The Kinross Wolaroi School Clothing Pool

Opens Tues & Wed 10.30am –2pm. (School Days).

KWS operates a Clothing Pool to enable all families to recycle their current school uniforms and the opportunity for everyone to purchase good used clothing at a reduced price.

School children can purchase items from the Clothing Pool with a signature and items will be charged to your school account.

Only clothing purchased from the KWS Shop can be sold at the clothing pool. (No socks or bike pants). School bags and backpacks in good condition can also be sold.

Any clothing left dirty, torn, too far gone, not a current uniform item, or not KWS shop clothing will be rejected and given to charity. Clothing must be presented clean and in good condition.

Clothing will be priced according to its condition at a saleable price. When items are sold, the money will be credited to your child’s account or a cheque posted if there are no children in the family currently left at the school. The clothing pool retains a commission for the sale of your uniforms and proudly you are supporting our school and your children. Donations of school uniforms are also very welcome and proceeds help continue the development of our school.

Clothing can be dropped at the main office in a bag with your child’s name and year clearly marked on or inside the bag anytime between 9am and 5pm weekdays or directly to the clothing pool open Tuesday’s and Wednesday’s between 10 -30am and 2pm.
