Head Tutors – Years 7-12

It is my pleasure to advise of the new appointments to the new Tutor Houses from 2016:

Blackman House – Head Tutor – Kimberley Jones

Kimberley has been appointed as the new Head Tutor of Blackman House. While Kimberley is relatively new to the School she has extensive experience in previous schools as a member of School Management, Head of Girls Boarding and as a former House Patron with welfare responsibilities for 150 students. Kimberley is highly regarded as a Teacher of Mathematics, as a tutor and within the co-curricular program. We congratulate Kimberley on her appointment to this key pastoral position within KWS.

Williams House – Head Tutor – Matthew Smedley

It is my pleasure to announce Matt Smedley as the new Head Tutor of Williams House. Matt has been the Year 7 Co-ordinator over the last 2 years. Matt has been outstanding in this role and has had a positive impact with students and parents in Year 7. I congratulate Matt on this appointment to establish and lead a new House.

Year 12 Exit Survey 2015 – Academic Summary Comments

This summary of the Academic program provides insight into perceived
areas of strength and weakness. Comparison with the data from the 2014 survey is in brackets.

**Strengths**

- Overall Satisfaction with the academic program. Parents (76% 11%), Students (81% 16%)
- Emphasis placed on Academic Program; ‘about right’ Parents (79% 11%), Students (63% 16%) For Parents 9% said “too much emphasis” and 12% said “too little emphasis”. For Students 17% said “too much emphasis” and 20% said “too little emphasis”
- Overall Satisfaction with individual subjects Parents (82% 12%), Students (86%)
- Stimulating and challenging learning culture and curriculum. Parents (79% 11%)
- Teaching & learning environment that is responsive to the needs of its students. Parents (73% 12%)
- Learning opportunities for students with a wide range of academic ability. Parents (76% 11%)
- Wide range of subject choices. Parents (76% 12%)
- Satisfaction with Teaching Staff. Parents (81% 12%), Students (77% 14%)

**Areas for improvement**

In general there were few if any areas rating very lowly. However it is always useful to seek improvement in those areas that are perceived as the weakest areas. The following were identified as lower ratings:

- Agreement with aspects of homework. Parents (67% 14%), Students (66 13%) (Is the homework policy effective? Are parents well informed so as to support activities?) There has been some improvement in this area, but there is still room for improvement.

**Lowest rating subjects**

- Parent Satisfaction was lowest in English Ext2, English Ext1, English Adv
- Student Satisfaction was lowest in IT, Drama, Chemistry

Of interest, a number of open-ended responses said that there were too many interruptions to the academic program. SMT have identified this as an issue which needs to be formally addressed. A committee has been formed that is seeking to minimise disruptions to the scheduled academic program – Variation to routine (VTR). This committee has sent more stringent guidelines for 2016 which will assist in decreasing interruptions to scheduled classroom learning.

At Kinross Wolaroi School we often rely on assistance from our parent body at any number of events. Last Sunday we hosted 44 teams at a Rugby Gala Day which required a great deal of support in a variety of jobs from ground marshalling, cooking steaks, working in the canteen, setting up fields, coaching, refereeing and timekeeping. The support was tremendous and as a result the day progressed with minimal fuss. Thank you to the parents, and secondary students who helped - it was greatly appreciated.

Congratulations to our HICES Debating team who won their preliminary final and now move to quarter finals this week. A fine effort.

Next week six of our Year 6 students will be attending the HICES Gifted & Talented in Sydney. They elect topics such as Engineering, Drama, Archaeology, Problem Solving and Sport Science as a core and choose other ‘Wild Topics’. A terrific opportunity to further their interest and meet students from other schools.

Book Week is a focus for next week along the theme of ‘Books Light up Our World’. One can never underestimate the enjoyment gained from reading. Our library staff have a number of activities planned including a dress up day on Tuesday. Please see the bulletin for further details.

Our Term 3 Parent/Teacher interviews will be held on Thursday evening 3 September before the K-2 and 3-6 shows. Bookings will be taken from Tuesday 25 August. This term there is no report sent home with the next one available at the end of the year.

Enjoy your week.

Wednesday Rehearsal

Unity is an important aspect of any group event and to this end, group singing and dancing will be held during sport afternoons when sport is cancelled due to wet weather. Songs and dances will be learnt/rehearsed during this time. This has worked well in past years and will be an important group time.

FOR TERM 3 ONLY - IF sport is cancelled there is no need to make alternative arrangements for Year 5 & 6 children as they will be required at school for rehearsal that will conclude at 4:30pm.
I thank you for your assistance in this matter.

Tickets Sales

Tickets will be only available through the Ticketek Office, but are not on sale as yet. We will advise through the bulletin when the tickets are available for purchase.

K-2 Show Performances

As most of you will be aware, the K-2 Show will be performed at the end of this term. It is always an exciting time where everyone is keen to see their children, grandchildren, nieces, nephews or friends perform.
This is a notice to help you get organised for the end of the term. Our performances, all held in the KWS Performance Theatre, will be on:

Friday 11/9 11am
Monday 14/9 10am
Monday 14/9 1pm - especially for Grandparents and friends
Tuesday 15/9 10am - Booked out already!
Wednesday 16 10am
Wednesday 16/9 6pm. Please note that for this show there will be a limit of 2 tickets per family.
We have an obligation to ensure the Performance Theatre is within appropriate capacity guidelines. While this may pose some difficulties we have added extra performances for other family friends to attend. I thank you for your support in this matter.

All matinee shows are available for family and friends to attend and a notice will be sent closer to the time of the shows when it is time to make reservations.

If you have any further questions, please don't hesitate to contact Mrs Key.

Applications for Extended School Leave

Procedures for Student Leave

Parents and Carers are encouraged not to withdraw their children from school for family holidays.

As of 2015, any family holiday taken during term time will be counted as an absence. Families are requested to holiday or travel during school vacation time only.

Parents are encouraged to read the full policy on the school website in regards to applying for leave in school term time.

The Application for Leave forms are on the school website.

Parents seeking leave for a family holiday during term time need to submit an Application for Extended Leave – Vacation/Travel form to the Principal (for Secondary students) or Head of Preparatory for approval no less than 2 weeks prior to the requested Leave/Exemption period. If
approval is not granted, the absences will be recorded as unjustified.

Book Week 2015

Prep School Book Week

Book Week is coming and to celebrate books and reading we will be celebrating Book Week in the Prep School on Tuesday 25th August. The theme for Book Week this year is Books Light Up Our World and children are invited to dress up on that day either along the theme or as a character that has 'Lit up' their world.

We will be having a parade of the children in their costumes along with a celebration of books and reading in the Performance Theatre from 9am to 10 am on that day.

Children are also invited to take part in two small competitions that can
be collected from the library and need to be returned by the end of week 6. There is a ‘Light Quiz’ for children in years 3, 4, 5 and 6 and a colouring competition for Kindergarten, Years 1 and 2. All the children that take part in this will go in a draw for a prize on the day of the parade.

HICES Debating

Greetings debating fraternity and interested onlookers, we have had a very interesting couple of weeks as we prepared KWS1 for their first competitive impromptu debate. This involves the teams being given their topic 1 hour before their debate, to be prepared on their own. The given topic area was Parenting. Now what could be controversial about that?!

We held some delving discussions about modern day parenting, helicopter parenting, the over scheduled child, lack of family leisure time, parent supervision of online behaviour and suchlike media favourites. KWS 2 (Ahbi, Will H, Madeleine and Ben) generously gave their time to undertake a trial impromptu debate at school with the topic: that parents should give their children more space to find their own way. KWS 2 as the affirmative gave a very entertaining outline and examples of extreme overprotective parenting and the tragic consequences for their hapless children. KWS1 did not manage to sufficiently point out that the affirmative’s argument was based on extreme and often ridiculous examples so the KWS 2 case stood and they deservedly won the debate.

It was an excellent learning experience for all. The first attempt at an impromptu is always very difficult, but one that is rapidly built on in further debates. I should mention that KWS1 did have to prepare with the absence of William Rawson for a significant time, he being occupied with a cello lesson! Special praise must go to Will Hannelly for a fabulous second speaker speech. KWS 1 bravely licked a few wounds and ate some humble pie.

On a snowy sleety Wednesday morning we bussed to All Saints in Bathurst to duel with Penrith Anglican College. PAC won the toss and elected the affirmative side. The topic, inevitably, was one we hadn’t discussed: that mothers should stay home to look after their children. The teams’ preparations appeared to have gone well on greeting them at the end of the hour. Well done, a vitally good start. The first speaker of PAC gave what the audience (and later revealed, the adjudicators also) thought to be a restricted definition of the topic. They defined it to mean that mothers of children under 5 years old or of children with disabilities should stay at home. They argued and gave examples of the special needs these children have for a mother’s love and care. As the negative team, KWS 1 fully accepted their definition and fought the battle within those restricted parameters. Meyhar made some solid points about the need and right of women to work, and how this model cannot suit single mothers and gay parents. Elliot made a terrific speech about how society
had progressed to embrace women being more than mothers and that
the proposition was a crazy backwards step (he said it harked back to
those distant days of the 1980s! My goodness, do we really want to
revisit that era??). He made the very good point of how the proposed
model overlooks fathers, harming their involvement with their children.
With some very good rebuttal, his speech was an excellent boost. William
Rawson rebutted, made a valuable case comparison (which was notably
missing in the affirmative 3rd speaker), and summarised the negative
case. Well done to Elizabeth for overseeing a good preparation with
some focused advising during the debate. You were a definite asset.
The adjudicators conferred, remarked on the restricted nature of the topic
and awarded the victory to KWS due to the superior content within their
speeches. Though rebuttal needs improving in both teams, they thought
KWS had engaged and rebutted slightly better.

Upon debriefing during the bus trip home I questioned why they had
accepted the restriction of the mothers’ role to preschool and disability
care. To me, it had seemed as if PAC were “weaselling” the topic,
narrowing it to suit an easier argument for them. “Weasel” definitions are
tricky for students to deal with at this primary stage. Had I been arguing
on the negative, I would have argued that the topic definition of ‘children'
should include children to at least to the end of the primary school years.
One is not a child just in one’s preschool years. To my mind, I would have
argued for that definition as it would suit the negative to then claim more
harm in restricting women for longer. Fascinatingly, the debaters looked
at me with some guarded puzzlement when I suggested this approach.
Will ventured that he thought the idea of a model requiring women to stay
at home once their children were at school was too extreme, not
sensible. What on earth would mothers do?! As a stay at home mother, I
was very interested in the changing consciousness of our children. I had
quite a laugh once I understood their thinking. You debating parents have
much to be proud of. The team worked very well together and has
negotiated the new demands of impromptu debating with courage. I
believe our win was a very close call, but we live to fight another day
(these stages are now knock out). The quarter finals must be waged by
August 25th. The topic area is school curriculum.

Thank you to Madeleine and Gidgette for supporting the team and
undertaking the Chairperson and Timekeeper roles. Thank you also to Mr
Bracks for his valued organisation and input. I have suspicions that he
may have caught the debating bug. Thanks also to Mr McLean for
coming along to support and spectate the spectacle.

T20 Cricket Afternoon for Prep Students

The KWS Cricket club along with Cricket NSW Matthew Tabbernor will be holding a fun “come and try” T20 cricket afternoon on Friday 28th August from 3.30pm to 4.30pm. Any student in years 3-6 girls and boys are welcome to attend, with matches being run and organised to cater for students’ ages / abilities. It will be a fun and informal way to try cricket, especially for students thinking about choosing cricket as their summer sport.

Dates for the Diary

20th August: WAS Athletics, Bathurst
28th August: T20 Cricket afternoon, Sally Kennett
2nd September: HICES Athletics, Sydney
9th September: CIS Athletics, Sydney

Sports Reports

Hockey

Joey’s - The Joey’s played Ex-Services and had a 1 all draw. We only had 3 players so some of Ex-Services played with us. There was lots of good passing from both teams. We ran so much and got really hot. By Phoebe Hunter

Burras Blue - This week we played a great game against Canobolas. We were a player short, but the girls passed the ball around and really spread out. At half time we were puffed! We played hard and defended really well. Despite all our great teamwork, we just couldn’t score a goal and Canobolas couldn’t break through our defence so it was nil all. Congratulations to our ‘Player of the Week’, Abbygail Hunt. Thanks to Mrs Key for coaching us, to Freya for warming us up and to the spectators, who enjoyed an exciting and unusually WARM game. By Amelia Hill

Football

U6 Pups - I was Captain this week, and it was a very good game because nearly everyone got a goal. We all had fun. It was a really sunny day. The Millthorpe Tigers played really well too. By Billy Roberts

U6 Cubs - The Cubs played the Waratah Mariners over the weekend. It was a hard fought match and we went down 3 - 2. If we don’t count the goal we scored for them in the opening minute, it was really a draw! Will and Cooper once again showed deadly accuracy scoring our goals and a near miss by Andrew denied us the draw. Lenny and Joe were solid in the mid field helping to set up our goals. We missed our dynamo defender David this week, but I had a good game in defence and was awarded ‘Player of the Match’. We are all looking forward to next week. By Maxwell Horne

U6 Bears - The KWS Bears lost our match against CYMS. We scored
one goal and they scored two. Even though Oscar was little he scored the goal. It was a nice and sunny day. I stood in front of the goal and I stopped CYMS from getting two goals. The KWS Bears ran and concentrated on the ball. We attacked and tried to win the game. We had a great time. **By Atticus Lee**

**U7 Pumas** - The Pumas played a tough game against a very experienced CYMS team. There was plenty of great defence from Sam, Ryan and Tom and they all saved lots of potential goals. Lachie and Matthew broke through in the second half to score some fabulous goals. Sam B was ‘Player of the Week’.

**U8 Taipans** - The Taipans had a one all draw in a hard fought tussle with Molong. There was some good backing up with Zac Shannon scoring the first goal, from a great attacking run from Hugh Payne. The Taipans learned the benefit of team play putting pressure on a fast finishing Molong and will hopefully put this to practice next week. **By Rhys Jones**

**U9 Fury** - KWS Fury played the CYMS at PLC on Saturday. They were a tough team and they managed to crack our almost undefeated record, beating us 3-0. Our team played well and we worked hard at defence, but didn’t quite manage to score. It was good for us to learn to take defeat well. Thanks to Mr McRae for being a great coach. **By Charlie Gill**

**U9 Rangers** - On Saturday we played the Waratah Knights at Waratahs. It was a very close game with both teams struggling to get goals. Both teams played a great defensive game and we finished the game with a one all draw. Well down team! **By Charlie Hansen**

**U10 Roar** - The KWS Roar team versed Waratahs for an action packed game. Waratahs put up a tight defence and hard attack. Hugh saved loads of goals that could have gone in. Waratahs scored a close goal after putting up a good fight. In the second half, we made a comeback with Sherry and Harry Coady kicking loads of goals away from our goal. It looked like Waratahs was going to win but Will broke through the defence and scored a goal to even the score. In the final minutes of the game, we were so close to scoring again but the referee’s whistle blew for full time with the score 1-1. There was some great play by Cohan, Fletcher, Jock and Harry Bylsma too. **By Jaemin Lee**

**U11 Jets** - This week the Jets played probably their best game yet. At half time we were in the lead 2 -1 and we were passing the ball around like pros. We were feeling good and had our hopes up for our first win but this was shattered when they evened up the score with a 'Bend it like Beckham' goal off a corner. Millthorpe took the lead with a runaway goal ending the game 2 - 3. We walked off the field feeling hopeful that a win is in sight. **By Oliver Charlton**

**Rugby**

**U9s** - On the weekend we played at the KWS Gala Day. First up we played Parkes. We had great driving by the boys. Then we played Dubbo Roos. They were a tough team but we kept up the good work. Lastly we played Emus Black. We had fabulous tackling and running and great defence. We were undefeated all day. **By Charles Hansen**
