General Meeting of the
Kinross Wolaroi Ex-Students Association

Saturday March 5\textsuperscript{th}, 2011, Wolaroi Board Room

MINUTES

- Welcome.
- In attendance and apologies : as per the AGM.
- Minutes of the last general meeting, Nov 22\textsuperscript{nd}, 2010.
- Matters Arising from the minutes:
  - Discussion about a ‘grandparents survey again took place – this has taken a back seat to the overall parent survey that Bev West undertook last year, but may occur in 2011.
  - A check of current status of landscaping at PLC to be done, so that ESA can contribute.
  - Martin to check on where / how monies from the coffee machine are being distributed. It appears to be going to Rugby club – is this OK, (it’s still going to the school)
- Review of trust rules and regulations. n/a
- Review of Constitution. An executive ‘sub-committee’ will be formed to review the constitution, Walter to organize.
- Correspondence In & Out : A number of letters, emails, requests and thank you’s were read out by Paul
- President’s Report
- Treasurer’s Report. We have renewed the term deposit, and it has increased significantly over the past 2 years with large numbers of Ex-students taking up life membership.
- Reunions planned for 2011, and others yet unplanned. 5 and 10 year reunions will be held on June 18\textsuperscript{th} (a home rugby match against St Stanislaus) and a 20
yr reunion will be held on August 13th (home rugby also). An ex-staff reunion will be held on August 26th – Stephanie Burton and Elaine will help organize, along with (perhaps) Rod Hancock and John Casbier.

- 125 Years Celebrations:
  - Current progress was briefly overviewed
  - More detailed outline of proposed weekend and other events occurring throughout the year. A discussion of all four events to be held over the weekend was given.
  - Committee to be setup for organization of the Friday evening Function: All members present are happy to participate with help on this committee – it will be a huge task to get this organized.

- General business.
  - A lengthy discussion of the schools database took place – including its accuracy, the ability for it to be used as a marketing tool, and its ease of use.
  - Life membership records – should we start at 2009 as ‘year zero’ and compile a life member database from there? It was noted that the first 2 life members of the ESA were Bruce Balcombe and Robin Oates (and that membership was $60 in 1971).
  - Proposal for Ex-students’ Scholarship: Paul mentioned his proposal for this scholarship and that the 125 years celebrations seemed a perfect time to get it (back) off the ground. Committee members mentioned the difficulties they have previously encountered with this type of scholarship.

- Next General Meeting date:
  Monday April 4th 7pm at the Parkview Hotel

Meeting Closed : 11:40am
