Quote of the Week:

Genius is 1% inspiration and 99% perspiration. Accordingly a genius is often merely a talented person who has done all of his or her homework.

Thomas Edison

Its Examination Week!

Exam Facts and Tips -

- Stay Calm, it will be fine.
- Exams help you to improve your future performance.
- Remember you have already done the hard work in class.
- Team up with a friend and quiz each other using the study folders you have worked on at home and in Tutor.
- You don’t have to top an exam to have done your best.
- This is the first time you will sit exams so consider it a learning experience.
- Answer every question!. Have a go, Make an educated guess, its far worse to not try at all.

Column 7,

Tips and Advice for Year 7’s

- This week we will have a meeting before the exams on Tuesday in the Performance Theater to let you all know the procedure for exams and cover anything you have missed out on over the least few weeks in Tutor.

- Private Study will be a new concept to our Year 7s. They should take textbooks for the upcoming examinations along with their Student Diary and Pencil Case to the private study sessions. Year 7 should use the time to make study notes, revise past tests, make chapter summaries or practice answering questions from their textbooks!

Birthdays Week 7!

Tom Rogers,
Josie Bloomfield, and
Ben Ryan…….

HAPPY BIRTHDAY to you all……. 
Well Done to ALL Year 7s who played sport in the cold and rain over the weekend. One game of note was the 13A’s Rugby who made a huge effort against a very strong St Pius team. I greatly enjoyed watching the game and seeing the boys in action!
