Policy on the consumption of alcohol at KWS functions

I wish to advise parents that a policy on the use of alcohol at KWS functions will come into effect as of this week.

This policy promotes the health and wellbeing of all members of the Kinross Wolaroi School community. This requires staff, students and parents to support a policy which acknowledges that it is not acceptable to serve or drink alcohol when students are present. Australians in general tolerate alcohol as a socially acceptable drug yet it is responsible for the most drug related deaths in the teenage population. In a school setting it is important for young adults to observe role models in a social setting without alcohol being served.

In essence the policy explains the procedures surrounding the consumption of alcohol:

• on school premises
• at school functions that are held off campus
• during school hours
• during school camps and excursions
The policy is put in place to protect our students and to follow the standards advised by the National Drug and Alcohol Policy.

As a summary this will mean that no alcohol will be served at KWS functions held on site with students present. Parents need to note that this includes all dinners scheduled from this point on including:

- Cadet dinner
- Boarding House dinners
- All sport dinners such as Rugby, Netball, Hockey etc.

Note: the Graduation Ball is a declared exception to the Policy on the basis that the function is held at an offsite facility, separately licenced, with Year 12 students who are deemed to have graduated from KWS.

Year 6 Excursion to Canberra

Year 6 Canberra - 2015

Year 6 students undertook an educational tour of Canberra, the nation’s capital. Whilst on this tour we participated in a variety of educational programmes focused on Australia’s history, culture, heritage and democracy. We would like to thank the Australian Government for their recognition and contribution of funds under the Parliament and Civics Education Rebate scheme.

Monday began with an early visit to the National Museum where the children enjoyed many displays, the favourite being the Outdoor Garden. We then travelled to Parliament House.

Our first port of call was a - behind the public scene - committee room, where a role play was enacted and the children debated a bill. Posing as Ministers of Parliament, the ‘members’ proposed, debated and passed Bills in a superb role-play which enabled the students to gain further insight into the process of law making and the Parliamentary system. We then filed into the House of Representatives followed by The Senate where consolidation of our Parliamentary system knowledge, covered in class, continued. The group were visited by our representative for Calare, John Cobb, who provided the group with valuable information and some personal experiences of his time in Canberra.

The Australian Institute of Sport was next on the list and it was fantastic to see how and where Australia’s athletes train. Day 1 concluded with an evening visit to Questacon and scintillating, scientific experiences. There were many excited children that night as everybody settled down for the
A visit to the National Zoo and Aquarium on Tuesday morning enabled the children to view wild animals in close proximity. Then it was off to Old Parliament House and a programme called ‘Who’s The Boss’. Through an interactive exhibition, the children gained a greater understanding of our Democratic system. We then visited the Electoral Centre where the birth of federation and the voting system was explained in detail. The children became ‘citizens’ and voted, experiencing and gaining a greater understanding of our preferential voting system. With a visit to the National Gallery concluding our day time visits, the group enjoyed dinner before honing their team skills and enjoying the challenge of Laser Tag.

The final day commenced with a drive to the Embassies and High Commissions. From here it was a quick drive to the Australian War Memorial. The group enjoyed a valuable and memorable experience with the interactive D Zone being a highlight. Following this interactive session the Year 6 cohort explored the memorial’s exhibits which brought to life many events studied in class during our Courage in Conflict unit. Lunch followed and then our final destination Mt Ainslie, provided a beautiful view of the city of Canberra and the Parliamentary Triangle bathed in sunlight. A perfect end to 3 unforgettable days. Our time away seemed a blur but many educational and personal experiences were had by all. This was an exceptional group of Year 6 students who represented their school with great maturity and exceptional behaviour. They were a pleasure to travel with and Mrs Savage and I are very proud of all the students. Mr Hordynsky and Mrs Savage.

**Sports Reports**

**Hockey**

**Joeys** - It was a beautiful sunny day for our game! Our team played really well and we are getting better at staying in our positions. We learnt a new skill called 'receiving'. Unfortunately we didn't win but everyone had lots of fun. **Annabel Clinton.**

**Burras White** - We played City on Saturday, we all had a fun game and
scored some great goals as a team. **Harriet Stratton.**

**U12 Koalas** - Last Wednesday we played against Mrs Barrett’s team, KWS Wallabies. We had a fun game against our friends. I really enjoyed playing goalie. The score was 3 - 1 to us. Thanks Miss Dwyer for coaching us. **Logan Usher.**

**U12 Scorpions** - The KWS Scorpions had a really good game with a great win over Orange City 2-1. The game opened with some great support, resulting in Luke Dominello getting a quick goal in the first few minutes. Jackson Essex and Caitlyn Jones did a great job as our backs, keeping the opposition held back with their strong defence. Some great hits up field, runs and defence from Jesse Jones, Gidgette Pratten and Bailey Barrett. Thanks to Bailey for helping us with numbers when we didn’t have enough players. In the last few seconds of the game Oscar McLaughlin scored a great goal to give us the game. Well done Scorpions. **Luke Dominello.**

**U12 Mixed Wallabies** - Last Wednesday day we played the KWS Koalas. We fought hard but went down 3-1. Bailey Barrett did a great job filling in for Brooke at centre half. No one stopped running until the final whistle. **Luke Hunter.**

**Netball**

**U9 Seedsman** - It was a fair game. In the end Seedsman’s won against Millthorpe Magic 3-1. All the goals were scored by Charlotte Jones. It was our first win of the season so we are very excited and looking forward to many more wins. **Neve Jansen.**

**U10 Davidsons** - This week we played LS Millthorpe Meercats. We moved the ball down the court really well this week and managed to score 12 goals. We defended magnificently and the other team scored 2 goals during the game. Thank you Mrs Davidson for being and awesome coach and to Monique Worsley for helping with improving our shooting. **Charlotte Raffen.**

**U11 Essex** - The defence was tight, the attack was great but we just couldn’t get ahead. The score does not reflect the match as we had greater possession of the ball. In the end, the score was 20/3. We played our best. **Annabel Pengilly.**

**U12 Kings** - On Saturday the 23rd May the KWS Kings set out to play another good game of netball. We were up against the LifeStudio Gen2. We had a very dynamic game with our shooters scoring lots of goals and the defenders working hard. Things were very close through the game and the scores were never more than a few apart. The final score was 21/22 to LifeStudio. It was a great game. Thank you to Lily Anderson for playing up a grade for this game, and to Mrs King for coaching us. We are learning lots. **Catie Crisp.**

**Football**

**U6 Pups** - We played Millthorpe Tiger Paws on Saturday. We worked really hard, and played well as a team. Oliver and Kaydn both scored great goals, and we were unlucky to lose 3-2. We all enjoyed ourselves lots though. **Rohan Kotasthane.**

**U6 Cubs** - The Cubs were up for a good game in Millthorpe and began
the day strongly. The boys targeted the goal with Maxwell and David narrowly missing. Joe and Andrew chased hard and played well. I tried hard and did some good kicks but it was Cooper who really did well. He kicked the ball all the way from one end to the other and right into the goal. I am proud of my team. Lenny Shannon.

**U6 Bears** - We played a good game against CYMS Orange but we missed Niamh. Oscar and Finn worked well together and scored a goal. Atticus blocked lots of CYMS's goals. Austin dribbled well. We didn't really eat many oranges; maybe if we eat more, we might kick more goals. The muffins after the match were yummy and there was only one left. Percy Meates.

**U7 Jaguars** - This week the Jaguars had only four players to play against Blayney Glory which did not allow any resting, but they had seven players and could rotate players a lot. For the first half there were only three players and the Jaguars borrowed a team member from Blayney. The Jaguars played well and came very close to scoring goals a couple of times. The other team scored three goals, but would have scored more except we were very good at defending our own goal. The final score 3-0 to Blayney Glory. Sam Martin.

**U7 Tigers** - It is really good that we are improving and having fun each game. Hamish was player of the week because he scored all five goals. It was also good that we won and our defence was good. Everyone put in a lot of effort and we all played well. William Garard.

**U7 Pumas** - On Saturday the under 7 KWS Pumas played Waratah Braves. It was a tough match with lots of big kicks. We tried really hard, and saved many goals. Matthew Roper got player of the week for great defence and being really brave. Lachlan Knight.

**U8 Cobras** - The Cobras had a great game, winning with 4 points to 1 at soccer on Saturday. We learnt to play fair and to keep our positions on the field. It was a fantastic game and we are looking forward to the next gameS. Robert Harrison.

**U9 Force** - We had a lovely sunny day during the game. The game started full-on with happy players from both teams. We were learning to be more confident in our footwork and trusting each other in the team. Force won by 6-0 against Waratah Braves. Well done boys! Simon Livermore.

**U9 Fury** - The U9 “fighting” Fury played the Waratahas Knights on Saturday. It was a great game, with KWS scoring 6 goals, by Thomas, Ollie & Charlie. Everyone had a very good game, with Helen taking out the player of the match award, while Will and Hugh stopped all shots on goal. Good games were also had by Campbell and Angus. Thomas McRae.

**U9 Rangers** - On the weekend the Rangers played Waratah Vikings at Jack Brabham. The best part of the game was how both teams showed great sportsmanship. The opposition had good moves and great defence. Our team never gave up and there was some pretty good goal keeping too. The Vikings won 5-2 and it was a really good game. Thanks Mr Bracks for your encouragement. Max Munro.

**U10 Thunder** - We played a good game against CYMS and scored 1 goal. Phoebe kicked the goal. We had strong defence and attack. We are
improving heaps and we hope to win our next game. **Camryn Adams.**

**U11 Jets** - We played Nashdale White. Our team had a great second half. Sam Ward earned player of the match for never giving up the chase. Well done Sam! **Matthew Adams.**

**U11 United** - We played against Waratah Vikings. Scores were even till half way through first half when Arnie Tancred scored two goals in quick succession. There was great defence by Will Hannelly in first half and excellent passing by all team members in the first half. There was strong defence from Waratahs in second half. Scores were level in first half of the second half. Joey Jones took the score to 3-2 in the last 1/2 of the second half. Scores were equalised in dying minutes of the game 3-3. **Oliver Churcher.**

**Rugby**

**U12s** - As is our routine we stopped at Wentworth Falls for our morning tea and a special one it was, singing Happy Birthday to Mr Le Couteur (Prep style).

Our game against Mosman Prep was full of running with outstanding individual tries from both teams.

The boys started slowly and were behind a couple of times early on. However credit to the boys for their tenacity and resolve as they fought back to only go down 31-29.

Harry Houghton had the crowd roaring in delight after running 60 metres from the kickoff to score a fine individual try minutes after setting one up for Dylan Tucker. James Thompson weaved and stepped through the Mosman backline to score a great try while Jack Weekes used his speed to run nearly the length of the field in scoring our first try.

All the boys are to be commended on their efforts, never giving up and were certainly coming home the stronger.

The day was then completed with the tasting of the State’s best pies as we sat in the surrounds of the Blue Mountains! Thank you to all the parents and friends who came to support - greatly appreciated. **Mr McLean.**
