Mental muscles flexed in ‘sport of reading’

Some of our School’s avid readers showed off their mental muscles when they took part in the Central West heat of the Kids Lit Quiz.

Three KWS teams competed in the quiz, which is held around the world to celebrate the ‘sport of reading’.

Our Year 7 team of Emma Crossing, Molly Knight-Hannan, Isaac Prince and Duncan Suthers came second in the contest, which means they’ll be heading off to the National Finals next month.

The team members had to work together to answer 100 questions in 10 categories, based on children’s books published in the English language.

The national finals will be held in Sydney in March, with the winners invited to represent Australia at the Kids Lit Quiz World Finals in Cornwell, UK in July.
