Year 7 Week 4:

A huge week awaits Year 7 with Naplan Testing, Study Skills work in Tutor, Winter Sport, Assignments and much more for them to come to grips with. I wish them the very best and hope they will read the Daily Notices and the Herald closely to make sure they are organised and prepared for everything the week has in store.

NAPLAN TESTING
Tuesday 11th May: Language Conventions and Writing
Wednesday 12th May: Reading
Thursday 13th May: Numeracy, calculator and non-calculator.

- Tuesday – all students will report to the DPA five minutes before the end of period 1.
- Wednesday and Thursday - all students will report to the DPA at the BEGINNING OF TUTOR.

Please note that no child can attend any music, tutoring or other withdrawal from class, including medical appointments, during the examination times.

All students will require for ALL exams:-

- Three 2B pencils, One eraser, One sharpener,
- A quiet activity to go on with if you finish early. (a book to read; except for Writing)
- All students require the calculator they normally use in class for the Numeracy Calculator exam (Thursday morning, first session)

Tips and Advice for Year 7’s

- Every now and then you may need to find Mr Tink when he is not in his office near the Year 7 locker room. The first place to look is over in the Art Rooms, Mr Tink can be found in room 89 or the Art Staff Office which is to the left of the door to room 89.
- Locker Checks on Friday were very successful, students received a small prize for a clean locker. I was amazed at some of the lockers, organization and pride were evident across all the house groups, Well Done Year 7
- If you have a detention go to room 5 at the second half of lunch.
