Support Staff changes for Term 3

Jeremy Collins - I am writing to advise that I have recently received a letter of resignation from Assistant Bursar, Jeremy Collins, effective as of 1 July. Jeremy is a long serving member of staff having joined KWS in 1995. During this time Jeremy has held a variety of roles including Secretary to School Council. Jeremy has made the decision to investigate work opportunities outside the school sector. On behalf of the KWS Community, I take this opportunity to thank Jeremy for his commitment to KWS over so many years. I wish him all the best as he steps into this next stage of his career.

Di Gillette - I am writing to advise that Di Gillette has recently retired from the School. Di has served the Kinross Wolaroi School community for over 29 years. A critical member of the Catering team, Di has provided an essential service to generations of boarding students. Di could always be relied upon to be available to support the School’s busy function.

schedule and for ensuring that the catering was managed smoothly and efficiently. Please join me in thanking Di for the extraordinary contribution made to the School over her thirty years of service. On behalf of the KWS community I wish Di every happiness as she embarks on this new stage of her life.

New staff appointments – Support Staff

Kate Kenny is the new Executive Assistant to the Business Manager. Kate comes to KWS from the Bushmans Group where she has been the Administration Manager for six years. Kate has a strong background in Human Resources Management and Workplace Health and Safety. Kate is a “systems thinker” bringing her experience to bear on refining and improving our customer focus and service delivery models across all support functions. Kate holds a Diploma in Human Resource Management and is currently completing her Bachelor of Business in Industrial Relations and Human Resources with Charles Sturt University.

Lyndal Gill continues on a permanent basis in her role as Accounts Payable Officer in the Finance Office. Lyn has been with us on a contract basis since March and I am delighted that she has agreed to continue with us on a permanent basis. I thank Lyn for all her work in supporting all staff in getting their purchases approved and the bills paid. This is very much a "behind the scenes" role, but a critical part of the service function to support the hard work of the teaching staff.

Joshua Granger is appointed in the newly created role of Property Manager. Josh graduated from The Kings School in 1998 and completed his Bachelor of Commerce in Property Economics in 2001. He has 15 years’ experience in commercial property and construction management, most recently as the Operations Manager for Bell River Homes where he was responsible for the management of service teams in the pre-construction, construction, maintenance, drafting and safety departments. As Kinross Wolaroi School’s Property Manager, Josh will be responsible for providing strategic leadership to the Grounds, Maintenance, Cleaning, Laundry and Security operations of the School. Josh brings his established credentials in service delivery to bear on developing improved maintenance planning procedures to support school operations.

Changes in the Catering Department
This year we have focussed on introducing new service initiatives into the catering department at the School. To date, these initial efforts have been focused on improving the range of menu options offered to the 300-strong boarding community. In the second half of the year I am pleased to advise further improvements to catering operations will come into effect. The most obvious of these will be the commissioning of a new full-service kitchen on the PLC site, which will allow for an improved level of support to boarders at PLC.

This will involve moving away from the “Cook/Chill” operation by introducing a full-service ‘fresh cook’ operation for all meals on both the Wolaroi and PLC sites.

As part of this initiative, I am pleased to announce that the School has appointed three new Chefs to work with Catering Manager, John Wenham. The following staff are appointed:

Marcus Kostitch – a qualified butcher, Marcus has 25 years of experience as a chef, including 13 years working for the Orange Ex-Services Club (six of these as Executive Chef).

Rhys Horan - completed his apprenticeship at the Robin Hood Hotel, the Metropolitan Hotel and the Union Bank. Rhys returned to the Metropolitan Hotel in 2011 and has been Head Chef for the past two years.

Ben Murphy completes the team of Duty Chef's. Ben has been the owner of Bensons Café for the past eight years where he has been responsible for all aspects of the business including kitchen operations, stock control and food preparation.

Please join me in welcoming these staff to Kinross Wolaroi School.

Brian Kennelly
Principal

Head of Senior School

It was exciting to have a good fall of snow on the day prior to school returning for Term 3. I only wish the boarders had been here to see it falling! You all no doubt saw Orange on the news; the PLC site became a snowy playground for a lot of families, whether connected to the school or not! It
was nice to be able to share our grounds with the wider community in this way.

I am helping in the Civic Theatre this week with the major Musical, Little Shop of Horrors. It is a wonderful production, quirky and with a great score, and the students are doing a stunning job of bringing it all to life. I really recommend you go to see it; many of the lead roles are played by students who are relatively new to KWS or new to major roles – their voices and talents are a revelation!

The cold weather means that students should rug up for their sport training afternoons and for games on Saturdays. It's good for them to be running around and getting some exercise but I urge you to see to insisting on warm things under their sports uniform and a KWS anorak for down time before and after the game.

This term is a big one for Year 12; it is their final term at school and the Trial HSC exams will be upon them relatively soon. Many students took advantage of the study camp run in the last week of the holidays; a big thank-you goes to the staff who organised and assisted with this camp. Whether or not your child attended this camp, the main message is persistence – regular time at the desk, regular revision, regular practice of past papers and exam-style questions. We all get better at things by doing them often, and practising for exams will lessen the stress when the "real thing" comes along (as the HSC inevitably will). Most students with major works will have these almost completed by now; later in the term practical components of languages, music and drama will also be taking place. And of course we have the ceremonies associated with graduation right at the end of term…

It is important we celebrate the routine teaching and learning that takes place at school; this is our core business and it should be valued for its significance and the role it plays in shaping students' habits, persistence and overall development. We aim to help young people become thoughtful, rational and self-reliant learners so they feel confident to approach new topics, challenging tasks and life after school. What occurs day in, day out, in the classroom is of crucial importance in developing those skills and personal qualities, and it's vital we all pay tribute to the teachers and students for their commitment.

Absence from School

Reminder to Parents and Students

Please refer to the following as a guide for the reporting of absence from school of your child/ren:

If a student is away due to illness or unexpected absence, please call the Front Office on 6392 0300 before 9 am. Additionally, a note of explanation should be brought to school on the student's return.

Students needing to leave the school grounds at any stage during the school day for medical or dental appointments are to request permission prior to the appointment from the Head of Senior School, Mrs Bev West, preferably via email at bwest@kws.nsw.edu.au, fax 6392 0410 or a note from the student. Parents are to sign students out and the student signs back in on return via the Front Office.

Boarding students must sign out at the SICKBAY for medical/dental appointments or the FRONT OFFICE for all other approved academic leave, remembering to sign back in on their return.

For day and boarding students requiring academic leave for other reasons, eg family commitment, overseas travel, study leave, please apply in writing to the Head of Senior School via bwest@kws.nsw.edu.au at least four weeks in advance.

Leave for extended family travel during term time requires a special form and can be approved only by the Principal. In line with government requirements we are obliged to examine these requests very carefully.

School Photos

Your School photos are now ready to order. A card containing your child's unique shoot key has been sent to you. Please keep it in a safe place as this same code will be needed to order the winter sports and group photos later in the year.

We have simplified a few things from last year. This year you can order senior school, prep school and summer team photos with one transaction. With the one code you are able to see your child's individual photos plus any other group they may be a part of (boarding, sports and music).

To order just go to our Website www.cliffdykes.com.au

- Select “Order Online”, enter your shoot key.
- Click on your child's image & select your preferred background.
- Select your package/s and group photos.
- If you wish to enter another child's code, just click “Change Shoot” from the menu.
- Login to your existing CDP account (or if you don't have one create a new account).
- Once you have completed your orders, go to checkout.
- Orders placed before the 20th July will have free postage.
After the 20th July a P&H fee of $12.95 will be added to the purchase price. For Family photos that have been paid for, they will automatically be added to your order during the printing process. However at this stage we are unable to provide a preview of the photo.

All orders will be printed and posted directly to the delivery address supplied between 20th and 31st July 2015.

Please contact our Production Centre if you have any problems on 02 6342 3070 or email at cliff@cliffdykes.com.au.

P&F News

Welcome back to term 3!

KWS P&F is a paid member of the NSW Parents Council (an Affiliate of the Australian Parents Council). At recent P&F meetings people have questioned the value we get from belonging to such an organisation and so the CEO of the NSW Parents council will be attending our next meeting on Wednesday 29th July. He will be presenting to us what the council are doing over the next 12 months so we can make an informed decision about whether to continue our membership.

Please come along or dial in to hear what he has to say and
be part of the decision. If you are not aware of who the Council are or what they do here is a brief outline:

- The NSW Parents’ Council is the peak body representing parents of non-government school students in NSW.
- They represent parents and advocate on our behalf in order to achieve better educational outcomes for our children and protect the right to choose the best school for our child.
- They work in partnership with parents, with schools, and with significant educational bodies (e.g. NSW Board of Studies and Non-government Schools Advisory Council amongst many others)
- They are our main lobby group to State and Federal government ensuring independent schools such as KWS have their say and are represented when the decisions are made.
- Annual membership equates to around $3.70 per student (and is paid out of the KWS P&F annual membership fee)

More information can be found on their website

In the past KWS has had a NSW PC representative position enabling us to tap into what is happening and get the most out of our membership. If we decide to continue with our membership we will be looking for a new representative.

Later this term (Wk7) our Business Manager, Greg Alderson, will be attending our P&F meeting to give a short presentation on the future plans for the school and take questions. If you have any questions for Greg you would like answered at that meeting, please email me by Friday 24th July.

Canetoads go down 6 tries to 5 in a thriller U13’s State of Origin Report

The 1st game of the 2015 U/13 Origin took place & the Gods must have known that the Blues were going to win in
Melbourne. With Mate against Mate - Boarder V Boarder & Daybug V Daybug - the bragging rights were on the line. Joe "Justice" Priest captained the Blues & provided plenty of spark for his team. The Canetoads were led by Isaac "The Rock" Leisk & he certainly led from the front. The opening stanza saw the Reds take command with plenty of ball & territory that led to good tries to Hunter the "Hospitaiser" Dozer Cooper & Kamakazi Kelso. The Blues were down at half time but clawed their way back with a strong second stanza from the whole side. "The Rhino" Ryan & The "Wildman – Woods who made plenty of ground everytime they got the ball, caused plenty of havoc in the Toads D line & they will need to be nullified in the 2nd game in Term 2 if the Canetoads are to win. They both scored determined tries that lifted their side. Others who played well were Rampaging Reynolds, Punisher Pengilly, Tsunami Taylor, Bouncer Boag & Dodger Donnelly. The hits were hard & the defence gave little as the game went on, with the Blues edging out a win in a great game. See you next term boys, keep up the training.

14A’s Vs Oakhill Won 14-0

The 14’s played their toughest game of the season so far. Both team came ready to play and neither team was going to give away easy points. From the kick off the game was very physical and saw a lot of big hit ups and tackles from both teams. Out wide the space created opportunities for our back line to test Oakhill’s speed and tackling. Line breaks were made on several occasions almost leading us to score the first points, but scrambling defence from the opposition made sure the score stayed 0-0 at half time.

Half time allowed KWS to regain some much needed energy and they went on for the second half firing. Line breaks became common with our forwards now breaking the defensive line of the opposition. Eventually Preston Simpson found his way through the defence and went over to score the first try of the game. Up 7-0 the 14’s heads were high and they were ready to finish the game strong. Out wide Sam Ridley used his size and speed to break the line for the second try. Well done to Sam for also chasing an opposition player more than half the field and forcing a knock on, his effort kept the score to 14-0.

KWS 14B's Vs KWS 13A's

It was always going to be a tough game for the KWS 14B’s against the KWS 13A’s but it was great to see the 14B’s full focus to the game and determination to play well. In total, the KWS 14B’s shot 12 goals, which was exceptional shooting.

The 14B’s showed great improvement in ball skills and court placement techniques, and applying those practised during training to the game. Goals were shot by Taya Rutherford 2, Olivia Small 1, Molly Harris 1 and a big effort by Maddie Smith with 8 goals. All shooters worked fast and furious in the goal circle. Brilliant tight defence by Olivia L’Estrange and Georgie Haigh, who prevented many goals and marked their players extremely well. Jema O’Neill had a superb game as WD...
