BREAKFAST FOR DAY STUDENTS IN THE DINING ROOM

With the increased demand for breakfast due to morning training for most sports, problems are arising in a number of areas that need to be addressed. As parents may or may not be aware, early morning breakfast for day students has been available for many years and an honesty system for charging has been used. This system is now inadequate and will have to be changed.

In order for the kitchen staff to cater for both the boarders and the increasing number of day students, the following system will apply from Monday, 21 February.

1. Those day students wanting breakfast must advise the Accounts Office by 11.15 am the day before breakfast is required. This will enable numbers to be provided to the kitchen for catering purposes.

2. If student’s names are not on the roll provided to the kitchen, they will not be allowed to enter the dining room. The onus for having breakfast provided by the school for day students will now be the responsibility of each day student.

3. Any day student who books breakfast and fails to turn up for that breakfast will still be charged, as the kitchen staff will have to provide the meal based on their booking the day before.

4. The cost for each breakfast will be $7.70 (inclusive of GST).

A staff member from each sport will be in attendance in the dining room to manage the roll on a daily basis.

If there are any questions in relation to the new procedures, please contact the Bursar, Mr Joe Donnelly on 63920312
