The 1963-68 cohort have decided to meet at the same place on the same weekend each year to reconnect. Schooled in the 60’s and now aged in their 60’s this dynamic group of young women (affectionately known as The Sixties Chicks) has developed a contact list of thirty eight classmates, eleven of whom were able to attend the Inaugural Sixties Chicks Reunion in Katoomba this year. We anticipate that more will be able to join us next year. If friends from the forms above or below our year group would like to join us please contact Paul Tierney (Kinross Wolaroi Ex-Students’ Association) to be put in touch with the organizers. The weekend of our reunion coincides with a music festival and whilst this is an informal way to meet with friends, attendance at the festival is optional; the group plan to meet for long brunches and coffee throughout the weekend in 2013.

- It was a wonderful weekend in the mountains and I had to pinch myself to know it was happening. It was amazing to be sitting down having a conversation with someone you knew so well all those years ago and yet haven’t seen for years. Such a happy feeling when most of us gathered on the Friday evening and we had so much to talk about. (Lesley Edwards)

- It was so great to catch up with the ones who went to the Mountains and I really loved the music too. (Pam Mills)

- To say that it was a fabulous success would be an understatement! Chris and I are still re-living the joy and camaraderie of a wonderful weekend experience together with the 60’s Chicks. We will definitely be starters again next year. Too good to be true! What can I say? It was amazing to come together with friends from so long ago and to feel as though we’ve been in close contact for all those years! I just keep trying to find the right superlatives – well done (not enough), fantastic (close), fabulous (nearly there), stupendous (yep!!) (Kathy Gray)

- It really was a terrific weekend. The music was way beyond my expectations and I will definitely go again. (Peggy Miller)

- I’m a proud 60’s Chick! The reunion in the mountains was fantastic and I’m sure next year will be an even bigger success .... sooo much fun catching up with our dear friends whom we’ll never forget .. that’s for sure !! (Jane Stewart)

- The reunion was a resounding success; it can only go from strength to strength. It was great to catch up with you all & I enjoyed the short time we were together. I now know the music festival routine & like the flexibility of it. (Libby Smith)

- It was such a positive experience and so uplifting to meet with the Sixties Chicks. I'm still basking in the memory and marvelling at how easy it was to reconnect after 40 years. (Janelle Wykes)

- A wonderful weekend; the Music Festival was a great venue. I look forward to catching up again next March........amazing how time doesn’t alter friendships. Only the exteriors change a little!!!!!!!!! (Wendy Scanlan)

- Fantastic to catch up with the girls after so many years, and the idea of a regular reunion is a great concept. (Adrienne Peacock)
