

SWIMMING

ABOUT OUR PROGRAM

SWIMMING CLUB

KWS Swimming is a club catering for swimmers within the Kinross Wolaroi School Swim Program, the majority of which are students at Kinross Wolaroi School. The club and squad program operates out of the KWS indoor 25m pool.

The club is the competitive branch of a wider program which incorporates a Learn to Swim program, school sport program and a progression from mini squad to national age squad.

KWS School students within the program are encouraged to join the KWS Swimming Club. Swim Club is for all levels of swimmer from beginners to national and open level.

LEARN TO SWIM

Swimming lessons are available for all students as well as the wider community starting with our babies program all the way through to stroke correction.

We currently have 7 learn to swim instructors who run classes Monday-Saturday (school hours) and Monday – Thursday (after school). We also run holiday intensives swimming lessons during most of the school holidays.

Once KWS students have learnt to swim they can then choose to continue their swimming in our transition squad, moving through to mini squad, pathways, challenge and eventually performance (our senior representative squad).

HIGH PERFORMANCE SWIMMING

Kim Taylor is the KWS Head Coach and has been working in the industry for over 40 years. He is ably assisted with a number of swimming specialist coaching staff, strength and conditioning staff and a physiotherapist. The KWS swim club performs strongly at local, NSW country and NSW state level meets.

For all enquiries phone the Swim Office on 02 6392 0353.
