**Year 7 Week 6:**
Exams are very close and I hope Year 7 are working with quiet confidence towards the goals they have set in Tutor and with their Teachers, you don’t have to top the class to have done your best, so go for it Year 7!

**Cyber Safety Tips!**
Year 7 assembly last week had a focus on Cyber Safety and Mr Paine our School Counsellor was our guest speaker. Mr Paine went over a range of Cyber Safety Rules and Scenarios with students and we will feature these in the Year 7 Herald. Today the focus is on Cyber Safety:

**Tips for Cyber Bullying:**

- **Keep your personal details private.** Use an appropriate handle or username instead of your real name. If you are unsure, don’t give out your name, address, phone number or any other personal details over the internet.
- **Don’t share** your username or password with anyone.
- **Think** before you hit send or post. Once something is posted, it can be online forever.
- **Don’t post** anything you don’t want others to know—or that you wouldn’t say to them face to face. Respect your friends too—that ‘funny’ photo of them at a party might not be so funny for them, and they might not be very happy if you post it up for everyone in the world to see. Treat others as you would like to be treated.
- **Remember** that private images and videos you send to friends or post on a social networking site may be easily passed on to others and uploaded to public sites. This can include pictures that may only be intended for your close friends or your boyfriend/girlfriend. Once they’re up, it’s almost impossible to remove them completely.
- **Respect** other people’s content and be aware that if you post or share their content it might breach copyright laws. For example, a photo that your friend took is their property, not yours. You can only post it online if you have their permission.

All Students, Parents and Staff who are interested in learning more can go to [http://www.cybersmart.gov.au/](http://www.cybersmart.gov.au/) for more information.

**Column 7, Tips and Advice for Year 7’s**

- During the official examination period which starts next Tuesday Year 7 will not go to Tutor, but meet in the Foyer of the Anderson Center instead. Mr Tink will direct Year 7 on where they are to go for their examinations or private study.

- **Private Study will be a new concept to our Year 7s.** They should take textbooks for the upcoming examinations along with their Student Diary and Pencil Case to the private study sessions. Year 7 should use the time to make study notes, revise past tests, make chapter summaries or practice answering questions from their textbooks.

- Your Teachers want you achieve your best in the exams so don’t forget to ask them for Tips and Help if you need it.

**Birthdays Week 6**
Charlie Litchfield, Sam Weeks, and Chloe Smith!
Year Seven Week 4

Monday –
A Normal School Day

Tuesday –
Co-Curricular Assembly in the DPA, Be on time with your Blazers.

Normal Sport

Wednesday –
A Normal School Day

Normal Sport

Thursday –
A Normal School Day

Friday –
A Normal School Day

Saturday -
Winter Sports

Achievements!

Artistic Success
Emily Small is to be congratulated on her recent success at the Orange Show. She entered 12 Artworks, and 10 of those entries were awarded prizes. Emily should be proud of her remarkable success and I hope we will see more from this aspiring young artist.

FOOTBALL FUN
The Under 13s Football Team is so awesome that the opposition failed to show up on the field this weekend! Talk about a formidable team…….
