Naming of new Secondary School Tutor Houses

It is my pleasure to announce the naming of the two new Tutor Houses from 2016 onwards. The Tutor Houses will be called WILLIAMS and BLACKMAN, respectively.

Williams Tutor House is named in recognition of Reverend David Williams, the former Principal of KWS (2002 – 06). Reverend Williams was passionate in ensuring appropriate Pastoral Care for all students. Reverend Williams is honored to accept the naming of the House and is highly supportive of the expansion to eight Tutor Houses. Former Head Prefect, Ben Weise noted how Rev Williams’ door was ‘constantly open and he was willing to listen to our views on issues that affect the future of KWS’.

Blackman House is named after Reverend Everard Blackman who was the School Chaplain from 1979 – 89. Reverend Blackman took a strong interest in the Tutor House system and was known for his work in assisting with Pastoral Care amongst the students. On one occasion, Reverend Blackman presented a bible to each Tutor House, on the understanding that the bible was seen as ‘both a tool for learning and worship and symbolic of the value, meaning and purpose we see in life’.

The additional Houses will result in an increased level of pastoral care provided to each student.

We are hopeful that Reverend Williams and Reverend Blackman will visit KWS to speak with the students in these new Houses to provide direction and build the necessary
culture and ethos to assist Tutor staff and students.

**Year 12 Graduation Speaker**

It is my pleasure to announce Alexander Calder, former joint Dux of KWS in 2009, as the guest speaker at the 2015, Year 12 Graduation Ceremony.

Alexander distinguished himself as a KWS student with a wide variety of achievements including an ATAR of 99.95. Since this time Alexander has studied a double degree in Art/Law at Sydney University achieving the following distinctions:

- The University of Sydney Scholarship for Outstanding Achievement
- An Honours Arts Degree in 2013 graduating with the University Medal in History
- Sydney University prizes for Academic Merit in French and History
- Sydney University St Paul's College Half Foundation Scholarship (2010-2013).
- John Lehane Medallion for all-round contribution and leadership at St Paul's College (2013)

From October 2013, Alexander has been combining his academic studies while working with a US Tech start-up company. Alexander is one of the first Australian employees in this Company, Uber, holding a variety of roles including New City Launch, Policy and Regularity work.

We look forward to welcoming Alexander back to KWS to present to the students at the Year 12 Graduation Ceremony.

**Head of Senior School**

The school is a-flurry with House Spectacular preparations! We all look forward to a fantastic night of entertainment on the 7th, starting at 7:00pm in the DPA. For the parents of Year 7 students, if this is your first ‘Spec’, you are in for a revelation…

Meanwhile, of course, terrific teaching and learning is going on in classes. Please keep a good eye on your child’s blue diary to see what learning activities should be completed at home. If you have concerns that regular homework is not being set, please don’t hesitate to contact your child’s teacher to discuss this. If school and home collaborate, the learning journey is a much more productive one.

Finally, may I remind parents that if you are planning for your child to be away from school, you must request leave from me in advance. If this does not occur, your child’s absence will automatically be recorded as an unexplained or unjustified

**Reminder to Parents and Students**

Please refer to the following as a guide for the reporting of absence from school of your child/ren:

If a student is away due to illness or unexpected absence, please call the Front Office on 6392 0300 before 9 am. Additionally, a note of explanation should be brought to school on the student’s return.

Students needing to leave the school grounds at any stage during the school day for medical or dental appointments are to request permission prior to the appointment from the Head of Senior School, Mrs Bev West, preferably via email at bwest@kws.nsw.edu.au, fax 6392 0410 or a note from the student. Parents are to sign students out and the student signs back in on return via the Front Office.

**Boarding students** must sign out at the SICKBAY for medical/dental appointments or the FRONT OFFICE for all other approved academic leave, remembering to sign back in on their return.

For day and boarding students requiring academic leave for other reasons, eg family commitment, overseas travel, study leave, please apply in writing to the Head of Senior School via bwest@kws.nsw.edu.au at least four
absence; two days away skiing, for example, cannot be explained away after the event. This sounds harsh, but it is a requirement of the State government, and our Registration and Accreditation as a school obliges us to be extremely scrupulous about attendance records.

Thank you for your assistance and I look forward to seeing you on Friday evening.

**House Spectacular**

The House Spectacular happens on Friday night the 7th of August in the DPA. We begin at 7:00pm sharp and finish by 9:00. The evening will be run and compered by the Head and Deputy Head Prefects and it will be great fun. Please have your children there in plenty of time; Head Tutors will have given your children details on where to be for make-up, costuming etc prior to the performances. On Friday night the Houses will perform in the following order: Brown, Douglas, McLachlan, Dean, Richards, Gordon.

Rehearsals take place in the evenings leading up to the 7th and the schedule for those is outlined below. Please be prompt to collect your children after rehearsals; it is cold and dark by 9:00 and it's not fair on them or staff to have to wait for parents.
to arrive. Please note that on Wednesday, the Performance Theatre is not being used for rehearsals as the Year 12 Drama performances use the PT that evening. Instead, the Aerobics Room will be used by Gordon and Richards.

Hockey Reports

KWS 1st XI Hockey v Molong – Lost

Coming into the match full of confidence after a win against this team last time around, we didn’t put our best foot forward and suffered a little against an opposition who showed greater
hunger, good communication and an eye for detail in just about every aspect of their play. KWS had many chances during the game, and with a little dose of luck we may have come away with at least a draw. Perhaps some valuable lessons can be learned in terms of intensity at training and dotting the 'I's and crossing the 't's in all areas where we have control. Impressive again to see a wide variety of skills on display from all players.

KWS First XI Hockey v CYMS - Lost

A Sunday morning match against the reigning premiers saw us take the field with passion and enthusiasm, and a determination to match it against the front-runners and ‘tough’ team of the competition. With a scoreline of nil-all at the 25 minute mark, our dogged defense, communication and speed around the field were certainly worrying and frustrating the opposition. As the premiers moved their play, attitude, physicality and determination up a notch in the second half, we were unable to maintain our intensity and were beaten by the better team on the day. Credit must to go to every player as they gave their all until the final hooter.

KWS 3 V Canobolas Red - Lost

This was not one of the girls strongest games. They started slowly and this pace remained for the duration of the game. Maggie Yeoman’s improved her tempo in the second half taking control of the game and running the ball. Kaleesha Cain played central midfield and took to learning the position which would prove handy in the second game of the weekend. Emma Holman proved why she is such a solid defender controlling the circle and remembering to clear the ball wide. Lessons were learnt in this game and the girls are to be congratulated on the way they reflected.

KWS 3 V Molong 2-1 - Lost

This was like watching a different team. They were strong and commanding in attack, aggressive in defence and calm through the midfield. Passes were strong and we set up for quick plays. Claudia Bartlett played her strongest game for the season, showing how much she has improved. Our strikers were unlucky not to score more goals with Eloise Coleman being our only goal scorer. It takes a strong team to turn around after a disappointing game and play the way they did. Congratulations to all girls present on Sunday. Now lets play like that this weekend.

U/18 Pearls - Lost

The Pearls played an amazing game against Cyms on Friday, scaring the opposition with their newfound skills and improvements on the field. Amber Smith and Tracey Kasjan played amazing in defence, and were complimented by our talented goal keeper Mackenzie Baker who let only one goal in. Overall the girls were happy with the results of the game as although we lost 1-0, it is a massive improvement to our last game against Cyms, where we lost 8-0. These results would not be possible without the commitment of the girls to improve
their skills every training and our great coach Mrs Le Couteur.
Thank you again to Chelsea Shrimpton and Milly Hickman for
playing for us on Friday.

U/16 Opals

This week saw the KWS Opals take on the KWS Diamonds.
Charlotte Hogg and Stephanie Lennon scored two early goals
to give the Opals a 2-0 lead at half time however, the
Diamonds did not give up and came back strong after the
break. They quickly leveled the score 2-2 and progressed on
to score another two goals. The Diamonds eventually
victorious 4-0. Down a few players, the Opals showed their
never failing enthusiasm for the game and support for one
another, both on and off the field. New to the team and first
time on the field, Natasha Leung demonstrated a fearless
approach in the fast paced game.

KWS Sapphires v Cyms Won 3-0

The girls played a good team game this week. The strikers
combined well to score a good team goal. The skills we
practice at training are starting to be used on the field by all the
girls. Well done to all the girls.

U/14 Emeralds 4-4

KWS Emeralds played one of their best games of the season
on the weekend against a very competitive Ex-Services side.
From the start of the game the girls played as a team, stringing
passes together and making the most of their opportunities.
Perhaps one of the most pleasing aspects of the game was to
hear the comments coming from the field, with players
encouraging each other and helping provide support and
structure both in attack and defence. Special mention goes to
Mia Taylor for her outstanding goal-keeping skills. It is hard to
mention specific players on the field as it was such a fantastic
team effort so more appropriately I say well done girls and
congratulations!!

Rugby Reports

1st XV V St Stanislaus College

Unfortunately not much rugby was played in the first XV fixture
on the weekend. Spectators were unaware of what was
unfolding in front of them but were occasionally reminded by
glimpses of schoolboy rugby. In the opening 3 minutes KWS
had a player sent from the field leaving the team scrambling
for the remainder of the match. The effort of the first XV could
not be faulted with all players giving their best for the duration
of the game. In the end St Stanislaus College proved too
strong coming away with the win.

15C Vs St Stanislaus College – Lost 29-26

After having won our last two games right on full time our luck finally came to an end. Leading for the whole game the 15C's experienced the hollow feeling of letting the game slip away in the dying seconds.

Despite the loss this game showed how much we have improved as a team. We have turned a 31-10 loss against St Stanislaus into a close loss. This was a result of some excellent team play. To score the first try of the match we managed to hold the ball for 12 phases. In that time the forwards did a great job of winning the ball and ensuring we kept possession. This was then sealed by a darting run from our Kiwi import Charlie Martin to score.

Another well worked piece of play led to Jack O'Brien scoring. This gave the 15C's the best possible start having a 12 point lead 10 minutes into the game. The opposition hit back with two of their own tries late in the half. Cutting the lead to two points. Angus Andrews made a darting run right on half time to give KWS a 19-10 lead at half time.

In the second half St Stanislaus were first to score. This was due to missed tackles. A theme that continued throughout the half and eventually led to the final try in the dying seconds which snatched victory from the grasp of the 15C's. The lesson here is to play right until the full time siren.

Overall some excellent play from James Moon, Lachlan Steele, Finn Brown and Charlie Jenkins made us the dominate team in the forwards which gave us plenty of possession. The 15C backline were given plenty of possession as a result and it was well utilised by Angus Andrews, Charlie Martin, Jock Lummis and Doug Arthur putting together some entertaining rugby.

13A's V Stannies

With pressure mounting as the season nears the end, the young Two Blues played a gutsy game in front of an appreciative home crowd. Captained by hooker Lachie Smith this week, the Two Blues started very confidently, holding the ball & building pressure through the forwards to unleash a backline move that saw speedster Liam Choi score in the corner. The early exchanges saw a few players nursing some tender injuries as Harry, Mitch & Hunter got the pack going forward. Cody, Digby, Lachie & Fletch chipped in with some timely runs, which all gave the side plenty of momentum.

Being the local derby, Stannies were never going to give in & they really threw everything at KWS. Xander again had a stand out game ,turning a few runs into points as he led the forwards, which then sparked the backs. Nic Rassmussen& Logan continued their stellar seasons, being involved in
everything. As the game wore on KWS asserted dominance that led to a great set piece that saw nippy half back Lachie Donnelly score. Jack Ryan had a solid game till injured, Alex & Oscar’s defence was outstanding. Both Jack’s at the back combined well on the kick return. Ollie tackled everything that moved.

Well done boys, big game next week as we take on the benchmark side in the comp- St Augustines, see you at training.

Final score KWS 25 - Stannies 0
Tryscorers: Xander 2, Lachie D, Cody Kelso & Liam Choi.

13B's V Stannies

The 13B’s were simply awesome against Stannies on Saturday. They really excelled in defence and in so doing - had to spend very little time doing it. In attack we recycled the ball very well and were able to control multiple phases of play. The backline were exciting to watch with Eddie Taylor playing his first ISA fixture at Fly-half after Ollie Hosking steered us through the 1st 20mins in his usual outstanding form. Messer’s Tudor and Broadley were devastating in the centres and Harry Rollins scored arguably the try of the season from fullback. 3 points went to Lew Connick who was easily best on field, Harry Kermode ‘out-enthused’ the opposition for 2 points and pretty much the rest of the team got 1 point. This was a truly amazing performance in my view and I will hold fond memories of this game for many years to come. I hope that we can mimic the way we played against Stannies this week because it will be a much tougher opposition without doubt.

Alistair Miller
Coach

KWS vs St Stannislaus

The game on the weekend saw the KWS side absorb a huge amount of pressure from the visiting Stannies side in the first half. KWS struggled to find their rhythm with very little possession. The side also failed to turn some promising attacking play into points due to a high error rate. A brilliant run from Aiden Kelso after a perfectly timed pass from Rhys Draper saw Pat Robbins score on the bell at half time.

In the second half KWS played to their strengths and dominated the opposition’s forward pack. Some excellent pick and drive plays gave the side the forward momentum which gave the backline extra space and time. The attacking blind side raids rewarded Fraser Robertson, Donny Freeman and Harry Sear with tries. Players Player was shared this week between two of the front row, a great effort from the two boys who have worked really hard on improving their game this
year. An entertaining match against St Augustine’s this Saturday is on the cards. I trust all will be there to offer the boys some support from the sideline.

Football Report

All KWS football teams have enjoyed a successful start to the season; players should be congratulated for their effort, enthusiasm and sportsmanship.

The Seconds have matured as a team and are showing signs of improvement in all areas. On Saturday they played one of their best games yet and were unlucky not to come away with a more positive result. Well done to Lachlan, Liam and Theo as well as Cameron in goal for playing with tenacity at all times.

The Ladies Firsts have moved from strength to strength in recent weeks and their results are testament to their skill and hard work. They played two games at the weekend, winning 5-1 and 8-0 respectively. Congratulations to Sophie Greet for scoring her first two goals, Sheniah Sarsfield for 9 goals and Paige Ryan who played a big part in the victories as well. We all expect big things from the girls as the season progresses towards finals.

The Mens Firsts are also in good form and are building towards a big finish. After conceding an early goal on Sunday we were one nil down with less than ten minutes remaining, the stage was set for someone to stand up and bring us back into the contest. Tom Rogers was that man, he finished coolly after Alec Patfield’s inch perfect cross. Incredibly Tom then scored his second goal in as many minutes to snatch the lead. Sadly the goal was ruled out and the game finished one all but the boys should be very proud of the character they showed to get back on level terms.

Finally I would like to mention the Orange Inter-schools tournament which has been a long term ambition of ours. A week from today we play James Sheahan in the semi-final. As winter sport will have finished for many of you, I encourage you all to come down and help the team get over the line in what is sure to be a very tight contest. After a hatrick of grand final wins, the boys lost out last year and are now desperate to make home advantage count and return the trophy to KWS. So your support at Ex-students Oval next Tuesday on the 11th of August would be greatly appreciated, thank you.

Sublime second half from Jeremy L'Estrange saves the Day

As the Under 13s took to the field against Waratahs we were confident and that was backed up by an early goal from Xavier Vials. However, the boys met a determined opposition who worked hard on making sure our key players had no room to move. Soon we found ourselves behind 2-1 at half time and facing the prospect of only our second loss for the season.

A few changes in position to assist the boys, as we had no reserves for this morning's play, and they found themselves back on top with a superb goal from Jeremy L'Estrange. He found the back of the net on a volley and one may argue that this was the goal of the season, at least it was the best timed goal. With the score at 2-2 both teams did not give an inch and it was a testament to the boys' defence against a team able to put on fresh and dynamic players that we held our goal mouth in the second half. This was also due to some superb keeping from Peter Byrnes who gallantly took on the duties all game due to paucity in numbers and injuries.

We have a double header against the two Bathurst teams on Saturday at our home ground and I am sure there will be some quality football from all.

Netball Reports & Results

Urgent Help Wanted

The Netball Competition in Orange is growing each year. It must be noted that all ONA committee members are volunteers and there is a desperate need for more people to help.

ONA are calling for coaches, parents, past players, anyone who has had some experience with the game of netball to assist with Representative Selections for juniors aged from 11 to 15. Presently there are no KWS parents who have expressed an interest to give up a few hours of their time over the coming weeks. I am pleading with the KWS community, especially parents who have daughters playing in the Junior Competition, to consider helping with selections. Selections have already begun during normal competition games on Saturday. When squads have been selected, selections will continue outside of Saturday game slots. This is when it would be great to have some KWS parents come along and help out. Dates and times are to be announced shortly. For further information, interested persons can contact either me or ONA directly.

I thank you in anticipation.

### Saturday 1st August Reports

**KWS 1sts 27/07/15 – 1sts Netball**

On Tuesday night at 6 o’clock, the Kinross firsts made their way to the freezer, also known as the KWS gym. The opposition trickled in one by one, marvelling at the fact that we were brave enough to have already taken our tracksuit pants off. With them rattled by our fearlessness, we took the court with a determined confidence. We knew we could win against this team. We took the first quarter nicely, but the opposition seemed to wake up in the second quarter and we fell asleep! Half time meant that Janet, our coach, was handing out scarves and jumpers to warm up blue fingers and give exuberant energy back to our somewhat dreary limbs. The girls could feel the victory slowly slipping away, and wanted it more than ever. We took our positions for the second half. When the whistle blew, what ensued was very tight netball. Turnovers were matched with turnovers and goals matched goals. But gradually our defence picked up too many intercepts for them to match, and our centre court threaded the ball expertly into our shooters who brought the score level, and then we were up. Eddie had a blinder of a game, her feet never stopped moving and she took so many intercepts from her tall player. Joss consistently plays well and this was no exception, her player was lucky to touch the ball! Greta and...
Thea’s sister partnership is always nice to watch, and their play by play kept the goals rolling in. Alice controlled the play down the court and her patience was, as ever, a great virtue. Sophie’s quick feet and hands kept all the feeding into the circle confident and reliable. Lilly played a very high scoring game and she worked well in the circle with Sophia, whose springy legs let her get up to reach all those high balls. When time was up, the girls celebrated a well-deserved win, against both the opposition and the cold. Good work.

01/08/15 – 1sts Netball

Today the girls went up against a team who were third on the ladder. The game was very close. The girls fought the entire time and there were many moments of brilliant netball. Defence all down the court was superb, the zone defence worked well and many turnovers were forced by the claustrophobic conditions the opposition had to deal with. It was goal for goal. Every hard-won lead was fought over by both teams. The accuracy of Thea’s shot was phenomenal and she kept moving beautifully in the circle with Lilly, whose hold and sight kept the defence on their toes. Sophia had an excellent game, her shooting was first-class but it was really her rebounding that made her stand out. Sophia’s strength and safe hands against her much taller defence were the cause for much loud cheering from the sideline. Alice’s feet never stopped, her breaking on the centre pass denied all the laws of physics and her hands and passes were remarkable as she threaded through her defence with ease. Greta played a tough game in centre, she made her opposition work and despite the exhaustion, pushed on and created many beautiful plays with the attacking court. Sophie defended her opposition out of the game, flustering the other team and making them throw away silly possessions. Nobody plays against Joss and gets away with it, her ability to read the play and take outstanding intercepts in unparalleled. Eddie played a consistently well, teaming up with Joss and between them they managed to grab a couple of intercepts out of the lap of the tallest player you’ve ever seen. Despite going down by three, overall, the netball was amazing and it was a great game. Well done girls.

KWS Medhursts

After a 17-42 defeat to this team in Round 5, the match was looking like a David vs Goliath battle. Despite several players battling illness, the Medhursts took to the court with a positive attitude and much improved passing and driving to the ball, seeing us take the lead from the first goal. From there we didn’t look back, and although the older and taller opposition tried to wrestle control of the match, the KWS girls were able to stay focused and maintain and extend their lead to record a decisive win. Georgia, Zoe P and Milla all shot with great accuracy, and speed and precision through the centre court by Farrah, Emerson and Millie helped to return numerous turnovers from Zoe W, Meg and Emily whose tireless work in defence against a taller opposition was impressive. The girls need to trust in their skills and play their own game and not get rattled by an aggressive opposition. This was a much
What a match and what a performance! The Bassetts took on the competition leaders and pushed them all the way, narrowly losing 28-36. We were ahead by 3 points at the half-way point of the match and the opposition were genuinely worried that they were on their way to their first defeat of the season. However, a questionable position change made by the Bassetts’ coach and a tiring team (due to sickness and injury, we were down to only seven players) told towards the end of the game. This team is improving by dimensions every single game and, dare I say it, may take out the competition if other sides are not prepared! Great games from Niamh McFeeters, Gemma L'Estrange, Izzy Fuller, Maxine Cottrill, Anna Price, Thea Regan and Tharni-Jo Parkinson!

Year 10 played a powerful game of netball this week to win by a massive 44 goals. Annaliese, Makayla, Olivia and Reagan all impressed in the goal circle this week by shooting an equally distributed 53 goals in total. Cate Brien stepped up to create as many turn-arounds from the WD position as Hannah Engelhardt and Clancy McCauley did from GK and GD. Rachel Small played only half a game this week but continues to be a strong C for the team. Reagan shone on the court this week and, as a strong defender, always surprises the team with her precise shooting skills. 3 points- Reagan Hetherington  2 points- Olivia Mulholland  1 point- Makayla Clark

On Saturday the year 11 team played the year 12 Geitz team. We played with great enthusiasm and determination. Our teamwork was in fine display with all players contributing towards progressing the ball down the court. There were multiple intercepts and turnovers due to our strong defence. Shooting was at a premium. We kept up our intensity throughout the entire match and defeated the Geitz 48 – 27. Well done!

We had a good win on Saturday against Cyms. Scarlett, Farah and Grace were impressive in the circle, practising the clearing we had worked on in training. Jade, Jess and Sam played well in defence and turned the ball over many times. Bridget, Bailey and Ella were strong through the centre court. We must work on slowing down the play so that we are more in control when bringing the ball down the court. Please work on breaking, holding and timing breaks in training. Good luck on Saturday girls!

Following on from a win last week and their best win of the season, the 14As took the lead early and then faltered to find themselves 1-9 down at the first change. Unbelievable defence
from Molly Storer (GK), Ruby Hammond (GD) and Maddie Triggs (WD) kept the OHS scoring to a miserly one goal for the next two quarters, whilst Ally Bermingham (C) and Flinn Madigan (WA) delivered some quality ball to allow Chloe Quigley (GA) and Jorja Griffiths (GS) to score seven goals to bring the deficit back to two goals, 8-10 at three-quarter time. For an under 14s team to be in this position against the second-placed team in the under 15s competition was a fantastic effort. The promise of lollies if they won, from our injured side-lined captain, was enough for the team to lose focus and succumb to another 1-9 quarter. So both teams won two quarters; a draw if we were playing match-play (unfortunately this format of game is reserved for the golfing fraternity). Well done girls on a great effort. Players’ player was Ally Bermingham, closely followed by our two defenders, Molly and Ruby.

KWS 14Bs

It was always going to be a tough game against the OHS vixens, and it was very pleasing to see the 14B’s determination to win the ball back in their favour at any opportunity. The 14 B’s have improved with every game against the Vixens with keeping opposition score down and ever increasing our score. Goals scorer of the day was Maddie Smith, with 4 goals, who also continuously broke free in the goal circle to grab at all opportunities. Taya Rutherford played an excellent WA making great well timed leads and really thinking about positioning around the court. Olivia LÉstrange and Jema O’Neill marked their players very closely as GD and GK to keep oppositions goal scoring low. Olivia Small and Bella Adams worked well in centre court and worked hard at feeding the ball into the goal third, however, the opposition defence in goal circle was quite strong and made passing the ball in quite tricky. Molly Harris played well at WD and was apt at bring the ball back from defence to goal 3rd. Great game 14B’s.

Thanks to Taya Rutherford and Olivia L Éstrange who umpiring the game the previous week.

PCYC Gala Day- Sunday 2nd August

The U14 team was entered into the PCYC Gala day on Sunday 2nd August. The team comprised of players from the 14B, 14A and 14C teams. Players included: Bella Adams, Bell Hoyle Davis, Olivia Small, Olivia L Éstrange, Flinn Madigan, Molly Harris, Maddie Smith, Chloe Quigley and Jema O’Neill. 8 games in total were played with some quite challenging games. With the increased time on the court, the skill level of play increased and the team worked very well together. It was great to see Molly Harris moving well around the goal circle and freeing her self from opposition. Bella Adams played a great WA making strong leads and moving the ball skilfully to the goal 3rd. Olivia Small made great well timed passes and really running hard from centre pass in preparation for the next pass. Chloe Quigley who shot many goals on the day and ran hard and fast around the centre court and goal circle. Flinn Madigan who contributed a number of centre court skills to share with the team so the defence was more effective, she
also showed her prowess as a competent shooter. Jema O’Neill who worked tirelessly as WD for the day and really making great leads to bring the ball back from the depths of opposition and who was also good at getting free. Maddie Smith who was quick around the goal circle shooting many goals, and was also essential to the defence as a GK well to grab many rebounds. Bell Hoyle Davis who showed great skill in GD and GK positions and was quick to take the next pass from base line. Olivia L Éstrange, an incredibly dynamic player with exceptional anticipation skills, threw her whole body into play when defending the ball. Many thanks to the parents of the day who helping with the scoring, coffee runs and the putting up of the Gazebo.

**15A Netball Round 12 V CYMS Emeralds Won 20-8**

The girls were determined right from the onset that this was a game we could win. After a scrappy first quarter we lifted and focused on our own game. With Olivia Taragel and Monique Worsley in the circle shooting well we had the game under control at half-time. Despite this the girls set themselves challenges and by the last quarter were 8 goals in front. Wanting to win by 12 goals the girls continued to focus and ended up convincing winners thanks to some accurate shooting by Charlotte May. Isabel Lamph had a great game in defence and then as centre in the final quarter. Bella Harding was getting intercepts all over the court and Ailish Seedsman’s defence in the circle was hard to fault. Charlotte Anderson was ever so reliable in WD with Isabella Emmi and Isabelle Robson working well in attack. Well done, girls!!!
