan
2 points – Jess Amos
1 point – Maia O’Connor
Sunday 15 Blue
3 points – Emma Bermingham
2 points – Gidget Hall
1 point – Maggie Noonan

Div 3
3 points – Gidget Hall
2 points – Jess Amos
1 point – Mabel Brockmann

Sue-Ann Gavin
Coach

KWS Bassetts

On the 9th May we played the KWS Yr 10 side and were beaten 16-29. Our opponents were too good for us, but we played well and with great heart. The girls are progressing all the time and putting more and more sustained moves together. Well done to Sarah Byrne, Maxine Cottrill, Gemma L'Estrange, Niamh McFeeters, Tharni-Jo Parkinson, Anna Price and Iwali Adie.

On the 10th May we played the CYMS Cheeseballs and won our first game of the season, 49-25! This was a really up-lifting result and showed the potential that the girls have to be highly competitive in the Division 8 competition. Fantastic court-length combinations and some great shooting! Congratulations to Maxine Cottrill, Gemma L'Estrange, Niamh McFeeters, Anna Price and Iwali Adie, with special thanks to Gemma O'Brien, Jorja Griffiths and Molly Storer for filling in at the last minute for injured and absent players.

Chris Oldham
Coach

U13's Tippetts

The Tippetts had two games on the weekend, one against CYMS and another against HAWKS. We lost both games but the girls played with enthusiasm and determination. Our defence improved and Bridget and Charlotte worked well together to intercept passes. Jacqui was tireless as centre and Crystelle worked hard in defence. Sophie and Erin worked well in the goal circle together. A big thanks to Simone, Erin and Jasmine for turning up to the umpiring clinic.

Kathryn Northam
Coach

13A's
The 13A’s had another two convincing victories over the weekend. Great work from Jess and Sam in particular. They have taken on board strategies from training and have been disciplined in trying their new skills on the court in games. Fabulous shooting from Scarlett, Grace and our ‘new-found’ GA Farrah!! As there was no training on Tuesday because of the staff meeting, I am looking forward to training on Thursday. Hopefully we will be regraded into an older division for a more even competition. Well done girls on some fabulous netball and being the best 13 year old team in Orange!

Catherine Litchfield  
Coach

14A’s

KWS 14A vs U15 LS Magic  Won 16-15

Another low scoring nail-biter from the 14A’s. The report from last week could just be pasted in for this week, with the exception that this week, the 14A’s held it together in the final quarter for a fantastic win. Leading by 3 at the last change, down by 1 with a few minutes to go, but scoring the last two goals to snatch a well-deserved win. Sophie Schiffman and Molly Storer fought hard in defence, keeping the LS Magic’s scoring under control. Chloe Quigley and Jorja Griffiths found it difficult to create space in the attacking circle, but adjusted to create enough opportunities to get the team over the line. What was especially pleasing this week was the improved play through the centre court, with Ally Bermingham, Maddy Triggs and Flinn Madigan combining well for the whole four quarters. Great win girls! Players’ player was shared by Jorja Griffiths (GS) and Ally Bermingham (WD/C).

KWS 14A vs U15 Hawks IJC  Lost 19-32

For the third week in a row, the match was tight for the first three quarters. This time the opposition was too strong in the final quarter, taking their 22-18 lead at three-quarter time to a 32-19 win. Chloe Quigley (GS) and Jorja Griffiths (GA) combined well in the first half, scoring 12 goals between them. They were ably assisted with some quality ball from Flinn Madigan (WA) and Sophie Schiffman (C). Molly Storer (GD) and Olivia Mirrington (GK) kept the opposition score respectable in the first half with some good rebounds and turnovers. Congratulations to Ally Bermingham (WD and C) who was voted Player’s player for the third match in a row. Overall, it has been a solid start to the season, with 2 wins and 2 losses so far in the top 15s division. Well done girls!
Paul Mirrington  
**Coach**

**KWS14B's Vs CYMS Valley View Vixens (Lost 12/23)**

The KWS 14B’s played a well-fought-out match against the CYMS Valley View Vixens, and although they lost the game on the day, they achieved so much more in terms of personnel game confidence.

Great centre play combinations were played and a mammoth effort by Olivia Small as C, Georgie Haigh as WD in fighting really hard for the ball and making many intercepts. Bella Adams and Billie Brownlow positioned well as C and WA with well-timed leads through centre court and effective backup around the goal circle. Maddie Smith, Molly Harris, and Taya Rutherford moved swiftly in goal circle shooting accurately, where the team held opposition in the 3rd quarter goal for goal. Great defence by Olivia L'Estrange and Jema O'Neill (GK and GD) who were very fast on their feet, blocked many balls and were great on rebounds. This game was a great confidence booster for the 14B’s who worked very hard at their netball game.

**KWS14B's Vs CYMS Fireballs (Won 22/8)**

A win by the 14B’s. Increasing skill level of the 14B’s is evident with every game and all are using the court to their advantage, with effective passing and well-timed leads. Excellent shooting by Maddie Smith, as the 14B’s biggest goal shooter with 11 of the goals scored in today’s match. Excellent shooting by Molly Harris, Taya Rutherford and a surprise shooting skill level from Olivia Small, with Molly Harris moving well around the goal circle. Taya Rutherford working fast through the centre court to in combination with Bella Adams C and Billie Brownlow WA, who worked hard to get the ball to goal end. Great intercepts by Olivia Small, with Georgie Haigh, WD, both glued to opposition and made great defensive decisions. Olivia L'Estrange and Jema O'Neill focused keenly on intercepts and saved many goals by excellent timing of rebounds. Superb team work all.

Thanks to Jema O'Neill and Bella Adams who umpired the match after the game.

Cathy Small  
**Coach**

**15A's**

The 15A's faced tough opposition this weekend enduring a “practice” round against the Orange High School Junior As on
Saturday and the KWS Junior As on Sunday.

Orange High were formidable and with height and reach it was hard for our girls to compete. With strong performances, the 15A's centre players were inspired by Izzy Robson who rattled the OHS cage and forced them into making errors and into exasperating the umpire. With fresh legs in regular supply the OHS Junior As prevailed, but not without our girls Charlotte May and Monique Worsley showing true grit by scoring strongly in the final quarter.

On Sunday the 15A's backed up against the KWS Junior A's. The wind swirled around the court as did the pink bibs of the opposition, yet the 15A's again worked hard in the goal circle with Ailish Seedsman and Isabel Lamph disrupting the flow of goals significantly. Strong performances from all the girls frustrated the opposition, as did the occasional peck on the cheek from the 15A's for over-zealous marking. Well done 15A's on maintaining composure in the face of a difficult round.

Michelle Thompson
Coach
Year 11

The Year 11 netball team experienced their first loss of the season. The Waratah Reds proved too experienced for our team. We were unable to stem the flow of goals at the opposite end of the court. Mindy Moe had an excellent game and was our primary scorer. The final score was 34-20 (L). Better luck next time.

Kelly Cole
Coach

2nd's

Last Saturday, KWS 2nd's versed CSU Aggies 1. Unfortunately, the result came out as 20-32 their way. Although the team was never ahead in goals, the girls still showed great perseverance.

Georgia helped bring the ball down on the centre pass when the opposing defence was too strong for the attackers to get through. Soph Hay zipped across the court, doing her best to get it towards our end. Kelsea and Lizzie worked well together, weaving in, out and around. The shots they scored were hard earned. Down the other end of the court, Pru and Cassie were given a good run.
The height of the opposition made it hard for the girls to rebound but they did their best, at times even managing to gain possession of the ball. The girls did extremely well being short of players, only six, and having Pru's little sister filling in. It was a hard and fast game, hopefully to be won next time round.

Soph Schiffmanns

**WAS Netball**

Last Wednesday 6th May 2015 seven Kinross Wolaroi School and three All Saints Bathurst students represented WAS at the AICES 15 and under Netball Trials at Castle Hill. The competition was very strong and fast but all girls represented the school and region with pride. The day consisted of five thirty minute games against other regions in AICES. From a group of independent selectors they chose 16 girls to trial further as possible/probable players. Congratulations to Sophie Sheehan and Thea Allen who made it that far.

The other girls involved were Charlotte Haling, Jess Amos,
Maggie Noonan, Libby Noonan and Mabel Brockman. With a number of our girls in Year 8 they have another opportunity next year to go one step further.

Well done girls, on a long but really enjoyable day!

Kimberley Jones
A/MIC Netball

Hockey Reports

The season has started strongly with all players approaching training and games with enthusiasm. They are to be congratulated on having the correct equipment at each training session, because as they know without a mouthguard or shin pads they are not allowed to train or play. We have had some excellent results in the opens and junior competitions with a number of teams already showcasing improved skills.

I would like to thank the parents and supporters who have watched games and cheered from the sidelines. Without you the girls wouldn’t make games and I know that they lift when there are parents and friends watching them. We would however like to remind all parents and supporters that you are not to enter the dugout during games, this includes at halftime and before and after the game starts. The Girls are with their coaches and need to concentrate on the game.

On Friday evenings we have the opportunity to develop the girls rule knowledge and umpiring skills. If you have skills in this area and would be willing to assist with mentoring girls for 1 game at either 4:30, 5:30 or 6:30, please contact me on cgoodall@kws.nsw.edu.au. You would be asked to stand with the girls on the field and assist them with umpiring. This is an important skill for the girls to develop and any help would be greatly appreciated.

Ms C Goodall
MIC Hockey

KWS First XI v Confederates 0-3

In a game of inches, the opposition goal was two inches too small, and our own goal appeared to be two inches too large. After a slow start the game where we looked a little tentative the true KWS passion, determination and drive surfaced as time went on. Even as the girls faced a three goal deficit they never dropped their bundle, and ran the opposition absolutely ragged for the entire second half, being ridiculously unlucky
not to score three goals in the second stanza. Our passing combinations and vision improved exponentially as they game progressed and the younger players in the team stood up to be counted showing good confidence in contact and a greater ability to follow coaching direction and team plans. The mood following the game was extremely upbeat, with the players knowing they are all improving greatly as a team and as individuals. Thank you again to the large contingent of parents and supporters for your encouragement.

Mr P Tierney  
Manager

KWS 2 V Molong

The girls had a very hard day at the office against a star studded Molong team. Even though we managed to hold our own all over the field for most of the contest, Molong ran out 8-3 winners. However, we did actually score 3 good field goals to Molong's 2, with a brace of short corner goals being the difference. Age and experience was too strong on the day, but we will be back.

Mr B Thomas  
Coach

KWS 3 V Confederates Lost  5-1

The KWS 3rd grade team lined up against a much bigger and stronger opponent on Saturday. The girls started the game slowly with the opposition scoring 5 goals in the first half. But let's not talk about that. The Second half was a different game. The girls began marking tightly and using the width of the field. Eloise Coleman deflected in a goal on the post after some brilliant team play. Maddy Strudwick and Jennifer Kennett improved through the game with Maddy being instrumental in defence in the second half. The girls can be very proud of this result as they fought to the end and never gave up demonstrating excellent team spirit.

Ms C Goodall  
Coach

U/16  KWS Turquoise V Opals  Won 4-2

The KWS Opals faced the KWS Turquoise in Round 2 of the season. While the Opals took an early 2-0 lead the KWS Turquoise came back strong, scoring four straight goals. New to the game, Cate Brien is to be commended on her willingness to undertake the position of goal keeper, which she excelled at. Indi Devane and Alexandra Gee should be also be
congratulated their defensive skills and attack on the ball which prevented and saved many more shots at goal. Despite their loss, the KWS Opals demonstrated endless enthusiasm.

Ms A Laing  
**Coach**

After a very slow start and some early pressure from the opposition, Turquoise found themselves 2-0 after 10 minutes, the girls then shifted through the gears and kept the Opals restricted into their own half. After one rightly disallowed goal, Chloe Wilson added 3 first half goals to head into the break 3-2 up. The second half started in similar fashion to the end of the first and Charlotte Hailing added the 4th goal of the game for Team Turquoise. After that the girls really dug in and defended well. The umpiring was well done after their confidence grew and started to feel comfortable. It was also wonderful to see many of the new players really getting involved and putting in great performances. Special mention to India Kermode, Caitlin Stubberfield, Charlotte Hailing, Alex Wald and Chloe Wilson for brilliant performances!

Ian Raisbeck  
**Coach**

**KWS Rubys V Diamonds**

The KWS Ruby’s played their second match of the season against the KWS Diamonds. The Ruby’s put in a tremendous effort, and came away with a 3-0 win. Players such as Hannah Brien, Harriet Riley and Jossie Date played like 1st class players, despite being beginners. Maggie Smith played strong and kept the ball in the opponents half, and defence super star Emily Yeo kept the ball out of our half. Thanks to Sammy Syme for volunteering to play goalie, the save you made was excellent!

**U/14 KWS Sapphires v Molong Black lost 1-5**

This was a hard game against the top team in the U14 division. Considering our inexperience we handled Molong like experienced campaigners. Florence Conway scored a brilliant individual goal which was her first goal ever and Georgina Bennett was very good in goal. We are improving on our shrinking and stretching, forming triangles and throwing into space.

Mrs M Hill  
**Coach**

**U/14 KWS Emeralds V CYMS**
U’14 Emeralds played against CYMS on Saturday, the girls are improving with their passing and marking players in defence. Last week’s goalie Dempsey Bryant scored our first goal after some fantastic attacking play and passing by Phoebe Litchfield. Georgie Poole scored KWS’s second goal which was a just reward for all her work in both attack and defence. Special mention goes to McKenzie Jones for her efforts in goal, well done to all of the girls and congratulations on the win!

Mrs J Haydon
Coach

Rugby News and Draw

A tough day at St. Stanislaus’ College which produced 3 wins a draw and 9 losses. We look forward to a rematch at KWS on Saturday 1st August.

Rugby Draw Week 4

This week we take on TAS at Coonabarabran.
Reminders

Travel Arrangements

Could parents please make sure they have their son’s travel arrangements organised by Thursday so the boys can inform their coaches at training on Thursday. This will help to avoid emails, SMS and last minute confusion.

In addition, if you wish to take your son after the match please inform the coach. Players MUST travel on the bus their team is allocated to, otherwise some players might miss out on transport.

Physiotherapy

Players will be refused strapping if they do not have their own strapping tape.

Boys are expected to provide (pay for) their own tape (unless on-field taping is required). Tape can be purchased through sister at a significantly reduced rate. This will need to be organised prior to arriving at the ground.

Mr Huon Barrett

MIC of Rugby

Rugby Reports

13A's

With Cody Kelso as Captain, the young 2 Blues prepared to meet the arch rivals on their home pitch, for the 1st of many, in their time at KWS. The young guns muscled up well from the onset against a bigger team, that were keen to get stuck in. The opening stanza saw Stannies starved of the ball & KWS scored before Stannies had touched the ball.

The boys followed the team plan & Set the tone with punishing
defence & tight ball control. All the forwards played their individual roles, which gave the backs time & space with the ball.

A few KWS old boys struggled to contain their joy of seeing both the A & B sides grabbing victories. thank you to the senior boys & families who watched our games on Saturday, it certainly gave the boys a lift!

Next week we head to Coonabarabran to play TAS, for one of our many games on the road.

Tries: 2 Digby, 1 each to Alex Brien, Hunter Rose, Xander Wood & Cody Kelso.
3 points: Fletch Ryan, with some devastating running & solid defence.
2 points: Lachie Donnelly & Hunter Rose.
1 point each: Digby & Jack Ryan.

There will be no training this Tuesday due to an extended staff meeting, boys will train on Thursday as normal.

Jason Smith
Coach

13B's

Another slow start saw an early try to Stannies which was disappointing however this time it acted as an early wakeup call and it wasn’t long until we hit back and pleasingly kept good intensity for the remainder of the game. Positive aspects of the game included establishing dominance at the breakdown, defence across the park, forward hit-ups and the counter ruck. Tries to Will Boag, Lew Connick, Nic Rasmussen and Eddie Taylor all resulted from good ball retention and offensive structure. Points went to Lew Connick for his work rate, Joe Priest for good performance and direction of the forwards, Will Boag for good physicality and Jameson Tyrrell for speed around the paddock.

Alistair Miller

14A's

Tight-fought battle as St Stanthilas triumph 17-5.

14a's faced off against a determined and well-disciplined Stannies squad from Bathurst. The boys started strongly and maintained their momentum in the first 5 minutes, with strong ball runs from Captain Ben Bellamy which kept the boys on the front foot against their opposition. 10 minutes passed and
Stannies capitalised on our disarrayed defence through broken play and broken tackles to cross the line. Backline defence from Declan Kelly and Sam Ridley kept the opposition at bay, allowing our forwards to retain control of the ball. Despite this our disarray in defence once again allowed Stannies to cross the line. The score was now 12-0 in favour of Stannies. After a good restart on the kick off the boys rallied together to send Hamish Poole over the line, taking the score out to 12-5.

The halftime chat seemed to rouse the boys for a second-half push. Mitchell Strike ran on for Preston, and slotted into outside centre giving the boys more confidence in the backline attack and defence. The communication throughout the team seemed to have improved dramatically in this half, leading to strong tackles and ruck defence allowing the turnover of the ball many times. Despite the boys hardly having possession of the ball, they did not falter in their efforts to counter their opposition's tactics. Strong running once again from Captain Ben Bellamy alongside Mitchell Strike and Hamish McDougall gave the team inspiration to rally once again but a quick break in play allowed Stannies to cross the line for the final time, taking the final score to 17-5.

The boys are to be congratulated on their excellent performance as they lifted in the second half to keep their opposition from scoring several times. This week we will be working on our ruck defence and positional play as these lapses allowed Stannies to score several times off our mistakes. Heads were kept high after the game, as they should have been, because the boys played well above their level. Their efforts are to be commended and congratulated.

A special mention to Preston who had an outstanding game at fullback, both in attack and defence giving the boys some much needed inspiration. The Kinross boys travel to Coonabarabran next week in their final trial game to face off against TAS.

Jake Roberts  
Coach

Under 15’s

The U15’s won a hard game against SSC 19 – 7. The side was slow to start and found themselves unable to move out of their own half. Sustained pressure forced KWS to turn possession over, this turnover resulted in a well-executed blind side play that gave SSC their only try of the match that was converted from the sideline. Once the side had settled into the game and started to piece together a number of phases they
began to control the game. Tries to Lachlan Fisher and Aiden Kelso before half time saw KWS take a 12 – 7 lead.

Running into the wind in the second half KWS were forced to hold onto ball and counter attack from a number of well-placed kicks by the SSC side. There was some great individual efforts in attack and KWS were unlucky not to score more points, a converted try to Richmond Sear finished off the scoring and saw the final score 19 – 7. The team showed signs of fatigue during the match and conceded a large number of penalties by being offside. A focus on fitness will hopefully address these issues for future games.

(Score 19 – 7 Tries Aidan Kelso, Lachlan Fisher, Richmond Sear Conversions Rhys Draper, 2/3)

Nathan Zinga
Coach

14B’s go down to Stannies 45-5 in Bathurst

A score line of 45-5 does not indicate the way the B’s played on Saturday. In cool conditions, the boys ran out against a much larger side from St. Stanislaus, Bathurst. The initial 15 minutes saw the boys under plenty of pressure in defence and had to muscle up immediately. The boys soon learnt that we needed to play in the opposing half, and with a good kick chase from our left hand side, we had our first points courtesy of Max Pearce. This try was put down to positive communication in defence and a sneaky turnover, before the forwards dominated the much larger Stannies pack to see Max cross the line. At half time, we were down 28-5.

After some positive comments from Captain Harry Thomson at half time, the boys picked up where they left off in defence and found themselves in a tight contest. For the following 10 minutes, the possession tossed and turned, meaning our boys were managing a lot of metres across the park. In defence, James Murray saw plenty of action, while wingers James Parfett and Charlie Edgley worked well with Charlie Wilson at the back to cover any breaks Stannies had made. Some barnstorming runs from props Henry Gibson and Henry Ponder and centre Mitchell Strike saw many breaks that could have led to points on the board. However it wasn’t to be as Stannies crossed for three late tries to leave the score at 45-5.

The boys should keep their heads high, as our attitude in the warm up and throughout the game has reached new levels. Well done.
Next weekend, Kinross will make the long trek to the beautiful playing fields of Coonabarabran (there could be a little bias- it is in fact my home town), to take on TAS in our final trial game.

Luke Mack

**Rugby 15C vs SSC – lost 32-10**

The 15C’s made a good start to the game despite running uphill on Clifford oval at SSC. Lachie Steele, Jack O’Brien and James Moon provided plenty of go forward in the first half. The 15C backline looked different to last week with many of the 15C’s having a run in the B’s this week. Jack Wake was busy around the ruck and made an excellent blind side run early in the half. He was well supported by Ewan McGregor and Matt Staniforth.

SSC were first to score taking advantage of running down-hill. But after some excellent work by out forwards to get close to the SSC line Jack O’Brien managed break through close to the line and score. This had the halftime score at 12-5.

In the second half the 15C’s really played well. We were dominate in possession and tight in defence. Spending a large amount of time in the opposition half and causing them to scramble in defence. Lachie Cisco had a nice little run up the sideline and Jack McCaskie made some good one on one tackles in defence.

Despite the dominant possession a five minute lapse cost the 15C’s the match. In the space of 5 minutes SSC scored three unanswered tries taking the game away. More work on our defensive line will be the focus of training over the next couple of weeks before the start of the ISA competition.

Joe Priest

**Head of Sport**

**16B’s**

**Week 2**

The 16Bs backed up from a heavy defeat to All Saints and showed character and much improvement in their rugby. The Riverview team played with extreme class and courage to out muscle the boys in blue.

From the outset KWS played a physical brand of rugby, with strong runs from Nicholas, Will Harris and Vincent Choy. The forwards looked extra prepared thanks to the help of Assistant Coach Steve Harris, who has been a tremendous help building a foundation of defence. Riverview finally got through the KWS
defence but with smart ball play at the line, Benji crossed over for the first points of the season for KWS. The back line had prepared all week with strong play, however Angus Cummings unfortunately went down with a knee injury. Luckily KWS had Charlie Blyde step in who played out of his skin to earn man of the match honours.

After the interval, big runs from Will Stanley-Davis and Sam Moon kept KWS in the game. The brutal Riverview attack kept chipping away at the line and broke through for more points. Special mention to vice-captain Lachie Hazelton, who played the entire game with great conviction. The boys played with true KWS spirit, knowing there's much to be proud of but a lot to work on as well.

Thanks to the parents for making the trip down to support the boys. Bring on Stannies.

**Week 3**

Rivalry Week. Kinross VS Stannies. Orange VS Bathurst. The mighty 16Bs lost this game last year 97-0. This time around, KWS put up a much bigger fight. From the opening whistle the KWS forwards set the tone of match, with bruising runs and brutal defence. An early lapse in concentration led to a Stannies try. As the match pushed forward, Cosmin Scott raised his hand in indication of a shoulder injury. As a substitute was being prepared, the superstar winger latched onto an intercept and ran 90 meters to his account for the season and score one of the most spectacular tries. The half ended at 14-7 to Stannies.

In the second half the boys kept pushing for points, playing an exciting brand of rugby. Game MVP Parham stepped up and tried to provide the extra spark in the team. Unfortunately, the KWS boys went down 31-7. Big Game next week in Coona. Thanks to the parents for their continuous support.

**Mr Takbir**

**KWS 1st XV v St.Stanislaus College Lost 32-12**

The eagerly anticipated fixture against Stannies is always held in high esteem by both teams. With the John O'Neil Shield up for grabs there was plenty to play for. The intensity and passion of both teams was evident for all spectators to see in the opening few minutes of the match. After an excellent attacking raid by KWS the Stannies machine rolled into action and scored against the run of play, to open the scoring with a 5 pointer. Charles Litchfield charged down the kick and KWS were back in the hunt.
The KWS forward pack dominated at scrum time and the lineout was a real feature as Charlie White soared through the air to claim the ball repeatedly. Following some sustained pressure the Captain of Rugby, Charlie Cooper, crossed the line and Charles Litchfield added the extras. The boys worked hard against the wind to keep Stannies to 3 tries and a penalty at the half-time break. All things considered, to be down 20-7 was a positive reflection on the KWS commitment and determination. The second half did not go entirely to plan. The commitment remained but the inability of the 1st XV to execute the game plan and allow the Stannies forwards easy metres proved to be the difference.

Tom Cummins a member of the dynamic front row crossed for his second try of the season but this was not enough to inspire the team to greater heights. Whilst the boys lost the battle they won the respect of many. Their ability to play hard, fair and be gracious in defeat will forever be remembered. Coach Barrett and Begg are immensely proud of the boys and the ISA round in Term 3 will be one not to miss.

3 points Cody Walker
2 points Charlie Cooper
1 point Charles Litchfield, Charlie White, Tom Cummins, Jakobi Robinson

Huon Barrett
**Coach**

**KWS 2nd XV v SSC 2nd XV Lost 6-7**

The Stannies side began well against the KWS 2nds using their much bigger forward pack to test the KWS defence. After the initial barrage had been successfully held out KWS began to dominate phase play with outstanding commitment at the breakdown and superior speed around the field. KWS held good field position for most of the game but were unable to crack the Stannies defence to score except for 2 penalty kicks by Dave Sellwood to see KWS leading 6-0. Tommy Payne managed to cross the Stannies try line late in the second half but was unlucky to be called held up. Stannies then put pressure on KWS and attacked only to be held out through outstanding defence. With a penalty awarded 5m out the giant hooker tapped himself and fell over the line to score with only minutes left on the clock. The successful conversion meant that Stannies stole the win in the dying moments. Despite being outplayed at the scrum and lineout KWS were the better
team throughout the match and can be very proud of their efforts. Pete Alston and Tommy Payne were outstanding all match and couldn’t be separated for man of the match. Other standout performances came from Toby Condon, Ben Ryan and George Blyde.

Paul McRae
Coach

3rd XV v SSC

I am immensely proud of the way in which we played the game this weekend. It is never easy arriving at Stannies and to face a team with considerable size. We were glad of the opportunity to test ourselves against their legitimate 3rd XV and in front of a crowd after our victory last week in front of a few committed parents.

The first half was a fantastic contest. We fought hard for field position and spent considerable time defending and without much ball. They scored the first try but we hit back quickly with a magnificent kick and chase from Cayden McGrath after moving the ball through the backline. There is nothing quite like the simplicity of passing the ball from one player to another without the need for fancy moves. It is rugby at its purist, and a pleasure to watch. To finish it off with a well-executed and appropriately timed kick was poetry in motion.

Drew Weber was dynamic in all areas of the field. Never did he back down from an opportunity to run at their forward pack and he was able to break the line repeatedly. Going close to scoring on a number of occasions. He deserved a run with second grade.

Bryce O’Connor worked tirelessly in defence and tackled courageously – finishing the game with a shiner to be proud of.

We went into the break down by 2. After the break Stannies power game began to show and having to tackle so much eventually takes its toll. They scored another three tries and conversions, taking the score to 28-5 at full time.

Hughie Britton had a standout game. His passing was fluid, his vision created breaks and his tackling left many an opposition player slow to return to their feet. He too, thoroughly deserved a run with second grade.

We look forward to the return fixture against Stannies at the end of the season. It will be a true measure of our
improvement.

BRING IT ON!!
