Meeting close
Dear Parents

Included in this account is an optional $30 (per family) subscription for membership fees for the Kinross Wolaroi School Parents and Friends (P and F) Association.

The P and F are a group of parent volunteers who work to add value to the entire school community through varied activities and sponsorships including:

- The annual fair
- The management of the canteen, and employment of canteen supervisors
- The careers forum
- The art show
- The annual staff ‘wish list’.

These services to the school are funded predominantly through funds raised from the fair, the canteen and the $30 subscription.

In 2009, school staff were asked to provide a ‘wish list’ to the P and F for enhancement funding. Nearly $60 000.00 was allocated across areas such as Boarding, Hospitality, Agriculture, Industrial Technology, Preparatory, Music, Languages and many other school departments.

There are many parents who due to distance or full time work commitments are unable to support the P and F activities directly and many who are unable to attend meetings. The P and F understands this and through the KWS website, our P and F page is being improved to give you information about our activities, budget reports, minutes, agendas and links to information that we believe KWS families will find useful. Please have a look at this site (click on the KWS Communities tab).

The KWS P and F continues to support our entire school community and I thank you for your consideration of this 2010 KWS P and F subscription.

Yours sincerely

Richard Cheney
President KWS P & F
